###### II.1.3) **Type of contract**

Services

###### II.1.4) **Short description:**

DFID is increasing support to family planning in Tanzania through the Scaling Up Family Planning in Tanzania programme over 5 years from 2019. By 2023, this programme will reach 240,000 additional users, provide 10 million couple years of protection and avert 6200 maternal deaths, successfully scaling up family planning services, Comprehensive Post-abortion Care (CPAC) and management of Gender-Based Violence (GBV) in Tanzania.

The programme will ensure inclusiveness and equity by reaching refugees, people with disabilities, young people and both rural and urban population. It will ensure that women are free to choose the number of children they want to have and when to have them. This is in line with Sustainable Development Goals (SDG) targets 3.7 and 5.6.

The programme will take specific care to reach women below 19 years, refugees and people with disabilities. There will also be men and boys engagement at the community and health facility level.

**II.1.5) Estimated total value**

Value excluding VAT: 29 600 000.00 GBP

**II.1.6) Information about lots**

This contract is divided into lots: yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Lots 1 and 2 if the same supplier is most economically advantageous after the evaluations are complete.

**II.2) Description**

**II.2.1) Title:**

Kigoma, Katavi, Tabora and up to 11 additional Tanzanian Regions

Lot No: 1

**II.2.2) Additional CPV code(s)**

75211200

**II.2.3) Place of performance**

NUTS code: UKM95

Main site or place of performance:

The main place of performance and delivery of the requirement will be in Tanzania.

**II.2.4) Description of the procurement:**

Lot 1 will operate in Kigoma region which covers at least 300,000 refugees and, Katavi and Tabora regions which has naturalised citizens. Additionally, the lot will implement in up to 11 more regions, with a mix of delivery in routine, medium and hard to reach districts and regions, according to the allocation by the Government of Tanzania which will take place before the implementation phase. This lot will not cover Dar es Salaam region but urban areas in other regions they will implement.

To maximise reach, provide more comprehensive impact, facilitate cross learning from each Lot and share the risk of delivery the tender will be split into 2 geographical lots of up to 14 separate regions each.

DFID is seeking a Supplier(s) to deliver a 60 month contract of up to 29.6m GBP (split evenly between Lots 1 and 2) until end June 2024 for the Scaling Up Family Planning in Tanzania Programme.

The timeframe may be extended to end June 2026 subject to satisfactory performance of the Supplier(s), continuing need and availability of funding, and the agreement of the Supplier(s) and DFID, utilising a negotiated procedure.

There is also provision to increase the financial limit by up to a further 50 % (14.8m GBP across both Lots 1 and 2) subject to satisfactory performance of the Supplier, continuing need and availability of funding, and

the agreement of the Supplier(s) and DFID, utilising a negotiated procedure. The estimated value includes all applicable taxes, and tenderers

should include all applicable taxes in their tenders.

Please note that the estimated value of 29.6m GBP (split evenly between both Lots 1 and 2), inclusive of all extension options, represents a maximum, and DFID expects that competitive tenders based on the full Terms of Reference (Volume 3 of the ITT Pack) will come in at a lower level.

The main recipients of the services are women and girls in Tanzania.

Delivery will require visits to both fragile and non-fragile regions with the Supplier(s) responsible for the Duty of Care for their staff and any third party contractors.

A payment by results model will be used for effective implementation of the Scaling Up Family Planning in Tanzania programme and will link to achievement of agreed KPI's and milestones. Key Performance indicators will link delivery of targets to an agreed payment schedule.

A DFID Standard Service Contract will be awarded.

Scale up/down is provided for in ToR and contract clauses to allow flexibility to respond to emerging needs.
