The Supplier will submit a fully itemised and costed list of the unavoidable Loss with supporting evidence.

18.4 The Buyer will have the right to End this Call-Off Contract at any time with immediate effect by written notice to the Supplier if either the Supplier commits:

21. Exit plan

21.1 The Supplier must provide an exit plan in its Application which ensures continuity of service and the Supplier will follow it.

21.2 When requested, the Supplier will help the Buyer to migrate the Services to a replacement supplier in line with the exit plan. This will be at the Supplier's own expense if the Call-Off Contract Ended before the Expiry Date due to Supplier cause.

21.3 If the Buyer has reserved the right in the Order Form to extend the Call-Off Contract Term beyond 36 months the Supplier must provide the Buyer with an additional exit plan for approval by the Buyer at least 8 weeks before the 30 month anniversary of the Start date.

21.4 The Supplier must ensure that the additional exit plan clearly sets out the Supplier's methodology for achieving an orderly transition of the Services from the Supplier to the Buyer or its replacement Supplier at the expiry of the proposed extension period or if the contract Ends during that period.

21.5 Before submitting the additional exit plan to the Buyer for approval, the Supplier will work with the Buyer to ensure that the additional exit plan is aligned with the Buyer's own exit plan and strategy.

21.6 The Supplier acknowledges that the Buyer's right to take the Term beyond 36 months is subject to the Buyer's own governance process. Where the Buyer is a central government department, this includes the need to obtain approval from CDDO under the Spend Controls process. The approval to extend will only be given if the Buyer can clearly demonstrate that the Supplier's additional exit plan ensures that:

21.6.1 the Buyer will be able to transfer the Services to a replacement supplier before the expiry or Ending of the period on terms that are commercially reasonable and acceptable to the Buyer

21.6.2 there will be no adverse impact on service continuity

21.6.3 there is no vendor lock-in to the Supplier's Service at exit

22.2 On reasonable notice at any point during the Term, the Supplier will provide any information and data about the G-Cloud Services reasonably requested by the Buyer (including information on volumes, usage, technical aspects, service performance and staffing). This will help the Buyer understand how the Services have been provided and to run a fair competition for a new supplier.

22.3 This information must be accurate and complete in all material respects and the level of detail must be sufficient to reasonably enable a third party to prepare an informed offer for replacement services and not be unfairly disadvantaged compared to the Supplier in the buying process.

23. Force majeure

23.1 Neither Party will be liable to the other Party for any delay in performing, or failure to perform, its obligations under this Call-Off Contract (other than a payment of money) to the extent that such delay or failure is a result of a Force Majeure event.

23.2 A Party will promptly (on becoming aware of the same) notify the other Party of a Force Majeure event or potential Force Majeure event which could affect its ability to perform its obligations under this Call-Off Contract.

23.3 Each Party will use all reasonable endeavours to continue to perform its obligations under the Call-Off Contract and to mitigate the effects of Force Majeure. If a Force Majeure

event prevents a Party from performing its obligations under the Call-Off Contract for more than 30 consecutive Working Days, the other Party can End the Call-Off Contract with immediate effect by notice in writing.

24. Liability

24.1 Subject to incorporated Framework Agreement clauses 4.1 to 4.6, each Party's Yearly total liability for Defaults under or in connection with this Call-Off Contract shall not exceed the greater of five hundred thousand pounds (£500,000) or one hundred and twenty-five per cent (125%) of the Charges paid and/or committed to be paid in that Year (or such greater sum (if any) as may be specified in the Order Form).

24.2 Notwithstanding Clause 24.1 but subject to Framework Agreement clauses 4.1 to 4.6, the Supplier's liability:

24.2.1 pursuant to the indemnities in Clauses 7, 10, 11 and 29 shall be unlimited; and

24.4 When calculating the Supplier's liability under Clause 24.1 any items specified in Clause 24.2 will not be taken into consideration.

25.1 If either Party uses the other Party's premises, that Party is liable for all loss or damage it causes to the premises. It is responsible for repairing any damage to the premises or any objects on the premises, other than fair wear and tear.

25.2 The Supplier will use the Buyer's premises solely for the performance of its obligations under this Call-Off Contract.

25.3 The Supplier will vacate the Buyer's premises when the Call-Off Contract Ends or expires.

25.4 This clause does not create a tenancy or exclusive right of occupation.

25.5 While on the Buyer's premises, the Supplier will:

25.5.1 comply with any security requirements at the premises and not do anything to weaken the security of the premises

25.5.2 comply with Buyer requirements for the conduct of personnel

25.5.3 comply with any health and safety measures implemented by the Buyer

25.5.4 immediately notify the Buyer of any incident on the premises that causes any damage to Property which could cause personal injury

25.6 The Supplier will ensure that its health and safety policy statement (as required by the Health and Safety at Work etc Act 1974) is made available to the Buyer on request.

26. Equipment

26.1 The Supplier is responsible for providing any Equipment which the Supplier requires to provide the Services.

26.2 Any Equipment brought onto the premises will be at the Supplier's own risk and the Buyer will have no liability for any loss of, or damage to, any Equipment.

26.3 When the Call-Off Contract Ends or expires, the Supplier will remove the Equipment and any other materials leaving the premises in a safe and clean condition.

27. The Contracts (Rights of Third Parties) Act 1999

27.1 Except as specified in clause 29.8, a person who is not a Party to this Call-Off Contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms. This does not affect any right or remedy of any person which exists or is available otherwise.

28. Environmental requirements

28.1 The Buyer will provide a copy of its environmental policy to the Supplier on request, which the Supplier will comply with.

28.2 The Supplier must provide reasonable support to enable Buyers to work in an environmentally friendly way, for example by helping them recycle or lower their carbon footprint.

29. The Employment Regulations (TUPE)

29.1 The Supplier agrees that if the Employment Regulations apply to this Call-Off Contract on the Start date then it must comply with its obligations under the Employment Regulations and (if applicable) New Fair Deal (including entering into an Admission Agreement) and will indemnify the Buyer or any Former Supplier for any loss arising from any failure to comply.

29.2 Twelve months before this Call-Off Contract expires, or after the Buyer has given notice to end it, and within 28 days of the Buyer's request, the Supplier will fully and accurately disclose to the Buyer all staff information including, but not limited to, the total number of staff assigned for the purposes of TUPE to the Services. For each person identified the Supplier must provide details of:

- 29.2.1 the activities they perform
- 29.2.2 age
- 29.2.3 start date
- 29.2.4 place of work
- 29.2.5 notice period
- 29.2.6 redundancy payment entitlement
- 29.2.7 salary, benefits and pension entitlements
- 29.2.8 employment status
- 29.2.9 identity of employer

29.3 The Supplier warrants the accuracy of the information provided under this TUPE clause and will notify the Buyer of any changes to the amended information as soon as reasonably possible. The Supplier will permit the Buyer to use and disclose the information to any prospective Replacement Supplier.

29.4 In the 12 months before the expiry of this Call-Off Contract, the Supplier will not change the identity and number of staff assigned to the Services (unless reasonably requested by the Buyer) or their terms and conditions, other than in the ordinary course of business.

29.5 The Supplier will cooperate with the re-tendering of this Call-Off Contract by allowing the Replacement Supplier to communicate with and meet the affected employees or their representatives.

29.6 The Supplier will indemnify the Buyer or any Replacement Supplier for all Loss arising from both:

29.6.1 its failure to comply with the provisions of this clause

29.6.2 any claim by any employee or person claiming to be an employee (or their employee representative) of the Supplier which arises or is alleged to arise from any act or omission by the Supplier on or before the date of the Relevant Transfer

29.3 The provisions of this clause apply during the Term of this Call-Off Contract and indefinitely after it Ends or expires.

29.4 For these TUPE clauses, the relevant third party will be able to enforce its rights under this clause but their consent will not be required to vary these clauses as the Buyer and Supplier may agree.

30. Additional G-Cloud services

30.1 The Buyer may require the Supplier to provide Additional Services. The Buyer doesn't have to buy any Additional Services from the Supplier and can buy services that are the same as or similar to the Additional Services from any third party.

30.2 If reasonably requested to do so by the Buyer in the Order Form, the Supplier must provide and monitor performance of the Additional Services using an Implementation Plan.

31. Collaboration

31.1 If the Buyer has specified in the Order Form that it requires the Supplier to enter into a Collaboration Agreement, the Supplier must give the Buyer an executed Collaboration Agreement before the Start date.

31.2 In addition to any obligations under the Collaboration Agreement, the Supplier must:

31.2.1 work proactively and in good faith with each of the Buyer's contractors

31.2.2 co-operate and share information with the Buyer's contractors to enable the efficient operation of the Buyer's ICT services and G-Cloud Services

32. Variation process

32.1 The Buyer can request in writing a change to this Call-Off Contract using the template in Schedule 9 if it isn't a material change to the Framework Agreement or this Call-Off Contract. Once implemented, it is called a Variation.

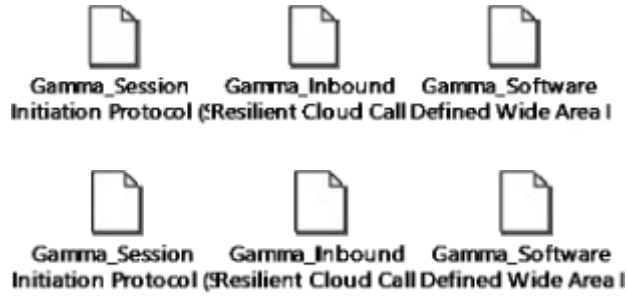

32.2 The Supplier must notify the Buyer immediately in writing of any proposed changes to their G-Cloud Services or their delivery by submitting a Variation request using the template in Schedule 9. This includes any changes in the Supplier's supply chain.

32.3 If either Party can't agree to or provide the Variation, the Buyer may agree to continue performing its obligations under this Call-Off Contract without the Variation, or End this Call-Off Contract by giving 30 days' notice to the Supplier.

Information

Negative values indicates a rebate is payable rather than a charge.

UK Mobile Main Networks includes Gamma, O2, Vodafone, Three and EE.
Other covers all other mobile networks.

Where an Inbound call is 'answered' by Inbound call queue/announcement/IVR a chargeable call will be produced with 'Inbound Platform' as the destination and charged at the standard fixed rate according to the Inbound number type. This will be generated in addition to any further applicable charges if the call is subsequently answered by a destination number.

* Inbound Geographic calls which terminate to a Gamma IP number on your customer account are free of charge, including where a call is "answered" by the platform, the same call subsequently going into the Inbound Platform (ie an IVR or Call Queue etc) will then incur call charges.

** Where calls to 0800/ 0808 numbers originate from a mobile, an additional 2.5ppm Mobile Access Levy will apply in addition to the standard rate.

3.7.1 the Assurance is within the validity period stated in the Assurance (or, if no validity period is stated, no more than 12 months has elapsed since it was issued and no more than 18 months has elapsed since the Accounting Reference Date on which the CRP Information was based); and

3.7.2 no Corporate Change Events or Financial Distress Events (or events which would be deemed to be Corporate Change Events or Financial Distress Events if the Call-Off Contract had then been in force) have occurred since the date of issue of the Assurance.

3.8 If the Call-Off Contract is a Critical Service Contract, the Supplier shall provide an updated version of the CRP Information (or, in the case of Paragraph 3.8.3 of its initial CRP Information) to the Appropriate Authority or Appropriate Authorities:

3.8.1 within 14 days of the occurrence of a Financial Distress Event (along with any additional highly confidential information no longer exempted from disclosure under Paragraph 3.11) unless the Supplier is relieved of the consequences of the Financial Distress Event as a result of credit ratings being revised upwards;

3.8.2 within 30 days of a Corporate Change Event unless

(a) the Supplier requests and the Appropriate Authority (acting reasonably) agrees to a Corporate Change Event Grace Period, in the event of which the time period for the Supplier to comply with this Paragraph shall be extended as determined by the Appropriate Authority (acting reasonably) but shall in any case be no longer than six months after the Corporate Change Event. During a Corporate Change Event Grace Period the Supplier shall regularly and fully engage with the Appropriate Authority to enable it to understand the nature of the Corporate Change Event and the Appropriate Authority shall reserve the right to terminate a Corporate Change Event Grace Period at any time if the Supplier fails to comply with this Paragraph; or

(b) not required pursuant to Paragraph 3.10;

3.8.3 within 30 days of the date that:

(a) the credit rating(s) of each of the Supplier and its Parent Undertakings fail to meet any of the criteria specified in Paragraph 3.10; or

(b) none of the credit rating agencies specified at Paragraph 3.10 hold a public credit rating for the Supplier or any of its Parent Undertakings; and

3.8.4 in any event, within 6 months after each Accounting Reference Date or within 15 months of the date of the previous Assurance received from the Appropriate Authority (whichever is the earlier), unless:

(a) updated CRP Information has been provided under any of Paragraphs 3.8.1 3.8.2 or 3.8.3 since the most recent Accounting Reference Date (being no more than 12 months previously) within the timescales that would ordinarily be required for the provision of that information under this Paragraph 3.8.4; or

(b) not required pursuant to Paragraph 3.10.

3.9 Where the Supplier is a Public Sector Dependent Supplier and the Call-Off Contract is not a Critical Service Contract, then on the occurrence of any of the events specified in Paragraphs 3.8.1 to 3.8.4, the Supplier shall provide at the request of the Appropriate Authority or Appropriate Authorities and within the applicable timescales for each event as set out in Paragraph 3.8 (or such longer timescales as may be notified to the Supplier by the Buyer), the CRP Information to the Appropriate Authority or Appropriate Authorities.

3.10 Where the Supplier or a Parent Undertaking of the Supplier has a credit rating of either:

3.10.1 Aa3 or better from Moody's;

3.10.2 AA- or better from Standard and Poors;

3.10.3 AA- or better from Fitch;

the Supplier will not be required to provide any CRP Information unless or until either (i) a Financial Distress Event occurs (unless the Supplier is relieved of the consequences of the Financial Distress Event due to credit ratings being revised upwards) or (ii) the Supplier and its Parent Undertakings cease to fulfil the criteria set out in this Paragraph 3.10, in which cases the Supplier shall provide the updated version of the CRP Information in accordance with paragraph 3.8.

3.11 Subject to Paragraph 5, where the Supplier demonstrates to the reasonable satisfaction of the Appropriate Authority or Appropriate Authorities that a particular item of CRP

Information is highly confidential, the Supplier may, having orally disclosed and discussed that information with the Appropriate Authority or Appropriate Authorities, redact or omit that information from the CRP Information provided that if a Financial Distress Event occurs, this exemption shall no longer apply and the Supplier shall promptly provide the relevant information to the Appropriate Authority or Appropriate Authorities to the extent required under Paragraph 3.8.

4. Termination Rights

4.1 The Buyer shall be entitled to terminate the Call-Off Contract if the Supplier is required to provide CRP Information under Paragraph 3 and either:

4.1.1 the Supplier fails to provide the CRP Information within 4 months of the Start Date if this is a Critical Service Contract or otherwise within 4 months of the Appropriate Authority's or Appropriate Authorities' request; or

4.1.2 the Supplier fails to obtain an Assurance from the Appropriate Authority or Appropriate Authorities within 4 months of the date that it was first required to provide the CRP Information under the Call-Off Contract, which shall be deemed to be an event to which Clause 18.4 applies.

5. Confidentiality and usage of CRP Information

5.1 The Buyer agrees to keep the CRP Information confidential and use it only to understand the implications of an Insolvency Event of the Supplier and/or Supplier Group members on its UK Public Sector Business and/or services in respect of CNI and to enable contingency planning to maintain service continuity for end users and protect CNI in such eventuality.

5.2 Where the Appropriate Authority is the Cabinet Office Markets and Suppliers Team, at the Supplier's request, the Buyer shall use reasonable endeavours to procure that the Cabinet Office enters into a confidentiality and usage agreement with the Supplier containing terms no less stringent than those placed on the Buyer under paragraph 5.1 and incorporated Framework Agreement clause 34.

5.3 The Supplier shall use reasonable endeavours to obtain consent from any third party which has restricted the disclosure of the CRP Information to enable disclosure of that information to the Appropriate Authority or Appropriate Authorities pursuant to Paragraph 3 subject, where necessary, to the Appropriate Authority or Appropriate Authorities entering into an appropriate confidentiality agreement in the form required by the third party.

5.4 Where the Supplier is unable to procure consent pursuant to Paragraph 5.3, the Supplier shall use all reasonable endeavours to disclose the CRP Information to the fullest extent possible by limiting the amount of information it withholds including by:

5.4.1 redacting only those parts of the information which are subject to such obligations of confidentiality;

5.4.2 providing the information in a form that does not breach its obligations of confidentiality including (where possible) by:

- (a) summarising the information;
- (b) grouping the information;
- (c) anonymising the information; and
- (d) presenting the information in general terms

5.5 The Supplier shall provide the Appropriate Authority or Appropriate Authorities with contact details of any third party which has not provided consent to disclose CRP Information where that third party is also a public sector body and where the Supplier is legally permitted to do so.

1.2 ensure that the information is presented in a simple, effective and easily understood manner.

2 For the avoidance of doubt the financial information to be provided pursuant to Paragraph 1 of this Annex 3 should be based on the most recent audited accounts for the relevant entities (or interim accounts where available) updated for any material changes since the Accounting Reference Date provided that such accounts are available in a reasonable timeframe to allow the Supplier to comply with its obligations under this Schedule.
