

ECITB 2023

Chartered Project Professional (ChPP) Cohort

Descriptive Summary;

This contract relates to the delivery of an ECITB sponsored ChPP cohort commencing in August 2023. The services required will result in the successful attainment of the ChPP standard for 15 learners. This will be achieved through an established programme to support attainment of the ChPP standard.

Estimated Contract Value;

The value of the contract will vary dependant on the number of learners accepted to complete the programme, though maximum of 15 learners can be considered.

Estimated Length of Contract;

It is estimated that the duration of the ChPP will be for a maximum of 6 months.

Location;

The required services will be delivered within Scotland.

Type of Work;

CPV Code 8000000-4 Educational and Training Services

Contact Person;
