SERVICE REQUIREMENTS
Services required: Delivery of Health Service Modelling Associates (HSMA) Programme as defined in the attached specification.
Services Commencement Date: 4/10/22
Funding by Licence User and payment profile: As defined in the attached specification.
Completion date (including any extension period or periods): 2 years from services commencement date. This date may be varied by agreement of both parties.
ADDITIONAL REQUIREMENTS
Supplemental requirements in addition to Future Licence Terms and Conditions: None
Variations to Future Licence Terms and Conditions: <i>[Please specify whether any of the provisions of the Future Licence concerning the use or ownership of IP are to be varied. For example, if the Authority is to own the Foreground IP generated in the Services. Please note that variations to the IP position set out in the Future Licence may cause procurement issues and so legal advice should be sought prior to entering into the Future Licence if such a variation is required.]</i> None
PERFORMANCE OF THE SERVICES
Key personnel of the Supplier to be involved in the Services: As defined in the attached specification.
Performance standards: SWAHSN will report to HEE Digital Readiness Education on the delivery of the specified capacity and will be accountable for the performance and conduct of postholders and commissioned staff during the delivery of the services.
Location(s) at which the Services are to be provided: Remote by default, face to face if appropriate and Covid secure.
Quality standards: SWAHSN will be accountable for the quality of work produced by SWAHSN employed and commissioned staff. Both parties will work together to assure the overall quality of

the HSMA programme delivered and associated wider benefits as referenced in the attached specification.
Contract monitoring arrangements: Activity covered by this order will be monitored by the HEE Digital Readiness Education team.
Management Information and meetings: Both parties will work together via the key touchpoints defined in the attached specification on an 'as required' basis to ensure the overall joint working arrangement and delivery of the HSMA programme are effectively progressed.
