Dear All

**TENDER FOR REFURBISHMENT OF MCA WRANGLE, GRANT FARM, DAVIDS  
LANE, BENNINGTON, BOSTON, LINCOLN PE22 0DA**

We have received a question from an applicant for the above-mentioned contract, and to ensure that all applicants have access to the same information, we have copied the question and our answer:

**Question:**

Q&A Feedback tells us that the garage floor is to receive a Flowcrete floor covering. Have we to add a line and include for this or is the Flowcrete being installed by others at a later date ?

Answer:

**Do not add a line for this as it is not an essential requirement for this tender. If you wish to include a cost for it as an optional extra please do so, but this is not compulsory as it is not an element that will be part of the evaluation process.**

I hope this provides all the information you require

Kind Regards
