

## TENDER INFORMATIVE -03

### M+E Sub-contracting

The tendering contractor may choose from the following suitable M+E sub-contractors, listed in alphabetical order, to provide the work described in the 'Mechanical Services Schedule of Work' prepared by 3DE:

Bartlett, Exeter. 01392 203000. sales@bartlett.uk.com

FP Hurley, Exeter. 0330 041 4648. exeter@fphurley.co.uk

Nuttall, Bristol. 0117 959 6432. enquiries@nuttall-engineering.com

Their appointment would be in accordance with the sub-contractor clause in the Minor Works building contract 2016.

Additions to the list above require the tendering contractor to provide names of two referees (eg architects or engineers) who are prepared to give references as to the suitability of the firm to carry out the M+E work in this contract.
