SBRI CONTRACT FOR THE PROVISION OF PHASE 1 NON-DOMESTIC SMARTER TARIFF COMPARISONS TO THE DEPARTMENT FOR ENERGY SECURITY AND NET ZERO (THE CONTRACT OFFER LETTER)

This Contract is dated 24/08/2023 and is made between:-

1. **The Secretary of State for Energy Security and Net Zero** (the “Authority”) of 1 Victoria Street, London SW1H 0ET, acting as part of the Crown;

and
2. Gridimp Ltd. (the “Contractor”) whose registered office is at Bishopbrook House, Cathedral Avenue, Wells, Somerset, BA5 1FD. Companies House Number: 07832551

INTRODUCTION

- (A) On 4/05/2023 the Authority issued the SBRI Competition Guidance for the Non-Domestic Smarter Tariff Comparisons Programme (ref: prj_591). This guidance includes the specification a copy of which is set out in Schedule 1 (the “Specification”).
- (B) In response the Contractor submitted a proposal dated 15/06/2023 and entitled Advisory model for smart tariffs with flexibility explaining how it would provide the Services a copy of which is set out in Schedule 2 (the “Proposal”).
- (C) The Specification and the Proposal were supplemented by the correspondence copies of which are set out in Schedule 5 (the “Correspondence”).

The parties agree as follows:-

1. SUPPLY OF SERVICES AND PRICE

In consideration of payment by the Authority to the Contractor of the sums set out in Schedule 4 (exclusive of Value Added Tax) (the “Contract Price”) and in accordance with (a) the Specification; (b) the Contractor’s Proposal; and (c) the Authority’s Standard Terms and Conditions of Contract for Services (the “Standard Terms”) (a copy of which is attached at Schedule 3); (d) the Correspondence ; and (e) the Deliverable and Payment Milestone Schedule (a copy of which is to be delivered within two week’s of project kick-off meeting), the Contractor shall provide the Services described in the Specification and the Contractor’s Proposal and the Correspondence to the Authority.

Energy Security
& Net Zero

2. COMMENCEMENT AND CONTINUATION

This Contract shall commence on 01/09/2023 and subject to any provisions for earlier termination contained in the Standard Terms shall continue for a period of 3 months and one week, ending on 8/12/2023.

3. TERMS AND CONDITIONS

3.1 The Standard Terms shall form part of this Contract.

3.2 The Contractor's terms and conditions of business shall not apply to this Contract.

3.3 This Contract is formed of these clauses and the Schedules hereto. Any other attachments are provided for information purposes only and are not intended to be legally binding. In the event of any conflict or inconsistency, the documents prevail in the following order:

- a) these clauses;
- b) the Standard Terms (as set out in Schedule 3);
- c) the Correspondence (as set out in Schedule 5);
- d) the Authority's Specification (as set out in Schedule 1) and Contract Price (as set out in Schedule 4); and
- e) the Contractor's Proposal (as set out in Schedule 2); and
- f) finally, the Deliverable and Payment Milestone Schedule (to be delivered two weeks after project kick-off meeting).

(save that where the Contractor's Proposals contain a provision requiring [a higher standard of service provision, the Authority may (at its discretion and for no additional remuneration confirm that such higher standard applies).

4. CONTRACTOR'S OBLIGATIONS

4.1 Where the Contractor is supplying goods to the Authority these shall be delivered to the Authority in full compliance with the Specification and shall be of satisfactory quality and fit for purpose. Where the Contractor is performing Services for the Authority it shall do so in accordance with the Specification and exercise reasonable skill and care.

5. MANAGEMENT AND COMMUNICATIONS

5.1 The Contractor shall perform the Services under the direction of the Authority.

Department for
Energy Security
& Net Zero

- 5.2 Any direction by the Authority may be given by [REDACTED] (the “Contract Manager”) who is an officer in the Authority’s Smart Meter Implementation Programme at 1 Victoria Street, London SW1H 0ET or such other person as is notified by the Authority to the Contractor in writing. All queries (including any notice or communication required to be provided under this Contract) to the Authority from Contractor shall initially be addressed to the Contract Manager
- 5.3 The Contractor appoints [REDACTED] Technical Director [REDACTED] to be the Contractor’s first point of contact for this Contract. All queries (including any notice or communication required to be provided under this Contract) to the Contractor from the Authority’s Contract Manager shall initially be addressed to the Contractor’s first point of contact.
- 5.4 The Contractor’s first point of contact and the Contract Manager shall meet as often as either the Contractor or the Authority may require to review the Contractor’s performance of the Contract.

6. INVOICES AND PAYMENT

- 6.1 Subject to the Contractor providing the Services to the Authority in accordance with this Contract and submitting invoice/s to the Contract Manager in the manner reasonably required by the Contract Manager payment will be made by the Authority to the Contractor in accordance with condition 11 of the Standard Terms.

7. TRANSPARENCY

- 7.1 The Authority will publish the Contract and the Schedules hereto in their entirety on a designated government internet site, using the redacted version of the contract attached. (That version is for illustrative purposes only and does not form part of the Contract). The Authority has made the decision on the specific redactions to be made in light of the exemptions under the Freedom of Information Act 2000 (FOIA) and Condition 41 of the Standard Terms.

However, subject to those redactions, the rest of the Contract and Schedules will be published in full, in accordance with the government’s policy on the publication of contracts, which forms part of the government’s transparency agenda, and the Contract is therefore entered into on the basis of such publication taking place.

The Authority emphasises that its decision to redact information on this occasion does not preclude it publishing such information in the future in the context of other contracts. Neither does it preclude the disclosure of such information in the circumstances of a request for disclosure under FOIA or the Environmental

Schedule 5 – Correspondence

The first Correspondence relates to classification for plans around identification of key requirements in chosen sector - business profiles.

This query was further clarified as relating to Assessment Criterion 1 (proposed innovative solution and alignment with programme aims)- where your application noted that the proposed solution would target non-domestic consumers with profile classes 0304, with both AMR and SMART meters included. The query relates to how you will identify key requirements, specifically around, identification of and tailoring to different business types/ how variation of business types in this sector will be addressed.

This comprises:

RE_Documents
returned - Gridimp .

At the project clarification/ due diligence meeting (16th August) it was further clarified that this would be an on-line form to utilise with an existing client list of [REDACTED] smaller business suppliers.

The second Correspondence relates to Labour, and assurance that the two roles to be appointed, contributing the majority of project time allocation and highest FTE, have been hired or that there is a robust and credible hiring plan in place to recruit before the project begins.

Additionally, at project clarification/ due diligence meeting (16th August) it was further clarified that these two posts relate to Phases 2/ 3. Recruitment lead in times are expected to be 6-8 weeks, but there is internal resource contingency.

The third Correspondence relates to justification on the role, rate and time allocation of the Technical Director, at [REDACTED] days on the project.

The fourth Correspondence relates to BCR, their role and contribution to the project.

These three points comprise:

Schedule 7 – Deliverable and Payment Milestone Schedule

Phase One DESNZ Project Plan and Finance Table to be appended - deadline to return the within two weeks of project kick-off meeting which we anticipate holding early September.

For the avoidance of doubt, once approved by the Authority, the DESNZ Project Plan and Finances Table will take precedence over the Project Cost Breakdown Form.
