<b>Contract Title:</b>	Contract for the Provision of <b>Sexual Harassment – Literature Review and Survey</b> (The Contract)		
<b>Contract Reference:</b>	<b>CCMK19A03</b>	<b>Contract Change Number:</b>	<b>CCMK19A03 - 4</b>
<b>Date CCN issued:</b>	15/01/2021	<b>Date Change Effective from:</b>	18/01/2021

Between: The Government Equalities Office (The Customer) and I.F.F Research Limited (The Supplier)

1. The Contract is varied as follows:

- 1.1 This Contract requires a budget increase by a total of £15,687.50, resulting in the new total Contract Value of £117,276.25.
- 1.2 The Contract End Date remains unchanged as 31st March 2021.
- 1.3 The rationale for the uplift to the Contract value is as follows:
- 1.4 The main purpose of the additional funding is to better analyse and more accurately report on problematic results produced by the survey that, if published in their current form, risk creating a skewed understanding of the problems of sexual harassment and violence in GB. Some of the figures e.g. on rape, are significantly out-of-line with existing survey results e.g. the ONS Crime Survey, and this requires careful handling and explanation.
- 1.5 As a solution, Government Equalities Office propose to separate out from the main analysis, a group of people who have had particularly frequent and/or extreme experience, who significantly skew overall figures; both groups will be included in the report, including in headline figures, but where appropriate analysis will distinguish between these two groups and attempt to provide a more detailed explanation for the higher figures.
- 1.6 A breakdown of the additional costs is outlined in the table below:
