    - How the contract works - what's in a contract
  - 1.1.2. **Attachment 2 - How to bid** – guidance on the selection and award questionnaires and how we will assess your bid. Register on the Bravo eSourcing portal via <https://dclg.bravosolution.co.uk/> if you are not already registered. You must use the Bravo eSourcing portal to make your bid.

## 2. The Opportunity

- 2.1. This Procurement will establish a single Supplier Contract for the purchase of Planning Application and Development Pipeline Data services. The Services are described in detail within Attachment 3 - Statement of Requirements.
- 2.2. The contract will be for an initial 12 month period with two options to extend in yearly increments reviewed on an annual basis (i.e. 1+1+1 years).

- 2.3. This Contract will be between the successful Supplier and the Contracting Authority.
- 2.4. The Contract is being offered under MHCLG Standard Terms and Conditions for Services which will govern any resultant Contract.
- 2.5. The Authority is managing this Procurement in accordance with the Public Contracts Regulations 2015. This is a call off contract and as such the Contracting Authority cannot guarantee volumes of work.
- 2.6. MHCLG wishes to commission a Supplier to provide planning application and development pipeline data for residential applications across England together with associated analysis. Remember that the full specification is in Attachment 3 (Statement of Requirements).

### 3. What You Need To Know

#### 3.1. What 'We' And 'You' Means

- 3.1.1. When we use 'we', 'us', 'Contracting Authority', 'Customer', 'Authority' or 'Client' we mean MHCLG who the goods/services will be delivered to and to whom you will enter into any subsequent contracts.
- 3.1.2. When we use 'you' or 'your' we mean your organisation, or the organisation you represent, in this competition.
- 3.1.3. The Public Contracts Regulations 2015 ("the Regulations") regulate how we procure. This means that we and you have to follow processes that are fair, transparent and equitable for all bidders.

#### 3.2. Who Can Bid

- 3.2.1. We are running this competition using the Open Market (Sub-OJEU) route. This means that anyone can submit a bid in response to the published contract notice.
- 3.2.2. Option 1 - You can submit a bid as a single legal entity. Alternatively, you can bid with named subcontractors to deliver parts of the requirements.
- 3.2.3. We recognise that subcontracting plans can change. You must tell us about any changes to the proposed subcontracting as soon as you know. If you do not, you may be excluded from this competition.

- 3.2.4. Option 2 - You can submit a bid as a single legal entity. Alternatively, you can:
- 3.2.5. Bid with named subcontractors to deliver parts of the requirements.
- 3.2.6. We recognise that subcontracting plans can change. You must tell us about any changes to the proposed subcontracting as soon as you know. If you do not, you may be excluded from this competition.

## 5. When And How To Ask Questions

- 5.1. We hope everything is clear after you've read this bid pack.
- 5.2. If you have any questions you need to ask them as soon as possible after the procurement event is published. This is because we have a set deadline for submitting questions – the clarifications questions deadline (Refer to timelines for competition above). This gives you the chance to check that you understand everything before you submit your bid.
- 5.3. You need to send your questions through the Bravo eSourcing portal. This is the only way we can communicate with bidders. Try to ensure your question is specific and clear. Do not include your identity in the question. This is because we publish all the questions and our responses to all bidders.
- 5.4. If you feel that a particular question should not be published, you must tell us why when you ask the question. We will decide whether or not to publish the question and response.
- 5.5. Remember that you can ask us questions about the competition but please do not attempt to 'negotiate' the terms. All contract awards will be subject to the terms and conditions identified in this Bid Pack.

## 6. Making The Competition Work

- 6.1. We run our competitions so that they are fair and transparent for all bidders. This section sets out the rules of this competition.
- 6.2. **What you can expect from us**
  - 6.2.1. We will not share any information from your bid with third parties, apart from stakeholders in the competition, which you have identified as being confidential or commercially sensitive. However, we may share this information but only in line with the Regulations, the Freedom of Information Act 2000 (FOIA) or any other law as applicable.
- 6.3. **What we expect from you**
  - 6.3.1. You must comply with the rules in this Bid Pack and any other instructions given by us. You must also ensure your subcontractors or advisers comply.
  - 6.3.2. You may:

- Submit one bid
- Your bid must remain valid for 90 days after the bid submission deadline.
- You must submit your bid in English and through the Bravo eSourcing portal only.

#### **6.4. Involvement in multiple bids**

6.4.1. If you are connected with another bid for the same requirement, we may make further enquiries. For example, where you either submit a bid:

- In your own name and or as a subcontractor connected with a separate bid
- In your own name which is similar to a separate bid from another bidder within your group of companies

6.4.2. This is so we can be sure that your involvement doesn't cause:

- Potential or actual conflicts of interest
- Supplier capacity problems
- Restrictions or distortions in competition

6.4.3. We may require you to amend or withdraw all or part of your bid if, in our reasonable opinion, any of the above issues have arisen or may arise.

#### **6.5. Contracting arrangements**

6.5.1. Only you or, as applicable, your subcontractors (as set out in your bid) can provide goods and/or services through the contract.

#### **6.6. Bidder conduct and conflicts of interest**

6.6.1. You must not attempt to influence the contract award process. For example, you must not ever directly or indirectly:

- Collude with others over the content and submission of bids. However, you may work in good faith with a proposed partner, supplier or provider of finance.
- Canvass our staff or advisors about this competition.

- Try to get information from any MHCLG staff or advisors about another bidder or bid.

6.6.2. You must ensure that no conflicts of interest exist between you and us. If you do not tell us about a known conflict, we may exclude you from the competition. We may also exclude you if a conflict cannot be dealt with in any other way.

## 6.7. Confidentiality and Freedom of Information

6.9.2. Exclude you if:

- You submit a non-compliant bid

- You fail to tell us of any change in the contracting arrangements between bid submission and award
- The change in the contracting arrangements would result in a breach of procurement law
- For any other reason provided in this Bid Pack
- For any reason set out in the Public Contract Regulations 2015

#### 6.10. **Consequences of misrepresentation**

- 6.10.1. If a serious misrepresentation by you induces us to enter into a contract with you, you may be:
- Excluded from bidding for contracts for three years, under regulation 57(8)(h)(i) of the PCR 2015
  - Sued by us for damages, and we may rescind the contract under the Misrepresentation Act 1967

- 6.10.3. If there is a conviction, then your organisation must be excluded from procurement for five years under reg. 57(1) of the PCR 2015 (subject to self-cleaning).

#### 6.11. **Bid costs**

- 6.11.1. We will not pay your bid costs for any reason, for example if we terminate or amend the competition.

#### 6.12. **Warnings and disclaimers**

- 6.12.1. We will not be liable:
- Where parts of the Bid Pack are not accurate, adequate or complete
  - For any written or verbal communications

6.12.2. You must carry out your own due diligence and rely on your own enquiries.
