15.17 If any Balanced Scorecard Report shows that in either of the last two six month periods the Supplier failed to pay 95% or above of all Sub-contractor or Unconnected Sub-contractor invoices (or other notice of an amount for payment) within sixty (60) days of receipt, the Supplier shall upload to the

Virtual Library within fifteen (15) Working Days of submission of the latest Balanced Scorecard Report an action plan (the “**Action Plan**”) for improvement. The Action Plan shall include, but not be limited to, the following:

15.19 Where the Supplier fails to pay any sums due to any Sub-contractor or Unconnected Sub-contractor in accordance with the terms set out in the relevant Sub-contract or Unconnected Sub-contract, the Action Plan shall include details of the steps the Supplier will take to address this.

15.20 The Supplier shall comply with the Action Plan or any similar action plan connected to the payment of Sub-contractors or Unconnected Sub-contractors which is required to be submitted to the Authority as part of the procurement process and such action plan shall be included as part of the Supplier’s Solution (to the extent it is not already included).

15.21 Notwithstanding any provision of Clauses 22 (*Confidentiality*) and 25 (*Publicity and Branding*), if the Supplier notifies the Authority (whether in a Balanced Scorecard Report or otherwise) that the Supplier has failed to pay a Sub-contractor’s undisputed invoice within thirty (30) days of receipt or that it has failed to pay 95% or above of its Sub-Contractors or Unconnected Sub-contractors within sixty (60) days after the day on which the Supplier receives an invoice or otherwise has notice of an amount for payment, or the Authority otherwise discovers the same, the Authority shall be entitled to publish the details of the late or non-payment (including on government websites and in the press).

Termination of Sub-contracts

15.22 The Authority may require the Supplier to terminate:

- (a) a Sub-contract where:
 - (i) the acts or omissions of the relevant Sub-contractor have caused or materially contributed to the Authority’s right of termination pursuant to Clause 34.1(b) (*Termination by the Authority*);

- (ii) the relevant Sub-contractor or any of its Affiliates have embarrassed the Authority or otherwise brought the Authority into disrepute by engaging in any act or omission which is reasonably likely to diminish the trust that the public places in the Authority, regardless of whether or not such act or omission is related to the Sub-contractor's obligations in relation to the Services or otherwise;
 - (iii) the relevant Sub-contractor has failed to comply in the performance of its Sub-contract with legal obligations applicable to the Sub-contractor in the fields of environmental, social or labour law; and/or

 - (ii) the Authority has not served its notice of objection within 6 months of the later of the date the Change of Control took place or the date on which the Authority was given notice of the Change of Control.

Competitive Terms

15.23 If the Authority is able to obtain from any Sub-contractor or any other third party (on a like-for-like basis) more favourable commercial terms with respect to the supply of any goods, software or services used by the Supplier or the Supplier Personnel in the supply of the Services, then the Authority may:

- (a) require the Supplier to replace its existing commercial terms with that person with the more favourable commercial terms obtained by the Authority in respect of the relevant item; or
- (b) enter into a direct agreement with that Sub-contractor or third party in respect of the relevant item.

15.24 If the Authority exercises either of its options pursuant to Clause 15.23, then the Charges shall be reduced by an amount that is agreed in accordance with the Change Control Procedure.

15.25 The Authority's right to enter into a direct agreement for the supply of the relevant items is subject to:

- (a) the Authority making the relevant item available to the Supplier where this is necessary for the Supplier to provide the Services; and

- (b) any reduction in the Charges taking into account any unavoidable costs payable by the Supplier in respect of the substituted item, including in respect of any licence fees or early termination charges.

In respect of any element of the Services delivered by Supplier Personnel and/or which are Sub-contracted by the Supplier, an obligation on the Supplier to do or to refrain from doing any act or thing under this Agreement, shall include an obligation on the Supplier to procure that the Supplier Personnel and the Sub-contractor also do or refrain from doing such act or thing in their delivery of those elements of the Services.

Exclusion of Sub-contractors

15.27 Where the Authority considers whether there are grounds for the exclusion of a Sub-contractor under Regulation 57 of the Public Contracts Regulations 2015, then:

- (a) if the Authority finds there are compulsory grounds for exclusion, the Supplier shall replace or shall not appoint the Sub-contractor;
- (b) if the Authority finds there are non-compulsory grounds for exclusion, the Authority may require the Supplier to replace or not to appoint the Sub-contractor and the Supplier shall comply with such a requirement.

Reporting SME/VCSE Sub-contracts

15.28 In addition to any other Management Information requirements set out in this Agreement, the Supplier agrees that it shall, at no charge, provide timely, full, accurate and complete Supply Chain Transparency Information Reports to the Authority thirty (30) days prior to the end of each financial year by providing all of the information described in the Supply Chain Transparency Information Template in the format set out in the Schedule 8.4 (*Reports and Records Provisions*) Annex 4 and in accordance with any guidance issued by the Authority from time to time.

Third Party Software and Third Party IPRs

- 19.3 If the Supplier elects to procure a licence in accordance with Clause 19.2(a) or to modify or replace an item pursuant to Clause 19.2(b), but this has not avoided or resolved the IPRs Claim, then:
 - (a) the Authority may terminate this Agreement (if subsisting) with immediate effect by written notice to the Supplier; and

- (b) without prejudice to the indemnity set out in Clause 19.1, the Supplier shall be liable for all reasonable and unavoidable costs of the substitute items and/or services including the additional costs of procuring, implementing and maintaining the substitute items.

- (a) any indirect, special or consequential Loss; or
- (b) any loss of profits, turnover, business opportunities or damage to goodwill (in each case whether direct or indirect).

26.8 Notwithstanding Clause 26.7 but subject to Clause 26.4, the Supplier acknowledges that the Authority may, amongst other things, recover from the Supplier the following Losses incurred by the Authority to the extent that they arise as a result of a Default by the Supplier:

- (a) any additional operational and/or administrative costs and expenses incurred by the Authority, including costs relating to time spent by or on behalf of the Authority in dealing with the consequences of the Default;
- (b) any wasted expenditure or charges;
- (c) the additional cost of procuring Replacement Services for the remainder of the Term and/or replacement Deliverables, which shall include any incremental costs associated with such Replacement Services and/or replacement Deliverables above those which would have been payable under this Agreement;
- (d) any compensation or interest paid to a third party by the Authority;
- (e) any fine or penalty incurred by the Authority pursuant to Law and any costs incurred by the Authority in defending any proceedings which result in such fine or penalty; and
- (f) any anticipated savings identified in Schedule 7.6 (*Anticipated Savings*).

Conduct of indemnity claims

26.9 Where under this Agreement one Party indemnifies the other Party, the Parties shall comply with the provisions of Schedule 8.7 (*Conduct of Claims*) in relation to the conduct of claims made by a third person against the Party having (or claiming to have) the benefit of the indemnity.

Mitigation

26.10 Each Party shall use all reasonable endeavours to mitigate any loss or damage suffered arising out of or in connection with this Agreement, including any Losses for which the relevant Party is entitled to bring a claim against the other Party pursuant to the indemnities in this Agreement.

27 INSURANCE

27.1 The Supplier shall comply with the provisions of Schedule 2.5 (*Insurance Requirements*) in relation to obtaining and maintaining insurance.

SECTION H – REMEDIES AND RELIEF

28 RECTIFICATION PLAN PROCESS

28.1 In the event that:

- (a) there is, or is reasonably likely to be, a Delay; and/or
- (b) in any Service Period there has been:
 - (i) a Material KPI Failure; and/or
 - (ii) a Material PI Failure; and/or
- (c) the Supplier commits a material Default that is capable of remedy (and for these purposes a material Default may be a single material Default or a number of Defaults or repeated Defaults (whether of the same or different obligations and regardless of whether such Defaults are remedied) which taken together constitute a material Default),

(each a “**Notifiable Default**”), the Supplier shall notify the Authority of the Notifiable Default as soon as practicable but in any event within 3 Working Days of becoming aware of the Notifiable Default, detailing the actual or anticipated effect of the Notifiable Default and, unless the Notifiable Default also constitutes a Rectification Plan Failure or other Supplier Termination Event, the Authority may not terminate this Agreement in whole or in part on the grounds of the Notifiable Default without first following the Rectification Plan Process.

Notification

28.2 If:

- (a) the Supplier notifies the Authority pursuant to Clause 28.1 that a Notifiable Default has occurred; or
- (b) the Authority notifies the Supplier that it considers that a Notifiable Default has occurred (setting out sufficient detail so that it is reasonably clear what the Supplier has to rectify),

then, unless the Notifiable Default also constitutes a Supplier Termination Event and the Authority serves a Termination Notice, the Supplier shall comply with the Rectification Plan Process.

28.3 The “**Rectification Plan Process**” shall be as set out in Clauses 28.4 (*Submission of the draft Rectification Plan*) to 28.9 (*Agreement of the Rectification Plan*).

Submission of the draft Rectification Plan

28.4 The Supplier shall submit a draft Rectification Plan to the Authority for it to review as soon as possible and in any event within 10 Working Days (or such other period as may be agreed between the Parties) after the original notification pursuant to Clause 28.2 (*Notification*). The Supplier shall submit a

draft Rectification Plan even if the Supplier disputes that it is responsible for the Notifiable Default.

28.5 The draft Rectification Plan shall set out:

- (a) full details of the Notifiable Default that has occurred, including a root cause analysis;
- (b) the actual or anticipated effect of the Notifiable Default; and
- (c) the steps which the Supplier proposes to take to rectify the Notifiable Default (if applicable) and to prevent such Notifiable Default from recurring, including timescales for such steps and for the rectification of the Notifiable Default (where applicable).

28.6 The Supplier shall promptly provide to the Authority any further documentation that the Authority reasonably requires to assess the Supplier's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with Paragraph 6 of Schedule 8.3 (*Dispute Resolution Procedure*).

Agreement of the Rectification Plan

28.7 The Authority may reject the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:

- (a) is insufficiently detailed to be capable of proper evaluation;
- (b) will take too long to complete;
- (c) will not prevent reoccurrence of the Notifiable Default; and/or
- (d) will rectify the Notifiable Default but in a manner which is unacceptable to the Authority.

28.8 The Authority shall notify the Supplier whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Authority rejects the draft Rectification Plan, the Authority shall give reasons for its decision and the Supplier shall take the reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit the revised draft of the Rectification Plan to the Authority for review within 5 Working Days (or such other period as agreed between the Parties) of the Authority's notice rejecting the first draft.

28.9 If the Authority consents to the Rectification Plan:

- (a) the Supplier shall immediately start work on the actions set out in the Rectification Plan; and
- (b) the Authority may no longer terminate this Agreement in whole or in part on the grounds of the relevant Notifiable Default;

save in the event of a Rectification Plan Failure or other Supplier Termination Event.

29 DELAY PAYMENTS

29.1 The provisions of Paragraphs 1 and 2 of Part C of Schedule 7.1 (*Charges and Invoicing*) shall apply in relation to the payment of Delay Payments.

30 REMEDIAL ADVISER

30.1 If:

- (a) any of the Intervention Trigger Events occur; or
- (b) the Authority reasonably believes that any of the Intervention Trigger Events are likely to occur,

(each an “**Intervention Cause**”), the Authority may give notice to the Supplier (an “**Intervention Notice**”) giving reasonable details of the Intervention Cause and requiring:

- (i) a meeting between the Authority Representative and the Supplier Representative to discuss the Intervention Cause; and/or
- (ii) the appointment as soon as practicable by the Supplier of a Remedial Adviser, as further described in this Clause 30.

For the avoidance of doubt, if the Intervention Cause is also a Supplier Termination Event, the Authority has no obligation to exercise its rights under this Clause 30.1 prior to or instead of exercising its right to terminate this Agreement.

30.2 If the Authority gives notice that it requires the appointment of a Remedial Adviser:

- (a) the Remedial Adviser shall be:
 - (i) a person selected by the Supplier and approved by the Authority; or
 - (ii) if none of the persons selected by the Supplier have been approved by the Authority (or no person has been selected by the Supplier) within 10 Working Days following the date on which the Intervention Notice is given, a person identified by the Authority;
- (b) the terms of engagement and start date agreed with the Remedial Adviser must be approved by the Authority; and
- (c) any right of the Authority to terminate this Agreement pursuant to Clause 34.1(b) (*Termination by the Authority*) for the occurrence of that Intervention Cause shall be suspended for 60 Working Days from (and including) the date of the Intervention Notice (or such

other period as may be agreed between the Parties)(the
“Intervention Period”).

- 30.3 The Remedial Adviser’s overall objective shall be to mitigate the effects of, and (to the extent capable of being remedied) to remedy, the Intervention Cause and to avoid the occurrence of similar circumstances in the future. In furtherance of this objective (but without diminishing the Supplier’s responsibilities under this Agreement), the Parties agree that the Remedial Adviser may undertake any one or more of the following actions:
- (a) observe the conduct of and work alongside the Supplier Personnel to the extent that the Remedial Adviser considers reasonable and proportionate having regard to the Intervention Cause;
 - (b) gather any information the Remedial Adviser considers relevant in the furtherance of its objective;
 - (c) write reports and provide information to the Authority in connection with the steps being taken by the Supplier to remedy the Intervention Cause;
 - (d) make recommendations to the Authority and/or the Supplier as to how the Intervention Cause might be mitigated or avoided in the future; and/or
 - (e) take any other steps that the Authority and/or the Remedial Adviser reasonably considers necessary or expedient in order to mitigate or rectify the Intervention Cause.
- 30.4 The Supplier shall:
- (a) work alongside, provide information to, co-operate in good faith with and adopt any reasonable methodology in providing the Services recommended by the Remedial Adviser;
 - (b) ensure that the Remedial Adviser has all the access it may require in order to carry out its objective, including access to the Assets;
 - (c) submit to such monitoring as the Authority and/or the Remedial Adviser considers reasonable and proportionate in respect of the Intervention Cause;
 - (d) implement any reasonable recommendations made by the Remedial Adviser that have been approved by the Authority within the timescales given by the Remedial Adviser; and
 - (e) not terminate the appointment of the Remedial Adviser prior to the end of the Intervention Period without the prior consent of the Authority (such consent not to be unreasonably withheld).
- 30.5 The Supplier shall be responsible for:
- (a) the costs of appointing, and the fees charged by, the Remedial Adviser; and

- (b) its own costs in connection with any action required by the Authority and/or the Remedial Adviser pursuant to this Clause 30.

30.6 If:

- (a) the Supplier:
 - (i) fails to perform any of the steps required by the Authority in an Intervention Notice; and/or
 - (ii) is in Default of any of its obligations under Clause 30.4; and/or
- (b) the relevant Intervention Trigger Event is not rectified by the end of the Intervention Period,

(each a “**Remedial Adviser Failure**”), the Authority shall be entitled to terminate this Agreement pursuant to Clause 34.1(b) (*Termination by the Authority*).

31 STEP-IN RIGHTS

31.1 On the occurrence of a Step-In Trigger Event, the Authority may serve notice on the Supplier (a “**Step-In Notice**”) that it will be taking action under this Clause 31 (*Step-in Rights*), either itself or with the assistance of a third party (provided that the Supplier may require any third parties to comply with a confidentiality undertaking equivalent to Clause 22 (*Confidentiality*)). The Step-In Notice shall set out the following:

- (a) the action the Authority wishes to take and in particular the Services that it wishes to control (the “**Required Action**”);
- (b) the Step-In Trigger Event that has occurred and whether the Authority believes that the Required Action is due to the Supplier's Default;
- (c) the date on which it wishes to commence the Required Action;
- (d) the time period which it believes will be necessary for the Required Action;
- (e) whether the Authority will require access to the Supplier's premises and/or the Sites; and
- (f) to the extent practicable, the impact that the Authority anticipates the Required Action will have on the Supplier's obligations to provide the Services during the period that the Required Action is being taken.

31.2 Following service of a Step-In Notice, the Authority shall:

- (a) take the Required Action set out in the Step-In Notice and any consequential additional action as it reasonably believes is necessary to achieve the Required Action;

- (b) keep records of the Required Action taken and provide information about the Required Action to the Supplier;
 - (c) co-operate wherever reasonable with the Supplier in order to enable the Supplier to continue to provide the Services in relation to which the Authority is not assuming control; and
 - (d) act reasonably in mitigating the cost that the Supplier will incur as a result of the exercise of the Authority's rights under this Clause 31.
- 31.3 For so long as and to the extent that the Required Action is continuing, then:
- (a) the Supplier shall not be obliged to provide the Services to the extent that they are the subject of the Required Action;
 - (b) no Deductions shall be applicable in relation to Charges in respect of Services that are the subject of the Required Action and the provisions of Clause 31.4 shall apply to Deductions from Charges in respect of other Services; and
 - (c) the Authority shall pay to the Supplier the Charges after subtracting any applicable Deductions and the Authority's costs of taking the Required Action.
- 31.4 If the Supplier demonstrates to the reasonable satisfaction of the Authority that the Required Action has resulted in:
- (a) the degradation of any Services not subject to the Required Action; or
 - (b) the non-Achievement of a Milestone,
- beyond that which would have been the case had the Authority not taken the Required Action, then the Supplier shall be entitled to an agreed adjustment of the Charges.
- 31.5 Before ceasing to exercise its step in rights under this Clause 31 the Authority shall deliver a written notice to the Supplier (a "**Step-Out Notice**"), specifying:
- (a) the Required Action it has actually taken; and
 - (b) the date on which the Authority plans to end the Required Action (the "**Step-Out Date**") subject to the Authority being satisfied with the Supplier's ability to resume the provision of the Services and the Supplier's plan developed in accordance with Clause 31.6.
- 31.6 The Supplier shall, following receipt of a Step-Out Notice and not less than 20 Working Days prior to the Step-Out Date, develop for the Authority's approval a draft plan (a "**Step-Out Plan**") relating to the resumption by the Supplier of the Services, including any action the Supplier proposes to take to ensure that the affected Services satisfy the requirements of this Agreement.
- 31.7 If the Authority does not approve the draft Step-Out Plan, the Authority shall inform the Supplier of its reasons for not approving it. The Supplier shall then

revise the draft Step-Out Plan taking those reasons into account and shall re-submit the revised plan to the Authority for the Authority's approval. The Authority shall not withhold or delay its approval of the draft Step-Out Plan unnecessarily.

31.8 The Supplier shall bear its own costs in connection with any step-in by the Authority under this Clause 31, provided that the Authority shall reimburse the Supplier's reasonable additional expenses incurred directly as a result of any step-in action taken by the Authority under:

- (a) limbs (c) or (d) of the definition of a Step-In Trigger Event; or
- (b) limbs (e) and (f) of the definition of a Step-in Trigger Event (insofar as the primary cause of the Authority serving the Step-In Notice is identified as not being the result of the Supplier's Default).

32 AUTHORITY CAUSE

32.1 Notwithstanding any other provision of this Agreement, if the Supplier has failed to:

- (a) Achieve a Milestone by its Milestone Date;
- (b) provide the Operational Services in accordance with the Target Performance Levels; and/or
- (c) comply with its obligations under this Agreement,

(each a "**Supplier Non-Performance**"),

and can demonstrate that the Supplier Non-Performance would not have occurred but for an Authority Cause, then (subject to the Supplier fulfilling its obligations in this Clause 32):

- (i) the Supplier shall not be treated as being in breach of this Agreement to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Authority Cause;
- (ii) the Authority shall not be entitled to exercise any rights that may arise as a result of that Supplier Non-Performance:
 - (A) to terminate this Agreement pursuant to Clause 34.1(b) (*Termination by the Authority*); or
 - (B) to take action pursuant to Clauses 30 (*Remedial Adviser*) or 31 (*Step-In*);
- (iii) where the Supplier Non-Performance constitutes the failure to Achieve a Milestone by its Milestone Date:
 - (A) the Milestone Date shall be postponed by a period equal to the period of Delay that the Supplier can demonstrate was caused by the Authority Cause;

- (B) if the Authority, acting reasonably, considers it appropriate, the Implementation Plan shall be amended to reflect any consequential revisions required to subsequent Milestone Dates resulting from the Authority Cause;
 - (C) if the Milestone is a Key Milestone, the Supplier shall have no liability to pay any Delay Payments associated with the Key Milestone to the extent that the Supplier can demonstrate that such failure was caused by the Authority Cause; and
 - (D) the Supplier shall be entitled to claim compensation subject to and in accordance with the principles set out in Paragraph 2 of Part C of Schedule 7.1 (*Charges and Invoicing*); and/or
- (iv) where the Supplier Non-Performance constitutes a Performance Failure:
- (A) the Supplier shall not be liable to accrue Service Credits;
 - (B) the Authority shall not be entitled to withhold any of the Service Charges pursuant to Clause 7.2(d)(ii) (*Performance Failures*);
 - (C) the Authority shall not be entitled to withhold and retain any Compensation for Unacceptable KPI Failure pursuant to Clause 7.4(a) (*Unacceptable KPI Failure*); and
 - (D) the Supplier shall be entitled to invoice for the Service Charges for the relevant Operational Services affected by the Authority Cause,

in each case, to the extent that the Supplier can demonstrate that the Performance Failure was caused by the Authority Cause.

32.2 In order to claim any of the rights and/or relief referred to in Clause 32.1, the Supplier shall as soon as reasonably practicable (and in any event within 10 Working Days) after becoming aware that an Authority Cause has caused, or is reasonably likely to cause, a Supplier Non-Performance, give the Authority notice (a “**Relief Notice**”) setting out details of:

- (a) the Supplier Non-Performance;
- (b) the Authority Cause and its effect, or likely effect, on the Supplier’s ability to meet its obligations under this Agreement;
- (c) any steps which the Authority can take to eliminate or mitigate the consequences and impact of such Authority Cause; and

- (d) the relief and/or compensation claimed by the Supplier.
- 32.3 Following the receipt of a Relief Notice, the Authority shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Authority Cause and whether it agrees with the Supplier's assessment set out in the Relief Notice as to the effect of the relevant Authority Cause and its entitlement to relief and/or compensation, consulting with the Supplier where necessary.
- 32.4 The Supplier shall use all reasonable endeavours to eliminate or mitigate the consequences and impact of an Authority Cause, including any Losses that the Supplier may incur and the duration and consequences of any Delay or anticipated Delay.
- 32.5 Without prejudice to Clause 5.9 (*Continuing obligation to provide the Services*), if a Dispute arises as to:
- (a) whether a Supplier Non-Performance would not have occurred but for an Authority Cause; and/or
 - (b) the nature and/or extent of the relief and/or compensation claimed by the Supplier,

either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.

- 32.6 Any Change that is required to the Implementation Plan or to the Charges pursuant to this Clause 32 shall be implemented in accordance with the Change Control Procedure.

33 FORCE MAJEURE

- 33.1 Subject to the remaining provisions of this Clause 33 (and, in relation to the Supplier, subject to its compliance with its obligations in Schedule 8.6 (*Service Continuity Plan and Corporate Resolution Planning*)), a Party may claim relief under this Clause 33 from liability for failure to meet its obligations under this Agreement for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Agreement which results from a failure or delay by an agent, Sub-contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.
- 33.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 33.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under this Clause 33 to the extent that consequences of the relevant Force Majeure Event:

- (a) are capable of being mitigated, but the Supplier has failed to do so;
- (b) should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Agreement; or
- (c) are the result of the Supplier's failure to comply with its Service Continuity Plan (except to the extent that such failure is also due to a Force Majeure Event that affects the execution of the Service Continuity Plan).

33.4 Subject to Clause 33.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.

33.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

33.6 Where, as a result of a Force Majeure Event:

- (a) an Affected Party fails to perform its obligations in accordance with this Agreement, then during the continuance of the Force Majeure Event:
 - (i) the other Party shall not be entitled to exercise any rights to terminate this Agreement in whole or in part as a result of such failure other than pursuant to Clause 34.1(c) (*Termination by the Authority*) or Clause 34.3(b) (*Termination by the Supplier*); and
 - (ii) neither Party shall be liable for any Default arising as a result of such failure;
- (b) the Supplier fails to perform its obligations in accordance with this Agreement:
 - (i) the Authority shall not be entitled:
 - (A) during the continuance of the Force Majeure Event to exercise its rights under Clause 30 (*Remedial Adviser*) and/or Clause 31 (*Step-in Rights*) as a result of such failure;
 - (B) to receive Delay Payments pursuant to Clause 29 (*Delay Payments*) to the extent that the Achievement of any Milestone is affected by the Force Majeure Event; and

- (C) to receive Service Credits, to withhold any of the Service Charges pursuant to Clause 7.2(d)(ii) (*Performance Failures*) or withhold and retain any of the Service Charges as compensation pursuant to Clause 7.4(a) (*Unacceptable KPI Failure*) to the extent that a Performance Failure has been caused by the Force Majeure Event; and
 - (ii) the Supplier shall be entitled to receive payment of the Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be performed in accordance with the terms of this Agreement during the occurrence of the Force Majeure Event.
- 33.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Agreement.
- 33.8 Relief from liability for the Affected Party under this Clause 33 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Agreement and shall not be dependent on the serving of notice under Clause 33.7.

SECTION I –

SECTION J – TERMINATION AND EXIT MANAGEMENT

34 TERMINATION RIGHTS

Termination by the Authority

34.1 The Authority may terminate this Agreement (in whole or in part, including in respect of one or more Services, Countries or Locations, or any combination of Services, Countries and/or Locations) by issuing a Termination Notice to the Supplier:

- (a) for convenience at any time;
- (b) if a Supplier Termination Event occurs;
- (c) if a Force Majeure Event endures for a continuous period of more than ninety (90) days; or
- (d) if the Agreement has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure,

and this Agreement shall terminate on the date specified in the Termination Notice.

34.2 Where the Authority:

- (a) is terminating this Agreement under Clause 34.1(b) due to the occurrence of either limb (b) and/or (g) of the definition of Supplier Termination Event, it may rely on a single material Default or on a number of Defaults or repeated Defaults (whether of the same or different obligations and regardless of whether such Defaults are cured) which taken together constitute a material Default; and/or
- (b) has the right to terminate this Agreement under Clause 34.1(b) or Clause 34.1(c), it may, prior to or instead of terminating the whole of this Agreement, serve a Termination Notice requiring the partial termination of this Agreement to the extent that it relates to any part of the Services which are materially affected by the relevant circumstances.

Termination by the Supplier

34.3 The Supplier may, by issuing a Termination Notice to the Authority, terminate:

- (a) this Agreement if the Authority fails to pay an undisputed sum due to the Supplier under this Agreement which in aggregate exceeds an amount which is the rolling monthly average of the payable Banded Fixed Service Charges, Maximum Volume Point Relief Payments, Temporary Relief Payments, and Banded Volumetric Service Charges and such amount remains outstanding 40 Working Days

after the receipt by the Authority of a notice of non-payment from the Supplier; or

- (b) any Services that are materially impacted by a Force Majeure Event that endures for a continuous period of more than ninety (90) days,

and this Agreement or the relevant Services (as the case may be) shall then terminate on the date specified in the Termination Notice (which shall not be less than 20 Working Days from the date of the issue of the Termination Notice). If the operation of Clause 34.3(b) would result in a Partial Termination, the provisions of Clause 34.4 (*Partial Termination*) shall apply.

Partial Termination

34.4 If the Supplier notifies the Authority pursuant to Clause 34.3(b) (*Termination by the Supplier*) that it intends to terminate this Agreement in part and the Authority, acting reasonably, believes that the effect of such Partial Termination is to render the remaining Services incapable of meeting a significant part of the Authority Requirements, then the Authority shall be entitled to terminate the remaining part of this Agreement by serving a Termination Notice to the Supplier within 1 month of receiving the Supplier's Termination Notice. For the purpose of this Clause 34.4, in assessing the significance of any part of the Authority Requirements, regard shall be had not only to the proportion of that part to the Authority Requirements as a whole, but also to the importance of the relevant part to the Authority.

34.5 The Parties shall agree the effect of any Change necessitated by a Partial Termination (whether notified by the Authority or the Supplier) in accordance with the Change Control Procedure, including the effect the Partial Termination may have on any other Services and the Charges, provided that:

- (a) the Supplier shall not be entitled to an increase in the Charges in respect of the Services that have not been terminated if the Partial Termination arises due to the occurrence of a Supplier Termination Event;
- (b) any adjustment to the Charges (if any) shall be calculated in accordance with the Financial Model and must be reasonable; and
- (c) the Supplier shall not be entitled to reject the Change.

35 CONSEQUENCES OF EXPIRY OR TERMINATION

General Provisions on Expiry or Termination

35.1 The provisions of Clauses 5.8 (*Specially Written Software warranty*), 10.4 and 10.5 (VAT), 10.6 and 10.7 (*Set-off and Withholding*), 12 (*Records, Reports, Audits and Open Book Data*), 14.7 (*Employment Indemnity*), 14.8 (*Income Tax and National Insurance Contributions*), 16 (*Intellectual Property Rights*), 17 (*Licences Granted by the Supplier*), 19.1 (*IPRs Indemnity*), 22 (*Confidentiality*), 23 (*Transparency and Freedom of Information*), 24 (*Protection of Personal Data*), 26 (*Limitations on Liability*), 35 (*Consequences of Expiry or Termination*), 41 (*Severance*), 43 (*Entire Agreement*), 44 (*Third*

Party Rights), 46 (*Disputes*) and 47 (*Governing Law and Jurisdiction*), and the provisions of Schedules 1 (*Definitions*), 7.1 (*Charges and Invoicing*), 7.2 (*Payments on Termination*), 7.5 (*Financial Reports and Audit Rights*), 8.3 (*Dispute Resolution Procedure*), 8.4 (*Reports and Records Provisions*), 8.5 (*Exit Management*), and 9.1 (*Staff Transfer*), shall survive the termination or expiry of this Agreement.

Exit Management

35.2 The Parties shall comply with the provisions of Schedule 8.5 (*Exit Management*) and any current Exit Plan in relation to orderly transition of the Services to the Authority or a Replacement Supplier.

Payments by the Authority

35.3 If this Agreement is terminated by the Authority pursuant to Clause 34.1(a) (*Termination by the Authority*) or by the Supplier pursuant to Clause 34.3(a) (*Termination by the Supplier*), the Authority shall pay the Supplier the following payments (which shall be the Supplier's sole remedy for the termination of this Agreement):

- (a) the Termination Payment; and
- (b) the Compensation Payment, if either of the following periods is less than ninety (90) days:
 - (i) the period from (but excluding) the date that the Termination Notice is given (or, where Paragraph 2.1(a) of Part D of Schedule 7.1 (*Charges and Invoicing*) applies, deemed given) by the Authority pursuant to Clause 34.1(a) (*Termination by the Authority*)) to (and including) the Termination Date; or
 - (ii) the period from (and including) the date of the non-payment by the Authority referred to in Clause 34.3(a) (*Termination by the Supplier*) to (and including) the Termination Date.

35.4 If this Agreement is terminated (in part or in whole) by the Authority pursuant to Clauses 34.1(b), 34.1(c) and/or 34.2 (*Termination by the Authority*), or the Term expires, the only payments that the Authority shall be required to make as a result of such termination (whether by way of compensation or otherwise) are:

- (a) payments in respect of any Assets or apportionments in accordance with Schedule 8.5 (*Exit Management*); and
- (b) payments in respect of unpaid Charges for Services received up until the Termination Date.

35.5 The costs of termination incurred by the Parties shall lie where they fall if:

- (a) either Party terminates or partially terminates this Agreement for a continuing Force Majeure Event pursuant to Clauses 34.1(c) or

34.2(b) (*Termination by the Authority*) or 34.3(b) (*Termination by the Supplier*); or

- (b) the Authority terminates this Agreement under Clause 34.1(d) (*Termination by the Authority*).

Payments by the Supplier

35.6 In the event of termination or expiry of this Agreement, the Supplier shall repay to the Authority all Charges it has been paid in advance in respect of Services not provided by the Supplier as at the date of expiry or termination.

35.7 If this Agreement is terminated (in whole or in part) by the Authority pursuant to Clause 34.1(b) (*Termination by the Authority*) prior to Achievement of one or more CPP Milestones, the Authority may at any time on or within 12 months of the issue of the relevant Termination Notice by issue to the Supplier of written notice (a "**Milestone Adjustment Payment Notice**") require the Supplier to repay to the Authority an amount equal to the aggregate Milestone Adjustment Payment Amounts in respect of each CPP Milestone to which the Milestone Adjustment Payment Notice relates.

35.8 A Milestone Adjustment Payment Notice shall specify:

- (a) each CPP Milestone to which it relates;
- (b) in relation to each such CPP Milestone, each Deliverable relating to that CPP Milestone that the Authority wishes to retain, if any (each such Deliverable being a "**Retained Deliverable**"); and
- (c) those Retained Deliverables, if any, the Allowable Price for which the Authority considers should be subject to deduction of an adjusting payment on the grounds that they do not or will not perform in all material respects in accordance with their specification (such adjusting payment being an "**Allowable Price Adjustment**"),

and may form part of a Termination Notice.

35.9 The Supplier shall within 10 Working Days of receipt of a Milestone Adjustment Payment Notice, in each case as applicable:

- (a) notify the Authority whether it agrees that the Retained Deliverables which the Authority considers should be subject to an Allowable Price Adjustment as specified in the relevant Milestone Adjustment Payment Notice should be so subject; and
- (b) in relation to each such Retained Deliverable that the Supplier agrees should be subject to an Allowable Price Adjustment, notify the Authority of the Supplier's proposed amount of the Allowable Price Adjustment and the basis for its approval;
- (c) provide the Authority with its calculation of the Milestone Adjustment Payment Amount in respect of each CPP Milestone the subject of the relevant Milestone Adjustment Payment Notice using its proposed Allowable Price Adjustment, including details of:

- (i) all relevant Milestone Payments; and
- (ii) the Allowable Price of each Retained Deliverable; and

2. INTRODUCTION

The Secretary of State for the Home Department, acting through UK Visas and Immigration (UKVI), is the Authority procuring a global network of Locations, in support of Home Office (HO) activity. These activities primarily relate to UKVI and His Majesty's Passport Office business requirements, and the Services being procured are broken into five (5) geographic Lots, of which this Agreement represents one (1).

UKVI is a division within the Home Office and has Customers in the UK and overseas, who include:

- a) those seeking to extend permissions to work or study in the UK;
- b) those seeking to extend permissions to stay or settle with family;
- c) those seeking to evidence their rights as European Economic Area nationals and family members;
- d) those progressing from earlier immigration permissions to British nationality.

UKVI is responsible for making millions of decisions every year about who has the right to visit or stay in the UK, with a firm emphasis on national security and a culture of Customer satisfaction for people who come to the UK legally.

UKVI's vision is to be a world-leading immigration service working for a safe and prosperous UK. To that end, two of UKVI's key missions are to deliver world-class Customer service and to effectively manage migration in accordance with the law. UKVI's challenge is to transform services in a way that enhances Customer experience and controls outcomes.

A focus of UKVI's transformation programme is modernising the services through which its Customers interact with it, aiming for a smaller, more efficient footprint, with wider global reach. The vast majority of Customers have common needs that can be delivered in a coherent model, which lends itself to commercial supply. UKVI receives around 3.5m visa Applications a year.

UKVI has over 250 Visa Application Centres globally both in the UK and Overseas to enable Customers to access its services, including: submitting passports, supporting evidence, facilitating interviews and enrolling biometrics. These application centres have been divided into five geographical lots within this procurement.

HMPO is part of Migration and Borders within the Customer Service capability of the Home Office and has Customers in the UK and overseas. For this Agreement, overseas HMPO Customers will only use the following services:

- a) seeking to apply for a UK passport
- b) seeking to provide further evidence in support of a passport application.

Official - Sensitive

HMPO typically receives around 400,000 to 450,000 overseas passport applications a year, overseas political events have raised this to 600,000 in recent years. Currently customers who cannot apply on-line or via direct post, due to local circumstances, make applications in person at an application point, of which 47 are outsourced, receiving approximately 20,000 applications per year. HMPO receives support with interviews in 52 outsourced points, and 14 outsourced points facilitate document collection.

For customers in countries where people can apply on-line HMPO is seeking to explore the introduction of priority and super priority services as added value services in locations where there is a demand to deliver a feasible service.

SCHEDULE 2.2
PERFORMANCE LEVELS

Official - Sensitive

PART A: PERFORMANCE INDICATORS AND SERVICE CREDITS

1. PERFORMANCE INDICATORS

- 1.1. Annex 1 sets out the Key Performance Indicators and Subsidiary Performance Indicators which the Parties have agreed shall be used to measure the performance of the Services by the Supplier.
- 1.2. The Supplier shall monitor its performance against each Performance Indicator and shall send the Authority a report detailing the level of service actually achieved in accordance with Part B.
- 1.3. Service Points, and therefore Service Credits, shall accrue for any KPI Failure and shall be calculated in accordance with Paragraphs 2, 3 and 5.

2. SERVICE POINTS

- 2.1. If the level of performance of the Supplier during a Service Period achieves the Target Performance Level in respect of a Key Performance Indicator, no Service Points shall accrue to the Supplier in respect of that Key Performance Indicator.
- 2.2. If the level of performance of the Supplier during a Service Period is below the Target Performance Level in respect of a Key Performance Indicator, Service Points shall accrue to the Supplier in respect of that Key Performance Indicator as set out in Paragraph 2.3.
- 2.3. The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure shall be the applicable number as set out in Annex 1 depending on whether the KPI Failure is a Minor KPI Failure or fails to meet the KPI Service Threshold, unless the KPI Failure is a Repeat KPI Failure when the provisions of Paragraph 3.2 shall apply.
- 2.4. If the measurement level, as set out in Annex 1, for a Key Performance Indicator is at a Location level then Service Points shall accrue to the Supplier in respect of that Key Performance Indicator as set out in Paragraph 2.3.
- 2.5. If the measurement level, as set out in Annex 1, for a Key Performance Indicator is at a Lot level then the Service Points shall accrue to the Supplier in respect of that Key Performance Indicator as set out in Paragraph 2.3 and will then be applied to each Location in the Lot.

3. REPEAT KPI FAILURES AND RELATED KPI FAILURES

Repeat KPI Failures

- 3.1. If a KPI Failure occurs in respect of the same Key Performance Indicator in any two consecutive Measurement Periods, the second and any subsequent such KPI Failure shall be a “**Repeat KPI Failure**”.

Official - Sensitive

3.2. The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure that is a Repeat KPI Failure shall be calculated as follows:

SP = P x 2

where:

SP = the number of Service Points that shall accrue for the Repeat KPI Failure; and

P = the applicable number of Service Points for that KPI Failure as set out in Annex 1 depending on whether the Repeat KPI Failure is a Minor KPI Failure or a failure to meet the KPI Service Threshold.

Worked example based on the following Service Points regime for Application Registration Efficiency:

Service Availability Severity Levels		Service Points
Target Performance Level:	100%	0
Minor KPI Failure:	98.9% - 99.9%	4
KPI Service Threshold: below	98%	8

Example 1:

If the Supplier achieves Application Registration Efficiency of 99.5% in a given Measurement Period, it will incur a Minor KPI Failure for Application Registration Efficiency in that Measurement Period and accordingly accrue 4 Service Points. If, in the next Measurement Period, it achieves Application Registration Efficiency of 99.1%, it will also incur a Minor KPI Failure and accordingly accrue 4 Service Points, but as the failure is a Repeat Failure, this amount is doubled and so the Supplier will incur 8 Service Points for the failure (i.e. SP = 4 x 2). If in the next Measurement Period it achieves Application Registration Efficiency of 99.3%, the Supplier will again incur 8 Service Points.

Example 2:

If the Supplier achieves Application Registration Efficiency of 97.5% in a given Measurement Period, it will fail to meet the KPI Service Threshold for Application Registration Efficiency in that Measurement Period and accordingly accrue 8 Service Points. If, in the next Measurement Period, it achieves Application Registration Efficiency of 99.1%, it will incur a Minor KPI Failure and accordingly accrue 4 Service Point, but as the failure is a Repeat Failure, this amount is doubled and so the Supplier will incur 8 Service Points for the failure (i.e. SP = 4 x 2). If in the next Measurement Period it achieves Application Registration Efficiency of 100%, the Supplier will incur 0 Service Points.]

4. PERMITTED MAINTENANCE

4.1. The Supplier shall be allowed to book a maximum of **four** hours Service Downtime in the least busy (according to Appointment Volumes) quartile for Permitted Maintenance in any one Service Period which shall take place outside of Core Service Hours, as set out in the Maintenance Schedule unless otherwise agreed in writing with the Authority.

5. SERVICE CREDITS

5.1. Schedule 7.1 (*Charges and Invoicing*) sets out the mechanism by which Service Points shall be converted into Service Credits.

5.2. The Authority shall use the Performance Monitoring Reports provided pursuant to Part B, among other things, to verify the calculation and accuracy of the Service Credits (if any) applicable to each Service Period.

6. RELIEF FROM SERVICE POINTS ACCRUING IN CERTAIN CIRCUMSTANCES

6.1. If Actual Volumes in a Service Period are:

6.1.1. in excess of 20% above the Authority Volumes for that Service Period;
and

6.1.2. above the Volume Band for the Authority Volumes for that Service Period

the Supplier may be entitled to relief from Service Points accruing, even if the level of performance of the Supplier during that Service Period is below the Target Performance Level in respect of certain Key Performance Indicators, on the basis set out in this Paragraph 6.

6.2. The Supplier shall only be entitled to relief from Service Points accruing in the circumstances described in Paragraph 6.1:

6.2.1. if it has used all reasonable endeavours to mitigate the impact of the excess Actual Volumes over Authority Volumes, including by agreeing an appropriate remediation plan with the Authority;

6.2.2. for the Service Period in which the circumstances first arise, unless the Supplier demonstrates to the Authority's satisfaction (acting reasonably) that mitigation of the impact of the excess Actual Volumes over Authority Volumes will take longer than the duration of the relevant Service Period, in which case it may be entitled to relief of up to 3 months;

6.2.3. for KPI 1 (Free Appointment Availability), KPI 3 (Application Registration Efficiency), and KPI 4 (Application Fulfilment Efficiency).

6.3. If the Authority determines that the requirements set out in Paragraph 6.2 have been fulfilled, no Service Points will accrue in the relevant Service Period even if the level of performance of the Supplier during that Service Period is below the Target Performance Level in respect of a Key Performance Indicator.

1.7. Failure by the Supplier to provide the Authority with the information required to quality assure the KPIs within 5 Working Days of the end of each Service Period, will result in the Supplier accruing the maximum number of Service Points for that Service Period.

Supplier Satisfaction Surveys

1.8. In order to assess the level of performance of the Supplier, the Authority may undertake satisfaction surveys in respect of End Users or various groups of End Users (each such survey a "Satisfaction Survey"), the results of which may be reflected in the Balanced Scorecard Report. The subject matter of Satisfaction Surveys may include:

- a) the assessment of the Supplier's performance by the End Users against the agreed Key Performance Indicators and Subsidiary Performance Indicators; and/or
- b) other suggestions for improvements to the Services.

Official - Sensitive

Authority shall reflect in the Balanced Scorecard Report any aspects of the Supplier's performance of the Services which the responses to the Satisfaction Surveys reasonably suggest are not meeting the Services Description.

2. PERFORMANCE RECORDS

- 2.1. The Social Value Act

The Public Services (Social Value) Act 2012 came into force on 31st January 2013. It requires the Home Office “to have regard to economic, social and environmental well-being in connection with public services contracts; and for connected purposes”, see Procurement policy note 10/12: The Public Services (Social Value) Act 2012 (available at <https://www.gov.uk/government/publications/procurement-policy-note-10-12-the-public-services-social-value-act-2012>). This means that we must consider where added benefit, in relation to social value aspects, can be delivered to the department, where relevant and proportionate, above those already delivered as part of the requirements of the specification. To learn how to apply the principles of this Act through a new delivery model please read: PPN 0620 Taking Account of Social Value in the Award of Central Government Contracts (available at <https://www.gov.uk/government/publications/procurement-policy-note-0620-taking-account-of-social-value-in-the-award-of-central-government-contracts>).

The Modern Slavery Act

The Modern Slavery Act 2015 (“The Act”) categorises offences of Slavery, Servitude and Forced or Compulsory Labour and Human Trafficking. These are all included in the term ‘modern slavery’. The Act requires businesses with a total turnover of £36m or above who carry out all or some of their business in the UK to publish an annual slavery and human trafficking statement. Businesses should set out what action they have taken to tackle modern slavery in their business or supply chains. This will allow consumers, investors and campaigners to hold them to account and call for them to do more.

Civil Society Strategy

This strategy has committed the Government to use its buying power to drive social change. Central Government will take account of social benefits in the award of its contracts. This will have the effect of levelling the playing field for all types of businesses including small businesses, voluntary and community sector organisations and social enterprises, encouraging employment opportunities, developing skills and improving environmental sustainability.

Public Sector Equality Duty

This duty came in to force in April 2011. It requires the HO to have due regard to the need to achieve the objectives set out under s149 of the Equality Act 2010 to:

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The PSED should help to ensure that public goods and services are accessible to and meet the diverse needs of all users to ensure that no one group is disadvantaged in accessing public goods and services. Further information can be found within PPN 01/13 (available at

Greening Government Commitments (GGC)

The GGC (available at <https://www.gov.uk/government/publications/greening-government-commitments-2016-to-2020>) set out the actions UK government departments and their agencies will take to reduce their impacts on the environment in the period 2016 to 2020. They set out targets to reduce their greenhouse gas emissions, send less waste to landfill and reduce the overall amount of waste they produce and reduce water consumption. They also set out commitments for departments to improve sustainable procurement and report transparently on key sustainability issues. The Home Office is reporting a 42% reduction in carbon emissions, based on 2009-10 levels. Full details of our plans to further reduce emissions will follow.

25 Year Environment Plan

The environment plan (available at <https://www.gov.uk/government/publications/25-year-environment-plan>) sets out our goals for improving the environment, within a generation, and leaving it in a better state than we found it. It details how we in government will work with communities and businesses to do this and sets out what we will be doing over the next 25 years. Single-Use Plastics: Chapter 4 of the 25 Year Environment Plan discusses “Increasing resource efficiency and reducing pollution and waste”. Reduction in the use of Single-Use Plastics in the department’s activities and services it provides is an important part of this. There are an increasing number of multi-use plastics or plastic-free alternatives that we can use and encourage our suppliers to use in their supply chains. By reducing our use of Single-Use Plastics and asking our suppliers to reduce or eliminate their use of these in our supply chains, we can help to achieve the goals of the 25 Year Plan.

Sustainable Development Goals (SDGs)

SDGs were adopted by all United Nations Member States in 2015 providing a shared blueprint for peace and prosperity for people and the planet, now and into the future. At its heart are 17 SDGs, which are an urgent call for action by all countries - developed and developing - in a global partnership. They recognise that ending poverty and other deprivations must go hand-in-hand with strategies that improve health and education, reduce inequality, and spur economic growth – all while tackling climate change and working to preserve our oceans and forests.

Government Buying Standards (GBS)

All government departments and their related organisations must make sure that they meet the minimum mandatory GBS standards when buying goods and services and to specify the minimum mandatory standards within tenders. This forms part of sustainable procurement - the process whereby organisations meet their needs for goods, services, works and utilities in a way that benefits not only the organisation, but also society and the economy, while minimising damage to the environment.

Greening government: ICT and digital services strategy 2020-2025

This strategy sets out how the government will work in partnership with industry and other sectors to provide ICT and digital services to help achieve the United Nation's Sustainable Development Goals, implement Defra's 25 Year Environment Plan and meet the government's net zero commitments. The objectives of this strategy is to deliver the following outcomes:

- Reduced carbon and cost.
- Increased resilience.
- Increased responsibility (doing the right thing).
- Increased transparency and collaboration.
- Increased accountability.

Plan for Growth

Government announced a programme of structural reforms to remove barriers to growth for businesses and equip the UK to compete in the global race. These reforms span a range of policies including improving UK infrastructure, cutting red tape, root and branch reform of the planning system and boosting trade and inward investment, to achieve the government's 4 ambitions for growth:

- creating the most competitive tax system in the G20.
- encouraging investment and exports as a route to a more balanced economy.
- making the UK the best place in Europe to start, finance and grow a business.
- creating a more educated workforce that is the most flexible in Europe.

Net Zero by 2050

As part of assessing a supplier's technical and professional ability, from 30th September 2021, there will be a requirement for bidding suppliers to provide a Carbon Reduction Plan confirming their commitment to achieving Net Zero by 2050 in the UK, and setting out the environmental management measures that they have in place and which will be in effect and utilised during the performance of the contract. This will apply to contracts valued above £5m per annum. Please refer to PPN 06/21 (available at <https://www.gov.uk/government/publications/procurement-policy-note-0621-taking-account-of-carbon-reduction-plans-in-the-procurement-of-major-government-contracts>) for further information.

Health and Wellbeing Strategy Apr 2018 to Mar 2021

The Home Office aspires to be a great place to work where staff will benefit from a positive environment, and physical and emotional health and wellbeing. The Health and Wellbeing Strategy (available at <https://horizon.homeoffice.gov.uk/page/wellbeing-strategy-and-staff-support>) aligns with the 5 Civil Service strategic priorities. It aims to improve:

- leadership capability by providing leaders with advice and training.

- the tools, policies, guidance and processes you and your leaders use.
- work culture, practices, environment and staff behaviours.

10 Point Plan for a Green Industrial Revolution

The Ten Point Plan sets firm foundations to potentially deliver up to an estimated £42 billion of private investment by 2030 across energy, buildings, transport, innovation and the natural environment. The Plan will start by supporting 90,000 jobs across the UK within this Parliament, and up to 250,000 by 2030 and will seek to put the UK at the forefront of global markets for clean technology. It will generate new clean power with offshore wind farms, nuclear plants and will invest up to half a billion pounds in new hydrogen technologies. Finally, it will harness nature's ability to absorb carbon by establishing new National Parks and Areas of Outstanding Natural Beauty, making them havens of biodiversity, with the aim of protecting 30% of England's countryside by 2030. The cumulative effect of this plan will be to reduce UK emissions by 180 million tonnes of carbon dioxide equivalent (Mt CO₂e) between 2023 and 2032, equal to taking all of today's cars off the road for around two years, all will help to meet our net zero by 2050 target.

The SME Agenda

In 2015 Government achieved the 25% aspiration for spend with Small and Medium-sized Enterprises (SMEs). The Government's previous ambition was to spend 33% by March 2022 with SMEs. However, since the last manifesto this target has been relaxed and the HO approach now is to proactively engage with our SMEs to support the Industrial Strategy aim 'to improve living standards and economic growth by increasing productivity and driving growth across the UK'.

Diversity and Inclusion including LGBTQi+ Equality

The Civil Service Diversity and Inclusion Strategy 2017-2020 (available at <https://www.gov.uk/government/publications/a-brilliant-civil-service-becoming-the-uks-most-inclusive-employer>) launched in September 2018, prioritises greater representation and inclusion, which are essential to achieving our ambition to become the most inclusive employer in the UK by 2020.

SCHEDULE 7.2
PAYMENTS ON TERMINATION

Official - Sensitive

1 DEFINITIONS

1.1 In this Schedule, the definitions set out in Schedule 1 (Definitions) shall apply:

2 TERMINATION PAYMENT

- (a) The Termination Payment payable pursuant to Clause 35.3(a) (*Payments by the Authority*) shall be an amount equal to the aggregate of the Breakage Costs Payment and the Unrecovered Payment;
- (b) The Baseline Financial Model or latest Updated Baseline Financial Model shall be utilised to inform the calculation of all Breakage Costs Payments and Unrecovered Payments arising from any Partial Termination Event **or Termination Event**

3 BREAKAGE COSTS PAYMENT

3.1 The Supplier may recover through the Breakage Costs Payment only those costs incurred by the Supplier directly as a result of the termination (in whole or part) of this Agreement which:

- (a) would not have been incurred had this Agreement (or part) continued until expiry of the Initial Term, or in the event that the Term has been extended, the expiry of the Extension Period;
- (b) are unavoidable, proven, reasonable, and not capable of recovery;
- (c) are incurred under arrangements or agreements that are directly associated with this Agreement;
- (d) are not Contract Breakage Costs relating to contracts or Sub-contracts with Affiliates of the Supplier; and
- (e) relate directly to the termination of the Services (or part of them).

Limitation on Breakage Costs Payment

3.2 The Breakage Costs Payment shall not exceed the lower of:

- (a) the relevant limit set out in Annex 1; and
- (b) 120% of the estimate for the Breakage Costs Payment set out in any relevant Termination Estimate.

Redundancy Costs

3.3 The Authority shall not be liable under this Schedule for any costs associated with Supplier Personnel (whether relating to redundancy, redeployment or otherwise) other than the Redundancy Costs.

3.4 Where the Supplier can demonstrate that a member of Supplier Personnel will be made redundant following termination of this Agreement, but redeployment of such person is

possible and would offer value for money to the Authority when compared with redundancy, then the Authority shall pay the Supplier the actual direct costs incurred by the Supplier or its Sub-contractor arising out of the redeployment of such person (including retraining and relocation costs) subject to a maximum amount of £30,000 per relevant member of the Supplier Personnel.

Contract Breakage Costs

- 3.5 The Supplier shall be entitled to Contract Breakage Costs only in respect of Third-Party Contracts or Sub-contracts which:
- (a) are not assigned or novated to a Replacement Supplier at the request of the Authority in accordance with Schedule 8.5 (*Exit Management*); and
 - (b) the Supplier can demonstrate:
 - (i) are surplus to the Supplier's requirements after the Termination Date, whether in relation to use internally within its business or in providing services to any of its other customers;
 - (ii) have been entered into by it in the ordinary course of business; and
 - (iii) are listed as Key Sub-contractors listed in Schedule 4.3 (*Notified Key Sub-Contractors*).
- 3.6 The Supplier shall seek to negotiate termination of any Third-Party Contracts or Subcontracts with the relevant third party or Sub-contractor (as the case may be) using all reasonable endeavours to minimise the cancellation or termination charges.
- 3.7 Except with the prior written agreement of the Authority, the Authority shall not be liable for any costs (including cancellation or termination charges) that the Supplier is obliged to pay in respect of:
- (a) the termination of any contractual arrangements for occupation of, support of and/or services provided for Supplier premises which may arise as a consequence of the termination of this Agreement; and/or
 - (b) Assets not yet installed at the Termination Date.

4 UNRECOVERED PAYMENT

The Unrecovered Payment shall not exceed the lowest of:

- (a) the relevant limit set out in Annex 1;

Official - Sensitive

5 MITIGATION OF CONTRACT BREAKAGE COSTS, REDUNDANCY COSTS AND UNRECOVERED COSTS

- 5.1 The Supplier agrees to use all reasonable endeavours to minimise and mitigate Contract Breakage Costs, Redundancy Costs and Unrecovered Costs by:
- (a) the appropriation of Assets (where it is reasonable to do so), employees and resources for other purposes;
 - (b) at the Authority's request, assigning, novating or otherwise transferring any Third-Party Contracts and Sub-contracts to the Authority or a third party acting on behalf of the Authority; and
 - (c) in relation Third Party Contracts and Sub-contract that are not to be assigned to the Authority or to another third party, terminating those contracts at the earliest possible date without breach or where contractually permitted.
- 5.2 If Assets, employees and resources can be used by the Supplier for other purposes, then there shall be an equitable reduction in the Contract Breakage Costs, Redundancy Costs and Unrecovered Costs payable by the Authority or a third party to the Supplier. In the event of any Dispute arising over whether the Supplier can use any Assets, employees and/or resources for other purposes and/or over the amount of the relevant equitable reduction, the Dispute shall be referred to an Expert for determination in accordance with the procedure detailed in Schedule 8.3 (*Dispute Resolution Procedure*).

6 COMPENSATION PAYMENT

- 6.1 The Compensation Payment payable pursuant to Clause 34.3(b) (*Payments by the Authority*) shall be an amount equal to the total forecast Charges over the Shortfall Period (as stated in an updated and Authority agreed Financial Model) multiplied by the Anticipated Contract Life Profit Margin.
- 6.2 For the purposes of Paragraph 6.1, the "**Shortfall Period**" means:
- (a) where the Authority partially terminates or terminates this Agreement pursuant to Clause 34.1(a) (*Termination by the Authority*), a number of days equal to the number of days by which the notice given (or deemed given pursuant to Part D of Schedule 7.1 (*Charges and Invoicing*)) falls short of 90 days; or
 - (b) where the Supplier partially terminates or terminates this Agreement pursuant to Clause 34.3(a) (*Termination by the Supplier*), a number of days equal to the number of days by which the period from (and including) the date of the non-payment by the Authority to (and including) the Termination Date falls short of 90 days, but in each case subject to the limit set out in Paragraph 6.3.
- 6.3 The Compensation Payment shall be no greater than the lower of:
- (a) the relevant limit set out in Annex 1; and
 - (b) 120% of the estimate for the Compensation Payment set out in the relevant Termination Estimate.

Official - Sensitive

7 FULL AND FINAL SETTLEMENT

Any Termination Payment and/or Compensation Payment paid under this Schedule shall be in full and final settlement of any claim, demand and/or proceedings of the Supplier in relation to any termination by the Authority pursuant to Clause 34.1(a) (*Termination by the Authority*) or termination by the Supplier pursuant to Clause 34.3(a) (*Termination by the Supplier*) (as applicable), and the Supplier shall be excluded from all other rights and remedies it would otherwise have been entitled to in respect of any such termination.

8 INVOICING FOR THE PAYMENTS ON TERMINATION

All sums due under this Schedule shall be payable by the Authority to the Supplier in accordance with the payment terms set out in Schedule 7.1 (*Charges and Invoicing*).

9 SET OFF

The Authority shall be entitled to set off any outstanding liabilities of the Supplier against any amounts that are payable by it pursuant to this Schedule.

10 NO DOUBLE RECOVERY

10.1 If any amount payable under this Schedule (in whole or in part) relates to or arises from any Transferring Assets then, to the extent that the Authority makes any payments pursuant to Schedule 8.5 (*Exit Management*) in respect of such Transferring Assets, such payments shall be deducted from the amount payable pursuant to this Schedule.

10.2 The value of the Termination Payment and/or the Compensation Payment shall be reduced or extinguished to the extent that the Supplier has already received the Charges or the financial benefit of any other rights or remedy given under this Agreement so that there is no double counting in calculating the relevant payment.

10.3 Any payments that are due in respect of the Transferring Assets shall be calculated in accordance with the provisions of the Exit Plan.

11 ESTIMATE OF TERMINATION PAYMENT AND COMPENSATION PAYMENT

11.1 The Authority may issue a Request for Estimate at any time during the Term, as follows:

- (a) in the case of partial termination, on an unlimited basis; and
- (b) in the case of termination in whole, no more than 2 Requests for Estimate may be issued in any 6-month period.

11.2 The Supplier shall within 20 Working Days of receiving the Request for Estimate (or such other timescale agreed between the Parties), provide an accurate written estimate of the Termination Payment and the Compensation Payment that would be payable by the Authority based on a postulated Termination Date specified in the Request for Estimate (such estimate being the "**Termination Estimate**"). The Termination Estimate shall:

- (a) be based on the relevant amounts set out in the Financial Model;

Official - Sensitive

- (b) include:
 - (i) details of the mechanism by which the Termination Payment is calculated;
 - (ii) full particulars of the estimated Contract Breakage Costs in respect of each Sub-contract or Third Party Contract and appropriate supporting documentation; and
 - (iii) such information as the Authority may reasonably require; and
- (c) state the period for which that Termination Estimate remains valid, which shall be not less than 20 Working Days.

11.3 The Supplier acknowledges that issue of a Request for Estimate shall not be construed in any way as to represent an intention by the Authority to partially terminate or terminate this Agreement.

11.4 If the Authority issues a Termination Notice to the Supplier within the stated period for which a Termination Estimate remains valid, the Supplier shall use the same mechanism to calculate the Termination Payment as was detailed in the Termination Estimate unless otherwise agreed in writing between the Supplier and the Authority.

SCHEDULE 7.3
BENCHMARKING

Official - Sensitive

1 DEFINITIONS

In this Schedule, the definitions set out in Schedule 1 (Definitions) shall apply.

2 FREQUENCY, PURPOSE AND SCOPE OF BENCHMARK REVIEW

- 2.1 The Authority may, by written notice to the Supplier, require a Benchmark Review of any or all of the Services in order to establish whether a Benchmarked Service is, and/or the Benchmarked Services as a whole are, Good Value.
- 2.2 The Authority shall not be entitled to carry out a Benchmark Review of any Services during the 12 month period from the Operational Service Commencement Date for those Services, nor at intervals of less than 12 months after any previous Benchmark Review relating to the same Services.
- 2.3 The Services that are to be the Benchmarked Services shall be identified by the Authority in the notice given under Paragraph 2.1.

3 APPOINTMENT OF BENCHMARKER

- 3.1 The Authority shall appoint as the Benchmarker to carry out the Benchmark Review either an organisation on the list of organisations set out in Annex 1 or such other organisation as may agreed in writing between the Parties.
- 3.2 The Authority shall, at the written request of the Supplier, require the Benchmarker to enter into a confidentiality agreement with the Supplier in, or substantially in, the form set out in Annex 2.
- 3.3 The costs and expenses of the Benchmarker and the Benchmark Review shall be shared equally between both Parties provided that each Party shall bear its own internal costs of the Benchmark Review. The Benchmarker shall not be compensated on a contingency fee or incentive basis.
- 3.4 The Authority shall be entitled to pay the Benchmarker's costs and expenses in full and to recover the Supplier's share from the Supplier.

4 BENCHMARK REVIEW

- 4.1 The Authority shall require the Benchmarker to produce, and to send to each Party for approval, a draft plan for the Benchmark Review within 10 Working Days after the date of the appointment of the Benchmarker, or such longer period as the Benchmarker shall reasonably request in all the circumstances. The plan must include:
 - (a) a proposed timetable for the Benchmark Review;
 - (b) a description of the information that the Benchmarker requires each Party to provide;
 - (c) a description of the benchmarking methodology to be used;

Official - Sensitive

- (d) a description that clearly illustrates that the benchmarking methodology to be used is capable of fulfilling the benchmarking objectives under Paragraph 2.1;
 - (e) an estimate of the resources required from each Party to underpin the delivery of the plan;
 - (f) a description of how the Benchmarker will scope and identify the Comparison Group;
 - (g) details of any entities which the Benchmarker proposes to include within the Comparison Group; and
 - (h) if in the Benchmarker's professional opinion there are no Comparable Services or the number of entities carrying out Comparable Services is insufficient to create a Comparison Group, a detailed approach for meeting the relevant benchmarking objective(s) under Paragraph 2.1 using a proxy for the Comparison Services and/or Comparison Group as applicable.
- 4.2 The Parties acknowledge that the selection and or use of proxies for the Comparison Group (both in terms of number and identity of entities) and Comparable Services shall be a matter for the Benchmarker's professional judgment.
- 4.3 Each Party shall give notice in writing to the Benchmarker and to the other Party within 10 Working Days after receiving the draft plan either approving the draft plan or suggesting amendments to that plan which must be reasonable. Where a Party suggests amendments to the draft plan pursuant to this Paragraph 4.3, the Benchmarker shall, if it believes the amendments are reasonable, produce an amended draft plan. Paragraph 4.1 and this Paragraph 4.3 shall apply to any amended draft plan.
- 4.4 Failure by a Party to give notice under Paragraph 4.3 shall be treated as approval of the draft plan by that Party. If the Parties fail to approve the draft plan within 30 Working Days of its first being sent to them pursuant to Paragraph 4.1 then the Benchmarker shall prescribe the plan.
- 4.5 Once the plan is approved by both Parties or prescribed by the Benchmarker, the Benchmarker shall carry out the Benchmark Review in accordance with the plan. Each Party shall procure that all the information described in the plan, together with any additional information reasonably required by the Benchmarker is provided to the Benchmarker without undue delay. If the Supplier fails to provide any information requested from it by the Benchmarker and described in the plan, such failure shall constitute a material Default for the purposes of Clause 27.1(c) (Rectification Plan Process).
- 4.6 Each Party shall co-operate fully with the Benchmarker, including by providing access to records, technical documentation, premises, equipment, systems and personnel at times reasonably requested by the Benchmarker, provided that the Benchmarker shall be instructed to minimise any disruption to the Services.

Official - Sensitive

4.7 Either Party may provide additional material to the Benchmarker to assist the Benchmarker in conducting the Benchmark Review.

4.8 Once it has received the information it requires, the Benchmarker shall:

- (a) finalise the sample of entities constituting the Comparison Group and collect data relating to Comparable Services. The final selection of the Comparison Group (both in terms of number and identity of entities) and of the Comparable Services shall be a matter for the Benchmarker's professional judgment;
- (b) derive the Equivalent Services Data by applying the adjustment factors listed in Paragraph 4.9 and from an analysis of the Comparable Services;
- (c) derive the relative value for money of the charges payable for the Comparable Services using the Equivalent Services Data and from that derive the Upper Quartile;
- (d) derive the median service levels relating to the Comparable Services using the Equivalent Services Data;
- (e) compare the value for money of the Charges attributable to the Benchmarked Services (having regard in particular to the applicable Performance Indicators and Target Service Levels) to the value for money of the Upper Quartile;
- (f) compare the Performance Indicators and Target Service Levels attributable to the Benchmarked Services (having regard to the Charges and Service Credits) with the median service levels using the Equivalent Services Data; and
- (g) determine whether or not each Benchmarked Service is and/or the Benchmarked Services as a whole are, Good Value.

4.9 The Benchmarker shall have regard to the following matters when performing a comparative assessment of a Benchmarked Service and a Comparable Service in order to derive Equivalent Services Data:

- (a) the contractual and business environment under which the Services are being provided (including the scope, scale, complexity and geographical spread of the Services);
- (b) any front-end investment and development costs of the Supplier;
- (c) the Supplier's risk profile including the financial, performance or liability risks associated with the provision of the Services as a whole;
- (d) the extent of the Supplier's management and contract governance responsibilities;
- (e) any other reasonable factors demonstrated by the Supplier, which, if not taken into consideration, could unfairly cause the Supplier's pricing to appear non-competitive (such as erroneous costing, non-sustainable

Official - Sensitive

behaviour including excessive consumption of energy or over-aggressive pricing).

5 BENCHMARK REPORT

- 5.1 The Benchmarker shall be required to prepare a Benchmark Report and deliver it simultaneously to both Parties, at the time specified in the plan approved under Paragraph 4, setting out its findings. The Benchmark Report shall:
- (a) include a finding as to whether or not each Benchmarked Service is and/or whether the Benchmarked Services as a whole are, Good Value;
 - (b) include other findings (if any) regarding the quality and competitiveness or otherwise of those Services;
 - (c) if any Benchmarked Service is not Good Value, or the Benchmarked Services as a whole are not Good Value, specify the changes that would be required to the Charges, Performance Indicators and/or Target Performance Levels, that would be required to make that Benchmarked Service or those Benchmarked Services as a whole Good Value; and
 - (d) illustrate the method used for any normalisation of the Equivalent Services Data
- 5.2 The Benchmarker shall act as an expert and not as an arbitrator.
- 5.3 If the Benchmark Report states that any Benchmarked Service is not Good Value or that the Benchmarked Services as a whole are not Good Value, then the Supplier shall (subject to Paragraphs 5.5 and 5.6) implement the changes set out in the Benchmark Report as soon as reasonably practicable within timescales agreed with the Authority but in any event within no more than 3 months. Any associated changes to the Charges shall take effect only from the same date and shall not be retrospective.
- 5.4 The Supplier acknowledges and agrees that Benchmark Reviews shall not result in any increase to the Charges, disapplication of the Performance Indicators or any reduction in the Target Performance Levels.
- 5.5 The Supplier shall be entitled to reject any Benchmark Report if the Supplier reasonably considers that the Benchmarker has not followed the procedure for the related Benchmark Review as set out in this Schedule in any material respect.
- 5.6 The Supplier shall not be obliged to implement any Benchmark Report to the extent this would cause the Supplier to provide the Services at a loss (as determined, by reference to the Financial Model), or to the extent the Supplier cannot technically implement the recommended changes.
- 5.7 In the event of any Dispute arising over whether the Benchmarker has followed the procedure for the related Benchmark Review under Paragraph 5.5 and/or any matter referred to in Paragraph 5.6, the Dispute shall be referred to Expert Determination. For the avoidance of doubt in the event of a Dispute between the Parties, the Authority shall continue to pay the Charges to the Supplier in accordance with the terms of this Agreement and the Performance Indicators and

Official - Sensitive

Target Performance Levels shall remain unchanged pending the conclusion of the Expert Determination.

5.8 On conclusion of the Expert Determination:

- (a) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any reduction in the Charges shall be implemented by the Supplier, the Supplier shall immediately repay to the Authority the difference between the Charges paid by the Authority up to and including the date of the Expert's determination and the date upon which the recommended reduction in Charges should have originally taken effect pursuant to Paragraph 5.3 together with interest thereon at the applicable rate under the Late Payment Of Commercial Debts (Interest) Act 1998; and
- (b) if the Expert determines that all or any part of the Benchmark Report recommendations regarding any changes to the Performance Indicators and/or Target Performance Levels shall be implemented by the Supplier:
 - (i) the Supplier shall immediately implement the relevant changes;
 - (ii) the Supplier shall immediately pay an amount equal to any Service Credits which would have accrued up to and including the date of the Expert's determination if the relevant changes had taken effect on the date determined pursuant to Paragraph 5.3 together with interest thereon at the applicable rate under the Late Payment Of Commercial Debts (Interest) Act 1998; and
 - (iii) the relevant changes shall thereafter be subject to the Change Control Procedure for the purposes of formalising and documenting the relevant change or amendment for the purposes of this Agreement.

5.9 Any failure by the Supplier to implement the changes as set out in the Benchmark Report in accordance with the relevant timescales determined in accordance with Paragraph 5.3 (unless the provisions of Paragraph 5.6 and/or Paragraph 5.7 apply) or in accordance with Paragraph 5.8 shall, without prejudice to any other rights or remedies of the Authority, constitute a Supplier Termination Event.

General methodology

1. **Terminology:** The terms referred to in this Annex are those used by UK companies in their financial statements. Where the entity is not a UK company, the corresponding items should be used even if the terminology is slightly different (for example a charity would refer to a surplus or deficit rather than a profit or loss).
2. **Groups:** Where the entity is the holding company of a group and prepares consolidated financial statements, the consolidated figures should be used.
3. **Foreign currency conversion:** Figures denominated in foreign currencies should be converted at the exchange rate in force at the relevant date for which the Financial Indicator is being calculated.
4. **Treatment of non-underlying items:** Financial Indicators should be based on the figures in the financial statements before adjusting for non-underlying items.

- (i) other companies in the same group as the Supplier, including the Supplier's parent, affiliate or sister companies; and/or
 - (ii) consortium or joint venture partners of the Supplier; and/or
 - (iii) Key Sub-contractors, Key Suppliers, and contractors to the Supplier.
- (n) The Financial Models shall be accompanied by a User Guide and Data Book ("**Model Documentation**") that sets out in editable electronic form written at a level suitable for a reasonably skilled and experienced user (but who may not be a professional modeller) of Microsoft Excel or such other software as is proposed by the supplier and agreed with the Authority pursuant to Schedule 7.5 Part D para 1.4 (a), the following:
- (i) the scope of the Financial Models;
 - (ii) the version of the Financial Models to which the Model Documentation refers;
 - (iii) the Financial Models logical schema (if developed in Microsoft Excel, this means the worksheet structure), together with an explanation of the intended purpose of each part of the schema (worksheets), further clearly identifying any parts of the Schema (worksheets) in the Financial Models that have been included for supplementary analysis and are not a part of the derivation of Authority mandated outputs;
 - (iv) the approach to the visual separation and identification of inputs, assumptions, calculations and outputs;

- the values used for and clear descriptive narrative explaining the basis of each assumption;
 - a description of the supporting data for each assumption (with the associated underlying data available to the Authority in an electronically readable form); and
- (vii) a detailed explanation of:
- the basis upon which costs indirectly incurred by Locations have been allocated to Locations for the purposes of recovering those costs and associated mark-up through the application of the pricing mechanism set out in Schedule 7.1 including but not limited to the Banded Fixed Service Charges and Banded Volumetric Service Charges;
 - Fixed, Semi-Fixed and Variable Costs: a detailed explanation of the Supplier's assessment of the extent to which resource costs are fixed, semi fixed or variable in relation to changing Appointment Volumes
 - Volumetric and Fixed Cost bands: how the proposed volumetric and fixed costs bands and associated costs relate to the forecast Appointment Volumes over the contract term, including the rationale for costs being recovered through the Banded Fixed Service Charge vs the Banded Volumetric Service Charge
 - Headroom: any capacity headroom the Supplier plans to maintain over the Term.
- (viii) the basis upon which the Financial Models have been logically and statistically validated;
- (ix) the logic, process flows and calculations used to implement the Methodology in the Financial Models;

- (xi) how the Baseline and Updated Baseline RM has been independently assured that it is fit-for-purpose and the detailed test procedures that have been carried out;

Official - Sensitive

- (xii) how the RM is intended to be used, including in base case and scenario conditions and the detailed steps for updating the Financial Models;
 - (xiii) any other relevant instructions as needed for the Authority to run the Financial Models on its own systems; and
- (o) The Financial Models shall be certified by Supplier management each time they are delivered to the Authority as being [true and correct and in accordance with UK GAAP / IFRS as applicable].
 - (p) As applicable, the Financial Models shall show the delivery of benefits against the original plan, as updated for approved change requests, in a consistent manner with the Supplier WBS.
 - (q) All Change Requests should:
 - (i) be based on the most up-to date and agreed operational and financial baseline as per the most recently agreed updated Baseline Financial Model and latest Outturn Financial Model; and
 - (ii) clearly explain the operating and financial assumptions underpinning any analysis that indicates a change to the Supplier resource or cost base or proposed charges to be paid by the Authority.
 - (r) The Supplier will provide an organisation structure chart updated on at least a calendar quarterly basis, directly aligned to its WBS (and therefore the Financial Models), showing the roles and headcount (FTE) that materially directly deliver the Services, covering the Supplier, its parent, affiliate and sister companies, any joint venture or consortium partners of the Supplier and the Supplier's Key Sub-contractors and Key Suppliers (to the extent such Key Suppliers are providing identified labour resources to the Supplier) and contractors.
 - (s) Where the supplier provides R & T by way of Microsoft Excel, all such R & T deliverables will be built to best practice standards, as set out at Appendix A.
 - (t) The Supplier will maintain suitably qualified and experienced operational and financial modelling capability for the term of the Contract at a capacity consistent with delivering the requirements of this Agreement and any other ad-hoc requests the Authority may reasonably make of the Supplier in connection with the Financial Models;
 - (u) The Financial Models shall be in a form that meets the Authority cyber security requirements such that it can run on the Authority's systems without needing any additional software licences to be purchased by the Authority.
 - (v) The Authority reserves the right to require the Supplier to have their Financial Models externally assured at the Supplier's expense with terms of reference at the sole discretion of the Authority including:
 - (i) the appropriateness of the methodology to deliver the purpose of the Financial Models;
 - (ii) the logical integrity of the Financial Models and whether they have been built materially in accordance with their purposes; and

Official - Sensitive

- (iii) the appropriateness of the inputs and assumptions used in the Financial Models.

- (x) All Intellectual Property Rights in the Financial Pricing Models shall be owned by the Authority, and will be operated and maintained by the Supplier. All Intellectual Property Rights in the Resource Model shall be owned, operated and maintained by the Supplier, but the Authority will have the worldwide, irrevocable right of use in perpetuity for any purposes in connection with the delivery of visa and citizenship services.

2 Model Build Standards

- 2.1 The Supplier may submit information to the Authority by way of spreadsheets prepared in Microsoft Excel 2016 or later.
- 2.2 To the extent they are prepared using Microsoft Excel 2016 or later, the Resource and the Financial Pricing Models (the “Models”) shall be built to the standards set out in this Schedule 7.5 (*Financial Reports and Audit Rights*).
- 2.3 The Resource Models may be built using alternative software to Microsoft Excel 2016 providing it delivers an equivalent capability to the sole satisfaction of the Authority.
- 2.4 Standards for submitting information to the Authority using spreadsheets:
 - (a) Models shall be laid out in a clear and logical manner that is readily understandable by a reasonably skilled and experienced user of Microsoft Excel (but who may not be full time professional modeller);
 - (b) the overall flow of data in the Models shall flow from inputs to calculations to outputs;
 - (c) separate worksheets shall be used for inputs, calculations and outputs;
 - (d) input sections shall be clearly defined and formatted to highlight that they are inputs;
 - (e) calculations shall be written in a transparent manner and shall be documented in the Models. Formulae shall not contain any hard-coded input data; these shall instead be entered initially on an input sheet and linked into the formulae either directly or through a call-up. Notwithstanding this, items that comply with the following criteria shall not be considered to be in breach of this obligation:
 - (i) arguments in formulae may require a -1, 0 or 1 in order to specify the argument type (e.g. as required in the MATCH function);
 - (ii) timing flag calculations may include a 0 or 1;
 - (iii) sequential period or item counters used for dynamic labelling may be in the format of "previous" + 1;

Official - Sensitive

- (iv) Max and Min calculations may require the use of 0 in order to limit a figure to positive or negative numbers only; and
- (v) where using indices or percentages, formulae may require the use of "+1" in order to calculate the increase from a specific value or "1-" where an inverse of a percentage is required.
- (f) The calculations sheets shall follow the rule that any particular row shall only contain a single formula copied across the cells in that row, save that a permitted exception to this shall be where annual summaries are provided adjacent to the monthly calculations (although annual summaries may not be interspaced within a monthly timeline).
- (g) Output sheets shall not contain any calculations apart from sums and check totals.
- (h) Models shall have a consistent timeline across worksheets starting in the same column, with line items going down the worksheet.
- (i) Models shall not contain any hidden cells or sheets.
- (j) Models shall not have any password protect sections that cannot be readily accessed by the Authority.
- (k) The calculations in any of the Models shall be designed to allow the use of the Microsoft Excel formula editing tools, and the use of functions that do not permit this (for example, Array, OFFSET, INDIRECT, HLOOKUP, VLOOKUP and LOOKUP functions) shall not be used.
- (l) The number of worksheets contained in the Models shall generally be minimised.
- (m) Sections with clearly labelled headings shall be used.
- (n) Use of range names shall be kept to a minimum, although any cells referred to in Visual Basic for Applications (VBA) must be defined by a range name.
- (o) Models shall not contain any external links. If input data is sourced from supporting Supplier models or systems, a separate input sheet shall be created, and the output from the supporting models shall be copied and pasted as hard-coded values into this separate input sheet. Such input ranges shall be clearly labelled with the filename of the underlying model, range references, version number and date of import.
- (p) Any macros used shall be transparent and clearly documented both in the VBA itself and in the Record of Assumptions and Data Book.
- (q) Models shall not contain any circularities and iteration shall be switched off in the calculation setting.
- (r) In automatic calculation mode Models shall calculate fully from inputs, through calculations to outputs.

- (s) Inputs and subsequent logic that do not directly feed through to Model outputs shall generally be minimised and, where present, shall be clearly labelled as supplementary calculations.
- (t) Each row/column with input data, calculations or outputs must be labelled with the appropriate units.
- (u) Models must contain a version number and date.
- (v) The use of VBA is permitted in the Resource and the Financial Planning Models, subject to transparency and traceability being maintained. For example:
 - (i) VBA may be used where the Supplier wishes to minimise replicating identical calculations and speed up the time taken for the Model to calculate. In this case, the Supplier shall clearly show the inputs to and the spreadsheet formulae used in the calculations. Cells that are populated by such VBA routines shall be transparently identifiable, e.g., via colour coding, as being distinct from the input or calculation cells. Checks shall be in place to ensure reconciliation between inputs and VBA-driven outputs;
 - (ii) VBA may be used for the purposes of model control, including navigation and print macros;
 - (iii) "Option Explicit" shall be switched on;
 - (iv) VBA code shall contain adequate non-technical narrative and be fully documented in the Model operating manual;
 - (v) VBA shall not be used when the calculation itself is being performed within VBA in virtual memory such that only the inputs and outputs are visible to the Model user;
 - (vi) VBA shall not be used to create custom functions; and
 - (vii) VBA shall not be used where the output of the VBA macro could as easily be obtained by using Excel formulae.
- (w) All pages in Models shall be set up to print single-sided with header and / or footer labels that include:
 - (i) The title of the print-out;
 - (ii) The date and time of the print-out;
 - (iii) The page number of the print-out and the total number of pages in the print-out;
 - (iv) The protective marking applicable to the print-out; and
 - (v) The name of the worksheet and the name of the workbook from which the print-out has been prepared.

CHANGE CONTROL PROCEDURE

Change Control Procedure

1 DEFINITIONS

1.1 In this Schedule, the definitions set out in Schedule 1 (Definitions) shall apply:

2 GENERAL PRINCIPLES OF CHANGE CONTROL PROCEDURE

2.1 This Schedule sets out the procedure for dealing with Changes.

2.2 Operational Changes shall be processed in accordance with Paragraph 9. If either Party is in doubt about whether a Change falls within the definition of an Operational Change, then it must be processed as a Contract Change.

2.3 The Parties shall deal with Contract Change as follows:

- (a) either Party may request a Contract Change which they shall initiate by issuing a Change Request in accordance with Paragraph 4;
- (b) unless this Agreement otherwise requires, the Supplier shall assess and document the potential impact of a proposed Contract Change in accordance with Paragraph 5 before the Contract Change can be either approved or implemented;
- (c) the Authority shall have the right to request amendments to a Change Request, approve it or reject it in the manner set out in Paragraph 6;
- (d) the Supplier shall have the right to reject a Change Request solely in the manner set out in Paragraph 7;
- (e) save as otherwise provided in this Agreement, no proposed Contract Change shall be implemented by the Supplier until a Change Authorisation Note has been signed and issued by the Authority in accordance with Paragraph 6.2; and
- (f) if a proposed Contract Change is a Fast-track Change, it shall be processed in accordance with Paragraph 8.

2.4 To the extent that any Contract Change requires testing and/or a programme for implementation, then the Parties shall follow the procedures set out in Schedule 6.2 (*Testing Procedures*), and, where appropriate, the Change Authorisation Note relating to such a Contract Change shall specify Milestones and/or a Key Milestone and Milestone Date(s) in respect of such Contract Change for the purposes of such procedures.

2.5 Until a Change Authorisation Note has been signed and issued by the Authority in accordance with Paragraph 6.2, then:

- (a) unless the Authority expressly agrees (or requires) otherwise in writing, the Supplier shall continue to supply the Services in accordance with the existing terms of this Agreement as if the proposed Contract Change did not apply; and

Official - Sensitive

- (b) any discussions, negotiations or other communications which may take place between the Authority and the Supplier in connection with any proposed Contract Change, including the submission of any Change Communications, shall be without prejudice to each Party's other rights under this Agreement.

2.6 The Supplier shall:

- (a) within 10 Working Days of the Authority's signature and issue of a Change Authorisation Note, deliver to the Authority a copy of this Agreement updated to reflect all Contract Changes agreed in the relevant Change Authorisation Note and annotated with a reference to the Change Authorisation Note pursuant to which the relevant Contract Changes were agreed; and
- (b) thereafter provide to the Authority such further copies of the updated Agreement as the Authority may from time to time request.

3 COSTS

3.1 Subject to Paragraph 3.2:

- (a) the costs of preparing each Change Request shall be borne by the Party making the Change Request; and
- (b) the costs incurred by the Supplier in undertaking an Impact Assessment shall be borne by the Party making the Change Request provided that the Authority shall not be required to pay any such costs if:
 - (i) such costs are below £5,000 (five thousand pounds) or the Supplier is able to undertake the Impact Assessment by using resources already deployed in the provision of the Services. If the cost incurred by the Supplier in undertaking an Impact Assessment exceed £5,000 (five thousand pounds), the Authority shall only be required to pay the amount that exceeds £5,000 (five thousand pounds) incurred by the Supplier; or
 - (ii) such costs exceed those in the accepted Impact Assessment Estimate.

3.2 Where the Authority submits a Change Request, the reasonable direct and evidenced costs incurred by the Supplier above the agreed threshold in preparing an Impact Assessment in respect of the relevant Change Request may be borne by the Authority on a Time and Materials Charge basis subject to the Authority's prior written approval before such costs are incurred. Both Parties' costs incurred in respect of any use of this Change Control Procedure as a result of any error or Default by the Supplier shall be paid for by the Supplier.

4 CHANGE REQUEST

- 4.1 Either Party may issue a Change Request to the other Party at any time during the Term. A Change Request shall be substantially in the form of Annex 1 and state whether the Party issuing the Change Request considers the proposed Contract Change to be a Fast-track Change.

The Supplier shall then re-issue the relevant Impact Assessment to the Authority within 10 Working Days of receiving such notification. DISPUTE RESOLUTION PROCEDURE

Dispute Resolution Procedure

1 DEFINITIONS

1.1 In this Schedule, the definitions set out in Schedule 1 (Definitions) shall apply:

2 DISPUTE NOTICES

2.1 If a Dispute arises then:

- (a) the Authority Representative and the Supplier Representative shall attempt in good faith to resolve the Dispute; and
- (b) if such attempts are not successful within a reasonable period, not being longer than 20 Working Days, either Party may issue to the other a Dispute Notice.

2.2 A Dispute Notice:

- (a) shall set out:
 - (i) the material particulars of the Dispute;
 - (ii) the reasons why the Party serving the Dispute Notice believes that the Dispute has arisen; and
 - (iii) if the Party serving the Dispute Notice believes that the Dispute should be dealt with under the Expedited Dispute Timetable, the reason why; and
- (b) may specify in accordance with the requirements of Paragraphs 9.2 and 9.3 that the Party issuing the Dispute Notice has determined (in the case of the Authority) or considers (in the case of the Supplier) that the Dispute is a Multi-Party Dispute, in which case Paragraph 2.3 shall apply.

2.3 If a Dispute Notice specifies that the Dispute has been determined or is considered to be a Multi-Party Dispute pursuant to Paragraph 2.2(b), then:

- (a) if it is served by the Authority it shall be treated as a Multi-Party Procedure Initiation Notice; and
- (b) if it is served by the Supplier it shall be treated as a Supplier Request,

and in each case the provisions of Paragraph 9 shall apply.

2.4 Subject to Paragraphs 2.5 and 3.2 and so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, following the issue of a Dispute Notice the Parties shall seek to resolve the Dispute:

- (a) first by commercial negotiation (as prescribed in Paragraph 4);

Official - Sensitive

- (b) then, if either Party serves a Mediation Notice, by mediation (as prescribed in Paragraph 5); and
 - (c) lastly by recourse to arbitration (as prescribed in Paragraph 7) or litigation (in accordance with Clause 46 (*Governing Law and Jurisdiction*)).
- 2.5 Specific issues shall be referred to Expert Determination (as prescribed in Paragraph 6) where specified under the provisions of this Agreement and may also be referred to Expert Determination where otherwise appropriate as specified in Paragraph 6.1.
- 2.6 Unless agreed otherwise in writing, the Parties shall continue to comply with their respective obligations under this Agreement regardless of the nature of the Dispute and notwithstanding any issue of a Dispute Notice or a Multi-Party Procedure Initiation Notice or proceedings under Paragraph 8 (*Urgent Relief*).

3 EXPEDITED DISPUTE TIMETABLE

- 3.1 In exceptional circumstances where the use of the times in this Schedule would be unreasonable, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use the Expedited Dispute Timetable within 5 Working Days of the issue of a Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Authority.
- 3.2 If the Expedited Dispute Timetable is to be used pursuant to the provisions of Paragraph 3.1 or is otherwise specified under the provisions of this Agreement, then the following periods of time shall apply in lieu of the time periods specified in the applicable Paragraphs:
- (a) in Paragraph 4.2(c), 10 Working Days;
 - (b) in Paragraph 5.2, 10 Working Days;
 - (c) in Paragraph 6.2, 5 Working Days; and
 - (d) in Paragraph 7.2, 10 Working Days.
- 3.3 If at any point it becomes clear that an applicable deadline cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the deadline. If the Parties fail to agree within 2 Working Days after the deadline has passed, the Authority may set a revised deadline provided that it is no less than 5 Working Days before the end of the period of time specified in the applicable paragraphs (or 2 Working Days in the case of Paragraph 6.2). Any agreed extension shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Authority fails to set such a revised deadline then the use of the Expedited Dispute Timetable shall cease, and the normal time periods shall apply from that point onwards.

4 COMMERCIAL NEGOTIATION

4.1 Following the service of a Dispute Notice, then, so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, the Authority and the Supplier shall make reasonable endeavours to resolve the Dispute as soon as possible by commercial negotiation between the Authority's **Contract Manager** and the Supplier's Contract Manager/Commercial Contract Manager

4.2 If:

- (a) either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiation, will not result in an appropriate solution;
- (b) the Parties have already held discussions of a nature and intent (or otherwise were conducted in the spirit) that would equate to the conduct of commercial negotiation in accordance with this Paragraph 4; or
- (c) the Parties have not settled the Dispute in accordance with Paragraph 4.1 within 30 Working Days of service of the Dispute Notice,

either Party may serve a written notice to proceed to mediation in accordance with Paragraph 5 (a "**Mediation Notice**").

5 MEDIATION

5.1 If a Mediation Notice is served, the Parties shall attempt to resolve the dispute in accordance with the version of CEDR's Model Mediation Procedure which is current at the time the Mediation Notice is served (or such other version as the Parties may agree).

5.2 If the Parties are unable to agree on the joint appointment of an independent person to mediate the Dispute within 20 Working Days from (and including) the service of a Mediation Notice then either Party may apply to CEDR to nominate such a person.

5.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if both Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.

5.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the Change Control Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

6 EXPERT DETERMINATION

- 6.2 The expert shall be appointed by agreement in writing between the Parties, but in the event of a failure to agree within 10 Working Days of the relevant request made pursuant to Paragraph 6.1, or if the person appointed is unable or unwilling to act, the expert shall be appointed:
- (a) if the Dispute relates to any aspect of the technology underlying the provision of the Services or a matter of an IT technical nature, on the instructions of the President of the British Computer Society (or any other association that has replaced the British Computer Society);

- 6.3 The Expert shall act on the following basis:
- (a) he/she shall act as an expert and not as an arbitrator and shall act fairly and impartially;
 - (b) the Expert's determination shall (in the absence of a material failure to follow the agreed procedures) be final and binding on the Parties;
 - (c) the Expert shall decide the procedure to be followed in the determination and shall be requested to make his/her determination within 30 Working Days of his appointment or as soon as reasonably practicable thereafter and the Parties shall assist and provide the documentation that the Expert requires for the purpose of the determination;

- (d) any amount payable by one Party to another as a result of the Expert's determination shall be due and payable within 20 Working Days of the Expert's determination being notified to the Parties;
- (e) the process shall be conducted in private and shall be confidential; and
- (f) the Expert shall determine how and by whom the costs of the determination, including his/her fees and expenses, are to be paid.

7 ARBITRATION

- 7.1 Subject to compliance with its obligations under Paragraph 4.1 and to the provisions of Paragraph 6, the Authority may at any time before court proceedings are commenced refer the Dispute to arbitration in accordance with the provisions of Paragraph 7.5.
- 7.2 Before the Supplier commences court proceedings or arbitration, it shall serve written notice on the Authority of its intentions and the Authority shall have 15 Working Days following receipt of such notice to serve a reply (a "**Counter Notice**") on the Supplier requiring the Dispute to be referred to and resolved by arbitration in accordance with Paragraph 7.5 or be subject to the exclusive jurisdiction of the courts of England and Wales. The Supplier shall not commence any court proceedings or arbitration until the expiry of such 15 Working Day period.
- 7.3 If the Authority serves a Counter Notice, then:
 - (a) if the Counter Notice requires the Dispute to be referred to arbitration, the provisions of Paragraph 7.5 shall apply; or
 - (b) if the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts of England and Wales, the Dispute shall be so referred to those courts and the Supplier shall not commence arbitration proceedings.
- 7.4 If the Authority does not serve a Counter Notice within the 15 Working Day period referred to in Paragraph 7.2, the Supplier may either commence arbitration proceedings in accordance with Paragraph 7.5 or commence court proceedings in the Courts of England and Wales which shall (in those circumstances) have exclusive jurisdiction.
- 7.5 The Parties hereby confirm that if any arbitration proceedings are commenced pursuant to Paragraphs 7.1 to 7.4:
 - (a) the Dispute shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration ("**LCIA**") (subject to Paragraphs 7.5(e), (f) and (g));
 - (b) the arbitration shall be administered by the LCIA;

Official - Sensitive

- (c) the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Agreement and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
- (d) if the Parties fail to agree the appointment of the arbitrator within 10 Working Days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
- (e) the chair of the arbitral tribunal shall be British;
- (f) the arbitration proceedings shall take place in London and in the English language; and
- (g) the seat of the arbitration shall be London.

8 URGENT RELIEF

8.1 Either Party may at any time take proceedings or seek remedies before any court or tribunal of competent jurisdiction:

- (a) for interim or interlocutory remedies in relation to this Agreement or infringement by the other Party of that Party's Intellectual Property Rights; and/or
- (b) where compliance with Paragraph 2.1 and/or referring the Dispute to mediation may leave insufficient time for that Party to commence proceedings before the expiry of the limitation period.

9 MULTI-PARTY DISPUTES

9.1 All Multi-Party Disputes shall be resolved in accordance with the procedure set out in this Paragraph 9 (the "**Multi-Party Dispute Resolution Procedure**").

9.2 If at any time following the issue of a Dispute Notice, the Authority reasonably considers that the matters giving rise to the Dispute involve one or more Related Third Parties, then the Authority shall be entitled to determine that the Dispute is a Multi-Party Dispute and to serve a notice on the Supplier which sets out the Authority's determination that the Dispute is a Multi-Party Dispute and specifies the Related Third Parties which are to be involved in the Multi-Party Dispute Resolution Procedure, such notice a "**Multi-Party Procedure Initiation Notice**".

9.3 If following the issue of a Dispute Notice but before the Dispute has been referred to Expert Determination or to arbitration in accordance with Paragraph 7, the Supplier has reasonable grounds to believe that the matters giving rise to the Dispute have been contributed to by one or more Related Third Parties, the Supplier may serve a Supplier Request on the Authority.

Official - Sensitive

- 9.4 The Authority shall (acting reasonably) consider each Supplier Request and shall determine within 5 Working Days whether the Dispute is:
- (a) a Multi-Party Dispute, in which case the Authority shall serve a Multi-Party Procedure Initiation Notice on the Supplier; or
 - (b) not a Multi-Party Dispute, in which case the Authority shall serve written notice of such determination upon the Supplier and the Dispute shall be treated in accordance with Paragraphs 3 to 8.
- 9.5 If the Authority has determined, following a Supplier Request, that a Dispute is not a Multi-Party Dispute, the Supplier may not serve another Supplier Request with reference to the same Dispute.
- 9.6 Following service of a Multi-Party Procedure Initiation Notice a Multi-Party Dispute shall be dealt with by a board (in relation to such Multi-Party Dispute, the “**Multi-Party Dispute Resolution Board**”) comprising representatives from the following parties to the Multi-Party Dispute, each of whom shall be of a suitable level of seniority to finalise any agreement with the other parties to settle the Multi-Party Dispute:
- (a) the Authority;
 - (b) the Supplier;
 - (c) each Related Third Party involved in the Multi-Party Dispute; and
 - (d) any other representatives of any of the Parties and/or any Related Third Parties whom the Authority considers necessary,

- 9.7 The Parties agree that the Multi-Party Dispute Resolution Board shall seek to resolve the relevant Multi-Party Dispute in accordance with the following principles and procedures:
- (a) the Parties shall procure that their Multi-Party Dispute Representatives attend, and shall use their best endeavours to procure that the Multi-Party Dispute Representatives of each Related Third Party attend, all meetings of the Multi-Party Dispute Resolution Board in respect of the Multi-Party Dispute;
 - (b) the Multi-Party Dispute Resolution Board shall first meet within 10 Working Days of service of the relevant Multi-Party Procedure Initiation Notice at such time and place as the Parties may agree or, if the Parties do not reach agreement on the time and place within 5 Working Days of service of the relevant Multi-Party Procedure Initiation Notice, at the time and place specified by the Authority, provided such place is at a neutral location within England and that the meeting is to take place between 9.00am and 5.00pm on a Working Day; and

- (c) in seeking to resolve or settle any Multi-Party Dispute, the members of the Multi-Party Dispute Resolution Board shall have regard to the principle that a Multi-Party Dispute should be determined based on the contractual rights and obligations between the Parties and the Related Third Parties and that any apportionment of costs should reflect the separate components of the Multi-Party Dispute.

9.8 If a Multi-Party Dispute is not resolved between the Parties and all Related Third Parties within 25 Working Days of the issue of the Multi-Party Procedure Initiation Notice (or such longer period as the Parties may agree in writing), then:

- (a) either Party may serve a Mediation Notice in respect of the Multi-Party Dispute in which case Paragraph 5 shall apply;
- (b) either Party may request that the Multi-Party Dispute is referred to an expert in which case Paragraph 6 shall apply; and/or
- (c) subject to Paragraph 9.9, Paragraph 7 shall apply to the Multi-Party Dispute,

and in each case references to the “Supplier” or the “Parties” in such provisions shall include a reference to all Related Third Parties.

9.9 If a Multi-Party Dispute is referred to arbitration in accordance with Paragraph 7 or a Dispute becomes a Multi-Party Dispute during the course of arbitration proceedings and either Party is unable to compel a Related Third Party to submit to such arbitration proceedings, the Authority or the Supplier may discontinue such arbitration proceedings and instead initiate court proceedings. The costs of any such discontinued arbitration proceedings shall be borne by the Party which is in a direct contractual relationship with the Related Third Party or, where the Related Third Party is a Sub Contractor, by the Supplier.

- (a) supply to the Authority details of its (or its Sub-contractor's) Broadly Comparable pension scheme and provide a full copy of the valid certificate of broad comparability (which remains valid as at the Relevant Transfer Date) covering all relevant Fair Deal Employees, as soon as it is able to do so before the Relevant Transfer Date (where possible) and in any event no later than seven (7) days after receipt of the certificate;

- (c) instruct any such Broadly Comparable pension scheme's Actuary to provide all such co-operation and assistance in agreeing bulk transfer process with the Actuary to the Former Supplier's Broadly Comparable pension scheme or the Actuary to the relevant Statutory Scheme (as appropriate) and to provide all such co-operation and assistance with any other Actuary appointed by the Authority (where applicable). This will be with a view to the bulk transfer terms providing day for day and/or pound for pound (as applicable) (or actuarially equivalent where there are benefit differences between the two schemes) credits in the Broadly Comparable pension scheme in respect of any Fair Deal Eligible Employee who consents to such a transfer; and
- (d) provide a replacement Broadly Comparable pension scheme in accordance with this paragraph 10 with immediate effect for those Fair Deal Eligible Employees who are still employed by the Supplier and/or relevant Sub-contractor and are still eligible for New Fair Deal protection in the event that the Supplier and/or Sub-contractor's Broadly Comparable pension scheme is closed to future accrual and/or terminated. The bulk transfer terms provided shall be on a past service reserve basis which should be calculated allowing for projected final salary at the assumed date of retirement, leaving service or death (in the case of final salary benefits). The actuarial basis for this past service reserve basis should be aligned to the funding requirements of the Broadly Comparable pension scheme in place at the time the bulk transfer terms are offered. The bulk transfer terms shall be subject to an underpin in relation to any service credits awarded in the Broadly Comparable pension scheme in accordance with paragraph 10.3(c) such that the element of the past service reserve amount which relates to such service credits shall be no lower than that required by the bulk transfer terms that were agreed in accordance with paragraph 10.3(c) but using the last day of the Fair Deal Eligible Employees' employment with the Supplier or Sub-contractor (as appropriate) as the date used to determine the actuarial assumptions; and
 - (b) if the transfer payment paid by the trustees of the Broadly Comparable pension scheme is less (in the opinion of the Actuary to the Replacement Supplier's Broadly Comparable pension scheme (or to the relevant Statutory Scheme if applicable)) than the transfer payment which would have been paid had paragraph 10.4(a) been complied with, the Supplier shall (or shall procure that the Sub-contractor shall) pay the amount of the difference to the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable) or as the Authority shall otherwise direct. The Supplier shall indemnify the Authority or the Replacement Supplier's Broadly Comparable pension scheme (or the relevant Statutory Scheme if applicable) (as the Authority directs) for any failure to pay the difference as required under this paragraph.

- 11.1 If the terms of any of paragraphs 2.2 of Annex A1: CSPS, 5.2 of Annex A2: NHSPS and/or 3.2 of Annex A3: LGPS apply, the Supplier must (and must, where relevant, procure that each of its Sub-contractors will) ensure that, with effect from the cessation of participation in the Statutory Scheme, until the day before the Service Transfer Date, the relevant Fair Deal Eligible Employees will be eligible for membership of a pension scheme under which the benefits are Broadly Comparable to those provided under the relevant Statutory Scheme at the date of cessation of participation in the relevant Statutory Scheme, and then on such terms as may be decided by the Authority.

 - (c) where required to do so by the Authority, instruct any such Broadly Comparable pension scheme's Actuary to provide all such co-operation and assistance in agreeing a bulk transfer process with the Actuary to the relevant Statutory Scheme and to provide all such co-operation and assistance with any other Actuary appointed by the Authority (where applicable). The Supplier must ensure that day for day and/or pound for pound (as applicable) (or actuarially equivalent where there are benefit differences between the two schemes) credits in the Broadly Comparable pension scheme are provided in respect of any Fair Deal Employee who consents to such a transfer from the Statutory Scheme and the Supplier shall be fully responsible for any costs of providing those credits in excess of the bulk transfer payment received by the Broadly Comparable pension scheme; and
 - (d) provide a replacement Broadly Comparable pension scheme in accordance with this paragraph 11 with immediate effect for those Fair Deal Eligible Employees who are still employed by the Supplier and/or relevant Sub-contractor and are still eligible for New Fair Deal protection in the event that the Supplier and/or Sub-contractor's Broadly Comparable pension scheme is closed to future accrual and/or terminated. The bulk transfer terms provided shall be sufficient to secure day for day and/or pound for pound credits (as applicable) (or actuarially equivalent where there are benefit differences between the two schemes) in the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable). For the avoidance of doubt, should the amount offered by the Broadly Comparable pension scheme be less than the amount required by the Replacement Supplier's Broadly Comparable pension scheme (or the relevant Statutory Scheme if applicable) to fund the required credits ("**the Shortfall**"), the Supplier or the Sub-contractor (as agreed between them) must pay the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable) the Shortfall as required, provided that in the absence of any agreement between the Supplier and any Sub-contractor, the Shortfall shall be paid by the Supplier. The Supplier shall indemnify the Authority or the Replacement Supplier's Broadly Comparable pension scheme (or the relevant Statutory Scheme if applicable) (as the Authority directs) for any failure to pay the Shortfall under this paragraph.
