

ECITB 2020 Scholarship Programme

Descriptive Summary:

This contract relate to the delivery of the ECITB Scholarship Programme for September 2020. The services required will result in the successful completion of the Programme and ideally progression into skilled status employment or an Apprenticeship in Engineering Construction. This will be achieved through a combination of knowledge and practical skills delivery. These contracts are reliant on the successful organisation accessing funding through the relevant Government Funding Body to fund the delivery of the relevant Knowledge Qualification/s.

Estimated Contract Values:

The value of each contract will vary dependant on the number of Learners being recruited in each region. The contract values could range from between £108,000 to £432,000 dependant on demand and requirements within each region.

Estimated Length of Contracts:

It is estimated that the duration of the Contract will be for 2 years.

Location:

The required services will be delivered within specified ECITB Regions.

Type of Work:

CPV Code – 80000000-4 Educational and Training Services
