UK Shared Business Services Ltd

████████████████████
For and on behalf of The Department for Business, Energy & Industrial Strategy

Contract CR20090 is varied as follows and shall take effect on Monday, 2nd November 2020 between:

- (1) **The Department for Business, Energy & Industrial Strategy** 1 Victoria St, Westminster, London SW1E 5ND (**The Contracting Authority**).

and

- (2) **Market & Opinion Research International Limited**, 3 Thomas More Square, London E1W 1YW (**the Supplier**).

Collectively known as the “**Parties**”

The Parties agree the following changes to contract CR20090 COVID-19 Household Research (behavioural and attitudinal impacts for Net Zero, green recovery and domestic energy use)

- This contract variation is being undertaken to include the sample boosts for Scotland and Wales included in the original specification. [REDACTED]
[REDACTED]
[REDACTED] This increases the total contract value from £227,686.13 excluding VAT to £340,040.13 excluding VAT.

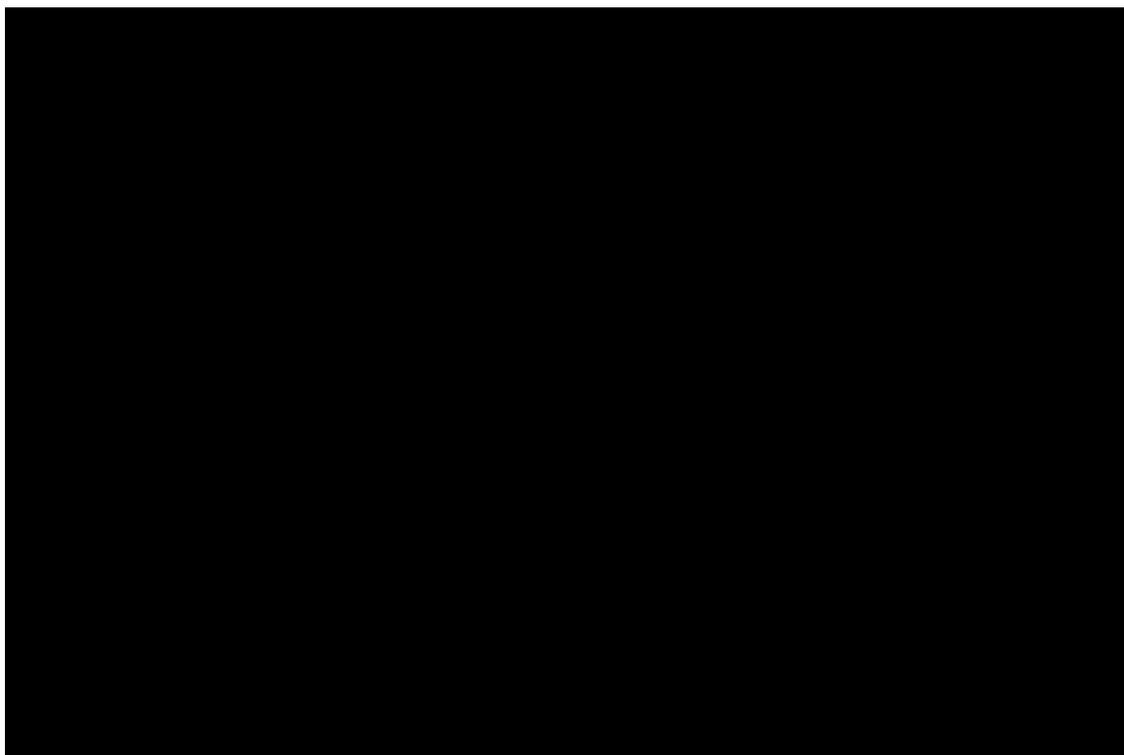

The requirements within this contract variation are subject to a clause enabling The Department for Business, Energy & Industrial Strategy to pause or cancel subject to major events (e.g. further COVID-19 restrictions preventing fieldwork from continuing). Should this occur Market & Opinion Research International Limited will be able to recover any costs already incurred (e.g. in drawing sample; purchase of supplies such as paper and envelopes; printing and packing; project management; other operational costs such as scripting, setting up sample tracking databases, briefings).

A detailed breakdown of the additional requirement and costs for the Wales and Scotland sample boosts are provided below:
