

GAINSHARE CHANGE PROPOSAL FORM					
Project Title				Contract Number	
				CBRN/00287	
Serial No		Issue		Date	
1. Change Required					
2. Equipment/Sub System affected					
3. Reason for change: (Change in; requirement, technology, legislation, gainshare etc)					
4. Preparation Cost			*Firm Price		
5. Nature of study to be undertaken (Complete this only if required)					
Estimated number of weeks for study				*Firm Price for study	
				Latest Approval Date	
Signed _____			Signed _____		
Name _____			Name _____		
Contracts Manager for the Contractor			Project Manager for the Contractor		
Date _____			Date _____		
Authority to Proceed with study					
Signed _____			Signed _____		
Name _____			Name _____		
Commercial Manager for CBRN DT			Project Manager for CBRN DT		
Date _____			Date _____		

6. Result of study and recommended changes, to include study reference: (Complete only if required)																																																									
7. Total Value of changes broken down into demonstration, production and CLS																																																									
Demonstration	*Firm Price	Production	*Firm Price	CLS	* Firm Price																																																				
8. Areas of SRD affected:																																																									
9. Effect of change on Demonstration and Production including effect on programme or system delivery:																																																									
<p>10. Consequential effects of the proposed change on the following: All must be completed</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 45%;">System Performance Including Key User Requirements</td> <td style="width: 5%; text-align: center;">-</td> <td style="width: 45%;">Modification Kits</td> <td style="width: 5%; text-align: center;">-</td> </tr> <tr> <td>System</td> <td style="text-align: center;">-</td> <td>Modelling</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Interface</td> <td style="text-align: center;">-</td> <td>Software</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Weight including Centre of Gravity</td> <td style="text-align: center;">-</td> <td>Items supplied by MOD</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Configuration control</td> <td style="text-align: center;">-</td> <td>Test and Trials</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Interchangeability/Interoperability</td> <td style="text-align: center;">-</td> <td>Maintenance</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Spares</td> <td style="text-align: center;">-</td> <td>NATO Reference No</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Tools and Test Equipment</td> <td style="text-align: center;">-</td> <td>Safety</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Technical Publications</td> <td style="text-align: center;">-</td> <td>Reliability</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Modification Leaflet required</td> <td style="text-align: center;">-</td> <td>Other Contractors</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Test Specifications</td> <td style="text-align: center;">-</td> <td>Post Production Support</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Installation</td> <td style="text-align: center;">-</td> <td>Life Cycle Costs</td> <td style="text-align: center;">-</td> </tr> <tr> <td>Packaging, Handling Storage & Transportation</td> <td style="text-align: center;">-</td> <td>Other (provide details below)</td> <td style="text-align: center;">-</td> </tr> </table>						System Performance Including Key User Requirements	-	Modification Kits	-	System	-	Modelling	-	Interface	-	Software	-	Weight including Centre of Gravity	-	Items supplied by MOD	-	Configuration control	-	Test and Trials	-	Interchangeability/Interoperability	-	Maintenance	-	Spares	-	NATO Reference No	-	Tools and Test Equipment	-	Safety	-	Technical Publications	-	Reliability	-	Modification Leaflet required	-	Other Contractors	-	Test Specifications	-	Post Production Support	-	Installation	-	Life Cycle Costs	-	Packaging, Handling Storage & Transportation	-	Other (provide details below)	-
System Performance Including Key User Requirements	-	Modification Kits	-																																																						
System	-	Modelling	-																																																						
Interface	-	Software	-																																																						
Weight including Centre of Gravity	-	Items supplied by MOD	-																																																						
Configuration control	-	Test and Trials	-																																																						
Interchangeability/Interoperability	-	Maintenance	-																																																						
Spares	-	NATO Reference No	-																																																						
Tools and Test Equipment	-	Safety	-																																																						
Technical Publications	-	Reliability	-																																																						
Modification Leaflet required	-	Other Contractors	-																																																						
Test Specifications	-	Post Production Support	-																																																						
Installation	-	Life Cycle Costs	-																																																						
Packaging, Handling Storage & Transportation	-	Other (provide details below)	-																																																						
11. Additional consequential effects identified as Others above																																																									

12. Detail of consequential effects annotated Yes above. If there is insufficient space available in this box please include references to additional documents and attach them to this change proposal form.	
13. Details of materials made surplus by this change proposal, include details of cost:	
14. Date authorisation required to maintain validity of this Change Proposal	
15. Further remarks/explanation (complete only if necessary)	
Signed _____ Name _____ Contracts Manager for the Contractor Date _____	Signed _____ Name _____ Project Manager for the Contractor Date _____
Technical Concurrence: Signed _____ Name _____ Project Manager for CBRN DT Date _____	
16. Remarks	
17. Liability Determination CONTRACTOR/MOD/DISPUTED (delete as appropriate)	
Contractual Approval: Signed _____ Name _____ Commercial Manager for CBRN DT Date _____
