

AW5.2 Price Schedule

SOURCING REFERENCE:	PS17230
SOURCING DOCUMENT TITLE:	STFC ESA BIC Business Support
BIDDER NAME	Bidder to add name

Bidder guidance - This is a scenario based price schedule based on 2 x rotations of the programme per year, 2 x networking events per programme, and 2 x 1:1 support per programme, therefore the final contract price is dependent on the number of networking events deemed necessary per programme by the bidder to achieve the aims and deliverables of this contract in accordance with the specification. Bidders are required to complete all relevant yellow highlighted cells and the "Notes and Comments" where appropriate. Where bidders are not offering a discounted price please ensure that you copy your list price into the discounted cell. For the avoidance of doubt the total compiled within cell F42 shall be used for the evaluation of this procurement

Please complete the yellow shaded areas only
