How would you rate the quality of the children's play area?

Very Poor Excellent

How do you think the children's play area could be improved?

Recently alot of equipment has either been roped off or removed. Area needs more equipment to cater for a variety of ages. Needs to be robust, colourful, exciting, adventurous - something with a bit of a challenge but not too much for the younger age range. Possible sectioned off play area for 0-5 so more enclosed so they don't run off.

We appreciate the Tea Room as a place to relax and recuperate! - Should be included as a facility of the park on all advertising

If we are successful in this stage of the competition we will hold consultation events to help us get through to the second stage. If you would like to be involved please let us have your email address.
