## Important

### YouGov's policy on external use of data

YouGov provides a publication approval service that the Client must request prior to the publication of any data or information citing or attributed to YouGov. Upon receipt of a request from the Client, YouGov will review the proposed publication for accuracy and respond with material corrections within 2 working days of receipt. Should the data or information be published without prior notice, YouGov may, at its discretion, release a corrected version without further consultation with the Client. The publication approval service clause of the relevant Terms (as identified below) applies.
