SCHEDULE 2

Statement of Work-

This Statement of Work is issued under and in accordance with the Contract entered into between the parties dated 19th March 2021.

Project:	Dataset on Online Job Vacancies
Project start Date	The contract start date is Thursday, 25th March 2021 and shall expire on Sunday, 24th March 2024.
Project Notice Period:	Notice period for cancellation is 30 days.
Services & Deliverables:	The Department for Business, Energy and Industrial Strategy is looking to acquire a licence for a micro-level dataset of UK online job vacancies to answer a range of analytical questions. The Department is particularly interested in the following variables (many of which will need to have been pre-extracted from the full text of the job description): • Full text of job description; • Job title; • Employer name (and/or ideally a unique identifier that would allow matching the employer to other datasets); • Salary (value or range); • Geographical location (e.g. longitude, latitude, city, county, LEP, region, travel to work area); • SIC code • SOC code • Skills requirements; • Educational requirements; • Timestamp;
