39.2 Report and Invoice

Within five (5) Business Days after the end of each Month, the Contractor shall submit to the Authority:

39.2.1 a report showing for that Month the Monthly Payment and, individually, each item taken into account in calculating the Monthly Payment for that Month pursuant to **paragraph 10.3 (Monthly Reporting)** of **Schedule 14 (Payment Mechanism)**; and

39.2.2 an invoice for the amount (if any) shown by the report as owing by the Authority to the Contractor and for any VAT payable by the Authority in respect of that amount,

together the "**Application for Payment**".

39.3 Payment

39.3.1 Payment of the amount specified in the Application for Payment shall be due on the date the Authority receives the Application for Payment pursuant to **clause 39.2 (Report and Invoice)** (the "**Payment Due Date**").

39.3.2 No later than five (5) Days after the Payment Due Date the Authority shall submit to the Contractor a notice specifying the amount that the Authority considers to be due at the Payment Due Date and the basis on which that amount is calculated (the

"**Payment Notice**"). It is immaterial that the amount referred to in the Payment Notice may be zero.

39.3.3 The Authority shall, subject to any Pay Less Notice (as defined in **clause 39.3.4 (Payment)**), pay the amount specified in the Payment Notice or, if no Payment Notice is issued by the Authority pursuant to this **clause 39.3.3 (Payment)**, the amount stated in the Application for Payment (in either case the "**Notified Amount**"), within thirty (30) Days of the Payment Due Date (the "**Final Date for Payment**").

39.3.4.1 the amount which the Authority considers to be due to the Consultant at the date the notice is given; and

39.3.4.2 the basis on which that amount is calculated,

(a "**Pay Less Notice**"). It is immaterial that the amount then considered to be due may be zero. Where a Pay Less Notice is given, the payment to be made on or before the Final Date for Payment shall not be less than the amount stated in the Pay Less Notice. Where the Authority fails to issue a Payment Notice or Pay Less Notice within the periods required by this **clause 39.3 (Payment)** the amount stated in the Application for Payment shall be paid by the Authority by the Final Date for Payment. Should the Authority determine the amount in the Application for Payment to be incorrect the Authority shall be entitled to take this into account in the following Monthly Payment by issuing a valid Payment Notice or Pay Less Notice.

39.3.5 Where a report shows a net amount owed by the Contractor to the Authority, the Contractor shall pay that amount to the Authority on or before the date falling thirty (30) Days after the date of the invoice, or at the option of the Authority carry forward that amount to the next invoice in reduction of the amount which would otherwise have been owed by the Authority to the Contractor.

resolution pursuant to **clause 39.3.6 (Payment)**, the Authority shall pay any undisputed amounts in accordance with this **clause 39 (Payment Provisions)**.

39.4 **Interest on Late Payment**

Except where otherwise specifically provided, where any payment or sum of money due from the Contractor to the Authority or from the Authority to the Contractor under any provision of this Contract is not paid on or before the due date, it shall bear interest on that amount at the Prescribed Rate from the due date (whether before or after any judgment) until actual payment and it is agreed between the Parties that the Prescribed Rate and the provisions of this Contract provide the Contractor with a substantial remedy pursuant to sections 8 and 9 of the Late Payment of Commercial Debts (Interest) Act 1998.

40. **TAXATION**

40.1 **Value Added Tax**

- 40.1.1 All amounts due under this Contract are exclusive of VAT.

- 40.1.3 Where under this Contract any amount is calculated by reference to any sum which has or may be incurred by any person, the amount shall include any VAT in respect of that amount only to the extent that such VAT is not recoverable as input tax by that person (or a member of the same VAT group), whether by set off or repayment.
- 40.1.4 The Contractor shall provide the Authority with any information reasonably requested by the Authority in relation to the amount of VAT chargeable in accordance with this Contract and payable by the Authority to the Contractor.
- 40.1.5 The Contractor shall indemnify the Authority on a continuing basis against any liability, including any interest, penalties or costs incurred, that is levied, demanded or assessed on the Authority at any time in respect of the Contractor's failure to account for or to pay any VAT relating to payments made to the Contractor under this Contract. Accordingly the Reverse Charge Order will not apply, and the Authority will not be required to account to HMRC for VAT in respect of such supplies under section 55A of VATA.

41.2 **Set Off and Disputed Amounts**

If the payment or deduction of any amount referred to in **clause 41.1 (Rights of Set Off)** is disputed then any undisputed element of that amount shall be paid and the disputed element shall be dealt with in accordance with the Dispute Resolution Procedure.

the Contractor shall at all times during which a Force Majeure Event is subsisting take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

52. EXCLUSIVITY OF REMEDY

Save as provided in and subject to **clause 53 (Consequences of Termination)**, any payment of compensation shall be in full satisfaction of any claim which can be made against the Authority by the Contractor in relation to the termination of this Contract. 54. **SURVEYS ON EXPIRY OR TERMINATION AND RETENTION FUND**

54.1 **Final Survey**

54.1.1 No earlier than the date that is thirty six (36) Months prior to the Expiry Date, or, in the case of early termination, no later than eighteen (18) Months following the Termination Notice (or other notice having the effect of termination), the Authority shall be entitled to carry out or procure the carrying out of a final survey of the Prison and, to the extent relevant not included in the Prison, the Site, to audit

and assess whether it and the Assets have been and are being maintained by the Contractor in accordance with its obligations under **clause 15.4 (Maintenance of Assets and Equipment Refresh Plan)**, **clause 19 (Maintenance of the Prison)** and **Schedule 11 (Property and Facilities Management)** (the "**Required Condition Standard**").

54.1.2 No later than the date that is six (6) Months prior to the Expiry Date, or, in the case of early termination, no later than twenty four (24) Months following the Termination Notice (or other notice having the effect of termination), the Authority shall be entitled to carry out or procure the carrying out of a further final survey of the Prison and, to the extent relevant not included in the Prison, the Site, to further audit and assess whether:

54.1.2.1 it and the Assets have been and are being maintained by the Contractor in accordance with the Required Condition Standard; and

54.1.2.2 any failure of the Prison, Site or Assets to meet the Required Condition Standard identified prior to such further final survey have been addressed.

54.1.3 The Authority shall notify the Contractor in writing a minimum of ten (10) Business Days before the date it wishes to carry out or procure the carrying out of a final survey. The Authority shall consider in good faith any reasonable request by the Contractor for a final survey to be carried out on a different date if such request is made at least five (5) Business Days prior to the notified date and the Contractor (acting reasonably) is able to demonstrate that carrying out a final survey on the notified date would materially prejudice the Contractor's ability to provide the Services.

54.2 Minimisation of Disruption

Where the Authority carries out or procures the carrying out of a final survey, the Authority shall use reasonable endeavours to minimise any disruption caused to the provision of the Services by the Contractor. The Contractor shall afford the Authority or any person carrying out the survey (free of charge) any reasonable assistance required by the Authority during the carrying out of a final survey.

54.3 Results of Survey

If a final survey shows that the Contractor has not complied with or is not complying with its obligations under **clause 15.4 (Maintenance of Assets and Equipment Refresh Plan)** or

clause 19 (Maintenance of the Prison), the Authority shall:

- 54.3.1 notify the Contractor of the rectification and/or maintenance work which is required to bring the condition of the Prison and, to the extent relevant not included in the Prison, the Site, and/or as applicable the relevant Assets to the standard they would have been in if the Contractor had complied or was complying with its obligations under **clause 15.4 (Maintenance of Assets and Equipment Refresh Plan)** and **clause 19 (Maintenance of the Prison)**;
- 54.3.2 specify a reasonable period within which the Contractor must carry out such rectification and/or maintenance work; and
- 54.3.3 recover the cost of the survey from the Contractor by means of a deduction from the next payment or payments of the Contract Price.

54.4 Maintenance Work

The Contractor shall carry out such rectification and/or maintenance work notified pursuant to **clause 54.3.1 (Results of Survey)** (the "**Outstanding Work**") in order to bring the condition of the Prison and, to the extent relevant not included in the Prison, the Site, and/or as applicable the relevant Assets up to the Required Condition Standard within the period specified and any costs it incurs in carrying out the Outstanding Work shall be at its own expense.

54.5 Retention Fund

- 54.5.1 If the Contractor has been notified under **clause 54.3.1 (Results of Survey)** that rectification and/or maintenance work is required, then for the remaining Months of the term of this Contract following such notification, the Authority shall (to the extent that the Outstanding Work has not been carried out in the interim) deduct the costs of that work as quantified by either of the surveys referred to in **clause 54.1 (Final Survey)** from the next following instalment (or, if the amount of such instalment is insufficient, the next instalments as necessary) of the Contract Price and the Authority shall withhold payment of such amount (and apply interest at the Bank of England base rate (the "**Retention Fund**").
- 54.5.2 The Retention Fund shall be maintained during and following the end of the term of this Contract until it has been exhausted in meeting the costs of Outstanding Work as contemplated by **clause 54.6 (Costs)** or any balance has been paid to the Contractor as contemplated by **clause 54.8 (Balance of Fund)**.

54.6 Costs

If and to the extent that the Contractor carries out the Outstanding Work to the Authority's

reasonable satisfaction within the specified period, to the extent that there are funds standing to the credit of the Retention Fund, the Authority shall reimburse the Contractor's costs of so doing by withdrawing amounts from the Retention Fund. If the amount in the Retention Fund is insufficient to cover the Contractor's costs, the Contractor shall bear the balance of such costs itself.

54.7 Failure to Carry Out Work

If and to the extent that the Contractor fails to carry out the Outstanding Work to the Authority's reasonable satisfaction within the specified period (which may be before or after the term of this Contract), the Authority shall be entitled to carry out itself, or procure, such rectification and/or maintenance work at the Contractor's expense and shall:

- 54.7.1 make withdrawals from the Retention Fund; or
- 54.7.2 where there are insufficient funds in the Retention Fund, make deductions from any subsequent payment of the Contract Price to pay for such work or recover such amounts from the Contractor as a debt payable on demand.

54.8 Balance of Fund

If:

- 54.8.1 all the Outstanding Work identified by the Authority or the person the Authority procures to carry out a final survey has been carried out to the Authority's reasonable satisfaction;
- 54.8.2 all such Outstanding Work has been paid for by the Contractor; and
- 54.8.3 no Termination Notice is outstanding,

then the Authority shall pay any credit balance on the Retention Fund to the Contractor as soon as practicable.

55. TRANSITION TO ANOTHER CONTRACTOR

- 55.1 The provisions of **Schedule 24 (Handover and Exit Management)** shall apply in connection with the expiry or termination (howsoever caused) of this Contract.

Where for the purposes of this **clause 59 (Financial Adjustments)** the Base Case is to be adjusted by reference to a Relevant Event, this shall be carried out by the Contractor, in consultation with the Authority, to reflect the cumulative impact of any prior Relevant Event on the version of the Base Case applicable immediately prior to the relevant adjustment and to reflect the impact of the Relevant Event in respect of which such adjustment is being undertaken. Following any change to the Base Case under the provisions of this **clause 59 (Financial Adjustments)**, the Contractor shall promptly deliver a copy of the revised Base Case to the Authority in the same form as is established at the Commencement Date or in such other form as may be agreed between the Parties.

- 60.1.3 following a Contractor Default; and/or
- 60.1.4 pursuant to **clause 36.11.3.2 (Sufficient Contractor's Staff)**,

then the Authority shall be entitled to take action in accordance with **clauses 60.2 (Notice to the Contractor)** to **60.5 (Step-In on Contractor Breach)**.

60.2 **Notice to the Contractor**

If **clause 60.1 (Right to Step-In)** applies and the Authority wishes to take action, the Authority shall notify the Contractor in writing of the following:

- 60.2.2 the reason for such action;
- 60.2.3 the date it wishes to commence such action;
- 60.2.4 the time period which it believes will be necessary for such action; and

60.3 **Action by Authority**

- 60.3.1 Following service of such notice, the Authority shall (acting by itself or with or through a third party) take such action as notified under **clause 60.2 (Notice to the Contractor)** and any consequential additional action as it reasonably believes is necessary (together, the "**Required Action**") and the Contractor shall give all reasonable assistance to the Authority while it is taking the Required Action. The Authority shall provide the Contractor with notice of completion of the Required Action and shall use reasonable endeavours to provide such advance notice as is reasonably practicable of its anticipated completion.
- 60.3.2 Where the Required Action has been taken otherwise than as a result of a breach by the Contractor, the Authority shall undertake the Required Action in accordance with Good Industry Practice and shall indemnify and keep indemnified in full the Contractor against all Direct Losses where it fails to do so.

60.4 **Step-In without Contractor Breach**

- 60.4.1 the Contractor shall be relieved from its obligations to provide such part of the Services; and
- 60.4.2 in respect of the period in which the Authority is taking the Required Action and provided that the Contractor provides the Authority with reasonable assistance (such assistance to be at the expense of the Authority to the extent that incremental costs are incurred), the Contract Price due from the Authority to the Contractor shall equal the amount the Contractor would receive if it were satisfying all its obligations and providing the Services affected by the Required Action in full over that period.

60.5 **Step-In on Contractor Breach**

If the Required Action is taken as a result of a breach of the obligations of the Contractor under this Contract, then for so long as and to the extent that the Required Action is taken, and this prevents the Contractor from providing any part of the Services:

- 60.5.1 the Contractor shall be relieved of its obligations to provide such part of the Services; and
- 60.5.2 in respect of the period in which the Authority is taking the Required Action, the

Contract Price due from the Authority to the Contractor shall equal the amount the Contractor would receive if it were satisfying all its obligations and providing the Services affected by the Required Action in full over that period, less an amount equal to all the Authority's costs of operation in taking the Required Action.

The parties' remedies for breach of contract, including (but not limited to) damages, shall not be affected by this clause.

60.6 **Intervention under Section 88**

60.6.1 Without prejudice to any other provision of this Contract, the Contractor shall note and comply with the provisions of Section 88.

60.6.2 If the Secretary of State for Justice shall appoint a Governor of the Prison by virtue of their powers under Section 88, then:

60.6.2.1 this Contract shall continue in force;

60.6.2.2 all provisions of this Contract shall, without prejudice to the Authority's rights under **Part X (Expiry and Termination)** of this Contract, continue to operate except that the functions that would otherwise be exercisable by the Director and the Controller shall be exercised by the Governor; and

60.6.2.3 for the period during which a Governor is appointed the Contract Price due from the Authority to the Contractor shall continue to be paid in accordance with **clause 39 (Payment Provisions)**, less an amount equal to all the Authority's costs of operation in respect of any action taken under this **clause 60.6.2 (Intervention under Section 88)**.

60.7 **Step-Out**

60.7.1 The Authority may, at any time during the period of the Required Action, provide notice (a "**Step-Out Notice**") to the Contractor stating that the Authority wishes to cease the Required Action with effect from such date as is reasonable in the circumstances (a "**Step-Out Date**").

60.7.2 Where the Authority exercised its rights to take the Required Action as a result of a breach of the obligations of the Contractor under this Contract then the Authority shall issue the Contractor with a Step-Out Notice as soon as is reasonably

66.5 **Conduct of Claims**

66.5.1 Except in respect of any Third Party Claims or investigations under or in connection with any breaches of **clause 65 (Data Protection)** (which shall be dealt with in accordance with **Schedule 25 (Data Protection)**), the Contractor agrees (and undertakes to procure that its Sub-Contractors agree) that (subject to the agreement of the relevant insurer) and on giving written notice to such effect to the Contractor at any time, the Authority has:

66.5.1.1 the sole right to control of any proceedings; or

66.5.1.2 the right to join the proceedings,

in relation to any Third Party Claim (including any claim by employees of the Parties), to which the Authority is, or is likely to be, a party as a defendant, regardless of whether the Contractor (or any Sub-Contractor) is also a party to such proceedings.

66.5.2 The Authority agrees that it shall not settle or compromise any Third Party Claim

giving rise to losses exceeding fifty thousand pounds (£50,000) (Indexed) for which the Contractor is liable to indemnify the Authority under **clause 66.1 (Contractor's Indemnity)** without prior consultation with the Contractor. The Authority shall keep the Contractor reasonably informed as to the progress and status of any such Third Party Claim until such Third Party Claim is settled or withdrawn.

66.5.3 If, in contesting, settling or compromising any Third Party Claim, the Authority takes or fails to take any action which prejudices any entitlement of the Contractor to recover any portion of the claim from any insurer under any insurance policy maintained by the Contractor in accordance with this Contract, the liability of the Contractor to indemnify the Authority in respect of such claim shall be reduced by such portion.

66.5.4 The Contractor undertakes that:

66.5.4.1 it shall not, without the prior written consent of the Authority, settle or compromise any claim (whether insured or uninsured) to which the Authority is, or is likely to become, a party;

66.5.4.2 where a claim is made against the Contractor and the Authority is not, and is not likely to become, a party to such claim as a defendant, the Contractor shall not settle or compromise any claim exceeding fifty thousand pounds (£50,000) (Indexed) without prior consultation with the Authority; and

66.5.4.3 it shall ensure that its Sub-Contractors give undertakings identical to those given by the Contractor to the Authority under this **clause 66.5 (Conduct of Claims)**.

66.5.5 If conduct of a claim is so assumed by the Authority pursuant to this **clause 66.5 (Conduct of Claims)**, the Authority shall hold the Contractor and its insurers harmless against all or any Direct Losses which either of them may incur by reason of its conduct of the claim and any settlement of the relevant claim or judgment being given if the settlement is made without their prior written approval (such approval not to be unreasonably withheld or delayed).

66.6 Sensitive Claims

66.6.1 Except in respect of any Third Party Claims or investigations under or in connection with any breaches of **clause 65 (Data Protection)** (which shall be dealt with in accordance with **Schedule 25 (Data Protection)**), and subject to the agreement of the relevant insurer, with respect to any Third Party Claim which the Indemnified Party, acting reasonably, considers is likely to have an adverse impact on the general public's perception of the Indemnified Party (a "**Sensitive Claim**"), the Indemnifying Party shall be entitled to take conduct of any defence, dispute, compromise or appeal of the Sensitive Claim only with the Indemnified Party's prior written consent. If the Indemnified Party withholds such consent and elects to conduct the defence, dispute, compromise or appeal of the Sensitive Claim itself, it shall conduct the Sensitive Claim with all due diligence and if it fails to do so, the Indemnifying Party shall only be liable to indemnify the Indemnified Party in respect of that amount which would have been recoverable by the Indemnified Party had it conducted the Sensitive Claim with all due diligence.

66.6.2 The Indemnified Party shall be free at any time to give written notice to the Indemnifying Party that it is retaining or taking over (as the case may be) the conduct of any Third Party Claim, to which **clause 66.5.1 (Conduct of Claims)** applies if, in the reasonable opinion of the Indemnified Party, the Third Party Claim is, or has become, a Sensitive Claim.

66.7 **Mitigation**

The Indemnified Party shall at all times take all reasonable steps to minimise and mitigate any loss for which the Indemnified Party is entitled to bring a claim against the Indemnifying Party pursuant to this Contract.

66.8 **Limitation of the Authority's Liability**

66.8.1 Without prejudice to the Authority's obligation to pay the Contract Price as and when it falls due for payment and any other payments due under this Contract (including the TUPE Surcharge), the maximum liability of the Authority in respect of all Losses incurred by the Contractor under or in connection with this Contract as a result of defaults of the Authority shall not exceed:

66.8.1.1 Redacted Under FOIA Section 43, Commercial
Interests

66.8.1.2 Redacted Under FOIA Section 43, Commercial

66.8.2 For the purposes of **clause 66.8.1 (Limitation of the Authority's Liability)**, a "default of the Authority" shall mean any breach of the Authority's obligations (including but not limited to abandonment of this Contract in breach of its terms, repudiatory breach or breach of a fundamental term) or any other default, act, omission, negligence or statement of the Authority, its employees, servants, agents in connection with or in relation to the subject-matter of this Contract.

66.8.3 For the avoidance of doubt and without prejudice to or limitation of any other liability the Authority may have under this Contract, this **clause 66.8 (Limitation of the Authority's Liability)** shall not apply in respect of:

66.8.3.1 personal injury or death resulting from the negligence of the Authority;

limited by applicable Legislation.

66.9 **Limitation of the Contractor's Liability**

66.9.1 Subject to **clauses 66.1.1.5 (Contractor's Indemnity)** and **66.9.3 (Limitation of the Contractor's liability)** and unless otherwise expressly provided, the maximum amount for which the Contractor shall be liable to the Authority in respect of Uninsured Losses under or in connection with this Contract as a result of defaults of the Contractor shall not exceed:

66.9.2 For the purposes of **clause 66.9.1 (Limitation of the Contractor's Liability)**, a "default of the Contractor" shall mean any breach of the Contractor's obligations (including abandonment of this Contract in breach of its terms, repudiatory breach or breach of a fundamental term) or any other default, act, omission, negligence

or statement of the Contractor, its Sub-Contractors or any Contractor's Staff in connection with or in relation to the subject-matter of this Contract.

66.9.3 For the avoidance of doubt and without prejudice to or limitation of any other liability the Contractor may have under this Contract including the other provisions of this **clause 66 (Indemnities and Liabilities)**, this **clause 66.9 (Limitation of the Contractor's Liability)** shall not apply in respect of:

66.9.3.1 any Insured Losses which fall within the minimum required financial level of the relevant insurance pursuant to **clause 68 (Insurance)** but not including any excess or deductibles that may apply to such insurance (and such excess or deductibles for which the Contractor is liable shall form part of the Contractor's liability cap in accordance with **clause 66.9.1 (Limitation of the Contractor's Liability)**); and

66.10.1 The provisions of this **clause 66.10 (Limitation of Liability under clause 66.1.1.5)** shall apply to claims made by the Authority under **clause 66.1.1.5 (Contractor's Indemnity)**.

66.10.2 If the Authority has to house prisoners who should have been accommodated at the Prison outside the Prison due to any failure by the Contractor to fulfil its obligations under this Contract to provide Available Prisoner Places, the Authority shall:

66.10.2.1 on the Contractor's written request, increase the Permitted Level (either on a temporary or a permanent basis) if and to the extent that such increase, in the Authority's opinion, will not prejudice the level of security and safety in the Prison and the control of Prisoners as required under the Operating Procedures;

66.10.2.2 mitigate the relevant Losses where it is reasonably practicable to do so, for example taking reasonable steps to arrange for such prisoners to be housed in alternative accommodation that is not more costly than other suitable accommodation reasonably available to the Authority at the relevant time (having regard to the circumstances from time to time); and

66.10.2.3 to the extent practicable (having regard to the then existing circumstances) consult with the Contractor as to where such prisoners should be accommodated.

each such Prisoner if the Contractor were satisfying all its obligations and providing the Services in full over that period.

66.10.4 The amount of Losses recoverable under **clause 66.1.1.5 (Contractor's Indemnity)** shall be calculated by deducting (to the extent not already taken into account) from the total of the relevant Losses the aggregate of the following:

66.10.4.1 any damages for breach of contract received by the Authority in respect of the failure by the Contractor to provide such Available Prisoner Places (whether pursuant to **paragraph 4.3 (Services Commencement)** of **Schedule 5 (Mobilisation)** or otherwise);

66.10.4.2 any insurance proceeds received by the Authority in respect of the failure by the Contractor to provide such Available Prisoner Places; and

66.10.4.3 the amount of the Contract Price the Authority would have paid the Contractor if the Contractor had provided the required number of Available Prisoner Places.

66.10.5 If the Authority recovers any amount (the "**Relevant Amount**") pursuant to **clause 66.1.1.5 (Contractor's Indemnity)** and subsequently receives amounts of the type described in **clauses 66.10.4.1 (Limitation of Liability under clause 66.1.1.5)**, or **66.10.4.2 (Limitation of Liability under clause 66.1.1.5)** in circumstances that amount to double recovery, the Authority shall (subject to the other provisions of this Contract and any rights of set off), to the extent of such double recovery, reimburse the party from whom the Relevant Amount was received within twenty (20) Business Days after written demand for reimbursement.

66.11 No Prejudice to clause 69

For the avoidance of doubt, this **clause 66 (Indemnities and Liabilities)** shall take effect without prejudice to the Contractor's obligations under **clause 69 (Liability for Loss and Damage)**.

67.2.1.1 personal injury to any prison officer (other than a member of the Contractor's Staff) sustained during the period when such prison officer is reporting for Mutual Aid purposes to the Prison; or

67.2.1.2 injury, loss or damage to a third party (other than the Contractor or any Contractor Related Party) caused or contributed to by the act or omission of such prison officer.

67.2.2 The Authority shall not be responsible or be obliged to indemnify the Contractor if any such Direct Loss has arisen in whole or in part as a result of a command given by the Contractor or any Contractor Related Party within the command structure operating at the time for Mutual Aid purposes at the Prison and either:

67.2.2.1 a public duty defence in respect of the claim is unsuccessful; or

67.2.2.2 with the prior written approval of the Authority, such defence is not pursued,

and such Direct Loss shall be the responsibility of the Contractor and the Contractor shall indemnify and keep indemnified in full and on demand the Authority in respect of such Direct Loss.

67.3.2.1 a public duty defence in respect of the claim is unsuccessful; or

67.3.2.2 with the prior written approval of the Authority, such defence is not pursued,

and such Direct Loss shall be the responsibility of the Authority and the Authority shall indemnify and keep indemnified in full and on demand the Contractor in respect of such Direct Loss.

68.1 Without prejudice to the Contractor's liability to indemnify or otherwise be liable to the Authority under this Contract, the Contractor shall for the periods specified in **Schedule 19 (Required Insurances)** take out and maintain (or procure the taking out and maintenance of):

68.1.1 the insurances as set out in this **clause 68 (Insurance)** and required to be taken out pursuant to **Schedule 19 (Required Insurances)**;

68.1.2 the additional insurances that the Authority may require the Contractor to take out in connection with any Works and Major Maintenance Works (as such term is defined in **Schedule 11 (Property and Facilities Management)**) as identified in **Part 2 of Schedule 19 (Required Insurances)** and/or as otherwise required by the Authority for the delivery of the Property and Facilities Management Services or pursuant to the process set out in **Schedule 16 (Change Protocol)**; and

68.1.3 any other insurances as may be required by applicable Legislation,

(together the "**Required Insurances**"). The Contractor shall ensure that each of the Required Insurances is effective in each case not later than the date on which the relevant risk commences.

OFFICIAL**HMP Millsike****Commercial and Contract Management Directorate**

- 68.2 The Required Insurances shall be taken out and maintained with insurers who are regulated, of good financial standing and of good repute in the international insurance market.
- 68.3 Where specified in **Schedule 19 (Required Insurances)**, the Contractor shall ensure that the relevant policy of insurance:
- 68.3.1 shall contain an indemnity to principals clause, under which the Authority shall be indemnified in respect of claims made against the Authority arising from death or bodily injury or third party property damage, and for which the Contractor is legally liable in respect of this Contract; and
 - 68.3.2 names the Authority as co-insured for its separate interest with attendant non vitiation, waiver of subrogation and notice of cancellation provisions.
- 68.4 The Contractor shall discharge in full all duties and obligations in respect of the Insurance Act 2015 when procuring, maintaining or amending any insurance(s) required by this contract, including in circumstances where the Contractor is required to name the Authority on any such insurance policies to protect the Authority's separate interests.
- 68.5 The Contractor undertakes to the Authority not to permit or agree any wording in any policy of insurance which would permit:
- 68.5.1 any Commercial Insurer;
 - 68.5.2 any Commercial Insurer's successors or permitted assigns; or
 - 68.5.3 any other person claiming by or through a Commercial Insurer,
- to bring any claim under the Riot Compensation Act 2016 in respect of any damage to the Prison. This undertaking shall be for the benefit of any Police Authority (and any statutory successors of any such Police Authority), each of which may enforce the terms of this **clause 68.5 (Insurance)** against the Contractor and/or its successors and permitted assigns (as appropriate), This **clause 68.5 (Insurance)** shall be binding upon the Contractor and each of its successors and permitted assigns.
- 68.6 The Contractor shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Required Insurances.
- 68.7 The Authority may elect (but shall not be obliged) where notice has been provided to the Contractor to purchase any insurance which the Contractor is required to maintain pursuant to this Contract but has failed to maintain in full force and effect, and the Authority shall be entitled to recover the reasonable premium and other reasonable costs incurred in connection

therewith as a debt due from the Contractor.

68.8 The Contractor shall:

68.8.1 on the Commencement Date (in respect of each of the Required Insurances to be held in place from the Commencement Date); and

68.8.2 on the Practical Completion Date (in respect of each of the Required Insurances to be held in place from the Commencement Date); and

68.8.3 on the date from which such insurance is required to be held in place (in respect of each of the Required Insurances in **Part 3 of Schedule 19 (Required Insurances)**); and

68.8.4 within fifteen (15) Business Days after the renewal of each of the Required Insurances,

provide evidence, in a form satisfactory to the Authority, that each of the Required Insurances are or (as relevant) shall be in full force and effect on the Commencement Date, Practical Completion Date and/or relevant renewal date and meet in full the requirements of this **clause 68 (Insurance)** and **Schedule 19 (Required Insurances)**. Receipt of such evidence by the Authority shall not in itself constitute acceptance by the Authority or relieve the Contractor of its liabilities and obligations under this Contract.

68.9 The Contractor shall notify the Authority in writing at least ten (10) Business Days prior to the cancellation, suspension, termination or non-renewal of any of the Required Insurances. This **clause 68.9 (Insurance)** shall not apply where the termination of any Required Insurances occurs purely as a result of a change of insurer in respect of any of the Required Insurances required to be taken out and maintained in accordance with this **clause 68 (Insurance)**.

68.10 The Contractor shall promptly notify to insurers any matter arising from, or in relation to, this Contract for which it may be entitled to claim under any of the Required Insurances. In the event that the Authority receives a claim relating to this Contract, the Contractor shall co-operate with the Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.

68.11 Except where the Authority is the claimant party, the Contractor shall give the Authority notice within twenty (20) Business Days after any insurance claim in excess of £50,000 (fifty thousand pounds sterling) on any of the Required Insurances or which, but for the application of the applicable policy excess, would be made on any of the Required Insurances and (if required by the Authority) full details of the incident giving rise to the claim.

68.12 Where any Required Insurance requires payment of a premium, the Contractor shall be liable

for such premium.

68.13 Where any insurance referred to in this **clause 68 (Insurance)** and **Schedule 19 (Required Insurances)** is subject to an excess or deductible below which the indemnity from insurers is excluded, the Contractor shall be liable for such excess or deductible. The Contractor shall not be entitled to recover from the Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

68.14 All insurance proceeds received in respect of the Property Damage "All Risks" Insurance or Contractors "All Risks" Insurance as specified in **Schedule 19 (Required Insurances)** shall be used to reinstate, repair or replace the insured property in respect of which the insurance proceeds were received.

68.15 For the avoidance of doubt, the terms of any Required Insurance or the amount of cover shall not relieve the Contractor of any liabilities under this Contract.

69. **LIABILITY FOR LOSS AND DAMAGE**

69.1 **Responsibility for Damage**

Without prejudice to the provisions of **clause 21.9 (Rights of Access and Inspection)** and to the obligations of the Contractor to repair, maintain and replace the Prison and subject to **clause 69.5 (Minor Damage)**, as between the Authority and the Contractor:

69.1.1 the Authority will only have any responsibility for the cost of damage to the Prison to the extent that:

69.1.1.1 the Contractor is able to prove to the Authority's satisfaction (acting reasonably) that the damage was caused or contributed to by:

(a) the wilful misconduct or negligence of an Authority Related Party;
or

(b) the Contractor acting on the written instruction of the Authority, provided that the Contractor has implemented that instruction in a manner which is not negligent and is in accordance with Good Industry Practice;

69.1.1.2 such damage:

(a) does not constitute fair wear and tear; and

(b) does not arise as a result of the damaged item being used for its

reasonable and proper purpose or any part of the Prison being used for its reasonable and proper purpose; and

69.1.1.3 the cost of such damage is either:

- (a) of a value below the level of the deductible of the Required Insurance (up to the maximum deductible specified in the Required Insurances); or
- (b) is not covered by the insurances taken out, or which should have been taken out by the Contractor in accordance with this Contract,

provided that the Authority shall be liable for any excess or deductible (up to the amount of any maximum deductible specified in the Required Insurances) which is payable as a result of any Authority Damage which has resulted in a Repair Cost being incurred where such Repair Cost has been funded under any such insurance; and

69.1.2 the Contractor shall be responsible for the cost of all damage on or to the Prison that is not the responsibility of the Authority pursuant to **clause 69.1.1 (Responsibility for Damage)**.

69.2 **Obligation to Repair**

Upon the discovery of any damage the Contractor shall:

- 69.2.1 record any relevant details of the damage (including photographs if necessary); and
- 69.2.2 as soon as is practicable, reinstate, replace or make good the damage, returning the damaged item to its original standard (or equivalent) in accordance with the relevant provisions of this Contract, including where relevant in accordance with **clause 68.14 (Insurance)**.

69.3 **Obligation to Discuss**

- 69.3.1 The Contractor and the Authority's Representative shall, as soon as reasonably practicable following the discovery of any damage in accordance with **clause 69.2 (Obligation to Repair)** meet to discuss whether such damage is Authority Damage and whether there should be an extension of the Rectification Period and, if so, what reasonable extension should be agreed.

69.3.2 If the Contractor and the Authority's Representative:

69.3.2.1 agree that the relevant damage constitutes Authority Damage, the Contractor shall be entitled to issue an invoice in respect of its reasonable and demonstrable costs incurred in reinstating the damage, but only in respect of those costs that are the responsibility of the Authority under **clause 69.1 (Responsibility for Damage)**;

69.3.2.2 do not agree that the relevant damage constitutes Authority Damage, the matter shall be referred to the Dispute Resolution Procedure for resolution and if the dispute is resolved in the Contractor's favour, the Contractor shall be permitted to submit an invoice in respect of its reasonable and demonstrable costs incurred in repairing the damage, but only in respect of those costs that are the responsibility of the Authority under **clause 69.1 (Responsibility for Damage)**;

69.3.2.3 agree an extension to the applicable Rectification Period in accordance with **clause 69.3 (Obligation to Discuss)**, such Rectification Period shall apply in respect of the relevant damage for the purposes of **Schedule 14 (Payment Mechanism)**; or

69.3.2.4 do not agree either that there should be an extension to the relevant Rectification Period or what the extension should be, the matter shall be referred to the Dispute Resolution Procedure.

69.4 Supporting Information

Any invoice submitted to the Authority pursuant to **clause 69.3 (Obligation to Discuss)** shall be supported by any relevant information recorded pursuant to **clause 69.2.1 (Obligation to Repair)**, and may be in respect of multiple incidents of damage. The Authority shall pay any such invoice within thirty (30) Days of receipt by the Authority of the invoice and supporting information.

69.5 Minor Damage

If any Authority Damage is of such a minor nature (when considered item by item and in

aggregate) that it can be remedied by the Contractor without incurring any additional costs through the use of its site-based resources during their normal working hours and without adversely affecting the ability of the Contractor to perform the Services, then the cost of rectifying such damage shall be for the account of the Contractor.

69.6 **Dispute Resolution**

Any disputes between the Parties arising from this **clause 69 (Liability for Loss and Damage)** shall be referred to the Dispute Resolution Procedure.

69.7 **Programmed Maintenance Costs**

69.7.1 In relation to any Repair Cost which has been funded or partly funded by the Authority or under any Required Insurance ("**Damage Funding**"), the Contractor shall take such funding and the timing of such repair or replacement into account when preparing its maintenance schedule for the Prison and any savings to the maintenance costs as shown in the Base Case shall be shared equally between the Contractor and the Authority.

69.7.2 At the end of each Contract Year the Contractor shall supply to the Authority an account of any damage and associated Repair Costs and Damage Funding, as well as money spent or saved in accordance with the maintenance costs as shown in the Base Case.

69.7.3 On every fifth (5th) anniversary of the Practical Completion Date the Contractor shall provide a consolidated and reconciled account of the accounts referred to in **clause 69.7.2 (Programmed Maintenance Costs)**. If such account shows that in respect of the preceding five (5) Year period there was a saving in the costs to the Contractor in complying with its obligations under this Contract because of the Damage Funding then the Contractor shall within thirty (30) Days after submission of the account pay to the Authority half of such saving.

69.8 **Time Periods**

The Contractor shall perform its obligations under **clause 69.2 (Obligation to Repair)** as soon as practicable and, save where the damage is Authority Damage and the Authority has agreed as part of its obligation to discuss pursuant to **clause 69.3 (Obligation to Discuss)** that the time periods under this **clause 69.8 (Time Periods)** should be extended, shall use all reasonable endeavours (where practicable and taking account of the nature of the works required) to complete any works required within forty eight (48) hours after becoming aware of the loss or damage occurring.

70.2.4 The Parties shall seek to resolve Disputes firstly by consultation (in accordance with **clause 70.3 (Consultation)**), then by Mediation (at the Authority's sole election in accordance with **clause 70.4 (Mediation)**) and lastly by recourse to Arbitration (in accordance with **clause 70.14 (Arbitration)**) noting that either Party may seek urgent injunctive relief at any time in accordance with **clause 70.18 (Urgent Relief)**.

70.3 Consultation

If a Dispute arises in relation to any aspect of this Contract, the Contractor and the Authority shall consult in good faith in an attempt to come to an agreement in relation to the disputed matter.

70.4 **Mediation**

70.4.1 In the event that a Dispute between the Parties cannot be resolved by consultation in accordance with **clause 70.3 (Consultation)** within thirty (30) Days of the request by either Party for such consultation, the Authority may, at its sole election, require the Parties to participate in a Mediation in accordance with this **clause 70.4 (Mediation)** and CEDR's model mediation procedure.

71.3 Neither Party shall have any right to use any of the other Party's names, logos or trade marks on any of its products or services without the other Party's prior written consent.

71.4 Unless the Authority otherwise agrees in advance in writing:

71.4.1 all Project Specific IPRs comprising Software shall be created in a format, or able to be converted into a format, which is suitable for publication by the Authority as open source software;

71.4.2 the Contractor shall procure that no Third Party IPRs or Third Party Software are embedded in or are an integral part of the Project Specific IPRs or any element of them (except where the Contractor has procured the grant to the Authority of a

- 71.5.4 The Contractor shall not use any Third Party Software or Third Party IPRs in the provision of the Services (including in any Project Specific IPRs) unless in each case:

71.5.4.1 the Third Party Software or Third Party IPRs (as the case may be) are generally commercially available on standard terms to the market (and such availability is not restricted by reason of exclusive arrangements with the Contractor, a Sub-Contractor or any other customer);

- 71.5.4.2 it has first granted (or procured that the owner or authorised licensor of the relevant Third Party Software or Third Party IPRs (as the case may be) has granted) a royalty-free and non-exclusive licence to the Authority to use the Third Party Software and Third Party IPRs during the Contract Period (including the right to load, execute, store, transmit, display and copy (for the purposes of archiving, backing-up, loading, execution, storage, transmission or display)) for any purpose relating to the Services (or substantially similar services) or otherwise to enjoy the benefit of this Contract or for any purpose connected with the full and unrestricted use of any Project Specific IPRs the rights in which are transferred to the Authority pursuant to **clause 71.5.1 (Transfer and Licences Granted by the Contractor)**; and

- 71.5.5 The Contractor hereby grants to the Authority a non-exclusive licence to copy all documentation provided by it, for any purpose connected with the receipt of the Services or that is incidental to the exercise of the rights granted to the Authority under this Contract.
- 71.5.6 The Authority may sub-license the rights granted under **clauses 71.5.3 and 71.5.4 (Transfer and Licences Granted by the Contractor)** to a third party (including for the avoidance of doubt but subject always to the duration of the licence granted under **clause 71.5.4 (Transfer and Licences Granted by the Contractor)**, any New Contractor) provided that:
- 71.5.6.1 the sub-licence is on terms no broader than those granted to the Authority;
- 71.5.6.2 the sub-licence authorises the third party to use the rights licensed in **clause 71.5.3 (Transfer and Licences Granted by the Contractor)** only for purposes relating to the Services (or substantially equivalent services) or otherwise to enable the Authority to enjoy the benefit of

this Contract or for any purpose connected with the full and unrestricted use of any Project Specific IPRs the rights in which are transferred to the Authority pursuant to **clause 71.5.1 (Transfer and Licences Granted by the Contractor)**;

71.5.7.1 a Central Government Body; or

71.5.7.2 to any body which performs or carries on any of the functions and/or activities that previously had been performed and/or carried on by the Authority.

71.5.8 Any change in the legal status of the Authority which means that it ceases to be a Central Government Body shall not affect the validity of any licence granted in **clause 71.5.3 or 71.5.4 (Transfer and Licences Granted by the Contractor)**. If the Authority ceases to be a Central Government Body, the successor body to the Authority shall still be entitled to the benefit of the licence granted in **clause 71.5.3 and 71.5.4 (Transfer and Licences Granted by the Contractor)**.

71.5.9 If a licence granted in **clause 71.5.3 or 71.5.4 (Transfer and Licences Granted by the Contractor)** is novated under **clause 71.5.7 (Transfer and Licences Granted by the Contractor)** or there is a change of the Authority's status pursuant to **clause 71.5.8 (Transfer and Licences Granted by the Contractor)**, the rights acquired on that novation or change of status shall not extend beyond those

previously enjoyed by the Authority.

71.5.10 For the avoidance of doubt, the termination or expiry of this Contract shall not of itself result in any termination of any of the licences granted by the Contractor or relevant third party pursuant to or as contemplated by this **clause 71.5 (Transfer and Licences Granted by the Contractor)**.

71.5.11 Without prejudice to the licences granted pursuant to **clauses 71.5.3 and 71.5.4 (Transfer and Licences Granted by the Contractor)**, the Contractor shall, if requested by the Authority and at the Contractor's cost under the exit and handover arrangements grant (or procure the grant) to any New Contractor of a licence to use:

71.5.11.1 any Contractor Software; and

71.5.11.2 Contractor Background IPRs,

and, where requested by the Authority to do so as part of the exit and handover arrangements, use its reasonable endeavours to ensure that the relevant third party grants to the Authority and any New Contractor a licence to use:

71.5.11.3 Third Party IPRs; and/or

71.5.11.4 Third Party Software,

in either case on terms no less favourable (including as to price and indemnification against IPRs Claims) than those on which such software and/or Intellectual Property Rights are usually made commercially available by the Contractor or relevant licensor (as the case may be).

71.6 Licences Granted By The Authority

71.6.1 The Authority hereby grants to the Contractor a royalty-free, non-exclusive, non-transferable licence during the Contract Period to use the Authority Software, the Authority Background IPRs, the Project Specific IPRs and the Authority Data solely to the extent necessary for performing the Services in accordance with this Contract, including (but not limited to) the right to grant sub-licences to Sub-Contractors provided that:

71.7.2.1 procure for the Authority or other relevant Authority Indemnified Party the right to continue using the relevant item which is subject to the IPRs Claim; or

71.7.2.2 replace or modify the relevant item with non-infringing substitutes provided that:

- (a) the performance and functionality of the replaced or modified item is at least equivalent to the performance and functionality of the original item;

- (c) there is no additional cost to the Authority or other relevant Authority Indemnified Party (as the case may be); and
- (d) the terms and conditions of this Contract shall apply to the replaced or modified Services.

71.7.3 If the Contractor elects to procure a licence in accordance with **clause 71.7.2.1 (IPRs Indemnity)** or to modify or replace an item pursuant to **clause 71.7.2.2 (IPRs Indemnity)**, but this has not avoided or resolved the IPRs Claim, then:

71.7.3.1 the Authority may terminate this Contract (if subsisting) by written notice to the Contractor and the Contract will terminate immediately on the date specified in the Authority's notice; and

71.7.3.2 without prejudice to the indemnity set out in **clause 71.7.1 (IPRs Indemnity)**, the Contractor shall be liable for all reasonable and unavoidable costs of the substitute items and/or services including the additional costs of procuring, implementing and maintaining the substitute items.

The rights and remedies under this Contract may be waived only by notice and in a manner that expressly states that a waiver is intended. A failure or delay by a Party in ascertaining or exercising a right or remedy provided under this Contract or under applicable Legislation shall not constitute a waiver of that right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

82.2 **Cumulative Remedies**

82.2.1 Unless otherwise provided in this Contract, rights and remedies under this Contract are cumulative and do not exclude any rights or remedies provided by Legislation, in equity or otherwise.

82.2.2 Nothing in this Contract is intended to abrogate and/or waive the Parties' common law right to repudiation.

83. **GOVERNING LAW AND JURISDICTION**

83.1 This Contract any issues, disputes or claims (whether contractual or non-contractual) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the laws of England and Wales.

83.2 Subject to **clause 70 (Dispute Resolution)** (including the Authority's right to refer the dispute to arbitration), the Parties agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (whether contractual or non-contractual) that arises out of or in connection with this Contract or its subject matter or formation.

84. **SOLE REMEDY**

84.1 **Common Law Rights for the Contractor**

Without prejudice to any entitlement of the Contractor:

84.1.1 to specific performance of any obligation under this Contract;

84.1.2 to injunctive relief; or

84.1.3 to any other express right of the Contractor pursuant to this Contract,

the Contractor's sole remedy in relation to any Compensation Event shall be the operation of **clause 12 (Compensation Events)**.

84.2 **No Breach**

The Contractor shall not be held to be failing to comply with its obligations under this Contract to the extent that such failure to comply is a result of the Authority's breach of its obligations under this Contract.

84.3 **Indirect Losses**

Save where stated to the contrary, neither Party shall have any liability to the other (whether

pursuant to an express indemnity or otherwise) in respect of any Indirect Loss.

84.4 Right to Terminate

Neither Party may terminate this Contract, except as expressly set out in this Contract.

85. NO DOUBLE RECOVERY

Notwithstanding any other provision of this Contract, neither Party shall be entitled to recover compensation or make a claim under this Contract in respect of any loss that it has incurred to the extent that it has already been compensated in respect of that loss pursuant to this Contract or otherwise.

86. COUNTERPARTS

This Contract may be entered into in any number of counterparts, and by the Parties on separate counterparts, but shall not be effective until each Party has entered into at least one counterpart. Each counterpart shall constitute an original of this Contract but all the counterparts together shall constitute one and the same instrument.

87. CAPACITY

Without prejudice to the remedies and contractual rights of the Contractor in respect of a risk or liability or obligation expressly provided in this Contract as being a risk, liability or obligation of the Authority:

87.1 nothing in this Contract shall operate as an obligation upon, or in any other way fetter or constrain, the Authority in any capacity other than in its capacity as a contracting counterparty; and

87.2 the exercise by the Authority of its duties powers and functions in any capacity other than in its capacity as a contracting counterparty shall not lead to any liability under this Contract on the part of the Authority to the Contractor.

88. FURTHER ASSURANCE

Each Party undertakes at the request of the other, and at the cost of the requesting Party to do all acts and enter into all documents which may be reasonably necessary to give effect to the meaning of this Contract.
