Part Number	Description	Qty	Each	Total
SCEPTRE-OTRN3	Three-day onsite SCEPTRE training, OCONUS for up to six students.	[REDACTED]	[REDACTED]	[REDACTED]
SCEPTRE-10G-MNT1	SCEPTRE-10G Annual software support and maintenance	[REDACTED]	[REDACTED]	[REDACTED]

This quote includes one year of free updates, including bug fixes and new features. Ongoing annual maintenance may be purchased at [REDACTED] of the original license fee per year. 3dB is constantly adding features and improving the SCEPTRE software based on feedback from our customers.

MONARCH products include a one-year warranty and are TAA compliant, with the USA as the country of origin. We anticipate shipping your order within 24 Weeks ARO. However, due to the supply chain challenges, the schedule could change beyond our control; if that happens, we will provide an update. Tracking information will be provided once your order ships. We may be able to ship sooner than

the date above, and unless you advise otherwise, we will do so and trust that you will accept early delivery. Please advise if that is not the case.

This quote does not include VAT costs. The purchaser is responsible for any VAT costs. Training

Note: [REDACTED] per day per student after six students.

3dB accepts credit cards, which incur a [REDACTED] fee.

Please address questions concerning this quote or any other contract-related issues to [REDACTED]
