

STATEMENT OF TECHNICAL REQUIREMENT

DIRECTIONS FOR COMPLETION

1. The Statement of Technical Requirement must be completed prior to contract award.
2. It is derived from the Bill of Materials and represents the Contracted Level of Configuration Management and Level of Performance (LoP) that the delivered items detailed in Schedule 2 – Schedule of Requirements to the contract must adhere to.
3. The Bill of Materials for each item detailed below are attached as separate appendices to this document.
4. The Authority shall evaluate the products delivered under the contract against the Contracted LoP at System Acceptance.
5. The following table provides the required LOP for each item of the Schedule of Requirements.

Schedule 2 – SOR Item Number	BoM / Manufacturer Part Number	Manufacturer Product Code	Description
25		TFTLR-SOR-25	Hand Held Sensor
26		TFTLR-SOR-26	Main Mast
27		TFTLR-SOR-27	Pan and Tilt System
28		TFTLR-SOR-28	Software Licences
29		TFTLR-SOR-29	End User Device and Cable
30		TFTLR-SOR-30	VEHICLE MOUNTING FRAME
32		TFTLR-SOR-32	HAND PUMP
33		TFTLR-SOR-33	POWER AND AIR CABLES
34		TFTLR-SOR-34	LIGHT ROLE TRIPOD
35		TFTLR-SOR-35	PELI CASES
