1. Introduction

1.1 This document allows us to evaluate the quality of your Service proposal for Finance, Benefits and Debt In-Custody & Community Services for the PCC Region selected in the question before the Mandatory Declarations.

1.2 The document is split into three (3) sections

1.2.1 Region of this response

1.2.1.1 Please submit one copy of this template per lot you are bidding, this template is applicable to the following Lots:

Lot 1 – Finance, Benefits and Debt In-Custody & Community Services South West – Avon and Somerset

Lot 2 – Finance, Benefits and Debt In-Custody & Community Services South West – Devon and Cornwall

Lot 3 – Finance, Benefits and Debt In-Custody & Community Services South West – Dorset

Lot 4 – Finance, Benefits and Debt In-Custody & Community Services South West – Gloucestershire

Lot 5 – Finance, Benefits and Debt In-Custody & Community Services South West – Wiltshire

1.2.2 Mandatory Declarations

1.2.2.1 Please populate the checkbox table selecting 'Yes/No' from the drop down in the end column, and entering any additional information in the bottom row;

1.2.2.2 If you state "No", you must provide an explanation, detailing which areas of the specification you cannot comply with, and how you propose to mitigate these failings to ensure there will be no gaps in service delivery. The Authority shall assess the mitigation provided and may, at its discretion, request additional information in relation to the submission where this requirement has not been substantially met and;

1.2.2.3 reserves the right to disqualify the Bidder from the Call-Off Competition, in accordance with 1.2.2.2.

1.2.3 Technical Criteria

1.2.3.1 Please provide a written response in the section marked 'Response' on each table.

1.3 Bidders should complete all sections within this document if they wish to bid for Finance, Benefits and Debt South West for any of the Lots.

1.4 The Methodology given within table 1 below will be used for the evaluation of the quality criteria unless otherwise specified within the response requirement.

1.5 Bidders should fully explain their answers and provide evidence backed up with examples to the question specifics. Bidders should aim to give the evaluator confidence that they can deliver the proposed service with features and benefits to MoJ. Unsubstantiated claims will not be given higher marks. Under no circumstances include any marketing information, materials and/or handbooks within your bid unless specifically requested to do so within the Limitation boxes.

1.6 Bidders should always provide their best possible proposal and answers for each individual question.

- 1.7 The Bidders Responses to each of the Award Criteria questions will be scored and weighted as shown in each individual question. These scores will determine the most economically advantageous Tender.
- 1.8 A statement that a particular requirement will be met is not in itself sufficient. Such Responses, or Responses that are ambiguous, may be taken as failing to meet the Requirement. Detailed information regarding how, when and to what extent a Requirement can be met must be provided where appropriate. Furthermore, if any requirement or part of a requirement cannot be met, this must be stated explicitly along with the reason why.
- 1.9 Bidders should be mindful that each criteria question may be evaluated in isolation. Where a bidder has already provided information that addresses a specific requirement in another question, this information should be re-stated, not simply referenced. Please note that any Response simply making reference to handbooks, marketing material or accreditations and not describing how this will be applied to the Requirement will not be accepted.
- 1.10 Please provide Responses clearly and concisely in a question answer format.
- 1.11 Word Count – All word counts stated for each specific question must be adhered to, if a response exceeds the relevant side limit, or the Authority determines a Supplier has included additional text it will not be considered by the Authority and will not be taken into account for the purposes of evaluation or moderation.
- 1.12 The technical evaluation will be split into a Mandatory Declaration checklist, and 8 Technical Criteria sections which have been weighted accordingly;
- 1.13 The Weightings of these sections will total 100% the weighting of each question is detailed below in the relevant section of the criteria, the response to each question will be evaluated and scored based on either;
- (a) a pass/fail basis
 - (b) a weighted score with a minimum quality threshold; or
- 1.14 The Questions listed below will be evaluated against the criteria and scoring matrix detailed.
- 1.15 Technical Questionnaire responses should be uploaded as a word document to the appropriate question on the eSourcing portal. PDF documents will not be accepted unless explicitly stated as otherwise in the limitations.

2. Scoring Methodology

2.1 The methodology given in the table below will be used for the evaluation of the award criteria unless otherwise specified within the Response requirement.

QUALITY THRESHOLD SCORE (%)	ASSESSMENT	INTERPRETATION
100	Exceptional	The Supplier's response: (a) meets all of the minimum stated criteria in an exceptional manner with a robust proposal that provides full confidence of an overall extremely effective solution , including the relevant ability, understanding, expertise, skills and/or resources OR (b) meets all of the minimum stated criteria in an acceptable manner with a proposal that provides full confidence effective solution, including the relevant ability, understanding, expertise, skills and/or resources, AND provides evidence of factor(s) that will add exceptional value beyond what is described in the criteria.

5. Technical Criteria Questions

The tables below set out the Criteria Questions, weightings and any guidance or limitations relating to the provision of the Finance, Benefits and Debt In-Custody & Community Services.

Please provide your responses to each requirement in the 'Response' box and upload the completed document to ITT_6755 question 1.2.1 in the technical envelope on the Jaggaer esourcing portal.

In responding to the Technical Criteria Questions, Bidders are required to provide detail on all the following areas (these are the Authority's "minimum requirements").

Bidders should have regard to the appropriate scoring Matrix and the Specification (Schedule 2.1 of the Draft Call-Off Contract) and the wider Draft Call-Off Contract Documentation where appropriate when responding to the question (and should note that since the requirements listed are expected to be covered as a minimum, it may be appropriate for Bidders to include additional information as part of the response to the question in order to achieve a higher score).
