## ***Invitation to Tender***

### ***Provision of New Ride on Mower***

Hythe and Dibden Parish Council is seeking tenders for the supply of a new John Deere 1580 out front mower which should be supplied with a Trimax FX155 flail deck or a similar type of mower.

The mower will be used for by the Parish Council's Maintenance Team, cutting road side vergers and therefore should be supplied with warning beacons and high visibility chevrons, suitable for working on the highway.

The contractor will be able to demonstrate a successful track record of delivering ride on mowers of a similar nature on budget and on time. The applicant must also be able to provide the Council with written assurances regarding the time to provide spare or replacement parts required for the upkeep of the machine.

The Council has a Kubota G23 that it would like to include as part exchange in this tender process

For further information and a copy of the tender document, please contact Marcus Kendall, Hythe and Dibden Parish Council:
