21.18.1 withdrawn, invalidated, overruled or otherwise ceases to have effect, or

21.18.2 amended in such a way as to affect the transfers of Personal Data outside of the EU which are contemplated under this Contract,

21.19 The Parties agree:

21.19.1 that without any further action being required they will enter into the Standard Contractual Clauses in the European Commission's decision 2021/914/EU in respect of data transfers by the Supplier outside of the EU to the UK;

21.20 In the event that the European Commission updates, amends, substitutes, adopts or publishes new Standard Contractual Clauses from time to time, the Parties agree:

21.20.1 that the most up to date Standard Contractual Clauses from time to time shall be automatically incorporated in place of those in use at the time of such update, amendment, substitution, adoption or publication and that such incorporation is not a Change;

21.20.2 that where no other appropriate safeguard or exemption applies, that the Personal Data subject to this Contract (and to which Chapter V of the EU GDPR applies) will be transferred in accordance with the relevant form of the most up to date Standard Contractual Clauses as of the date the European Commission decision regarding such new Standard Contractual Clauses becomes effective;

21.20.3 to use best endeavours to complete any part of the most up to date Standard Contractual Clauses that a Party must complete promptly and at their own cost for the purpose of giving full effect to them; and

21.20.4 that if there is any conflict between this Contract and the most up to date Standard Contractual Clauses the terms of the most up to date Standard Contractual Clauses shall apply.

23.8 Notwithstanding clause 23.7 but subject to clause 23.4, the Supplier acknowledges that the Authority may, amongst other things, recover from the Supplier the following Losses incurred by the Authority to the extent that they arise as a result of a Default by the Supplier:

23.8.1 any additional operational and/or administrative costs and expenses incurred by the Authority, including costs relating to time spent by or on behalf of the Authority in dealing with the consequences of the Default;

23.8.2 any wasted expenditure or charges;

23.8.3 the additional cost of procuring Replacement Services for the remainder of the Term and/or replacement Deliverables, which shall include any incremental costs associated with such Replacement Services and/or replacement Deliverables above those which would have been payable under this Contract;

24 Insurance

24.1 The Supplier shall comply with the provisions of Schedule 6 (Insurance Requirements) in relation to obtaining and maintaining insurance.

Section H: Remedies and Relief

25 Rectification Plan Process

25.1 In the event that:

25.1.1 there is, or is reasonably likely to be, a Delay; and/or

25.1.2 in any Service Period there has been:

(a) a Material KPI Failure; and/or

(b) a Notifiable KPI Failure; and/or

(c) a Material SPI Failure; and/or

(d) a Notifiable SPI Failure; and/or;

25.1.3 the Supplier commits a material Default that is capable of remedy,

(each a **Notifiable Default**), the Supplier shall notify the Authority of the Notifiable Default as soon as practicable but in any event within three (3) Working Days of becoming aware of the Notifiable Default, detailing the actual or anticipated effect of the Notifiable Default and, unless the Notifiable Default also constitutes a Rectification Plan Failure or other Supplier Termination Event, the Authority may not terminate this Contract in whole or in part on the grounds of the Notifiable Default without first following the Rectification Plan Process.

Notification

25.2 If:

25.2.1 the Supplier notifies the Authority pursuant to clause 25.1 that a Notifiable Default has occurred; or

25.2.2 the Authority notifies the Supplier that it considers that a Notifiable Default has occurred (setting out sufficient detail so that it is reasonably clear what the Supplier has to rectify),

then, unless the Notifiable Default also constitutes a Supplier Termination Event and the Authority serves a Termination Notice, the Supplier shall comply with the Rectification Plan Process.

25.3 The Rectification Plan Process shall be as set out in clauses 25.4 (Submission of the draft Rectification Plan) to 25.9 (Agreement of the Rectification Plan).

Submission of the draft Rectification Plan

25.4 The Supplier shall submit a draft Rectification Plan to the Authority for it to review as soon as possible and in any event within ten Working Days (or such other period as may be agreed between the Parties) after the original notification pursuant to clause 25.2 (Notification). The Supplier shall submit a draft Rectification Plan even if the Supplier disputes that it is responsible for the Notifiable Default.

25.5 The draft Rectification Plan shall set out:

25.5.1 full details of the Notifiable Default that has occurred, including a root cause analysis;

25.5.2 the actual or anticipated effect of the Notifiable Default; and

25.5.3 the steps which the Supplier proposes to take to rectify the Notifiable Default (if applicable) and to prevent such Notifiable Default from recurring, including timescales for such steps and for the rectification of the Notifiable Default (where applicable).

25.6 The Supplier shall promptly provide to the Authority any further documentation that the Authority reasonably requires to assess the Supplier's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with paragraph 6 of Schedule 23 (Dispute Resolution Procedure).

Agreement of the Rectification Plan

25.7 The Authority may reject the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:

25.7.1 is insufficiently detailed to be capable of proper evaluation;

25.7.2 will take too long to complete;

25.7.3 will not prevent reoccurrence of the Notifiable Default; and/or

25.7.4 will rectify the Notifiable Default but in a manner which is unacceptable to the Authority.

25.8 The Authority shall notify the Supplier whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Authority rejects the draft Rectification Plan, the Authority shall give reasons for its decision and the Supplier shall take the reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit the revised draft of the Rectification Plan to the Authority for review within five (5) Working Days (or such other period as agreed between the Parties) of the Authority's notice rejecting the first draft.

25.9 If the Authority consents to the Rectification Plan:

25.9.1 the Supplier shall immediately start work on the actions set out in the Rectification Plan; and

25.9.2 the Authority may no longer terminate this Contract in whole or in part on the grounds of the relevant Notifiable Default;

save in the event of a Rectification Plan Failure or other Supplier Termination Event.

26 Delay to ATP

26.1 If the ATP is not Achieved by the relevant Milestone Date(s) due to the acts or omissions of the Supplier then (subject to the provisions of clause 6.7):

26.1.1 if so requested by the Authority, the Supplier shall pay to the Authority, as liquidated damages:

(a) £22,504 in respect of each full Month; and

(b) £5,193 in respect of each week not included in clause 26.1.1(a),

26.1.2 in which the ATP is not Achieved. The Parties confirm that the aforementioned liquidated damages are reasonable and proportionate to protect the Authority's interest in the Supplier's performance of the Contract; and

26.1.3 the Authority may terminate this Contract with immediate effect by giving written notice to the Supplier.

26.2 The Supplier indemnifies the Authority for any loss suffered or incurred by the Authority or a Commissioning Body as a result of the Supplier failing to meet its obligations under the Collaboration Agreement which results in another Language Provider suffering a delay to the targeted date for the provision of operational services in that Language Provider's contract with the Authority.

27 Remedial Adviser

27.1 If:

27.1.1 any of the Intervention Trigger Events occur; or

27.1.2 the Authority reasonably believes that any of the Intervention Trigger Events are likely to occur,

(each an Intervention Cause), the Authority may give notice to the Supplier (an Intervention Notice) giving reasonable details of the Intervention Cause and requiring:

27.1.3 a meeting between the Authority Representative and the Supplier Representative to discuss the Intervention Cause; and/or

27.1.4 the appointment as soon as practicable by the Supplier of a Remedial Adviser, as further described in this clause 27.

For the avoidance of doubt, if the Intervention Cause is also a Supplier Termination Event, the Authority has no obligation to exercise its rights under this clause 27.1 prior to or instead of exercising its right to terminate this Contract.

27.2 If the Authority gives notice that it requires the appointment of a Remedial Adviser:

27.2.1 the Remedial Adviser shall be:

(a) a person selected by the Supplier and approved by the Authority; or

(b) if none of the persons selected by the Supplier have been approved by the Authority (or no person has been selected by the Supplier) within ten Working Days following the date on which the Intervention Notice is given, a person identified by the Authority;

27.2.2 the terms of engagement and start date agreed with the Remedial Adviser must be approved by the Authority; and

27.2.3 any right of the Authority to terminate this Contract pursuant to clause 30.1.2 (Termination by the Authority) for the occurrence of that Intervention Cause shall be suspended for 60 Working Days from (and including) the date of the Intervention Notice (or such other period as may be agreed between the Parties)(the Intervention Period).

27.3 The Remedial Adviser's overall objective shall be to mitigate the effects of, and (to the extent capable of being remedied) to remedy, the Intervention Cause and to avoid the occurrence of similar circumstances in the future. In furtherance of this objective (but without diminishing the Supplier's responsibilities under this Contract), the Parties agree that the Remedial Adviser may undertake any one or more of the following actions:

27.3.1 observe the conduct of and work alongside the Supplier Personnel or any Assessor to the extent that the Remedial Adviser considers reasonable and proportionate having regard to the Intervention Cause;

27.3.2 gather any information the Remedial Adviser considers relevant in the furtherance of its objective;

27.3.3 write reports and provide information to the Authority in connection with the steps being taken by the Supplier to remedy the Intervention Cause;

27.3.4 make recommendations to the Authority and/or the Supplier as to how the Intervention Cause might be mitigated or avoided in the future; and/or

27.3.5 take any other steps that the Authority and/or the Remedial Adviser reasonably considers necessary or expedient in order to mitigate or rectify the Intervention Cause.

27.4 The Supplier shall:

27.4.1 work alongside, provide information to, co-operate in good faith with and adopt any reasonable methodology in providing the Services recommended by the Remedial Adviser;

27.4.2 ensure that the Remedial Adviser has all the access it may require in order to carry out its objective, including access to the Assets;

27.4.3 submit to such monitoring as the Authority and/or the Remedial Adviser considers reasonable and proportionate in respect of the Intervention Cause;

27.4.4 implement any reasonable recommendations made by the Remedial Adviser that have been approved by the Authority within the timescales given by the Remedial Adviser; and

27.4.5 not terminate the appointment of the Remedial Adviser prior to the end of the Intervention Period without the prior consent of the Authority (such consent not to be unreasonably withheld).

27.5 The Supplier shall be responsible for:

27.5.1 the costs of appointing, and the fees charged by, the Remedial Adviser; and

27.5.2 its own costs in connection with any action required by the Authority and/or the Remedial Adviser pursuant to this clause 27.

27.6 If:

27.6.1 the Supplier:

(a) fails to perform any of the steps required by the Authority in an Intervention Notice; and/or

(b) is in Default of any of its obligations under clause 27.4; and/or

27.6.2 the relevant Intervention Trigger Event is not rectified by the end of the Intervention Period,

(each a Remedial Adviser Failure), the Authority shall be entitled to terminate this Contract pursuant to clause 30.1.2 (Termination by the Authority).

28 Authority Cause

28.1 Notwithstanding any other provision of this Contract, if the Supplier has failed to:

28.1.1 Achieve a Milestone by its Milestone Date;

28.1.2 provide the Operational Services in accordance with the Target Performance Levels; and/or

28.1.3 comply with its obligations under this Contract,

(each a Supplier Non-Performance),

and can demonstrate that the Supplier Non-Performance would not have occurred but for an Authority Cause, then (subject to the Supplier fulfilling its obligations in this clause 28):

(a) the Supplier shall not be treated as being in breach of this Contract to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Authority Cause;

(b) the Authority shall not be entitled to exercise any rights that may arise as a result of that Supplier Non-Performance:

(i) to terminate this Contract pursuant to clause 30.1.2 (Termination by the Authority); or

(ii) to take action pursuant to clauses 27 (Remedial Adviser);

(c) where the Supplier Non-Performance constitutes the failure to Achieve a Milestone by its Milestone Date:

(i) the Milestone Date shall be postponed by a period equal to the period of Delay that the Supplier can demonstrate was caused by the Authority Cause;

(ii) if the Authority, acting reasonably, considers it appropriate, the Implementation Plan shall be amended to reflect any consequential revisions required to subsequent Milestone Dates resulting from the Authority Cause;

(iii) if the Milestone prevents or delays ATP, the Supplier shall have no liability under clause 26 to the extent that the Supplier can demonstrate that such failure was caused by an Authority Cause; and

(d) where the Supplier Non-Performance constitutes a Performance Failure:

(i) the Supplier shall not be liable to accrue Service Credits;

(iv) the Supplier shall be entitled to invoice for the Service Charges for the relevant Operational Services affected by the Authority Cause,

in each case, to the extent that the Supplier can demonstrate that the Performance Failure was caused by the Authority Cause.

28.2 In order to claim any of the rights and/or relief referred to in clause 28.1, the Supplier shall as soon as reasonably practicable (and in any event within ten Working Days) after becoming aware that an Authority Cause has caused, or is reasonably likely to cause, a Supplier Non-Performance, give the Authority notice (a Relief Notice) setting out details of:

28.2.1 the Supplier Non-Performance;

28.2.2 the Authority Cause and its effect, or likely effect, on the Supplier's ability to meet its obligations under this Contract;

28.2.3 any steps which the Authority can take to eliminate or mitigate the consequences and impact of such Authority Cause; and

28.2.4 the relief and/or compensation claimed by the Supplier.

28.3 Following the receipt of a Relief Notice, the Authority shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Authority Cause and whether it agrees with the Supplier's assessment set out in the Relief Notice as to the effect of the relevant Authority Cause and its entitlement to relief and/or compensation, consulting with the Supplier where necessary.

28.4 The Supplier shall use all reasonable endeavours to eliminate or mitigate the consequences and impact of an Authority Cause, including any Losses that the Supplier may incur and the duration and consequences of any Delay or anticipated Delay.

28.5 Without prejudice to clause 5.20 (Continuing obligation to provide the Services), if a Dispute arises as to:

28.5.1 whether a Supplier Non-Performance would not have occurred but for an Authority Cause; and/or

28.5.2 the nature and/or extent of the relief and/or compensation claimed by the Supplier,

either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.

28.6 Any Change that is required to the Implementation Plan or to the Charges pursuant to this clause 28 shall be implemented in accordance with the Change Control Procedure.

29 Force Majeure

29.1 Subject to the remaining provisions of this clause 29 (and, in relation to the Supplier, subject to its compliance with its obligations in Schedule 26 (Service Continuity Plan), a Party may claim relief under this clause 29 from liability for failure to meet its obligations under this Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Contract which results from a failure or delay by an agent, Sub-

contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.

29.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.

29.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under this clause 29 to the extent that consequences of the relevant Force Majeure Event:

29.3.1 are capable of being mitigated, but the Supplier has failed to do so;

29.3.2 should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Contract; or

29.3.3 are the result of the Supplier's failure to comply with its Service Continuity Plan (except to the extent that such failure is also due to a Force Majeure Event that affects the execution of the Service Continuity Plan).

29.4 Subject to clause 29.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.

29.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

29.6 Where, as a result of a Force Majeure Event:

29.6.1 an Affected Party fails to perform its obligations in accordance with this Contract, then during the continuance of the Force Majeure Event:

(a) the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure other than pursuant to clause 30.1.3 (Termination by the Authority) ; and

(b) neither Party shall be liable for any Default arising as a result of such failure;

29.6.2 the Supplier fails to perform its obligations in accordance with this Contract:

(a) the Authority shall not be entitled:

(i) during the continuance of the Force Majeure Event to exercise its rights under clause 27 (Remedial Adviser) as a result of such failure;

(ii) to receive payments pursuant to clause 26 (Delay to ATP) to the extent that the Achievement of any milestone is affected by the Force Majeure Event; and

(iii) to receive Service Credits, to withhold any of the Service Charges pursuant to clause 7.2.4(b) (Performance Failures) or withhold and retain any of the Service Charges as compensation pursuant to clause 7.4.1 (Unacceptable KPI Failure) to the extent that a Performance Failure has been caused by the Force Majeure Event; and

(b) the Supplier shall be entitled to receive payment of the Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services)

continue to be performed in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.

29.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.

29.8 Relief from liability for the Affected Party under this clause 29 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Contract and shall not be dependent on the serving of notice under clause 29.7.

Authority Code of Conduct and Ethics

Introduction

The code describes the public service standards and ethical values which underpin the work of the Ministry of Justice and reflects current guidance and best practice which all Assessors must follow.

As a publicly funded body, the Ministry of Justice has a duty to set and maintain the highest standards of conduct and integrity and it expects the highest standards of corporate behaviour and responsibility from its employees and people who are contracted to work for it.

The code should be read in conjunction with all relevant Authority policies which are developed and agreed in line with the principles set out in this code.

interpreting experience **or** Experienced legacy MoJ interpreters			translation out of English) • documented work record from previous three years that meets the experience requirement plus two work referees. Uncertified skills to be assessed against the community level standard.
	Interpreters previously listed at Standard level who do not hold the Qualifications above.	200 hours of completed Standard MoJ assignments or equivalent justice-related experience	Requires proof of language level and interpreting skills as for "Experience only" above, plus: • Subject to no outstanding or unresolved performance issues • Observation/assessment to be carried out within 12 months.

- All professional level registrations require proof of competence in the three core skills at RQF Level 6 or equivalent: language skills in 2 languages, interpreting skills and techniques, knowledge of legal contexts and terminology.
- An interpreter not yet meeting Professional level (partially qualified or lacking experience) may be registered at Community level, subject to meeting the criteria, pending acquisition of full qualifications or relevant experience. Progression to Professional level is dependent on acquiring and evidencing all necessary skills.
- Experience requirement may be measured by direct interpreting deployments or through other defined, approved measures (CPD, shadowing, mentoring etc).
- All registrations should include a record on the interpreter's profile of individual skills (consecutive and/or simultaneous interpreting; sight translation into and/or out of English; written translation into and/or out of English) in order for these to be matched against the skills requirement listed in assignment bookings.
- Proof of experience should normally be drawn from work completed in the previous three years. This allows for the impact on deployment levels arising from Covid and is subject to review.
- Whilst a good indicator of professional intent, membership of one of the professional membership or regulatory organisations (CIOL, ITI, APCI or NRPSI) is not sufficient on its own to meet the criteria for MoJ professional level registration. Member qualifications and experience still require checking against the relevant criteria.
- All interpreters, upon registration, are to declare any existing or outstanding disciplinary procedures of which they are the subject and any unresolved Complaints against them.

Appendix H

Authority Safeguarding Guidelines

1 Policy Statement

1.1 The Civil Service is committed to high standards of conduct in every aspect of its work. For civil servants these standards are upheld through the Civil Service Code, and in the Ministry of Justice, through our policies and Values.

1.2 We expect Suppliers to uphold equivalent standards of conduct throughout their organisation and supply chains, including sub-contractors. **Suppliers should have their own Safeguarding policy which must be upheld by their own staff. Suppliers are expected to make sure this aligns with the Authority Safeguarding Guidelines and does not undermine or contradict anything in it**.

1.3 In delivering the services, Suppliers staff (either directly employed or otherwise) may come across something that deviates from these standards: finding fundamental wrongs, illegal activity or activity which endangers others in and beyond the Department. This policy focuses specifically on concerns relating to a child or vulnerable adult being at harm or at risk of harm, detailing the need for employees to speak up.

1.4 Staff may come across information suggesting harm or risk to a child or vulnerable adult through, for example:

1.4.1 Witnessing inappropriate behaviour during the delivery of the service;

1.4.2 Conversations with colleagues, customers, or others;

1.4.3 Reading correspondence related to a service;

1.4.4 Applications for the delivery of a service;

1.4.5 Social media;

1.4.6 Complaints;

1.4.7 Raising a Concern – Whistleblowing disclosures.

1.5 Where the concern is away from work staff may wish to use external sources outlined in paragraph 4 to assist in raising a concern. This policy applies to all employees including officers, consultants, contractors, casual workers, volunteers and agency staff.

2 Definitions

2.1 **Staff** – In the context of this policy **staff** means any employee either directly employed or otherwise, involved in the delivery of the services. For the avoidance of doubt this includes non-operational roles such as administration and includes officers, consultants, contractors, casual workers, volunteers and agency staff.

2.2 **Child** – For the purposes of this policy, a child is someone who has not yet reached their eighteenth birthday. Once they turn 18, they are legally an adult.

2.3 **Vulnerable adult** – For the purposes of this policy, a vulnerable adult is someone aged 18 or over, who may be in need of the departmental services or support as an employee, by reason of mental or other disability, age or illness; and who is or may be unable to take care of themselves, or unable to protect themselves against significant harm or exploitation.

3 Raising a Concern

3.1 If staff have safeguarding concerns, there are a variety of routes they can use to speak up:

3.1.1 **External Agencies** – Where a child or vulnerable adult is at risk they should speak to the local police or local child/adult social care, who will lead on the response to protect the child or vulnerable adult.

3.1.2 Raising with a Manager – This might be the staff members line manager or another manager they feel comfortable talking to. The manager should be able to either help staff identify the most appropriate route for raising the concern or arrange for them to speak to someone who can help.

3.1.3 Raising an Internal Concern – If staff are concerned that they have been asked to do something or are aware of the actions of other members of staff, which they consider to be in breach of the Supplier's policies, fundamentally wrong, illegal or have the potential to endanger others, they should be provided with a mechanism to be able to raise a concern internally without fear of reprisal or breach of confidentiality.

3.1.4 Grievance/Dispute Resolution – If staff have concerns about another staff members treatment at work, these should be raised in accordance with the Suppliers internal HR Policies.

4 Additional Support

4.1 All staff should be made aware of the additional support available:

4.2 In an emergency, call 999:

4.2.1 To report a non-emergency call 101 or contact your local Police Station.

4.2.2 For child social care services, you can find your local contacts here.

4.2.3 For adult social care services, you can find your local contacts here.

4.3 Other Contacts:

Part 1– Performance Indicators and Service Credits

1 Performance Indicators

1.1 Appendix A sets out the Key Performance Indicators and Subsidiary Performance Indicators which the Parties have agreed shall be used to measure the performance of the Services and Social Value by the Supplier.

1.2 The Supplier shall monitor its performance against each Performance Indicator and shall send the Authority a report detailing the level of service actually achieved in accordance with Part 2 to enable the Authority to assess the Supplier's performance against each Key Performance Indicator and Subsidiary Performance Indicator in each Measurement Period.

1.3 Service Points, and therefore Service Credits, shall accrue for any KPI Failure and shall be calculated in accordance with paragraphs 2, 3 and 4.

2 Service Points

2.1 If the level of performance of the Supplier during a Service Period achieves the Target Performance Level in respect of a Key Performance Indicator, no Service Points shall accrue to the Supplier in respect of that Key Performance Indicator.

2.2 If the level of performance of the Supplier during a Service Period is below the Target Performance Level in respect of a Key Performance Indicator, Service Points shall accrue to the Supplier in respect of that Key Performance Indicator as set out in paragraph 2.3.

2.3 The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure shall be the applicable number as set out in Appendix A depending on whether the KPI Failure is a Minor KPI Failure or a Serious KPI Failure or a failure to meet the KPI Service Threshold, unless the KPI Failure is a Repeat KPI Failure when the provisions of paragraph 3.2 shall apply.

3 Repeat KPI Failures and Related KPI Failures

Repeat KPI Failures

3.1 If a KPI Failure occurs in respect of the same Key Performance Indicator in any two consecutive Measurement Periods, the second and any subsequent such KPI Failure shall be a **Repeat KPI Failure**.

3.2 The number of Service Points that shall accrue to the Supplier in respect of a KPI Failure that is a Repeat KPI Failure shall be calculated as follows:

SP = P x 2

where:

SP = the number of Service Points that shall accrue for the Repeat KPI Failure; and

P = the applicable number of Service Points for that KPI Failure as set out in Appendix A depending on whether the Repeat KPI Failure is a Minor KPI Failure, a Serious KPI Failure, or a failure to meet the KPI Service Threshold.

Worked example based on the following Service Points regime for Service Availability:

Service Availability Severity Levels		Service Points
Target Performance Level:	99%	0
Minor KPI Failure:	98.0% – 98.9%	1
Serious KPI Failure:	96.0% – 97.9%	2
KPI Service Threshold:	below 96%	3

Example 1:

If the Supplier achieves Service Availability of 98.5% in a given Measurement Period, it will incur a Minor KPI Failure for Service Availability in that Measurement Period and accordingly accrue 1 Service Point. If, in the next Measurement Period, it achieves Service Availability of 96.5%, it will incur a Serious KPI Failure and accordingly accrue 2 Service Points, but as the failure is a Repeat Failure, this amount is doubled and so the Supplier will incur 4 Service Points for the failure (ie SP = 2 x 2). If in the next Measurement Period it achieves Service Availability of 96.5%, the Supplier will again incur 4 Service Points.

Example 2:

If the Supplier achieves Service Availability of 96.5% in a given Measurement Period, it will incur a Serious KPI Failure for Service Availability in that Measurement Period and accordingly accrue 2 Service Points. If, in the next Measurement Period, it achieves Service Availability of 98.5%, it will incur a Minor KPI Failure and accordingly accrue 1 Service Point, but as the failure is a Repeat Failure, this amount is doubled and so the Supplier will incur 2 Service Points for the failure (ie SP = 1 x 2). If in the next Measurement Period it achieves Service Availability of 96.5%, the Supplier will incur 4 Service Points.

4 Service Credits

4.1 Schedule 15 (Charges and Invoicing) sets out the mechanism by which Service Points shall be converted into Service Credits.

4.2 The Authority shall use the Performance Monitoring Reports provided pursuant to Part 2, among other things, to verify the calculation and accuracy of the Service Credits (if any) applicable to each Service Period.

5 Language Provider Responsibilities Matrix

5.1 Where and to the extent that the Supplier can demonstrate that it has been prevented from achieving a Target Performance Level for a KPI as a direct result of a Language Provider' s failure to deliver its obligations under the Responsibilities Matrix (as the same is defined and set out in the Collaboration Agreement) (an **LP Responsibility Failure**), then, subject the Supplier fulfilling its remaining obligations in this paragraph 5, the Supplier shall not be liable to accrue Service Credits in respect of the affected KPI until such time as the LP Responsibility Failure is remedied.

5.2 In order to claim the relief referred to in paragraph 5.1 above, the Supplier shall:

5.2.1 notify the Authority as soon as reasonably practicable (and in any event within ten Working Days) after becoming aware that an LP Responsibility Failure has arisen or is likely to arise; and

5.2.2 use all reasonable endeavours and work collaboratively with the Language Provider to eliminate or mitigate the effect of the LP Responsibility Failure.

5.3 In the event of any Dispute as to the existence or impact of an LP Responsibility Failure either Party may refer such matter to the Dispute Resolution Procedure.

5.4 For the avoidance of doubt the relief in this paragraph 5 shall be the Supplier' s sole and exclusive remedy for any LP Responsibility Failure and the terms of clause 28 of the Contract shall not apply in respect of any LP Responsibility Failure.

Part 2 – Performance Monitoring

1 Performance Monitoring and Performance Review

1.1 Within ten Working Days of the end of each Service Period, the Supplier shall provide a report to the Authority Representative which summarises the performance by the Supplier against each of the Performance Indicators as more particularly described in paragraph 1.2 (the **Performance Monitoring Report**).

Performance Monitoring Report

1.2 The Performance Monitoring Report shall be in such format as agreed between the Parties from time to time and contain, as a minimum, the following information:

Information in respect of the Service Period just ended

1.2.2 a summary of all Performance Failures that occurred during the Service Period;

1.2.3 the severity level of each KPI Failure which occurred during the Service Period and, where a Measurement Period has ended in the period covered by the Performance Monitoring Report, the most recently ended Measurement Period and whether each KPI Failure which occurred during the Service Period and Measurement Period (if applicable) fell below the KPI Service Threshold;

1.2.4 the severity level of each SPI Failure (such data is provided for information) and whether each SPI Failure which occurred during the Service Period fell below the SPI Service Threshold;

1.2.5 which Performance Failures remain outstanding and progress in resolving them;

1.2.6 for any Material KPI Failures, Notifiable KPI Failures, Material SPI Failures, or Notifiable SPI Failures occurring during the Service Period, the cause of the relevant KPI Failure or SPI Failure and the action being taken to reduce the likelihood of recurrence;

1.2.7 the status of any outstanding Rectification Plan processes, including:

(a) whether or not a Rectification Plan has been agreed; and

(b) where a Rectification Plan has been agreed, a summary of the Supplier' s progress in implementing that Rectification Plan;

1.2.8 for any Repeat Failures, actions taken to resolve the underlying cause and prevent recurrence;

1.2.9 the number of Service Points awarded in respect of each KPI Failure;

1.2.10 the Service Credits to be applied, indicating the KPI Failure(s) to which the Service Credits relate;

1.2.11 the conduct and performance of any agreed periodic tests that have occurred, such as the annual failover test of the Service Continuity Plan;

1.2.12 relevant particulars of any aspects of the Supplier' s performance which fail to meet the requirements of this Contract;

1.2.13 such other details as the Authority may reasonably require from time to time; and

Information in respect of previous Service Periods

1.2.14 a rolling total of the number of Performance Failures that have occurred over the past six Service Periods;

1.2.15 the amount of Service Credits that have been incurred by the Supplier over the past six Service Periods;

1.2.16 the conduct and performance of any agreed periodic tests that have occurred in such Service Period such as the annual failover test of the Service Continuity Plan; and

Information in respect of the next Quarter

1.2.17 any scheduled Service Downtime for Permitted Maintenance and Updates that have been agreed between the Authority and the Supplier for the next Quarter.

2 Performance Records

2.1 The Supplier shall keep appropriate documents and records (including the Register records, the Assessment Service records, Assessor records, staff records, timesheets, training programmes, staff training records, supplier accreditation records, complaints received etc) in relation to the Services being delivered. Without prejudice to the generality of the foregoing, the Supplier shall maintain accurate records of call histories for a minimum of 12 months and provide prompt access to such records to the Authority upon the Authority' s request. The records and documents of the Supplier shall be available for inspection by the Authority and/or its nominee at any time and the Authority and/or its nominee may make copies of any such records and documents.

2.2 In addition to the requirement in paragraph 2.1 to maintain appropriate documents and records, the Supplier shall provide to the Authority such supporting documentation as the Authority may reasonably require in order to verify the level of the performance of the Supplier both before and after each Operational Service Commencement Date and the calculations of the amount of Service Credits for any specified period.

2.3 The Supplier shall ensure that the Performance Monitoring Report, (as well as historic Performance Monitoring Reports) and any variations or amendments thereto, any reports and summaries produced in accordance with this Schedule and any other document or record reasonably required by the Authority are available to the Authority on-line and are capable of being printed.

3 Performance Verification

The Authority reserves the right to verify the Availability of the Register and the Supplier's performance under this Contract against the Performance Indicators including by testing user access and verifying user access level through the Register, or otherwise.

Appendix B

Definitions and Calculation Formula

Part 1 – KPI Definitions

1 Completed Planned Assessment (applicable to KPI's 1 to 4 inclusive)

1.1 Completed is where the Supplier undertakes the Planned Assessment in respect of an Interpreter in accordance with Schedule 2 (Services Description) and awards the Interpreter a pass, merit or fail.

1.2 Completed Planned Assessment shall be calculated with the following formula:

Completed Planned Assessment % = $\frac{\text{TCPA}}{\text{TBP}} \text{ x } 100$

where:

TCPA = Total number of Completed Planned Assessments undertaken in the relevant Service Period for the applicable Service Line; and.

TBP = Total number of Planned Assessments Scheduled, less any Planned Assessments subject to Cancellation or Inconclusive Planned Assessments in the relevant Service Period in respect of the applicable Service Line.

2 Receipt of Complaints (Number)

2.1 A Complaint shall mean any communication received (regardless of the status of the complainant) that expresses a negative comment regarding the Services and seeks a response as detailed in paragraph 10 of Schedule 2 (Services Description).

2.2 Complaints shall be measured as a percentage of the total number of Planned Assessments and Individual Assessments Scheduled in the Service Period, in accordance with the following formula:

Complaints % = $\frac{\text{TC}}{\text{TB}} \text{ x } 100$

Where:

TC = total number of Complaints received in the Service Period; and

TB = total number of Planned Assessments and Individual Assessments Scheduled in the Service Period.

3 Register Availability

3.1 Register Availability shall be measured as a percentage of the total time in a Service Period, in accordance with the following formula:

Register Availability % = $\frac{(\text{MP}-\text{SD})}{\text{MP}} \text{ x } 100$

where:

MP = total number of minutes, excluding Permitted Maintenance, within the relevant Service Period; and

SD = total number of minutes of Service Downtime, excluding Permitted Maintenance, in the relevant Service Period.

3.2 When calculating Register Availability in accordance with this paragraph 3:

3.2.1 The Register Service shall be Available where Commissioning Bodies are able to access and utilise the full functionality of the Register Service as required in accordance with paragraph 2.1 of Schedule 2 (Services Description);

3.2.2 The Supplier shall be allowed to book Service Downtime for Permitted Maintenance in any Service Period which shall take place between the hours and on the day agreed in writing with the Authority, and shall take place outside of usual business hours as notified by the Authority to the Supplier from time to time (**Permitted Maintenance**).

Part 2– SPI Definitions

4 Completed Individual Assessment

4.1 Completed Individual Assessment shall be calculated with the following formula:

Completed Individual Assessment % = $\frac{\text{TBF}}{(\text{TB}-\text{TC})}$ x100

Where:

TB = Total number of Individual Assessments Scheduled in the relevant Service Period

TC = Total number of Individual Assessment's subject to Withdrawal by the Interpreter in the relevant Service Period

TBF = Total number of Individual Assessments Completed in the relevant Service Period

5 Complaints Substantive Response Time

5.1 The time to respond to a Complaint shall be measured, in accordance with the following formula:

Complaints Response Time % = $\frac{\text{TCR}}{\text{TC}}$ x100

where:

TCR = total number of Complaints responded to within ten Working Days from the day on which the Complaint is received to the date on which a substantive response is provided. For the avoidance of doubt, responses which could be considered acknowledgments, a holding response or a request for further information shall be deemed not to have been responded to; and

TC = total number of Complaints received in the Service Period.

6 Trainee Scheme

6.1 Trainee Scheme shall be measured as a percentage of the total number of Entrants who are enrolled on the Trainee Scheme in accordance with the following formula:

Trainee Scheme % = = $\frac{\text{TE}}{\text{TQ}}$ x100

Where:

TE = total number of Entrants enrolled on the Trainee Scheme under this Agreement in the relevant Month

TQ = total number of Interpreters/individuals who are recommended for enrolment onto the Trainee Scheme and are Approved by the Authority to be enrolled in the relevant Month

7 Participating in wellbeing initiatives

7.1 Proportion of Supplier Personnel who participate in at least one wellbeing-related initiative provided by the Supplier shall be calculated as follows:

Participation in wellbeing initiatives % = $\frac{SPP}{TSP}$ x $\mathbf{100}$

where:

The Supplier shall ensure that each of the Insurances is effective no later than the date on which the relevant risk commences.

1.2 The Insurances shall be maintained in accordance with Good Industry Practice and (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time.

1.3 The Insurances shall be taken out and maintained with insurers who are:

1.3.1 of good financial standing;

1.3.2 appropriately regulated;

Receipt of such evidence by the Authority shall not in itself constitute acceptance by the Authority or relieve the Supplier of any of its liabilities and obligations under this Contract.

5 Insurance for the Required Amount

5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit "in the aggregate" are maintained for the minimum limit of indemnity for the periods specified in this Schedule.

5.2 Where the Supplier intends to claim under any of the Insurances for an amount or amounts that are significant in the opinion of the Authority for any matters that are not related to the Services and/or the Contract, where such claim is likely to result in the level of cover available under any of the Insurances being reduced below the minimum limit of indemnity specified in this Schedule, the Supplier shall promptly notify the Authority and provide details of its proposed solution for maintaining the minimum limit of indemnity specified in this Schedule.

5.3 If and to the extent the level of insurance cover available falls below that minimum because a claim or claims which do not relate to this Contract are paid by insurers, the Supplier shall:

5.3.1 ensure that the insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified for claims relating to this Contract; or

5.3.2 if the Supplier is or has reason to believe that it will be unable to ensure that insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified, immediately submit to the Authority full details of the policy concerned and its proposed solution for maintaining the minimum limit of indemnity specified.

2 Purpose

2.1 Each Party recognises that collaborative working will be key to the successful delivery of Language Services. Whilst each Party has its own individual skills, capabilities and expertise, each Party acknowledges that in order to maximise the likelihood of success of Language Services, a level of reliance on the other Parties (to a greater or lesser extent) is required in

order to support delivery of its contractual obligations. Accordingly, in consideration of the mutual obligations of the Parties set out in the Agreement, each Party agrees to comply with the provisions set out in the Agreement.

2.2 The purpose of the Agreement is to facilitate and encourage collaborative working by:

2.2.1 outlining certain Collaborative Behaviours that each Party will demonstrate when complying with their obligations under their respective Services Agreements and the Agreement;

2.2.2 outlining specific collaborative activities that the Parties will undertake (these activities distinguish between operational collaboration and strategic collaboration); and

2.2.3 describing how Collaborative Behaviours will be monitored and measured and, where necessary, follow-up action in relation thereto facilitated.

2.3 The Parties acknowledge and agree that each Supplier shall enter into or accede to (as appropriate) the Agreement as and when such Supplier enters into a Services Agreement in respect of Language Services (as appropriate).

2.4 The Suppliers may, if they wish, enter into separate ways of working arrangements or agree specific terms of reference which outline, in greater detail, how the Suppliers will work with one another in respect of the delivery of the Language Services (which may include, for example, details of where each Supplier is to be situated, preferred locations for meetings, identified points of contact, processes for dealing with any behavioural issues, communications policies etc) provided such terms in no way vary or conflict with the terms of the Agreement or the Suppliers' respective Services Agreements. There is no obligation on the Suppliers to put such arrangements in place, however if the Suppliers choose to do so, the Suppliers shall share a copy of the relevant ways of working/terms of reference document that has been agreed between the Suppliers with the Authority as soon as reasonably practicable following their agreement, together with any updates to the same that may be made from time to time.

2.5 Nothing in this Agreement shall restrict a Party's right to continue to conduct its business activities or arrangements that existed on the Commencement Date or that otherwise come into being outside the scope of this Agreement. However, as the parties will be working together in relation to the Language Services where each party may have access to information or Intellectual Property Rights of the other, each party acknowledges that the other party will need to protect such information and Intellectual Property Rights in accordance with clause 8 and clause 10.

3 Collaborative Behaviours

3.1 All Parties shall adopt and display the collaborative principles and behaviours set out in the Charter (which will, for the sake of completeness, be signed by each Party on entry into the Agreement). This obligation commences for each Party as soon as the Party enters into or accedes to (as appropriate) the Agreement.

3.2 The Parties acknowledge and agree that the Charter may be updated from time to time in accordance with clause 11.

4 Operational collaboration

4.1 Operational collaboration focuses on those collaborative activities required to ensure successful day to day delivery of the Services.

Implementation

4.2 Each Party recognises that part of the success of the provision of the Services will hinge on the willingness of each Party to interact proactively, flexibly and collaboratively with other Parties to deliver on objectives, identify problems and work to solve such problems.

Accordingly, each Supplier agrees that (subject to the provisions of clause 4.8) it shall work together with the Authority and each other Supplier to refresh and update the Responsibilities Matrix promptly, as required, following the appointment of each new Supplier.

4.8 The Authority will manage and maintain an up-to-date version of the Responsibilities Matrix and Implementation Responsibilities Matrix. 1.3 The Supplier shall ensure that each Commissioning Body shall receive its own invoice in respect of the percentage use of the Services (as determined by the Authority and notified to the Supplier for each Month) to which the invoice relates. Such invoice shall be addressed in accordance with the instructions notified to the Supplier by the relevant Commissioning Body from time to time.

1.4 During the Term, the Authority may direct the Supplier to issue invoices in some manner other than as set out in paragraph 1.3 from time to time without the need to refer the matter to the Change Control Procedure. The Supplier agrees to effect such change at no cost to the Authority or any other Commissioning Body.

1.5 The Supplier agrees that each invoice in respect of the Charges shall be raised by the Supplier no later than the tenth day following the end of each Month.

1.7 The Supplier shall provide such other supporting information as may be reasonably requested by a Commissioning Body from time to time to substantiate an invoice received from the Supplier under this Contract.

discrepancies between the Assessments actually delivered and Service Credits actually accrued (where applicable), and the amount stated within the invoice. Where a discrepancy is identified by the relevant Commissioning Body, that Commissioning Body will raise such discrepancy with the Supplier and the relevant credit will be made to the next invoice raised in relation to that Commissioning Body.

1.9 If, following the assurance process set out in paragraph 1.8, a discrepancy is identified by the relevant Commissioning Body, that Commissioning Body will raise this with the Supplier and the Supplier will issue an appropriate credit to the next invoice raised in relation to that Commissioning Body.

Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgement.

3 Invoice Reports

3.1 On or before the tenth day after the end of each Month, the Supplier shall provide to the Authority a consolidated summary of all invoices which have been raised in the previous Month showing, for that Month, the total amount invoiced to each Commissioning Body, the total amount of Service Credits for non-achievement of KPIs in respect of which invoices have been issued. The Supplier shall promptly respond to such requests as the Authority may have in relation to such information.

3.2 The Supplier will ensure mechanisms are in place, to ensure accurate billing.

2.1.11 any one of the Financial Indicators set out at paragraph 4 for any of the FDE Group entities failing to meet the required Financial Target Threshold.

3 Consequences of Financial Distress Events

3.1 Immediately upon notification by the Supplier of a Financial Distress Event (or if the Authority becomes aware of a Financial Distress Event without notification and brings the event to the attention of the Supplier), the Supplier shall have the obligations and the Authority shall have the rights and remedies as set out in paragraphs 3.3 to 3.5.

3.2 In the event of a late or non-payment of a Key Sub-contractor pursuant to paragraph 2.1.6, the Authority shall not exercise any of its rights or remedies under paragraph 3.3 without first giving the Supplier ten Working Days to:

3.2.1 rectify such late or non-payment; or

3.2.2 demonstrate to the Authority's reasonable satisfaction that there is a valid reason for late or non-payment.

3.3 The Supplier shall (and shall procure that any Monitored Supplier and/or any relevant Key Sub-contractor shall):

3.3.1 at the request of the Authority, meet the Authority as soon as reasonably practicable (and in any event within three Working Days of the initial notification (or awareness) of the Financial Distress Event or such other period as the Authority may permit and notify to the Supplier in writing) to review the effect of the Financial Distress Event on the continued performance and delivery of the Services in accordance with this Contract; and

3.3.2 where the Authority reasonably believes (taking into account the discussions and any representations made under paragraph 3.3.1 that the Financial Distress Event could impact on the continued performance and delivery of the Services in accordance with this Contract:

3.4 The Authority shall not withhold its approval of a draft Financial Distress Remediation Plan unreasonably. If the Authority does not approve the draft Financial Distress Remediation Plan, it shall inform the Supplier of its reasons and the Supplier shall take those reasons into

account in the preparation of a further draft Financial Distress Remediation Plan, which shall be resubmitted to the Authority within Five Working Days of the rejection of the first draft. This process shall be repeated until the Financial Distress Remediation Plan is either:

3.4.1 approved by the Authority;

3.4.2 referred, by notice sent by either Party to the other Party explaining why it thinks the Financial Distress Remediation Plan has not been approved, to commercial negotiation led by senior representatives who have authority to agree the Financial Distress Remediation Plan to be held within 28 days of the date of the notice; or

3.4.3 finally rejected by the Authority.

3.5 Following approval of the Financial Distress Remediation Plan by the Authority, the Supplier shall:

3.5.1 on a regular basis (which shall not be less than fortnightly):

3.7 The Supplier shall use reasonable endeavours to put in place the necessary measures to ensure that the information specified at paragraph 3.3.2(b) is available when required and on request from the Authority and within reasonable timescales. Such measures may include:

Appendix C

Calculation Methodology for Financial Indicators

The Supplier shall ensure that it uses the following general and specific methodologies for calculating the Financial Indicators against the Financial Target Thresholds:

General methodology

1 Terminology: The terms referred to in this Appendix C are those used by UK companies in their financial statements. Where the entity is not a UK company, the corresponding items should be used even if the terminology is slightly different (for example a charity would refer to a surplus or deficit rather than a profit or loss).

2 Groups: Where the entity is the holding company of a group and prepares consolidated financial statements, the consolidated figures should be used.

3 Foreign currency conversion: Figures denominated in foreign currencies should be converted at the exchange rate in force at the relevant date for which the Financial Indicator is being calculated.

4 Treatment of non-underlying items: Financial Indicators should be based on the figures in the financial statements before adjusting for non-underlying items.

Specific Methodology

Financial Indicator	Specific Methodology
1 **Operating Margin**	The elements used to calculate the Operating Margin should be shown on the face of the Income Statement in a standard set of financial statements. Figures for Operating Profit and Revenue should exclude the entity's share of the results of any joint ventures or Associates. Where an entity has an operating loss (ie where the operating profit is negative), Operating Profit should be taken to be zero.
2 **Net Debt to EBITDA Ratio**	**Net Debt** = Bank overdrafts + Loans and borrowings + Finance leases + Deferred consideration payable – Cash and cash equivalents **EBITDA** = Operating profit + Depreciation charge + Amortisation charge The majority of the elements used to calculate the Net Debt to EBITDA Ratio should be shown on the face of the Balance sheet, Income statement and Statement of Cash Flows in a standard set of financial statements but will otherwise be found in the notes to the financial statements. Net Debt: The elements of Net Debt may be described slightly differently and should be found either on the face of the Balance Sheet or in the relevant note to the financial statements. All interest bearing liabilities (other than retirement benefit obligations) should be included as borrowings as should, where disclosed, any liabilities (less any assets) in respect of any hedges designated as linked to borrowings (but not non-designated hedges). Borrowings should also include balances owed to other group members. Deferred consideration payable should be included in Net Debt despite typically being non-interest bearing.

Financial Indicator	Specific Methodology
	Cash and cash equivalents should include short-term financial investments shown in current assets. Where Net debt is negative (ie an entity has net cash), the relevant Financial Target Threshold should be treated as having been met. EBITDA: Operating profit should be shown on the face of the Income Statement and, for the purposes of calculating this Financial Indicator, should include the entity's share of the results of any joint ventures or Associates. The depreciation and amortisation charges for the period may be found on the face of the Statement of Cash Flows or in a Note to the Accounts. Where EBITDA is negative, the relevant Financial Target Threshold should be treated as not having been met (unless Net Debt is also negative, in which case the relevant Financial Target Threshold should be treated as having been met).
3 **Net Interest Paid Cover**	**Earnings Before Interest and Tax** = Operating profit **Net Interest Paid** = Interest paid – Interest received Operating profit should be shown on the face of the Income Statement in a standard set of financial statements and, for the purposes of calculating this Financial Indicator, should include the entity's share of the results of any joint ventures or Associates. Interest received and interest paid should be shown on the face of the Cash Flow statement. Where Net interest paid is negative (ie the entity has net interest received), the relevant Financial Target Threshold should be treated as having been met.
4 **Acid Ratio**	All elements that are used to calculate the Acid Ratio are available on the face of the Balance Sheet in a standard set of financial statements.
5 **Net Asset value**	Net Assets are shown (but sometimes not labelled) on the face of the Balance Sheet of a standard set of financial statements. Net Assets are sometimes called net worth or 'Shareholders' Funds'. They represent the net assets available to the shareholders. Where an entity has a majority interest in another entity in which there are also minority or non-controlling interests (ie where it has a subsidiary partially owned by outside investors), Net Assets should be taken inclusive of minority or non-controlling interests (as if the entity owned 100% of such entity).
6 **Turnover ratio**	Revenue should be shown on the face of the Income Statement. It should exclude the entity's share of the revenue of joint ventures or associates.

The Supplier shall then re-issue the relevant Impact Assessment to the Authority within ten Working Days of receiving such notification. At the Authority's discretion, the Parties may repeat the process described in this paragraph 4.4 until the Authority is satisfied that it has sufficient information to properly evaluate the Change Request and Impact Assessment.

4.5 The calculation of costs for the purposes of paragraphs 4.1.4 and 4.1.5 shall:

4.5.1 be based on the Financial Model;

4.5.2 facilitate the Financial Transparency Objectives;

4.5.3 include estimated volumes of each type of resource to be employed and the applicable rate card;

4.5.4 include full disclosure of any assumptions underlying such Impact Assessment;

4.5.5 include evidence of the cost of any assets required for the Change; and

4.5.6 include details of any new Sub-contracts necessary to accomplish the Change.

5 Authority's right of approval

5.1 Within 15 Working Days of receiving the Impact Assessment from the Supplier or within ten Working Days of receiving the further information that it may request pursuant to paragraph 4.4; the Authority shall evaluate the Change Request and the Impact Assessment and shall do one of the following:

5.1.1 approve the proposed Contract Change, in which case the Parties shall follow the procedure set out in paragraph 5.2;

5.1.2 in its absolute discretion reject the Contract Change, in which case it shall notify the Supplier of the rejection. The Authority shall not reject any proposed Contract Change to the extent that the Contract Change is necessary for the Supplier or the Services to comply with any Changes in Law. If the Authority does reject a Contract Change, then it shall explain its reasons in writing to the Supplier as soon as is reasonably practicable following such rejection; or

5.1.3 in the event that it reasonably believes that a Change Request or Impact Assessment contains errors or omissions, require the Supplier to modify the relevant document accordingly, in which event the Supplier shall make such modifications within five Working Days of such request. Subject to paragraph 4.4, on receiving the modified Change Request and/or Impact Assessment, the Authority shall approve or reject the proposed Contract Change within ten Working Days.

5.2 If the Authority approves the proposed Contract Change pursuant to paragraph 5.1 and it has not been rejected by the Supplier in accordance with paragraph 5.3, then it shall inform the Supplier and, unless otherwise directed by the Authority, the Supplier shall be the Drafting Party. Following receipt by the Receiving Party of the Change Authorisation Note, it shall sign both copies and return one copy to the Drafting Party. Unless otherwise specified, on the Receiving Party's signature the Change Authorisation Note shall constitute (or, where the Authority has agreed to or required the implementation of a Change prior to signature of a Change Authorisation Note, shall constitute confirmation of) a binding variation to this Contract.

5.3 If the Receiving Party does not sign the Change Authorisation Note within ten Working Days of receipt, then the Drafting Party shall have the right to notify the Receiving Party and if the Receiving Party does not sign the Change Authorisation Note within five Working Days of such notification, then the Drafting Party may refer the matter to the Expedited Dispute Timetable pursuant to the Dispute Resolution Procedure.

6 Supplier's right of approval

6.1 Following an Impact Assessment, if:

6.1.1 the Supplier reasonably believes that any proposed Contract Change which is requested by the Authority would:

(a) materially and adversely affect the risks to the health and safety of any person; and/or

(b) require the Services to be performed in a way that infringes any Law; and/or

6.1.2 the Supplier demonstrates to the Authority's reasonable satisfaction that the proposed Contract Change is technically impossible to implement and neither the Supplier Solution nor Schedule 2 (Services Description) state that the Supplier does have the technical capacity and flexibility required to implement the proposed Contract Change,

then the Supplier shall be entitled to reject the proposed Contract Change and shall notify the Authority of its reasons for doing so within five Working Days after the date on which it is obliged to deliver the Impact Assessment pursuant to paragraph 3.3 and 4.

7 Fast-Track Changes

7.1 The Parties acknowledge that to ensure operational efficiency there may be circumstances where it is desirable to expedite the processes set out above.

7.2 If:

7.2.1 the total number of Contract Changes in relation to which this Fast-track Change procedure has been applied does not exceed four in any 12 month period; and

7.2.2 both Parties agree the value of the proposed Contract Change over the remaining Term and any period for which Termination Services may be required does not exceed £10,000 and the proposed Contract Change is not significant (as determined by the Authority acting reasonably), or

7.2.3 any Contract Change expressed in any other schedule of this Contract as being subject to the Fast-Track Change process.

then the Parties shall confirm to each other in writing that they shall use the process set out in paragraphs 3, 4, 5 and 5.3 but with reduced timescales, such that any period of 15 Working Days is reduced to five Working Days, any period of ten Working Days is reduced to two Working Days and any period of five Working Days is reduced to one Working Day.

7.3 The Parties may agree in writing to revise the parameters set out in paragraph 7.2 from time to time or that the Fast-track Change procedure shall be used in relation to a particular Contract Change notwithstanding that the total number of Contract Changes to which such procedure is applied will then exceed four in a 12 month period.

8 Operational Change Procedure

8.1 Any Operational Changes identified by the Supplier to improve operational efficiency of the Services may be implemented by the Supplier without following the Change Control Procedure for proposed Contract Changes provided they do not:

8.1.1 have an impact on the business of the Authority;

8.1.2 require a change to this Contract;

8.1.3 have a direct impact on use of the Services; or

8.1.4 involve the Authority in paying any additional Charges or other costs.

8.2 The Authority may request an Operational Change by submitting a written request for Operational Change (**RFOC**) to the Supplier Representative.

8.3 The RFOC shall include the following details:

8.3.1 the proposed Operational Change; and

8.3.2 the time-scale for completion of the Operational Change.

8.4 The Supplier shall inform the Authority of any impact on the Services that may arise from the proposed Operational Change.

8.5 The Supplier shall complete the Operational Change by the timescale specified for completion of the Operational Change in the RFOC, and shall promptly notify the Authority when the Operational Change is completed.

9 Communications

For any Change Communication to be valid under this Schedule, it must be sent to either the Authority Change Manager or the Supplier Change Manager, as applicable. The provisions of clause 41 (Notices) shall apply to a Change Communication as if it were a notice.

Schedule 23

Dispute Resolution Procedure

1 Dispute Notices

1.1 If a Dispute arises then:

1.1.1 the Authority Representative and the Supplier Representative shall attempt in good faith to resolve the Dispute; and

1.1.2 if such attempts are not successful within a reasonable period, not being longer than 20 Working Days, either Party may issue to the other a Dispute Notice.

1.2 A Dispute Notice:

1.2.1 shall set out:

(a) the material particulars of the Dispute;

(b) the reasons why the Party serving the Dispute Notice believes that the Dispute has arisen; and

(c) if the Party serving the Dispute Notice believes that the Dispute should be dealt with under the Expedited Dispute Timetable, the reason why; and

1.2.2 may specify in accordance with the requirements of paragraphs 8.2 and 8.3 that the Party issuing the Dispute Notice has determined (in the case of the Authority) or considers (in the case of the Supplier) that the Dispute is a Multi-Party Dispute, in which case paragraph 1.3 shall apply.

1.3 If a Dispute Notice specifies that the Dispute has been determined or is considered to be a Multi-Party Dispute pursuant to paragraph 1.2.2, then:

1.3.1 if it is served by the Authority, it shall be treated as a Multi-Party Procedure Initiation Notice; and

1.3.2 if it is served by the Supplier, it shall be treated as a Supplier Request,

and in each case the provisions of paragraph 8 shall apply.

1.4 Subject to paragraphs 1.5 and 2.2 and so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, following the issue of a Dispute Notice the Parties shall seek to resolve the Dispute:

1.4.1 first by commercial negotiation (as prescribed in paragraph 3);

1.4.2 then, if either Party serves a Mediation Notice, by mediation (as prescribed in paragraph 4); and

1.4.3 lastly by recourse to arbitration (as prescribed in paragraph 6) or litigation (in accordance with clause 43 (Governing Law and Jurisdiction)).

1.5 Specific issues shall be referred to Expert Determination (as prescribed in paragraph 5) where specified under the provisions of this Contract and may also be referred to Expert Determination where otherwise appropriate as specified in paragraph 5.1.

1.6 Unless agreed otherwise in writing, the Parties shall continue to comply with their respective obligations under this Contract regardless of the nature of the Dispute and notwithstanding any issue of a Dispute Notice or a Multi-Party Procedure Initiation Notice or proceedings under paragraph 7 (Urgent relief).

2 Expedited Dispute Timetable

2.1 In exceptional circumstances where the use of the times in this Schedule would be unreasonable, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use the Expedited Dispute Timetable within five Working Days of the issue of a Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Authority.

2.2 If the Expedited Dispute Timetable is to be used pursuant to the provisions of paragraph 2.1 or is otherwise specified under the provisions of this Contract, then the following periods of time shall apply in lieu of the time periods specified in the applicable paragraphs:

2.2.1 in paragraph 3.2.3, ten Working Days;

2.2.2 in paragraph 4.2, ten Working Days;

2.2.3 in paragraph 5.2, five Working Days; and

2.2.4 in paragraph 6.2, ten Working Days.

2.3 If at any point it becomes clear that an applicable deadline cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the deadline. If the Parties fail to agree within two Working Days after the deadline has passed, the Authority may set a revised deadline provided that it is no less than five Working Days before the end of the period of time specified in the applicable paragraphs (or two Working Days in the case of paragraph 5.2). Any agreed extension shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Authority fails to set such a revised deadline then the use of the Expedited Dispute Timetable shall cease and the normal time periods shall apply from that point onwards.

3 Commercial negotiation

3.1 Following the service of a Dispute Notice, then, so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, the Authority and the Supplier shall make reasonable endeavours to resolve the Dispute as soon as possible by commercial negotiation between the Authority's Commercial Manager and the Supplier's Commercial Director.

3.2 If:

3.2.1 either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiation, will not result in an appropriate solution;

3.2.2 the Parties have already held discussions of a nature and intent (or otherwise were conducted in the spirit) that would equate to the conduct of commercial negotiation in accordance with this paragraph 3; or

3.2.3 the Parties have not settled the Dispute in accordance with paragraph 3.1 within 30 Working Days of service of the Dispute Notice,

either Party may serve a written notice to proceed to mediation in accordance with paragraph 4 (a **Mediation Notice**).

4 Mediation

4.1 If a Mediation Notice is served, the Parties shall attempt to resolve the dispute in accordance with the version of CEDR's Model Mediation Procedure which is current at the time the Mediation Notice is served (or such other version as the Parties may agree).

4.2 If the Parties are unable to agree on the joint appointment of an independent person to mediate the Dispute within 20 Working Days from (and including) the service of a Mediation Notice then either Party may apply to CEDR to nominate such a person.

4.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if both Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.

4.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the Change Control Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

5 Expert Determination

5.1 If a Dispute relates to any aspect of the technology underlying the provision of the Services or otherwise relates to a technical matter of an IT, accounting or financing nature and the Dispute has not been resolved by commercial negotiation in accordance with paragraph 3 or, if applicable, mediation in accordance with paragraph 4, then either Party may by written notice to the other request (agreement to which request shall not be unreasonably withheld or delayed) that the Dispute be referred to an expert for determination.

5.2 The expert shall be appointed by agreement in writing between the Parties, but in the event of a failure to agree within ten Working Days of the relevant request made pursuant to paragraph 5.1, or if the person appointed is unable or unwilling to act, the expert shall be appointed:

5.2.1 if the Dispute relates to any aspect of the technology underlying the provision of the Services or a matter of an IT technical nature, on the instructions of the President of the British Computer Society (or any other association that has replaced the British Computer Society);

5.2.2 if the Dispute relates to a matter of a financial technical nature, on the instructions of the President of the Institute of Chartered Accountants of England and Wales; or

5.2.3 if the Dispute relates to a matter of a technical nature not falling within paragraphs 5.2.1 or 5.2.2, on the instructions of the president (or equivalent) of:

(a) an appropriate body agreed between the Parties; or

(b) if the Parties do not reach agreement on the relevant body within 15 Working Days of the relevant request made pursuant to paragraph 5.1, such body as may be specified by the President of the Law Society on application by either Party.

5.3 The Expert shall act on the following basis:

5.3.1 they shall act as an expert and not as an arbitrator and shall act fairly and impartially;

5.3.2 the Expert's determination shall (in the absence of a material failure to follow the agreed procedures) be final and binding on the Parties;

5.3.3 the Expert shall decide the procedure to be followed in the determination and shall be requested to make his/her determination within 30 Working Days of his appointment or as soon as reasonably practicable thereafter and the Parties shall assist and provide the documentation that the Expert requires for the purpose of the determination;

5.3.4 any amount payable by one Party to another as a result of the Expert's determination shall be due and payable within 20 Working Days of the Expert's determination being notified to the Parties;

5.3.5 the process shall be conducted in private and shall be confidential; and

5.3.6 the Expert shall determine how and by whom the costs of the determination, including his/her fees and expenses, are to be paid.

6 Arbitration

6.1 Subject to compliance with its obligations under paragraph 3.1 and to the provisions of paragraph 6, the Authority may at any time before court proceedings are commenced refer the Dispute to arbitration in accordance with the provisions of paragraph 6.5.

6.2 Before the Supplier commences court proceedings or arbitration, it shall serve written notice on the Authority of its intentions and the Authority shall have 15 Working Days following receipt of such notice to serve a reply (a **Counter Notice**) on the Supplier requiring the Dispute to be referred to and resolved by arbitration in accordance with paragraph 6.5 or be subject to the exclusive jurisdiction of the courts of England and Wales. The Supplier shall not commence any court proceedings or arbitration until the expiry of such 15 Working Day period.

6.3 If the Authority serves a Counter Notice, then:

6.3.1 if the Counter Notice requires the Dispute to be referred to arbitration, the provisions of paragraph 6.5 shall apply; or

6.3.2 if the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts of England and Wales, the Dispute shall be so referred to those courts and the Supplier shall not commence arbitration proceedings.

6.4 If the Authority does not serve a Counter Notice within the 15 Working Day period referred to in paragraph 6.2, the Supplier may either commence arbitration proceedings in accordance with paragraph 6.5 or commence court proceedings in the Courts of England and Wales which shall (in those circumstances) have exclusive jurisdiction.

6.5 The Parties hereby confirm that if any arbitration proceedings are commenced pursuant to paragraphs 6.1 to 6.4:

6.5.1 the Dispute shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration (**LCIA**) (subject to paragraphs 6.5.5, 6.5.6 and 6.5.7);

6.5.2 the arbitration shall be administered by the LCIA;

6.5.3 the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;

6.5.4 if the Parties fail to agree the appointment of the arbitrator within ten Working Days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;

6.5.5 the chair of the arbitral tribunal shall be British;

6.5.6 the arbitration proceedings shall take place in London and in the English language; and

6.5.7 the seat of the arbitration shall be London.

7 Urgent relief

7.1 Either Party may at any time take proceedings or seek remedies before any court or tribunal of competent jurisdiction:

7.1.1 for interim or interlocutory remedies in relation to this Contract or infringement by the other Party of that Party's Intellectual Property Rights; and/or

7.1.2 where compliance with paragraph 1.1 and/or referring the Dispute to mediation may leave insufficient time for that Party to commence proceedings before the expiry of the limitation period.

8 Multi-Party Disputes

8.1 All Multi-Party Disputes shall be resolved in accordance with the procedure set out in this paragraph 8 (the **Multi-Party Dispute Resolution Procedure**).

8.2 If at any time following the issue of a Dispute Notice, the Authority reasonably considers that the matters giving rise to the Dispute involve one or more Related Third Parties, then the Authority shall be entitled to determine that the Dispute is a Multi-Party Dispute and to serve a notice on the Supplier which sets out the Authority's determination that the Dispute is a Multi-Party Dispute and specifies the Related Third Parties which are to be involved in the Multi-Party Dispute Resolution Procedure, such notice a **Multi-Party Procedure Initiation Notice**.

8.3 If following the issue of a Dispute Notice but before the Dispute has been referred to Expert Determination or to arbitration in accordance with paragraph 6, the Supplier has reasonable grounds to believe that the matters giving rise to the Dispute have been contributed to by one or more Related Third Parties, the Supplier may serve a Supplier Request on the Authority.

8.4 The Authority shall (acting reasonably) consider each Supplier Request and shall determine within five Working Days whether the Dispute is:

8.4.1 a Multi-Party Dispute, in which case the Authority shall serve a Multi-Party Procedure Initiation Notice on the Supplier; or

8.4.2 not a Multi-Party Dispute, in which case the Authority shall serve written notice of such determination upon the Supplier and the Dispute shall be treated in accordance with paragraphs 2 to 7.

8.5 If the Authority has determined, following a Supplier Request, that a Dispute is not a Multi-Party Dispute, the Supplier may not serve another Supplier Request with reference to the same Dispute.

8.6 Following service of a Multi-Party Procedure Initiation Notice a Multi-Party Dispute shall be dealt with by a board (in relation to such Multi-Party Dispute, the **Multi-Party Dispute Resolution Board**) comprising representatives from the following parties to the Multi-Party Dispute, each of whom shall be of a suitable level of seniority to finalise any agreement with the other parties to settle the Multi-Party Dispute:

8.6.1 the Authority;

8.6.2 the Supplier;

8.6.3 each Related Third Party involved in the Multi-Party Dispute; and

8.6.4 any other representatives of any of the Parties and/or any Related Third Parties whom the Authority considers necessary,

(together **Multi-Party Dispute Representatives**).

8.7 The Parties agree that the Multi-Party Dispute Resolution Board shall seek to resolve the relevant Multi-Party Dispute in accordance with the following principles and procedures:

8.7.1 the Parties shall procure that their Multi-Party Dispute Representatives attend, and shall use their best endeavours to procure that the Multi-Party Dispute Representatives of each Related Third Party attend, all meetings of the Multi-Party Dispute Resolution Board in respect of the Multi-Party Dispute;

8.7.2 the Multi-Party Dispute Resolution Board shall first meet within ten Working Days of service of the relevant Multi-Party Procedure Initiation Notice at such time and place as the Parties may agree or, if the Parties do not reach agreement on the time and place within five Working Days of service of the relevant Multi-Party Procedure Initiation Notice, at the time and place specified by the Authority, provided such place is at a neutral location within England and that the meeting is to take place between 9.00am and 5.00pm on a Working Day; and

8.7.3 in seeking to resolve or settle any Multi-Party Dispute, the members of the Multi-Party Dispute Resolution Board shall have regard to the principle that a Multi-Party Dispute should be determined based on the contractual rights and obligations between the Parties and the Related Third Parties and that any apportionment of costs should reflect the separate components of the Multi-Party Dispute.

8.8 If a Multi-Party Dispute is not resolved between the Parties and all Related Third Parties within 25 Working Days of the issue of the Multi-Party Procedure Initiation Notice (or such longer period as the Parties may agree in writing), then:

8.8.1 either Party may serve a Mediation Notice in respect of the Multi-Party Dispute in which case paragraph 4 shall apply;

8.8.2 either Party may request that the Multi-Party Dispute is referred to an expert in which case paragraph 5 shall apply; and/or

8.8.3 subject to paragraph 8.9, paragraph 6 shall apply to the Multi-Party Dispute,

and in each case references to the **Supplier** or the **Parties** in such provisions shall include a reference to all Related Third Parties.

8.9 If a Multi-Party Dispute is referred to arbitration in accordance with paragraph 6 or a Dispute becomes a Multi-Party Dispute during the course of arbitration proceedings and either Party is unable to compel a Related Third Party to submit to such arbitration proceedings, the Authority or the Supplier may discontinue such arbitration proceedings and instead initiate court proceedings. The costs of any such discontinued arbitration proceedings shall be borne by the Party which is in a direct contractual relationship with the Related Third Party or, where the Related Third Party is a Sub Contractor, by the Supplier.

Schedule 24

Exit Management

1 Obligations during the Term to facilitate exit

1.1 During the Term, the Supplier shall:

1.1.1 create and maintain a register of all sub-contracts and other relevant agreements (including relevant software licences, maintenance and support agreements and equipment rental and lease agreements) required for the performance of the Services;

1.1.2 create and maintain a configuration database detailing the technical infrastructure and operating procedures through which the Supplier provides the Services, which shall contain sufficient detail to permit the Authority and/or Replacement Supplier to understand how the Supplier provides the Services and to enable the smooth transition of the Services with the minimum of disruption;

1.1.3 agree the format of the Exit Registers with the Authority as part of the process of agreeing the Exit Plan; and

1.1.4 at all times keep the Exit Registers up to date, in particular in the event that Assets, Sub-contracts or other relevant agreements are added to or removed from the Services.

1.2 Each Party shall appoint a person for the purposes of managing the Parties' respective obligations under this Schedule and provide written notification of such appointment to the other Party within three months of the Effective Date. The Supplier's Exit Manager shall be responsible for ensuring that the Supplier and its employees, agents and Sub-contractors comply with this Schedule. The Supplier shall ensure that its Exit Manager has the requisite authority to arrange and procure any resources of the Supplier as are reasonably necessary to enable the Supplier to comply with the requirements set out in this Schedule. The Parties' Exit Managers will liaise with one another in relation to all issues relevant to the termination of this Contract and all matters connected with this Schedule and each Party's compliance with it.

2 Obligations to assist on re-tendering of Services

2.1 On reasonable notice at any point during the Term, the Supplier shall provide to the Authority and/or its potential Replacement Suppliers (subject to the potential Replacement Suppliers entering into reasonable written confidentiality undertakings), the following material and information in order to facilitate the preparation by the Authority of any invitation to tender and/or to facilitate any potential Replacement Suppliers undertaking due diligence:

2.1.1 details of the Service(s);

2.1.2 a copy of the Exit Registers, updated by the Supplier up to the date of delivery of such Exit Registers;

2.1.3 an inventory of Government Data in the Supplier's possession or control;

2.1.4 details of any key terms of any third party contracts and licences, particularly as regards charges, termination, assignment and novation;

2.1.6 to the extent permitted by applicable Law, all information relating to Transferring Supplier Employees required to be provided by the Supplier under this Contract; and

2.1.7 such other material and information as the Authority shall reasonably require,

(together, the **Exit Information**).

2.2 The Supplier acknowledges that the Authority may disclose the Supplier's Confidential Information to an actual or prospective Replacement Supplier or any third party whom the Authority is considering engaging to the extent that such disclosure is necessary in connection with such engagement (except that the Authority may not under this paragraph 2.2 disclose any Supplier's Confidential Information which is information relating to the Supplier's or its Sub-contractors' prices or costs).

2.3 The Supplier shall:

2.3.1 notify the Authority within five Working Days of any material change to the Exit Information which may adversely impact upon the potential transfer and/or continuance of any Services and shall consult with the Authority regarding such proposed material changes; and

2.3.2 provide complete updates of the Exit Information on an as-requested basis as soon as reasonably practicable and in any event within ten Working Days of a request in writing from the Authority.

2.4 The Supplier may charge the Authority for its reasonable additional costs to the extent the Authority requests more than four updates in any six month period.

2.5 The Exit Information shall be accurate and complete in all material respects and the level of detail to be provided by the Supplier shall be such as would be reasonably necessary to enable a third party to:

2.5.1 prepare an informed offer for those Services; and

2.5.2 not be disadvantaged in any subsequent procurement process compared to the Supplier (if the Supplier is invited to participate).

3 Obligation to enter into an Ethical Wall Agreement on re-tendering of Services

3.1 The Authority may require the Supplier to enter into the Ethical Wall Agreement at any point during a re-tendering or contemplated re-tendering of the Services or any part of the Services.

3.2 If required to enter into the Ethical Wall Agreement, the Supplier will return a signed copy of the Ethical Wall Agreement within ten Working Days of receipt. The Supplier's costs of entering into the Ethical Wall Agreement will be borne solely by the Supplier.

4 Exit Plan

4.1 The Supplier shall, within three months after the Effective Date, deliver to the Authority an Exit Plan which:

4.1.1 sets out the Supplier's proposed methodology for achieving an orderly transition of the relevant Services from the Supplier to the Authority and/or its Replacement Supplier and minimises disruption to the ongoing performance of services by any Language Provider on the Partial Termination, expiry or termination of this Contract;

4.1.2 complies with the requirements set out in paragraph 4.2; and

4.1.3 is otherwise reasonably satisfactory to the Authority.

4.2 The Parties shall use reasonable endeavours to agree the contents of the Exit Plan. If the Parties are unable to agree the contents of the Exit Plan within 20 Working Days of its

submission, then such Dispute shall be resolved in accordance with the Dispute Resolution Procedure.

4.3 The Exit Plan shall set out, as a minimum:

4.3.1 how the Exit Information is obtained;

4.3.2 separate mechanisms for dealing with Ordinary Exit and Emergency Exit, the provisions relating to Emergency Exit being prepared on the assumption that the Supplier may be unable to provide the full level of assistance which is required by the provisions relating to Ordinary Exit, and in the case of Emergency Exit, provision for the supply by the Supplier of all such reasonable assistance as the Authority shall require to enable the Authority or its sub-contractors to provide the Services;

4.3.8 the scope of the Termination Services that may be required for the benefit of the Authority (including such of the services set out in Appendix A as are applicable);

4.3.9 a timetable and critical issues for providing the Termination Services;

4.3.10 any charges that would be payable for the provision of the Termination Services (calculated in accordance with the methodology that would apply if such Services were being treated as a Contract Change), together with a capped estimate of such charges;

4.3.11 how the Termination Services would be provided (if required) during the Termination Assistance Period;

4.3.12 procedures to deal with requests made by the Authority and/or a Replacement Supplier for Staffing Information pursuant to Schedule 28 (Staff Transfer); and

4.3.13 how each of the issues set out in this Schedule will be addressed to facilitate the transition of the Services from the Supplier to the Replacement Supplier and/or the Authority with the aim of ensuring that there is no disruption to or degradation of the Services or to the services of any Language Provider during the Termination Assistance Period.

4.4 The Parties acknowledge that the migration of the Services from the Supplier to the Authority and/or its Replacement Supplier may be phased, such that certain of the Services are handed over before others.

4.5 The Supplier shall review and (if appropriate) update the Exit Plan on a basis consistent with the principles set out in this Schedule in the first month of each Contract Year (commencing with the second Contract Year) and if requested by the Authority following the occurrence of a

Financial Distress Event, within 14 days of such request, to reflect any changes in the Services that have occurred since the Exit Plan was last agreed. Following such update, the Supplier shall submit the revised Exit Plan to the Authority for review. Within 20 Working Days following submission of the revised Exit Plan, the Parties shall meet and use reasonable endeavours to agree the contents of the revised Exit Plan. If the Parties are unable to agree the contents of the revised Exit Plan within that 20 Working Day period, such dispute shall be resolved in accordance with the Dispute Resolution Procedure.

Finalisation of the Exit Plan

4.6 Within 20 Working Days after service of a Termination Notice by either Party or six months prior to the expiry of this Contract, the Supplier will submit for the Authority's approval the Exit Plan in a final form that could be implemented immediately. The final form of the Exit Plan shall be prepared on a basis consistent with the principles set out in this Schedule and shall reflect any changes in the Services that have occurred since the Exit Plan was last agreed.

4.7 The Parties will meet and use their respective reasonable endeavours to agree the contents of the final form of the Exit Plan. If the Parties are unable to agree the contents of the Exit Plan within 20 Working Days following its delivery to the Authority, then such Dispute shall be resolved in accordance with the Dispute Resolution Procedure. Until the agreement of the final form of the Exit Plan, the Supplier shall provide the Termination Services in accordance with the principles set out in this Schedule and the last approved version of the Exit Plan (insofar as relevant).

5.5 If the Supplier demonstrates to the Authority's reasonable satisfaction that transition of the Services and provision of the Termination Services during the Termination Assistance Period will have a material, unavoidable adverse effect on the Supplier's ability to meet one or more particular Target Performance Level(s), the Parties shall vary the relevant Target Performance Level(s) and/or the applicable Service Credits to take account of such adverse effect.

Termination obligations

5.6 The Supplier shall comply with all of its obligations contained in the Exit Plan in respect of any Partial Termination or termination.

5.7 Upon termination or expiry (as the case may be) or at the end of the Termination Assistance Period (or earlier if this does not adversely affect the Supplier's performance of the Services and the Termination Services and its compliance with the other provisions of this Schedule) in respect of the Services that have been terminated, the Supplier shall:

5 Service Continuity Plan: Part 4 – Insolvency Continuity Plan

Principles and Contents

5.1 The Insolvency Continuity Plan shall be designed by the Supplier to permit continuity of the business operations of the Authority supported by the Services through continued provision of

the Services following an Insolvency Event of the Supplier, any Key Sub-contractor and/or any Supplier Group member with, as far as reasonably possible, minimal adverse impact.

5.2 The Insolvency Continuity Plan shall include the following:

5.2.1 communication strategies which are designed to minimise the potential disruption to the provision of the Services, including key contact details in respect of the supply chain and key contact details for operational and contract Supplier Personnel, Key Sub-contractor personnel and Supplier Group member personnel;

5.2.2 identification, explanation, assessment and an impact analysis of risks in respect of dependencies between the Supplier, Key Sub-contractors and Supplier Group members where failure of those dependencies could reasonably have an adverse impact on the Services;

5.2.3 plans to manage and mitigate identified risks;

5.2.4 details of the roles and responsibilities of the Supplier, Key Sub-contractors and/or Supplier Group members to minimise and mitigate the effects of an Insolvency Event of such persons on the Services;

5.2.5 details of the recovery team to be put in place by the Supplier (which may include representatives of the Supplier, Key Sub-contractors and Supplier Group members); and

5.2.6 sufficient detail to enable an appointed insolvency practitioner to invoke the plan in the event of an Insolvency Event of the Supplier.

6 Review and Amendment of the Service Continuity Plan

6.1 The Supplier shall review and update the Service Continuity Plan (and the risk analysis on which it is based):

6.1.1 on a regular basis and as a minimum once every twelve months;

6.1.2 within three calendar months of the Service Continuity Plan (or any part) having been invoked pursuant to paragraph 8;

6.1.3 within 14 days of a Financial Distress Event;

6.1.4 within 30 days of a Corporate Change Event or such period as the Relevant Authority agrees (acting reasonably); and

6.1.5 where the Authority requests any additional reviews (over and above those provided for in paragraphs 6.1.1 to 6.1.4) by notifying the Supplier to such effect in writing, whereupon the Supplier shall conduct such reviews in accordance with the Authority's written requirements. Prior to starting its review, the Supplier shall provide an accurate written estimate of the total costs payable by the Authority for the Authority's approval. The costs of both Parties of any such additional reviews shall be met by the Authority except that the Supplier shall not be entitled to charge the Authority for any costs that it may incur above any estimate without the Authority's prior written approval.

6.2 Each review of the Service Continuity Plan pursuant to paragraph 6.1 shall be a review of the procedures and methodologies set out in the Service Continuity Plan and shall assess their suitability having regard to any change to the Services or any underlying business processes and operations facilitated by or supported by the Services which have taken place since the later of the original approval of the Service Continuity Plan or the last review of the Service Continuity Plan and shall also have regard to any occurrence of any event since that date (or the likelihood of any such event taking place in the foreseeable future) which may increase the likelihood of the need to invoke the Service Continuity Plan. The review shall be completed by

the Supplier within the period required by the Service Continuity Plan or, if no such period is required, within such period as the Authority shall reasonably require. The Supplier shall, within 20 Working Days of the conclusion of each such review of the Service Continuity Plan, provide to the Authority a report (a Review Report) setting out:

6.2.1 the findings of the review;

6.2.2 any changes in the risk profile associated with the Services; and

6.2.3 the Supplier's proposals (the **Supplier's Proposals**) for addressing any changes in the risk profile and its proposals for amendments to the Service Continuity Plan following the review detailing the impact (if any and to the extent that the Supplier can reasonably be expected to be aware of the same) that the implementation of such proposals may have on any services or systems provided by a third party.

6.3 Following receipt of the Review Report and the Supplier's Proposals, the Authority shall:

6.3.1 review and comment on the Review Report and the Supplier's Proposals as soon as reasonably practicable; and

6.3.2 notify the Supplier in writing that it approves or rejects the Review Report and the Supplier's Proposals no later than 20 Working Days after the date on which they are first delivered to the Authority.

6.4 If the Authority rejects the Review Report and/or the Supplier's Proposals:

6.4.1 the Authority shall inform the Supplier in writing of its reasons for its rejection; and

6.4.2 the Supplier shall then revise the Review Report and/or the Supplier's Proposals as the case may be (taking reasonable account of the Authority's comments and carrying out any necessary actions in connection with the revision) and shall re-submit a revised Review Report and/or revised Supplier's Proposals to the Authority for the Authority's approval within 20 Working Days of the date of the Authority's notice of rejection. The provisions of paragraph 6.3 and this paragraph 6.4 shall apply again to any resubmitted Review Report and Supplier's Proposals, provided that either Party may refer any disputed matters for resolution by the Dispute Resolution Procedure at any time.

6.5 The Supplier shall as soon as is reasonably practicable after receiving the Authority's approval of the Supplier's Proposals (having regard to the significance of any risks highlighted in the Review Report) effect any change in its practices or procedures necessary so as to give effect to the Supplier's Proposals. Any such change shall be at the Supplier's expense unless it can be reasonably shown that the changes are required because of a material change to the risk profile of the Services.

7 Testing of the Service Continuity Plan

7.1 The Supplier shall test the Service Continuity Plan on a regular basis (and in any event not less than once in every Contract Year). Subject to paragraph 7.2, the Authority may require the Supplier to conduct additional tests of some or all aspects of the Service Continuity Plan at any time where the Authority considers it necessary, including where there has been any change to the Services or any underlying business processes, or on the occurrence of any event which may increase the likelihood of the need to implement the Service Continuity Plan.

7.2 If the Authority requires an additional test of the Service Continuity Plan, it shall give the Supplier written notice and the Supplier shall conduct the test in accordance with the Authority's requirements and the relevant provisions of the Service Continuity Plan. The Supplier's costs of the additional test shall be borne by the Authority unless the Service Continuity Plan fails the additional test in which case the Supplier's costs of that failed test shall be borne by the Supplier.

7.3 The Supplier shall undertake and manage testing of the Service Continuity Plan in full consultation with the Authority and shall liaise with the Authority in respect of the planning, performance, and review, of each test, and shall comply with the reasonable requirements of the Authority in this regard. Each test shall be carried out under the supervision of the Authority or its nominee.

7.4 The Supplier shall ensure that any use by it or any Sub-contractor of "live" data in such testing is first approved with the Authority. Copies of live test data used in any such testing shall be (if so required by the Authority) destroyed or returned to the Authority on completion of the test.

7.5 The Supplier shall, within 20 Working Days of the conclusion of each test, provide to the Authority a report setting out:

7.5.1 the outcome of the test;

7.5.2 any failures in the Service Continuity Plan (including the Service Continuity Plan's procedures) revealed by the test; and

7.5.3 the Supplier's proposals for remedying any such failures.

7.6 Following each test, the Supplier shall take all measures requested by the Authority, (including requests for the re-testing of the Service Continuity Plan) to remedy any failures in the Service Continuity Plan and such remedial activity and re-testing shall be completed by the Supplier, at no additional cost to the Authority, by the date reasonably required by the Authority and set out in such notice.

7.7 For the avoidance of doubt, the carrying out of a test of the Service Continuity Plan (including a test of the Service Continuity Plan's procedures) shall not relieve the Supplier of any of its obligations under this Contract.

7.8 The Supplier shall also perform a test of the Service Continuity Plan in the event of any major reconfiguration of the Services or as otherwise reasonably requested by the Authority.

8 Invocation of the Service Continuity Plan

8.1 In the event of a loss of any critical part of the Service or a Disaster, the Supplier shall immediately invoke the business continuity and disaster recovery provisions in the Service Continuity Plan, including any linked elements in other parts of the Service Continuity Plan, and shall inform the Authority promptly of such invocation. In all other instances the Supplier shall invoke the business continuity and disaster recovery plan elements only with the prior consent of the Authority.

8.2 The Insolvency Continuity Plan element of the Service Continuity Plans, including any linked elements in other parts of the Service Continuity Plan, shall be invoked by the Supplier:

8.2.1 where an Insolvency Event of a Key Sub-contractor and/or Supplier Group member (other than the Supplier) could reasonably be expected to adversely affect delivery of the Services; and/or

8.2.2 where there is an Insolvency Event of the Supplier and the insolvency arrangements enable the Supplier to invoke the plan.

Schedule 27

Conduct of Claims

1 Indemnities

1.1 This Schedule shall apply to the conduct, by a Party from whom an indemnity is sought under this Contract (the **Indemnifier**), of claims made by a third person against a party having (or claiming to have) the benefit of the indemnity (the **Beneficiary**).

1.2 If the Beneficiary receives any notice of any claim for which it appears that the Beneficiary is, or may become, entitled to indemnification under this Contract (a **Claim**), the Beneficiary shall give notice in writing to the Indemnifier as soon as reasonably practicable and in any event within ten Working Days of receipt of the same.

1.3 Subject to paragraph 2, on the giving of a notice by the Beneficiary, where it appears that the Beneficiary is or may be entitled to indemnification from the Indemnifier in respect of all (but not part only) of the liability arising out of the Claim, the Indemnifier shall (subject to providing the Beneficiary with a secured indemnity to its reasonable satisfaction against all costs and expenses that it may incur by reason of such action) be entitled to dispute the Claim in the name of the Beneficiary at the Indemnifier's own expense and take conduct of any defence, dispute, compromise or appeal of the Claim and of any incidental negotiations relating to the Claim. If the Indemnifier does elect to conduct the Claim, the Beneficiary shall give the Indemnifier all reasonable cooperation, access and assistance for the purposes of such Claim and, subject to paragraph 2.2, the Beneficiary shall not make any admission which could be prejudicial to the defence or settlement of the Claim without the prior written consent of the Indemnifier.

1.4 With respect to any Claim conducted by the Indemnifier pursuant to paragraph 1.3:

1.4.1 the Indemnifier shall keep the Beneficiary fully informed and consult with it about material elements of the conduct of the Claim;

1.4.2 the Indemnifier shall not bring the name of the Beneficiary into disrepute;

1.4.3 the Indemnifier shall not pay or settle such Claim without the prior written consent of the Beneficiary, such consent not to be unreasonably withheld or delayed; and

1.4.4 the Indemnifier shall conduct the Claim with all due diligence.

1.5 The Beneficiary shall be entitled to have conduct of the Claim and shall be free to pay or settle any Claim on such terms as it thinks fit and without prejudice to its rights and remedies under this Contract if:

1.5.1 the Indemnifier is not entitled to take conduct of the Claim in accordance with paragraph 1.3;

1.5.2 the Indemnifier fails to notify the Beneficiary in writing of its intention to take conduct of the relevant Claim within ten Working Days of the notice from the Beneficiary or if the Indemnifier notifies the Beneficiary in writing that it does not intend to take conduct of the Claim; or

1.5.3 the Indemnifier fails to comply in any material respect with the provisions of paragraph 1.4.

2 Sensitive Claims

2.1 With respect to any Claim which the Beneficiary, acting reasonably, considers is likely to have an adverse impact on the general public's perception of the Beneficiary (a **Sensitive Claim**), the Indemnifier shall be entitled to take conduct of any defence, dispute, compromise or

appeal of the Sensitive Claim only with the Beneficiary's prior written consent. If the Beneficiary withholds such consent and elects to conduct the defence, dispute, compromise or appeal of the Sensitive Claim itself, it shall conduct the Sensitive Claim with all due diligence and if it fails to do so, the Indemnifier shall only be liable to indemnify the Beneficiary in respect of that amount which would have been recoverable by the Beneficiary had it conducted the Sensitive Claim with all due diligence.

2.2 The Beneficiary shall be free at any time to give written notice to the Indemnifier that it is retaining or taking over (as the case may be) the conduct of any Claim, to which paragraph 1.3 applies if, in the reasonable opinion of the Beneficiary, the Claim is, or has become, a Sensitive Claim.

3 Recovery of Sums

3.1 If the Indemnifier pays to the Beneficiary an amount in respect of an indemnity and the Beneficiary subsequently recovers (whether by payment, discount, credit, saving, relief or other benefit or otherwise) a sum which is directly referable to the fact, matter, event or circumstances giving rise to the Claim, the Beneficiary shall forthwith repay to the Indemnifier whichever is the lesser of:

3.1.1 an amount equal to the sum recovered (or the value of the discount, credit, saving, relief, other benefit or amount otherwise obtained) less any out-of-pocket costs and expenses properly incurred by the Beneficiary in recovering or obtaining the same; and

3.1.2 the amount paid to the Beneficiary by the Indemnifier in respect of the Claim under the relevant indemnity.

4 Mitigation

Each of the Authority and the Supplier shall at all times take all reasonable steps to minimise and mitigate any loss for which the relevant Party is entitled to bring a claim against the other Party pursuant to the indemnities in this Schedule.

2.3.7 any claim made by or in respect of a Transferring Supplier Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Supplier Employee relating to any act or omission of the Supplier or any Sub-contractor in relation to its obligations under regulation 13 of the Employment Regulations, except to the extent that the liability arises from the failure by the Authority and/or Replacement Supplier to comply with regulation 13(4) of the Employment Regulations.

Schedule 35

Carbon Reduction

1. Definitions

1.1. In this Schedule, the following definitions shall apply:

"Carbon Footprint"	the sum of GHG Emissions from an individual, product, organisation or country, measured in tonnes of carbon dioxide-equivalent (t CO2e);
"Contract Carbon Footprint"	the GHG Emissions resulting from the execution of the Contract as described by the GHG Protocol Corporate Standard;
"Carbon Reduction Plan" or "CRP"	a Carbon Reduction Plan in response to PPN 006;
"Emissions Reduction"	the reduction of GHG Emissions from a product, service, contract, organisation or country;
"Emissions Reduction Target (ERT)"	the target for Emissions Reduction for each year of the Contract, expressed as a percentage;
"Emissions Report"	a report, substantially in the form set out in Table 1, containing, as a minimum, details of the GHG Emissions for this Contract against the Reporting Scopes for each Contract Year, details of any newly identified GHG Hotspots and details of any decarbonisation opportunities;
"GHG Emissions Reduction Plan (ERP)"	a plan, substantially in the form set out in Table 2, containing the key activities and interventions that will lead to Emissions Reduction;
"Greenhouse Gas Emissions (GHG Emissions)"	the release of greenhouse gases as defined in the GHG Protocol, typically measured in tonnes of carbon dioxide-equivalent (t CO2e);
"GHG Hotspots"	processes, operations, and activities that have a proportionately large contribution to the total GHG Emissions for the Contract;
"Government Net Zero Target"	the 2050 target date by which the UK government has committed to achieve Net Zero, pursuant to the Climate Change Act 2008 (2050 Target Amendment) Order 2019;
"Net Zero"	Net Zero is a state in which the amount of GHG Emissions released into the atmosphere are balanced by the amount of GHG Emissions removed;
"Reporting Scopes"	the following categories of GHG Emissions:

	"Scope 1 Emissions" are GHG Emissions that come from the Supplier directly, e.g. from burning fuel in vehicles or boilers that the Supplier owns; "Scope 2 Emissions" are GHG Emissions from the Supplier's use of electricity; and "Scope 3 Emissions" are broken down into 15 sub-categories, including emissions associated with the goods and services you buy, financial services such as investments, and others such as waste or transportation. There are five Scope 3 categories included in the reporting for a Supplier's CRP: upstream transportation and distribution; waste generated in operations; business travel; employee commuting; and downstream transportation and distribution; and
"Supplier Net Zero Target"	the date by which the Supplier commits to achieve Net Zero.

2. Net Zero Obligation

2.1. The Supplier shall, through best endeavours, ensure that their environmental impact is minimised throughout the delivery of the Contract.

3. Net Zero Commitment

3.1. The Supplier acknowledges and understands the Government Net Zero Target. Accordingly the Supplier shall:

3.1.1. set a Supplier Net Zero Target with a target achievement date the same as or earlier than the Government Net Zero Target;

3.1.2. provide details of any steps it is taking an organisation to reduce its Carbon Footprint in the form of Emissions Reduction initiatives;

3.1.3. create a Carbon Reduction Plan in line with PPN 006;

3.1.4. where required to do so, undertake and keep up to date full and complete records of CHG Emissions reporting activity undertaken by the Supplier with supporting data and provide the same to the Authority each year; and

3.1.5. attend on reasonable notice, meetings with the Authority Representative or other nominated representative to present the Supplier's CRP to achieve, and current progress towards, the Supplier Net Zero Target.

3.2. If the Authority, having reviewed the Emissions Report and discussed with the Supplier its progress to achieve the Supplier Net Zero Target, determines (acting reasonably) that the Supplier is making insufficient progress towards achieving the Supplier Net Zero Date, the Authority may work with the Supplier to determine and implement a suitable rectification plan in accordance with the Rectification Plan Process.

4. Net Zero Contractual Commitments

4.1. The Supplier commits to delivering this Contract in a manner which supports the achievement of the Supplier Net Zero Target and the Government Next Zero Target.

4.2. The Supplier shall create a Contract Carbon Footprint by undertaking an assessment of the GHG Emissions for this Contract within 3 months of the Effective Date. The assessment shall aim to quantify the GHG Emissions associated with resources, time and assets deployed in the delivery of the Contract and, in particular, identify GHG Hotspots.

4.3. The GHG Emissions assessment outlined in Paragraph 5 should adhere to the Greenhouse Gas Protocol's Product Standard and should be conducted to a mutually-agreed level of assurance. The GHG Emissions to be included in the assessment shall be mutually agreed between the Supplier and the Authority.

4.4. The Supplier undertakes to, as soon as reasonably practicable and in any event within 3 months of the Effective Date, develop and implement a Carbon Reduction Plan, in the form set out in Table 2, for the Contract, with the objective of reducing the Contract Carbon Footprint of this contract by 10% per Contract Year throughout the Term (the "**Emissions Reduction Target (ERT)**"), initially focusing on GHG Hotspots and shall update and provide a copy of the Carbon Reduction Plan to the Authority annually.

4.5. The Supplier warrants to the Authority that:

4.5.1. it has sufficient resources, infrastructure and materials to achieve the ERT by the date of the expiry of the Contract;

4.5.2. none of the Goods and Services supplied under this Contract will be of lower quality as a result of working towards the ERT; and

4.5.3. it will not offer preferential terms and conditions to those other customers who do not require an ERT or similar obligations in their contracts.

5. **Reporting**

5.1. The Supplier shall:

5.1.1. re-assess the GHG Emissions every Contract Year; and

5.1.2. provide the Authority with a written report of the results of each assessment within 12 months of the completion under Paragraph 4.4 of this Schedule 35 using Table 1: Emissions Report below and every following 12 months. The Authority, acting reasonably, may make adjustments to the content or frequency of Emissions Reports as required.

6. **Net Zero Modification**

6.1. The Parties agree to, wherever possible, perform their obligations under this Contract in a way that minimises the Contract Carbon Footprint associated with the activities under this Contract.

6.2. In accordance with the Change Control Procedure, either Party may request or propose a Net Zero modification in the performance of either Party's obligations under the Contract in order to reduce the Contract Carbon Footprint resulting from this Contract.

7. **Remediation Plan**

7.1. The Supplier shall notify the Authority as soon as it becomes aware of any reason why it might fail to achieve any of the obligations in Paragraph 7. The Authority shall work with the Supplier to agree a remediation plan for the Supplier in accordance with the Rectification Plan Process.

8. **Fuel Emissions**

8.1. The Supplier shall avoid fuel emissions wherever possible by:

8.1.1. arranging meetings using e-conferencing services where face-to-face meetings are not required by the Authority;

8.1.2. using logistics to rationalise journeys and minimise miles travelled in the transportation of goods to Authority Premises;

8.1.3. providing online and webinar-based training for Supplier Staff, minimising the need for travel to attend courses; and

8.1.4. encouraging Supplier Staff to use electric/hybrid vehicles or the rail service rather than petrol, diesel powered vehicles or short haul flights.
