Bidder Guidance notes for completion for Parts 1, 2, 3 and definitions for all sections

1. The “authority” or “we” or “us” means the named Contracting Authority or anyone acting on behalf of the Contracting Authority, that is seeking to invite suitable organisations to participate in this procurement process.
2. “You” / “Your” refers to the potential Supplier or Bidder completing this standard Selection Questionnaire i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (as amended) (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4. The authority recognises that arrangements set out in section 1 & 2 and potentially 3 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of sub-contractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the authority immediately of any change in the proposed arrangements and ensure a completed Part 1 and Part 2 is submitted for any new organisation relied on to meet the selection criteria. The authority will make a revised assessment of the submission based on the updated information.

It isn't necessary to identify which entities and persons you think are covered but you must be satisfied that your declaration is made in respect of all of those that are covered.</p>

Bidder Guidance	<p>Bidders are asked to complete the attached AW5.2 Rates Schedule with their breakdown of hourly Rates that will be applicable for this Contract.</p> <p>The scoring methodology for this question shall be:</p> <p>Total Rates will be evaluated using proportionate pricing (lowest bid / bid * mark). A bidder's score will be based on the lowest total score received divided by their total cost and then multiplied by the marks available.</p> <p>For example, if the total basket price for three bid responses is received and Bidder A has quoted £50,000 as their total price, Bidder B has quoted £80,000 and Bidder C has quoted £100,000 then the calculation will be as follows:</p> <p>(Maximum marks available in this example being 12.5)</p> <p>Bidder A Score = $50000/50000 \times 12.5 = 12.5$ Bidder B Score = $50000/80000 \times 12.5 = 7.81$ Bidder C Score = $50000/100000 \times 12.5 = 6.25$</p> <p>This evaluation criteria will therefore not be subject to any averaging, as this is a mathematical scoring criterion, but will still be subject to a commercial review.</p> <p>The lowest score possible is 0.</p>
