Attachment 3 – Specification

Annex D: Cyber Essentials Plus

Department for Transport

Further Competition under Lot 1c of Facilities Management & Workplace Services RM6232

1. Purpose

- 1.1. The purpose of this Annex is to detail the *Client's* requirement for Cyber Essentials Plus certification in relation to this Call-Off Contract.

2. Requirement

- 2.1. The Supplier must submit to the *Client*, prior to the Start Date of the Call-Off Contract, 01/02/2025, (or as otherwise agreed between the *Client* and Supplier during the Mobilisation Period), a current and valid Cyber Essentials Plus certificate that has been awarded by one of the Government approved Cyber Essentials accreditation bodies.
- 2.2. The scope of Services delivered by the Supplier under the Call-Off Contract must be incorporated into the scope of the Cyber Essentials Plus certification provided by the Supplier at Framework Agreement level (RM6232) and this certification must be provided to the *Client* as per the timescales outlined at paragraph 2.1.
