

- Proposed tree
T1
- Existing tree to be retained and protected (refer to arboricultural report)
- existing hedge
Proposed hedge
- Proposed seasonal bulb planting drifts
- Proposed planting border- incorporating plants associated with the textile industry, herbaceous perennials and shrubs
- Proposed planting border- prairie planting incorporating grasses and herbaceous perennials.
- Existing / proposed cut grass area
- Planting border / hedge- refer to plant schedule
T1
- Loose gravel area
- Proposed bound gravel path: 'Terrabound' by Addagrip installed in full accordance with manufacturers requirement (or similar approved alternative). Finish to be agreed with client. Edge detail: EverEdge Tital or similar approved alternative. Depth assume 200mm. Thickness assume 4mm
<https://www.everedge.co.uk/shop/view/3-Titan>
- Proposed setts
Marshalls Tegula in 'pennant grey' finish
- Existing tarmacadam path
- Proposed and existing steel palisade fence for security (green) 2m high. New fence to match existing
- New bench: 'Phoenix Recycled Material Seat' by Glasdon

2m high green palisade fence to match existing

Ref	No.	Plant name	Description	Girth / Height	Pot size	Root system	Spacing / Density	Notes
	T1-T2	Sorbus commixta 'Embley'	Dec. Tree	10/12		BR		
B	22	Lonicera nitida	Ev. Shrub	40/60	2L	CG	80cm
