**The VFP is a match funded project with funds from the 2014 to 2020 European Structural and Investment Funds Growth Programme. Up to £70,000.00 is available for the build.**

We are a charity based community organisation and boxing club accepting applications to offer a tender for provision of the above.

The work will allow us to extend our existing premises and create a social enterprise which will provide further education, training & employment opportunities and allow affordable meals to be prepared and served, to the local community.

Please contact Ms. U. Hameed, using the contact details above, to obtain the further information and application pack. Alternatively you can go to our website to download the information and the application pack.

**PLEASE NOTE:** questions relating to the tender should be made via email to [vulcanlearningcentre@hotmail.com](mailto:vulcanlearningcentre@hotmail.com), with the subject heading **TENDER QUESTION** and be **received by 17:00 on Friday 11<sup>th</sup> October 2019**. All questions and answers will be publicly published in the FAQ section. This is to ensure that the ESIF can maintain the integrity and robustness of the tendering process and guarantee that answers given are consistent.

Applicants must not contact any employee of the organisation to obtain any additional information about this procedure. Any contact made other than through the above email may result in your submission being excluded from the evaluation process. We aim to answer questions within 24 hours of them being received.

**Completed applications must be received by email by 17:00 on Wednesday 16<sup>th</sup> October 2019.** Late tenders will **not** be considered.

Applications will be scored and evaluated based on a contractor's ability to provide the required services, within the budget allowance and the added value that they can offer to the organisation.
