## 1. Definitions used in the contract

1.1 Interpret this Contract using Joint Schedule 1 (Definitions).

## 2. How the contract works

2.1 The Supplier is eligible for the award of Call-Off Contracts during the Framework Contract Period.

2.2 CCS doesn't guarantee the Supplier any exclusivity, quantity or value of work under the Framework Contract.

2.3 [REDACTED]

[REDACTED]

- make changes to Framework Schedule 6 (Order Form Template and Call-Off Schedules)
- create new Call-Off Schedules
- exclude optional template Call-Off Schedules
- use Special Terms in the Order Form to add or change terms

2.5 Each Call-Off Contract:

- is a separate Contract from the Framework Contract
- is between a Supplier and a Buyer
- includes Core Terms, Schedules and any other changes or items in the completed Order Form
- survives the termination of the Framework Contract

2.6 Where the Supplier is approached by an eligible buyer requesting Deliverables or substantially similar goods or services, the Supplier must tell them about this Framework Contract before accepting their order. The Supplier will promptly notify CCS if the eligible buyer won't use this Framework Contract.

2.7 The Supplier acknowledges it has all the information required to perform its obligations under each Contract before entering into a Contract. When information is provided by a Relevant Authority no warranty of its accuracy is given to the Supplier.

2.8 The Supplier won't be excused from any obligation, or be entitled to additional Costs or Charges because it failed to either:

- verify the accuracy of the Due Diligence Information
- properly perform its own adequate checks

2.9 CCS and the Buyer won't be liable for errors, omissions or misrepresentation of any information.

2.10 The Supplier warrants and represents that all statements made and documents submitted as part of the procurement of Deliverables are and remain true and accurate.

### **3. What needs to be delivered**

#### **3.1 All deliverables**

3.1.1 The Supplier must provide Deliverables:

- that comply with the Specification, the Framework Tender Response and, in relation to a Call-Off Contract, the Call-Off Tender (if there is one)
- to a professional standard
- using reasonable skill and care
- using Good Industry Practice
- using its own policies, processes and internal quality control measures as long as they don't conflict with the Contract
- on the dates agreed
- that comply with Law

3.1.2 The Supplier must provide Deliverables with a warranty of at least 90 days from Delivery against all obvious defects.

#### **3.2 Goods clauses**

3.2.1 All Goods delivered must be new, or as new if recycled, unused and of recent origin.

3.2.2 All manufacturer warranties covering the Goods must be assignable to the Buyer on request and for free.

3.2.3 The Supplier transfers ownership of the Goods on Delivery or payment for those Goods, whichever is earlier.

3.2.4 Risk in the Goods transfers to the Buyer on Delivery of the Goods, but remains with the Supplier if the Buyer notices damage following Delivery and lets the Supplier know within 3 Working Days of Delivery.

3.2.5 The Supplier warrants that it has full and unrestricted ownership of the Goods at the time of transfer of ownership.

3.2.6 The Supplier must deliver the Goods on the date and to the specified location during the Buyer's working hours.

3.2.7 The Supplier must provide sufficient packaging for the Goods to reach the point of Delivery safely and undamaged.

3.2.8 All deliveries must have a delivery note attached that specifies the order number, type and quantity of Goods.

3.2.9 The Supplier must provide all tools, information and instructions the Buyer needs to make use of the Goods.

3.2.10 The Supplier must indemnify the Buyer against the costs of any Recall of the Goods and give notice of actual or anticipated action about the Recall of the Goods.

3.2.11 The Buyer can cancel any order or part order of Goods which has not been Delivered. If the Buyer gives less than 14 days notice then it will pay the Supplier's reasonable and proven costs already incurred on the cancelled order as long as the Supplier takes all reasonable steps to minimise these costs.

3.2.12 The Supplier must at its own cost repair, replace, refund or substitute (at the Buyer's option and request) any Goods that the Buyer rejects because they don't conform with Clause 3. If the Supplier doesn't do this it will pay the Buyer's costs including repair or re-supply by a third party.

### **3.3 Services clauses**

3.3.1 Late Delivery of the Services will be a Default of a Call-Off Contract.

3.3.2 The Supplier must co-operate with the Buyer and third party suppliers on all aspects connected with the Delivery of the Services and ensure that Supplier Staff comply with any reasonable instructions.

3.3.3 The Supplier must at its own risk and expense provide all Supplier Equipment required to Deliver the Services.

3.3.4 The Supplier must allocate sufficient resources and appropriate expertise to each Contract.

3.3.5 The Supplier must take all reasonable care to ensure performance does not disrupt the Buyer's operations, employees or other contractors.

3.3.6 The Supplier must ensure all Services, and anything used to Deliver the Services, are of good quality and free from defects.

3.3.7 The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

## **4 Pricing and payments**

4.1 [REDACTED]

[REDACTED]

[REDACTED]

- exclude VAT, which is payable on provision of a valid VAT invoice

- [REDACTED]

4.4 The Buyer must pay the Supplier the Charges within 30 days of receipt by the Buyer of a valid, undisputed invoice, in cleared funds using the payment method and details stated in the Order Form.

4.5 A Supplier invoice is only valid if it:

- includes all appropriate references including the Contract reference number and other details reasonably requested by the Buyer
- includes a detailed breakdown of Delivered Deliverables and Milestone(s) (if any)

4.6 The Buyer may retain or set-off payment of any amount owed to it by the Supplier if notice and reasons are provided.

4.7 The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this doesn't happen, CCS or the Buyer can publish the details of the late payment or non-payment.

4.8 If CCS or the Buyer can get more favourable commercial terms for the supply at cost of any materials, goods or services used by the Supplier to provide the Deliverables and that cost is reimbursable by the Buyer, then CCS or the Buyer may either:

- require the Supplier to replace its existing commercial terms with the more favourable terms offered for the relevant items
- enter into a direct agreement with the Subcontractor or third party for the relevant item

4.9 If CCS or the Buyer uses Clause 4.8 then the Framework Prices (and where applicable, the Charges) must be reduced by an agreed amount by using the Variation Procedure.

4.10 CCS and the Buyer's right to enter into a direct agreement for the supply of the relevant items is subject to both:

- the relevant item being made available to the Supplier if required to provide the Deliverables
- any reduction in the Framework Prices (and where applicable, the Charges) excludes any unavoidable costs that must be paid by the Supplier for the substituted item, including any licence fees or early termination charges

4.11 The Supplier has no right of set-off, counterclaim, discount or abatement unless they're ordered to do so by a court.

## **5. The buyer's obligations to the supplier**

5.1 If Supplier Non-Performance arises from an Authority Cause:

- neither CCS or the Buyer can terminate a Contract under Clause 10.4.1
- the Supplier is entitled to reasonable and proven additional expenses and to relief from Delay Payments, liability and Deduction under this Contract
- the Supplier is entitled to additional time needed to make the Delivery
- the Supplier cannot suspend the ongoing supply of Deliverables

5.2 Clause 5.1 only applies if the Supplier:

- gives notice to the Party responsible for the Authority Cause within 10 Working Days of becoming aware
- demonstrates that the Supplier Non-Performance only happened because of the Authority Cause
- mitigated the impact of the Authority Cause

- each Contract is executed by its authorised representative

- it doesn't have any contractual obligations which are likely to have a material adverse effect on its ability to perform each Contract
- it is not impacted by an Insolvency Event
- it will comply with each Call-Off Contract

8.2 The warranties and representations in Clauses 2.10 and 8.1 are repeated each time the Supplier provides Deliverables under the Contract.

8.3 The Supplier indemnifies both CCS and every Buyer against each of the following:

- wilful misconduct of the Supplier, Subcontractor and Supplier Staff that impacts the Contract
- non-payment by the Supplier of any tax or National Insurance

8.4 All claims indemnified under this Contract must use Clause 26.

8.5 CCS or a Buyer can terminate the Contract for breach of any warranty or indemnity where they are entitled to do so.

8.6 If the Supplier becomes aware of a representation or warranty that becomes untrue or misleading, it must immediately notify CCS and every Buyer.

8.7 All third party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier.

## 9. Intellectual Property Rights (IPRs)

9.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable worldwide licence to use, change and sub-license the Supplier's Existing IPR to enable it to both:

- receive and use the Deliverables
- make use of the deliverables provided by a Replacement Supplier

9.2 Any New IPR created under a Contract is owned by the Buyer. The Buyer gives the Supplier a licence to use any Existing IPRs and New IPRs for the purpose of fulfilling its obligations during the Contract Period.

9.3 Where a Party acquires ownership of IPRs incorrectly under this Contract it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.

9.4 Neither Party has the right to use the other Party's IPRs, including any use of the other Party's names, logos or trademarks, except as provided in Clause 9 or otherwise agreed in writing.

9.5 If there is an IPR Claim, the Supplier indemnifies CCS and each Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result.

9.6 If an IPR Claim is made or anticipated the Supplier must at its own expense and the Buyer's sole option, either:

- obtain for CCS and the Buyer the rights in Clause 9.1 and 9.2 without infringing any third party IPR
- replace or modify the relevant item with substitutes that don't infringe IPR without adversely affecting the functionality or performance of the Deliverables

## 10. Ending the contract

10.1 The Contract takes effect on the Start Date and ends on the End Date or earlier if required by Law.

10.2 The Relevant Authority can extend the Contract for the Extension Period by giving the Supplier no less than 3 Months' written notice before the Contract expires.

### **10.3 Ending the contract without a reason**

10.3.1 CCS has the right to terminate the Framework Contract at any time without reason or liability by giving the Supplier at least 30 days' notice and if it's terminated Clause 10.5.2 to 10.5.7 applies.

10.3.2 Each Buyer has the right to terminate their Call-Off Contract at any time without reason or liability by giving the Supplier not less than 90 days' written notice and if it's terminated Clause 10.5.2 to 10.5.7 applies.

### **10.4 When CCS or the buyer can end a contract**

10.4.1 If any of the following events happen, the Relevant Authority has the right to immediately terminate its Contract by issuing a Termination Notice to the Supplier:

- the Relevant Authority rejects a Rectification Plan or the Supplier does not provide it within 10 days of the request

- there's a Variation to a Contract which cannot be agreed using Clause 24 (Changing the contract) or resolved using Clause 34 (Resolving disputes)
- if the Relevant Authority discovers that the Supplier was in one of the situations in 57 (1) or 57(2) of the Regulations at the time the Contract was awarded
- the Court of Justice of the European Union uses Article 258 of the Treaty on the Functioning of the European Union (TFEU) to declare that the Contract should not have been awarded to the Supplier because of a serious breach of the TFEU or the Regulations
- the Supplier or its Affiliates embarrass or bring CCS or the Buyer into disrepute or diminish the public trust in them

10.4.2 CCS may terminate the Framework Contract if a Buyer terminates a Call-Off Contract for any of the reasons listed in Clause 10.4.1.

10.4.3 If there is a Default, the Relevant Authority can, without limiting its other rights, request that the Supplier provide a Rectification Plan.

10.4.4 When the Relevant Authority receives a requested Rectification Plan it can either:

- reject the Rectification Plan or revised Rectification Plan, giving reasons

- accept the Rectification Plan or revised Rectification Plan (without limiting its rights) and the Supplier must immediately start work on the actions in the Rectification Plan at its own cost, unless agreed otherwise by the Parties

10.4.5 Where the Rectification Plan or revised Rectification Plan is rejected, the Relevant Authority:

- must give reasonable grounds for its decision
- may request that the Supplier provides a revised Rectification Plan within 5 Working Days

10.4.6 If any of the events in 73 (1) (a) to (c) of the Regulations happen, the Relevant Authority has the right to immediately terminate the Contract and Clause 10.5.2 to 10.5.7 applies.

## **10.5 What happens if the contract ends**

Where the Relevant Authority terminates a Contract under Clause 10.4.1 all of the following apply:

10.5.1 The Supplier is responsible for the Relevant Authority's reasonable costs of procuring Replacement Deliverables for the rest of the Contract Period.

10.5.2 The Buyer's payment obligations under the terminated Contract stop immediately.

10.5.3 Accumulated rights of the Parties are not affected.

10.5.4 The Supplier must promptly delete or return the Government Data except where required to retain copies by law.

10.5.5 The Supplier must promptly return any of CCS or the Buyer's property provided under the terminated Contract.

10.5.6 The Supplier must, at no cost to CCS or the Buyer, co-operate fully in the handover and re-procurement (including to a Replacement Supplier).

10.5.7 The following Clauses survive the termination of each Contract: 3.2.10, 6, 7.2, 9, 11, 14, 15, 16, 17, 18, 34, 35 and any Clauses and Schedules which are expressly or by implication intended to continue.

## **10.6 When the supplier can end the contract**

10.6.1 The Supplier can issue a Reminder Notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate a Call-Off Contract if the Buyer fails to pay an undisputed invoiced sum due and worth over 10% of the annual Contract Value within 30 days of the date of the Reminder Notice.

10.6.2 If a Supplier terminates a Call-Off Contract under Clause 10.6.1:

- the Buyer must promptly pay all outstanding Charges incurred to the Supplier
- the Buyer must pay the Supplier reasonable committed and unavoidable Losses as long as the Supplier provides a fully itemised and costed schedule with evidence - the maximum value of this payment is limited to the total sum payable to the Supplier if the Contract had not been terminated
- Clauses 10.5.4 to 10.5.7 apply

## 10.7 When subcontracts can be ended

At the Buyer's request, the Supplier must terminate any Subcontracts in any of the following events:

- there is a Change of Control of a Subcontractor which isn't pre-approved by the Relevant Authority in writing
- the acts or omissions of the Subcontractor have caused or materially contributed to a right of termination under Clause 10.4
- a Subcontractor or its Affiliates embarrasses or brings into disrepute or diminishes the public trust in the Relevant Authority

## 10.8 Partially ending and suspending the contract

10.8.1 Where CCS has the right to terminate the Framework Contract it can suspend the Supplier's ability to accept Orders (for any period) and the Supplier cannot enter into any new Call-Off Contracts during this period. If this happens, the Supplier must still meet its obligations under any existing Call-Off Contracts that have already been signed.

10.8.2 Where CCS has the right to terminate a Framework Contract it is entitled to terminate all or part of it.

10.8.3 Where the Buyer has the right to terminate a Call-Off Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends a Contract it can provide the Deliverables itself or buy them from a third party.

10.8.4 The Relevant Authority can only partially terminate or suspend a Contract if the remaining parts of that Contract can still be used to effectively deliver the intended purpose.

10.8.5 The Parties must agree any necessary Variation required by Clause 10.8 using the Variation Procedure, but the Supplier may not either:

- reject the Variation
- increase the Charges, except where the right to partial termination is under Clause 10.3

10.8.6 The Buyer can still use other rights available, or subsequently available to it if it acts on its rights under Clause 10.8.

## 11. How much you can be held responsible for

11.1 Each Party's total aggregate liability in each Contract Year under this Framework Contract (whether in tort, contract or otherwise) [REDACTED].

11.2 Each Party's total aggregate liability in each Contract Year under each Call-Off Contract (whether in tort, contract or otherwise) is no more than the greater [REDACTED] unless specified in the Call-Off Order Form

11.3 No Party is liable to the other for:

- any indirect Losses

11.5 In spite of Clauses 11.1 and 11.2, the Supplier does not limit or exclude its liability for any indemnity given under Clauses 7.5, 8.3, 9.5, 12.2 or 14.8 or Call-Off Schedule 2 (Staff Transfer) of a Contract.

11.6 Each Party must use all reasonable endeavours to mitigate any Loss or damage which it suffers under or in connection with each Contract, including any indemnities.

11.7 When calculating the Supplier's liability under Clause 11.1 or 11.2 the following items will not be taken into consideration:

- Deductions

accordance with Joint Schedule 11 (Processing Data).

14.2 The Supplier must not remove any ownership or security notices in or relating to the Government Data.

14.3 The Supplier must make accessible back-ups of all Government Data, stored in an agreed off-site location and send the Buyer copies every 6 Months.

14.4 The Supplier must ensure that any Supplier system holding any Government Data, including back-up data, is a secure system that complies with the Security Policy and any applicable Security Management Plan.

14.5 If at any time the Supplier suspects or has reason to believe that the Government Data provided under a Contract is corrupted, lost or sufficiently degraded, then the Supplier must notify the Relevant Authority and immediately suggest remedial action.

14.6 If the Government Data is corrupted, lost or sufficiently degraded so as to be unusable the Relevant Authority may either or both:

- tell the Supplier to restore or get restored Government Data as soon as practical but no later than 5 Working Days from the date that the Relevant Authority receives notice, or the Supplier finds out about the issue, whichever is earlier
- restore the Government Data itself or using a third party

14.7 The Supplier must pay each Party's reasonable costs of complying with Clause 14.6 unless CCS or the Buyer is at fault.

15.2 In spite of Clause 15.1, a Party may disclose Confidential Information which it receives from the Disclosing Party in any of the following instances:

- where disclosure is required by applicable Law or by a court with the relevant jurisdiction if the Recipient Party notifies the Disclosing Party of the full circumstances, the affected Confidential Information and extent of the disclosure
- if the Recipient Party already had the information without obligation of confidentiality before it was disclosed by the Disclosing Party

15.6 Transparency Information is not Confidential Information.

15.7 The Supplier must not make any press announcement or publicise the Contracts or any part of them in any way, without the prior written consent of the Relevant Authority and must take all reasonable steps to

ensure that Supplier Staff do not either.

## **16. When you can share information**

16.1 The Supplier must tell the Relevant Authority within 48 hours if it receives a Request For Information.

16.2 Within the required timescales the Supplier must give CCS and each Buyer full co-operation and information needed so the Buyer can:

- publish the Transparency Information
- comply with any Freedom of Information Act (FOIA) request
- comply with any Environmental Information Regulations (EIR) request

16.3 The Relevant Authority may talk to the Supplier to help it decide whether to publish information under Clause 16. However, the extent, content and format of the disclosure is the Relevant Authority's decision, which does not need to be reasonable.

## **17. Invalid parts of the contract**

If any part of a Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that Contract as much as required and rendered ineffective as far as possible without affecting the rest of the Contract, whether it's valid or enforceable.

## **18. No other terms apply**

The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements and agreements whether written or oral. No other provisions apply.

## **19. Other people's rights in a contract**

No third parties may use the Contracts (Rights of Third Parties) Act (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

## **20. Circumstances beyond your control**

20.1 Any Party affected by a Force Majeure Event is excused from performing its obligations under a Contract while the inability to perform continues, if it both:

- provides a Force Majeure Notice to the other Party
- uses all reasonable measures practical to reduce the impact of the Force Majeure Event

20.2 Either party can partially or fully terminate the affected Contract if the provision of the Deliverables is materially affected by a Force Majeure Event which lasts for 90 days continuously.

20.3 Where a Party terminates under Clause 20.2:

- each party must cover its own Losses
- Clause 10.5.2 to 10.5.7 applies

## **21. Relationships created by the contract**

No Contract creates a partnership, joint venture or employment relationship. The Supplier must represent themselves accordingly and ensure others do so.

## **22. Giving up contract rights**

A partial or full waiver or relaxation of the terms of a Contract is only valid if it is stated to be a waiver in writing to the other Party.

## **23. Transferring responsibilities**

24.2 The Supplier must provide an Impact Assessment either:

- with the Variation Form, where the Supplier requests the Variation
- within the time limits included in a Variation Form requested by CCS or the Buyer

24.3 If the Variation to a Contract cannot be agreed or resolved by the Parties, CCS or the Buyer can either:

## Core Terms

- agree that the Contract continues without the Variation
- terminate the affected Contract, unless in the case of a Call-Off Contract, the Supplier has already provided part or all of the provision of the Deliverables, or where the Supplier can show evidence of substantial work being carried out to provide them
- refer the Dispute to be resolved using Clause 34 (Resolving Disputes)

24.4 CCS and the Buyer are not required to accept a Variation request made by the Supplier.

24.5 If there is a General Change in Law, the Supplier must bear the risk of the change and is not entitled to ask for an increase to the Framework Prices or the Charges.

24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, Framework Prices or a Contract and provide evidence:

- that the Supplier has kept costs as low as possible, including in Subcontractor costs
- of how it has affected the Supplier's costs

24.7 Any change in the Framework Prices or relief from the Supplier's obligations because of a Specific Change in Law must be implemented using Clauses 24.1 to 24.4.

26.2 At the Indemnifier's cost the Beneficiary must both:

- allow the Indemnifier to conduct all negotiations and proceedings to do with a Claim
- give the Indemnifier reasonable assistance with the claim if requested

26.3 The Beneficiary must not make admissions about the Claim without the prior written consent of the Indemnifier which can not be unreasonably withheld or delayed.

## Data Protection - Acceptable Use Protocol

### 1. Aim and Objective

The aim of this guidance is to ensure that

- Comply with data protection laws and follows good practice
- Protect the rights of staff, supplier staff, suspects, offenders, victims and witnesses
- Undertake robust data protection due diligence in the selection of suppliers
- Are transparent about how suppliers process and store personal data on behalf of MoJ
- Monitor data protection compliance through operational management for the duration of the contract lifecycle
- Protect the Ministry of Justice from the risks of a data breach

### 2. Data protection

The UK GDPR and DPA18 describe how organisations, including government departments, must collect, handle and store personal data. These rules apply regardless of whether personal data are stored electronically, on paper or in other ways. Where third party suppliers are engaged to provide goods and services, MoJ is accountable for ensuring that personal data handled by the third party on behalf of MoJ, are afforded the same level of protection, wherever they are processed along the supply chain.

To comply with the law, personal data must be collected and used fairly, stored safely and not disclosed unlawfully.

The UK GDPR and the DPA18 are underpinned by six important principles. These cover:

- i) Lawfulness, fairness and transparency
- ii) Purpose limitation
- iii) Data minimisation
- iv) Accuracy
- v) Storage limitation
- vi) Integrity and confidentiality (security)

Organisation that control personal data are accountable for the processing they undertake.

### **3. Lawfulness and purposes of processing personal data**

As a government department, MoJ is an official authority and is authorised to process personal data necessary for the performance of tasks carried out in the public interest or in exercising its official authority. There are many different purposes for processing personal data. Some purposes are shown below:

#### **(a) Staff and contractor personal data**

MoJ processes the personal data of its employees and contractors in order to fulfil contractual and legal requirements. Staff data are protected and treated as confidential. Staff have the same rights to control their data as other data subjects e.g. service users, victims or offenders

#### **(b) Service user personal data**

The Department processes personal data to protect and advance the principles of justice in delivering a world-class justice system. Examples of activities that will involve the processing of personal data are:

- i) Process enquiries from service users
- ii) Send personalised messages to prospective and existing suppliers
- iii) Preventing or detect fraud or abuses; protect our property and vital interests of other persons
- iv) Enable third parties to perform contracted services and business functions on our behalf
- v) Research and analyse trends and inform ways to improve our services
- vi) Criminal and civil enforcement including the collection of fines
- vii) Research for the development of justice policies and statistics

### **4. Supplier management**

People managing relationships with suppliers need to adopt the following practice and governance under the four stages of the commercial relationship:

#### **A. Tender:**

Know your obligations under UK GDPR and DPA18 and consider what personal data will be processed by the supplier in delivering the product or service to be procured.

- (i) Write the Invitation to tender (ITT) with data protection requirements in mind. Suppliers must be able to demonstrate that they take their data protection obligations seriously. Ask suppliers to describe their approach to compliance with data protection legislation in their response to the ITT.
- (ii) CCMD contract managers need to check with business owners initiating requests for supplier engagement whether a DPIA (data protection impact assessment) is appropriate and if so has been conducted. This will depend on the type and nature of personal data that will be processed by the supplier

in delivering the product or service to be procured. If unsure, please ask [REDACTED] [.gov.uk](https://www.gov.uk)

- (iii) During consideration of tenders, undertake robust due diligence of prospective suppliers
  - a. Are security standards acceptable?
  - b. How well/often are the suppliers' staff trained on data protection?
  - c. What does their published privacy notice say about how they uphold the rights of individual data subjects?
  - d. Have they experienced a data breach and how they handled it.
  - e. Have they received an enforcement notice from or been fined by the ICO?

## B. Contract

In the region of [REDACTED] contracts. In addition to contracts currently in place, at any one time, approximately [REDACTED] [REDACTED] Also, contract lifecycles mean there is a continuous cycle where contracts are either terminated, extended or come up for retender, so the third-party supplier contractual situation is constantly changing.

In most cases, suppliers are acting under the instructions of the MoJ and so are acting as processors with MoJ being the controller. The UK GDPR brought in significant additional liabilities for processors to ensure that personal data are afforded the same high level of safeguards wherever processed along the supply chain. The new legislation also tightened up the rules on legally binding contracts between controllers and processors (and any sub-processors/sub-contractors appointed). These changes and the wider consequences of failing to afford personal data with the required level of protection, mean it is more important than ever for MoJ to carry out robust due diligence in selection of third-party partners and throughout the term of the commercial relationship, as part of ongoing contract management.

Contracts should contain the following:

- i) A description of the roles of controller and processor.
- ii) An undertaking that each party will comply with data protection legislation.
- iii) A commitment that the Processor will only process data for purpose(s) outlined by Controller.
- iv) The types of personal data being processed under the contract
- v) The types of special category data processed under the contract (if applicable).
- vi) The types of criminal conviction personal data processed under the contract (if applicable).
- vii) Categories of individuals/data subjects –e.g. service users, offenders, victims, suspects, witnesses, staff, whose data will be processed under the contract.
- viii) The types personal data relating to children or vulnerable adults being processed under the contract (if applicable).
- ix) A commitment from the Supplier to implement appropriate technical and

organisational measures of security to keep personal data safe (often detailed in a security schedule).

- x) A commitment from the supplier that their employees will undertake to keep personal data secure.
- xi) Arrangements for Role Based Access Controls so that access to personal data is limited to need to know basis.
- xii) A commitment from Suppliers to ensure their staff are properly trained on data protection legislation and understand their obligations.
- xiii) A commitment that sub-processors will not be appointed without the prior authorisation of MoJ.
- xiv) Where MoJ authorisation is given, supplier to ensure a written contract is in place between supplier and sub-processor, so that personal data is afforded the same protection, wherever it is processed along the supply chain. Supplier is responsible for the data processing of its sub-processors.
- xv) A commitment that Supplier will not transfer personal data outside of the European Economic Area unless special safeguards are in place in the form of standard contractual clauses and which have been agreed with the MoJ.
- xvi) A commitment that Supplier will assist MoJ in fulfilling data subject rights obligations and other information related legal obligations (e.g. Freedom of Information) in line with legal timescales and processes agreed with MoJ.
- xvii) A commitment that Supplier will notify the MoJ without undue delay and in any event within 24 hours of becoming aware of a data breach.
- xviii) A commitment that Supplier will support the MoJ in investigating and mitigating a personal data breach [at no additional cost to the controller].
- xix) A commitment that Supplier will assist the MoJ with Data Protection Impact Assessments (DPIAs), as required.
- xx) A commitment that Supplier will allow MoJ access to audit processing of MoJ controlled personal data and/or provide an independent audit report.
- xxi) A commitment that Supplier will return or delete MoJ controlled personal data upon termination of contract or at MoJ's request.
- xxii) Where the supplier deletes personal data, it will provide MoJ with a data destruction certificate.
- xxiii) Supplier liabilities in relation to data protection be outlined and consider whether supplier liabilities adequately cover MoJ's risk.
- xxiv) No variation to the contract will be valid unless signed by both parties.

### **C. Operational contract management**

Following robust due diligence in the selection of suppliers, it is equally important to ensure ongoing compliance with data protection legislation throughout the term of the commercial relationship, as part of ongoing contract management. The following activities should be undertaken, either by colleagues in [REDACTED] or in operational contract management roles in executive agencies and other business areas:

- (i) Monitor stakeholders' operational management throughout the contract lifecycle
- (ii) Put systems and processes in place to review adherence to contract terms
- (iii) Plan and undertake audits of suppliers

- (iv) Maintain an up to date inventory of vendors/contracts
- (v) Maintain an ongoing contract risk assessment, risk treatment, risk mitigation and risk analysis/reporting
- (vi) Ensure all their staff comply with data protection training requirements
- (vii) Report actual and suspected breaches of data protection obligations and manage as incidents, in accordance with the Incident Management Policy.
- (viii) Manage the end of contracts to ensure that appropriate arrangements are made to either destroy or return all necessary information, records and personal data (when destroying personal data, supplier to provide data destruction certificate)
- (ix) Seek advice from the local Information Assurance Lead or the Data Protection Team [REDACTED] [gov.uk](https://www.gov.uk) if in doubt about any part of this AUP, supporting guidance, or individual obligations.

## **D. Assurance**

Accountability is a key principle of data protection legislation and MoJ, as controller, needs to evidence adherence to this principle through ongoing assessment and reporting. Assurance of compliance by third party suppliers is monitored through a framework of registers and management information as follows:

### **(i) Register of Contracts**

CCMD maintains a register of contracts containing details of all of the contracts MoJ holds with third party suppliers. The register contains sufficient detail to identify which contracts involve the supplier processing personal data on behalf of MoJ when delivering the services or goods procured. This register forms part of MoJ's wider record of processing activities as detailed in departmental information asset registers.

### **(ii) Safeguarding personal data**

The MoJ takes the security of personal data seriously and has internal policies and controls in place to protect personal data against loss, accidental destruction, misuse or disclosure and to ensure that data are not accessed, except by those who have lawful authority in connection with the proper performance of their duties.

Unacceptable use of the Data Protection Policy undermines efforts of the MoJ to comply with data protection legislation and can result in regulatory action in the form of notices or fines or both.

### **(iii) Keeping Control**

Staff constitute the first line of defence in helping comply with data protection legislation and therefore should exercise reasonable care to comply with this AUP. In case of any doubts or concerns, please notify your line manager and the Information Assurance

### **2. How to manage the insurance**

The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.
