---

---

### NUTS code

UK

### II.3) Information on framework agreement

☒ no

### II.4) Short description of nature and quantity or value of supplies or services: (in each of the service categories)

Highways England Company Limited (formerly known as the Highways Agency an executive agency of the Department for Transport) is the company operating and maintaining the majority of the motorways and trunk roads in England. It is looking to procure Severe Weather Information Services (SWIS).

Highways England's existing weather and winter related ICT services expire in 2016, and we are now looking to implement an integrated solution to deliver these requirements to replace the suite of existing services. Core ICT services include weather information services, winter reporting services and winter fleet data logging services.
