SF	Surface Finish
SFF	Surface Finish Facility (Includes all buildings, temporary/permanent structures that support the delivery of output defined within this contract)
SFS	Surface Finish Services
SOR	Statement/Schedule of Requirement
SRD	System Requirement Document
TU	Trade Union
TUPE	Transfer of Undertakings (Protection of Employment)

Definitions

Term	Definition
Scheduled Maintenance	<p>The preventive maintenance undertaken at regular pre-determined intervals to keep aircraft or other item's equipment in a sound overall condition and to minimise the amount of corrective maintenance and other day-to day attention required.</p> <p>For the purpose of this contract, the scope and type of work to be undertaken; is determined by scoping documents, using historical data produced by interrogation of maintenance work orders for the last 2 years.</p>
Off aircraft Maintenance	Maintenance carried out on components or systems within a maintenance section.
Role Equipment	Equipment which is fitted to enable a specific role or operation in a particular environment to be carried out.
