RE: Extension of the Contract with PA Consulting for the provision of staffing solutions as part of the Covid-19 Vaccination Programme.

Dear Supplier,

PA Consulting Services Ltd has been providing staffing solutions to the Covid-19 Vaccination Programme (the Programme), for the Workforce workstream, under the agreed terms MCF.

It is expected that the Programme will continue its activities to beyond March 2022, and it is understood that requirement for staffing solutions will continue similarly; as such, the Authority foresees requirement for the Supplier's ongoing engagement to support the Programme. Therefore, in accordance with the agreement, the Authority wishes to extend the duration of engagement, under terms of the clause, to the full term of the Contract to 30th September 2022, through this written notice (the Extension):

The extension of the agreement will allow the Authority to conduct further market competition and test the market as and when required.

The 6 month extension of the contract is to the value of 

All other terms and conditions will remain unchanged as per the Agreement.

Please sign and confirm your receipt of the notice and confirmation of this Extension to the Contract below.
