

NO	QUERY	REPLY	DATE
1	Would the PSA consider alternative/replacement Content Management Systems to replace their existing Sitefinity platform?	Although we currently use Sitefinity, we are open to alternative and reputable CMS platforms for the new website.	03/10/2023
2	If you are open to another platform would your existing partner for ongoing maintenance and support be in a position to support a different platform?	Our arrangements concerning our maintenance support would be informed by the needs of our new website, once it is in place.	03/10/2023
