13.11.2 any other related transfer or export control, that imposes or will impose end use, end user or re-transfer or re-export restrictions, or restrictions on disclosure to individuals based upon their nationality.

13.12 If at any time during the term of the Contract the Supplier becomes aware that all or any part of the Deliverables are subject to Paragraph 13.11.1 or 13.11.2, it shall notify the Buyer of this as soon as reasonably practicable by providing details in a mutually agreed format. Such notification shall be no later than 30 days of knowledge of any affected Deliverable and in any event, such notification shall be not less than 30 days prior to delivery of the Deliverables.

13.13 If the information to be provided under Paragraph 13.12 has been provided previously to the Buyer by the Supplier under the Contract, the Supplier may satisfy these requirements by giving details of the previous notification and confirming they remain valid and satisfy the provisions of Paragraph 13.12.

13.14 During the term of the Contract, the Supplier shall notify the Buyer as soon as reasonably practicable of any changes in the information notified previously under Paragraph 13.12 or 13.13 of which it becomes or is aware that would affect the Buyer's ability to use, disclose, re-transfer or re-export an item or part of it as is referred to in those Paragraphs.

13.15 For a period of up to 2 years from the End Date and in response to a specific request by the Buyer, the Supplier shall notify the Buyer as soon as reasonably practicable of any changes in the information notified previously under Paragraph 13.12 or 13.13 of which it becomes aware that would affect the Buyer's ability to use, disclose, re-transfer or re-export an item or part of it as is referred to in those Clauses.

13.16 Where following receipt of material from a Subcontractor or any of its other suppliers' restrictions are notified to the Supplier by that Subcontractor, supplier or other third party or are identified by the Supplier, the Supplier shall immediately inform the Buyer. Within 10 days of such notification, the Supplier shall propose to the Buyer actions to mitigate the impact of such restrictions. Such proposals may include, where appropriate, mutually supported attempts to obtain removal or modification to the restrictions or to obtain appropriate authorisations from the relevant foreign government. The Buyer shall notify the Supplier within 10 days of receipt of a proposal whether it is acceptable and where appropriate the Contract shall be modified in accordance with its terms to implement the proposal.

13.17 If the restrictions prevent the Supplier from performing its obligations under the Contract and have not been removed, modified or otherwise satisfactorily managed within a reasonable time, the Buyer may at its absolute discretion elect to amend the contract or to terminate the Contract. Except as set out in Paragraph 13.18, in the event of termination in these circumstances, termination shall be on fair and reasonable terms having regard to all the circumstances including payments already made and that would otherwise be due under the

Contract, costs incurred by the Supplier and benefits received by the Buyer. The Parties, acting in good faith, will use all reasonable endeavours to agree such fair and reasonable terms failing which either Party may refer the matter to dispute resolution in accordance with the provisions in the Contract.

- 13.18 In the event that the restrictions notified to the Buyer pursuant to Paragraph 13.12 were known or ought reasonably have been known by the Supplier (but were not disclosed) at contract award or if restrictions notified to the Buyer pursuant to Paragraph 13.14 or 13.16 were known or ought reasonably to have been known by the Supplier at the date of submission of the most recent information submitted to the Buyer in accordance with Paragraph 13.12, termination under Paragraph 13.17 will be in accordance with clause 10.4.1 of the Core Terms (on the basis that the Supplier has committed a material default) and the provisions of Paragraph 13.22 will not apply.

Buyer obligation to provide information

- 13.19 The Buyer shall use reasonable endeavours to identify any export control restrictions applying to the Issued Property as GFA. Where the Buyer is to provide material necessary to enable the Supplier to perform the Contract or in respect of which the Deliverables are to be provided, and that material is subject to a non-UK export licence, authorisation, exemption or other related transfer or export control as described in the provisions of Paragraph 13.11 above, the Buyer shall provide up to date information to the Supplier within 30 days of the date of knowledge and in any case not later than 30 days prior to the delivery of such material to the Supplier.
- 13.20 In the event that the Buyer becomes aware that the information disclosure was incomplete or inaccurate or in the event additional such material is identified then the Buyer shall provide the correctly updated information, as soon as reasonably practicable. In the event that the Buyer becomes aware that a prior disclosure included information submitted to the Supplier as being incomplete or inaccurate less than 30 days prior to the delivery to the Supplier of any material to which the updated or new disclosure relates, the Parties will meet as soon as reasonably practicable to discuss how to mitigate the impact of the incomplete or inaccurate disclosure.
- 13.21 Where:
- 13.21.1 restrictions are advised by the Buyer to the Supplier in information provided pursuant to Paragraph 13.19 or 13.20 or both; or
 - 13.21.2 any of the information provided by the Buyer proves to be incorrect or inaccurate, the Buyer and the Supplier shall act promptly to mitigate the impact of such restrictions or incorrect or inaccurate information. Such mitigation shall include, where appropriate, mutually supported attempts to obtain removal or modification to the restrictions or to obtain appropriate authorisations from the relevant foreign government. If the restrictions or incorrect or inaccurate information adversely affect the ability of the Supplier to perform its obligations under the Contract, the matter shall be handled as may otherwise be provided by the Contract as appropriate and if no alternative solution satisfies the essential terms of the Contract and the restrictions have not been removed, modified or otherwise satisfactorily managed within a reasonable time the Buyer may

terminate the Contract. Termination under these circumstances will be under the terms of clause 10.3 of the Core Terms.

Interim Position

13.22 Pending agreement of any amendment of the Contract as set out in Paragraph 13.17 or 13.21, provided the Supplier takes such steps as are reasonable to mitigate the impact the Supplier shall be relieved from its obligations to perform those elements of the Contract directly affected by the restrictions or provision of incorrect or incomplete information.

14. ACCOUNTING FOR THE PROPERTY OF THE BUYER

14.1 The Supplier will:

- 14.1.1 maintain a Public Store Account ("PSA"), which will include a complete list of all property of the Buyer, as defined in Paragraph 14.3 (this reference doesn't work – cannot find a suitable place in the CO Schedule to reference out to), and record for that property all transactions or other accounting information specified in the Specification;
- 14.1.2 supply to the Buyer quarterly reports on the current PSA holdings. At least one report in any twelve-month accounting period or part thereof will be a reconciled report. The other three reports submitted in the period may be un-reconciled advisory reports. The submission by the Supplier and receipt by the Buyer of these reports will not prejudice any rights or obligations of the Buyer or the Supplier under the Contract;
- 14.1.3 ensure that the PSA is available for inspection by the Buyer at any reasonable time;
- 14.1.4 on being given eight weeks' notice or any other period as has been stated in the Contract permit, and co-operate with, the Buyer to conduct audits of the PSA in a manner to be determined by the Buyer; where the Buyer has reasonable grounds to doubt the integrity of the PSA to the extent that the Buyer is not satisfied of the proper use of property of the Buyer, an audit may be conducted without notice;
- 14.1.5 retain the PSA for a period of three years after disposal of the last item of the property of the Buyer, or for any other period as may be specified in the Contract;
- 14.1.6 if the Buyer agrees that a Subcontractor at whatever level of sub-contracting will have responsibility in the Subcontractor's PSA for property of the Buyer issued in aid of the Contract, the Supplier will include in any Sub-Contract with those Subcontractors only the provisions corresponding to those set out in this Paragraph that apply to property of the Buyer issued in aid of the Sub-Contract, in particular clauses 14.1, 14.2 and 14.4; and
- 14.1.7 manage the GFA component of the PSA in accordance with the provisions of DEFSTAN 05-99; and implement any new edition of or amendment to DEFSTAN 05-99 within twelve weeks of the publication date of the new edition. These amendments will not have retrospective effect.

- 14.2 For the purposes of this Paragraph 'property of the Buyer' means GFA and fixed assets, including property issued under Paragraph 14 and property of the Buyer issued to the Supplier under any other authorising document except for property vested in the Buyer.
- 14.3 For the avoidance of doubt, it is a condition of this Contract that this Paragraph will apply to all property issued to the Supplier from the date of this Contract. Property of the Buyer issued prior to the date of this Contract may be subject to separate contractual arrangements.
- 14.4 The obligations of the Supplier arising under this Paragraph in respect of property of the Buyer issued in aid of the Contract will survive completion of the Contract and will not be completed until all such obligations are fulfilled including the provisions of Paragraph 14.1.5.
- 14.5 NOT USED
- 14.6 If, after completion of the Contract, no subsequent contract is placed containing Paragraph 14 within the period detailed at Paragraph 14.1.5, then the obligations of the Supplier arising under this Paragraph in respect of property of the Buyer unconnected with the Contract will cease on expiry of the period detailed at Paragraph 14.1.5.

15. ENDING THE CONTRACT

Clause 10 of the Core Terms shall be amended and supplemented by the wording in this paragraph below.

10.5.2 No further sum shall become due to the Supplier otherwise than in accordance with this Clause 10 and the Buyer need not pay any sum that has already become due either:

- insofar as the Buyer (or the Buyer Authorised Representative on its behalf) has given or gives a Pay Less Notice; or
- if the Supplier (after the last date upon which a Pay Less Notice could have been given in respect of that sum) is the subject of a Supplier Insolvency Event.

15.5 Clause 10.6 of the Core Terms shall be disapplied and replaced with the following:

10.6.1 If the Buyer does not pay by 30 days after the final date for payment an undisputed amount due to the Supplier in accordance with Call-off Schedule 5 (Pricing) and/or any VAT properly chargeable on that amount and the amount due to the Supplier excluding VAT is in excess of 10% of the Estimated Yearly Charge, the Supplier shall be entitled to give to the Buyer a notice (a "Reminder Notice") specifying the default or defaults ("a specified default or defaults"). If a specified default continues for 30 days from receipt of the Reminder Notice, the Supplier may terminate the relevant Call-Off Contract by issuing a Termination Notice to the Buyer. Termination shall take effect from the date stated in the Termination Notice.

10.6.2 If a Supplier terminates a Call-Off Contract under Clause 10.6.1:

- Paragraph 15 of Call-of Schedule 5 (Pricing) applies.
- Clauses 10.5.2 to 10.5.7 apply

15.6 A new Clause 10.8.7 shall be added as follows:

- The Supplier shall not be entitled to suspend performance pursuant to the first paragraph of this Clause 10.8.7 unless it has given to the Buyer Authorised Representative at least 28 days' notice of its intention to suspend performance stating the ground or grounds on which it is intended to suspend performance.
- The Supplier's right to suspend performance of any or all of its obligations under the Contract shall cease immediately on payment in full of the amount

due under the provisions of the Contract, and upon such payment the Supplier shall resume performance of its suspended obligations under the Contract forthwith.

- If the Supplier suffers delay and/or incurs Costs as a result of suspending performance of its obligations under the Contract in accordance with this Clause 10.8.7, then Paragraph 15 of Call-off Schedule 5 (Pricing) shall apply.
