	st first save the Notice, then complete the Section details and save the Section	
II.1) Scope of the procurement		
II.1.1) Title:	Government Print Project (GovPrint Project)	
Reference number:		
II.1.2) Main CPV code:	3010000	
II.1.3) Type of contract:	Services	
II.1.4) Short description:	Crown Commercial Service (CCS) and Government Digital Service (GDS) are making an approach to the market in order to discuss and identify potential software solutions to deliver a cloud based managed print solution supporting a Software as a Service (SaaS) delivery model to Central Government. The requirement is for a software solution only supporting a SaaS delivery model; it does not include the provision of hardware and will not impact any live CCS commercial agreement.	
II.1.5) Estimated total value		
Value excluding VAT: (for framework agreements or dynamic purchasing systems – estimated total maximum v for the entire duration of the framewo agreement or dynamic purchasing system):		
Currency:		
II.1.6) Information about lots:		
This contract is divided into lots:	no	
Maximum number of lots that may be awarded to one tenderer:		
The contracting authority reserves the right to award contracts combining th following lots or groups of lots:	e	
II.2) Description		
II.2) Description		
II.2.2) Additional CPV code(s):	30121000, 30121100, 30121200, 30121300, 30123000, 48000000, 48773100, 48800000, 72212772, 72220000, 72222100, 72222200, 72222300, 72223000	
II.2.3) Place of performance		
NUTS code: Main site or place of performance:	UK	
(nature and quantity of works, supplie services or indication of needs and requirements):	 es or distributed fleet of printers and multi-functional devices) cloud printing across a range of central government departments and public bodies. This research has identified a number of common requirements across multiple organisations. Government departments want to: Move to a consumption-based model for managed print services Adopt a cloud first approach to delivering managed print services Provide managed print services across multiple locations including shared office locations or locations managed by other departments Provide managed print services to mobile workers and staff that work in multiple locations including shared office locations Provide a secure managed print service 	
II.2.14) Additional information:	In addition to the above requirements there are an increasing number of buildings that host multiple government organisations and it is UK Government policy to implement more printing in shared locations. How to access further details of the project, research completed and how to register to participate in market engagement/RFI can be found in section VI.3 Additional Information	
II.3) Estimated date of publication of contract notice: (dd/mm/yyyy)	08/04/2019
