

## **Market Engagement for Child Health Information Services – London Region**

NHS England London Region (hereafter referred to as "The Authority") invites interested, suitably qualified and experienced providers to attend a Market Engagement Event in advance of publication of Child Health Information Services across London.

The services contracts are split into 5 Lots.

<b>Lot 1</b>	<b>Lot 2</b>	<b>Lot 3</b>	<b>Lot 4</b>	<b>Lot 5</b>
North Central London	North East London	North West London	South East London	South West London

Bidders will be asked to provide feedback after the event. The Authority will also publish feedback and Q&A after event.

### **Background**

The purpose of Child Health Information Services (CHIS), and the Systems that support them, is to ensure that each child in England has an accurate active record supporting delivery of public health interventions including; screening and childhood and adolescent immunisations for which detailed service specifications are set out in the annual NHS Public Health Functions Agreement and the Healthy Child Programme services. The CHIS enable the health protection, promotion, and failsafe activities for clinical delivery to be carried out in a timely way. The children and young people population covered by CHIS are those:

- ☐ registered with a General Practice in the area;
- ☐ resident in the specified area whether registered with a General Practice or not;
- ☐ educated in the London area.

The Provider will be required to show that the healthcare premises comply with BS ISO/IEC 17799-2005 (Code of Practice for Information Security Management) and ISO 27001:2005 (Information Security Management Systems - Requirements) for all systems used to provide IM&T Services unless otherwise agreed with the Commissioner.

### **CHIS Operating Model**

- Delivery will be in line with the national CHIS schedule 2 service specification with some regional enhancements to meet local population need.

**Market Engagement:** The Authority plans to hold an online interactive engagement event via MS Teams on 3<sup>rd</sup> April 2023 from 14:30 – 17:00

**The Market Engagement Event will provide:**

- An overview of the current CHIS provision across the London Region;
- Details of the anticipated contract type, length and particular conditions (including tariff);
- An overview of the proposed commissioning approach;
- Procurement process oversight and bid preparation

**Registration**

Reservations are limited to no more than two individuals per organisation.

**MS Forms - INVITE LINK**

**Additional Text**

The Procurement and Contracting Hub, hosted by NHS North East London, Part of North East London Health and Care Partnership is managing this Early Engagement process on behalf of NHS England (The Authority). The services to which this advert relates fall within Schedule 3 of the Public Contracts Regulations 2015 (the Regulations) and the "Light Touch Regime" (LTR) governing the procurement of Health, Social, Education and Other service contracts. Neither the reference to the "Open Procedure", "ITT", "SQ", the use of the term "Tender process", nor any other indication shall be taken to mean that The Authority intends to hold itself bound to any of the Regulations, save those applicable to LTR provisions. Information relating to this procurement is provided in good faith and may be subject to amendment by The Authority.
