

CHANGE CONTROL NOTICE (CCN)			
Contract Title:	Contract for The Provision of CCS Cloud Hosting – Contract Amendment (The Contract)		
Contract Reference:	OGVA AWS CCS	Contract Change Number:	OGVA AWS CCS-1
Date CCN issued:	24 <sup>th</sup> May 2024	Date Change Effective from:	the date the last party signs this amendment.

**Between:** The **Crown Commercial Service** (The Customer) and **Amazon Web Services EMEA SARL** (The Supplier)

In 2023 Crown Commercial Service let a contract with Amazon Web Services EMA SARL through the OGVA framework for the hosting of Crown Commercial Service services that were residing on AWS at that point. The vast majority of Crown Commercial Service services were hosted on gov.uk PaaS (GPaaS) and following the decision by GDS to decommission that platform, Crown Commercial Service migrated those services across to AWS.

Following the migration of the Crown Commercial Service services that were hosted on gov.uk PaaS to AWS, there is a need to increase the contract value of the CCS Hosting contract to date for the increased costs incurred for these migrated services.

The Buyer has requested an uplift in contract value.

Initial Contract Value: £1,322,644.99 excluding VAT

Increase in Contract Value: £1,236,000.00 excluding VAT

Total Contract Value: £2,558,644.99 excluding VAT

Total Contract Value: £3,070,373.99 including VAT as per PPN 10/21
