<b>2.2 Technical Evaluation Questions (scored in accordance with the Scoring Methodology on p6)</b>			
Ser	Requirements of Response	Weighting	Minimum Compliance Scoring
2.2.1	<p>In no more than 4000 words, not including supplementary documents, please provide a method statement/service delivery plan that details how the potential provider will provide the <b>Remote Observation System</b> requirement as outlined in para 3a of the SOR.</p> <p>As a minimum this must include:</p> <ul style="list-style-type: none"> <li>a. Identify the key resources the potential provider will use to deliver the service, including CVs of the key personnel involved in managing service delivery.</li> <li>b. Identify the equipment the potential provider will use to deliver the service.</li> <li>c. Detail how the potential provider's equipment will be deployed, maintained, and extracted from high tempo and spatially constrained operational environments like Command Post tents.</li> <li>d. Detail how the potential provider will store the data during exercise tasking periods.</li> </ul>	20	5
2.2.2	<p>In no more than 4000 words, not including supplementary documents, please provide a method statement/service delivery plan that details how the potential provider will provide the <b>Surveillance System</b> requirement as outlined in para 3b of the SOR.</p> <p>As a minimum this must include:</p> <ul style="list-style-type: none"> <li>a. Identify the key resources the potential provider will use to deliver the service, including CVs of the key personnel involved in managing service delivery.</li> <li>b. Identify the equipment the potential provider will use to deliver the service.</li> <li>c. Detail how the potential provider will store the data during exercise tasking periods.</li> </ul>	20	5

2.2.3	<p>In no more than 4000 words, not including supplementary documents, please provide a method statement/service delivery plan that details how the potential provider will provide the <b>RF Emission Collection System</b> requirement as outlined in para 3c of the SOR.</p> <p>As a minimum this must include:</p> <ul style="list-style-type: none"> <li>a. Identify the key resources the potential provider will use to deliver the service, including CVs of the key personnel involved in managing service delivery.</li> <li>b. Identify the equipment the potential provider will use to deliver the service.</li> <li>c. Detail how the potential provider will store the data during exercise tasking periods.</li> </ul>	30	7
2.2.4	<p>In no more than 4000 words, not including supplementary documents, please provide a method statement/service delivery plan that details how the potential provider will bring <b>Training Insights</b> as outlined in para 1 of the SOR.</p> <p>As a minimum this must include:</p> <ul style="list-style-type: none"> <li>a. How the potential provider will manage the contract and integrate each of the individual elements to provide a total managed service.</li> <li>b. How the potential provider plans to bring innovation to both the data capture systems and subsequent training insights.</li> </ul>	20	5
2.2.5	<p>In no more than 2000 words, provide a detailed description and timed action plan that clearly demonstrates how your organisation will create employment and training opportunities, particularly for those who face barriers to employment and/or who are located in deprived areas, and for people in industries with known skills shortages or in high growth sectors.</p>	5	5

2.2.6	In no more than 1500 words, provide a detailed description and timed action plan that clearly demonstrates how you will influence your staff and suppliers (if applicable), through the delivery of the contract, to support environmental protection and improvement.	2.5	5
2.2.7	In no more than 1500 words, provide a detailed description and timed action plan that clearly demonstrates How you will demonstrate action to identify and tackle inequality in employment, skills and pay in the contract workforce.	2.5	5

<b>Scoring Methodology</b>	
Mark	Scoring Guide
0	<p>The Potential Provider has provided a response that;</p> <ul style="list-style-type: none"> <li>• Is <u>incomplete</u>; or</li> <li>• Contains <u>insufficient detail</u> such that the solution is totally un-assessable.</li> <li>• Based on the preceding criteria, leaves the Authority with <u>considerable reservations</u> as to the tenderer's proposals in respect of relevant ability, understanding, expertise, skills and/or resources to deliver the requirements. Would represent a <u>very high-risk solution</u> for the contracting authority.</li> </ul>
3	<p>The Potential Provider has provided a response that:</p> <ul style="list-style-type: none"> <li>• Is <u>mostly incomplete</u>; or</li> <li>• <u>Fails in several significant areas</u> to set out a solution that addresses and meets the requirements; or</li> <li>• Contains <u>little or no detail</u> (and, where evidence is required or necessary, little or no evidence) to support the solution; and</li> <li>• Based on the preceding criteria, <u>several weaknesses</u> identified and leaves the Authority with <u>numerous reservations</u> as to the tenderer's proposals in respect of relevant ability, understanding, expertise, skills and/or resources to deliver the requirements. Would represent a <u>high-risk solution</u> for the contracting authority.</li> </ul>
5	<p>The Potential Provider has provided a response that meets each of the following:</p> <ul style="list-style-type: none"> <li>• Sets out a solution that <u>partially addresses</u> and meets the requirement;</li> <li>• Contains <u>some detail</u> (or, where evidence is required or necessary, some relevant evidence) to support the solution;</li> <li>• Based on the preceding criteria, <u>some weaknesses</u> identified leaving the Authority with <u>some reservations</u> as to the tenderer's proposals in respect of relevant ability, understanding, expertise, skills and/or resources to deliver the requirements. Would represent a <u>medium acceptable risk solution</u> for the contracting authority</li> </ul>
7	<p>The Potential Provider has provided a response that meets each of the following:</p>

	<ul style="list-style-type: none"> <li>• Sets out a solution that <u>largely addresses</u> and meets the requirement;</li> <li>• Contains <u>substantial details</u> (or, where evidence is required or necessary, substantial relevant evidence) to support the solution;</li> <li>• Based on the preceding criteria, <u>minor weaknesses</u> identified leaving the Authority with <u>high confidence</u> as to the tenderer’s proposals in respect of relevant ability, understanding, expertise, skills and/or resources to deliver the requirements. Would represent a <u>low-risk solution</u> for the contracting authority</li> </ul>
10	<p>The Potential Provider has provided a response that each of the following:</p> <ul style="list-style-type: none"> <li>• Sets out a solution that <u>fully addresses</u> and meets the requirement;</li> <li>• Contains <u>full details</u> (or, where evidence is required or necessary, comprehensive relevant evidence) to support the solution;</li> <li>• Based on the preceding criteria, <u>no weaknesses</u> identified leaving the Authority with <u>full confidence</u> as to the tenderer’s proposals in respect of relevant ability, understanding, expertise, skills and/or resources to deliver the requirements. Would represent a <u>very low risk solution</u> for the contracting authority</li> </ul>
