Invitation to Tender for Sewage Treatment Plant, Septic Tanks, Cess Pits and Stand Alone Pumping Stations Maintenance Services

CLARIFICATION NOTE 4

The following requests for clarification have been received, alongside is the clarification:

Clarification request	Details of clarification
1. The EA consents for site 3 – No 5 The Crescent – Sampling is in relation to Copper & Zinc, though the EA consent letter does not give the levels it is to be no greater than. Do you know these?	There is no further information available.
2. Also site 12 – 54,56 Elizabeth Road – There is no information the EA consents compliance, do you have this?	This is a pumping station that pumps to the Thames Water public foul sewer and there is therefore no discharge and no discharge consent necessary. The consent for the connection from Thames Water is included in the documentation.

21/3/2018 Clarification Note Ends. Issued to all parties having expressed an interest and also placed on the Contract Finder web page for the tender.
