You should review the policies prior to entering into the Order Form for the applicable technical support services.
2. In relation to the provision of Technical Support, Cyber Essentials certification is not applicable to the Call-Off Contract. Call Off Schedule 23

Oracle 'Supplier Furnished Terms' for CCS Framework RM 6194

On Premise Technical Support Services Renewals

These Terms represent the Supplier Furnished Terms related to the renewal of On Premise Technical Support Services (i.e. support for Software / Programs licensed by the Buyer from the Supplier which are not provided as part of a 'Cloud Service' offering) as envisaged by the above Framework Contract entered into between Oracle Corporation UK Limited and the Authority. They form part of a Call Off Contract entered into between the Supplier and the Buyer identified in a relevant Order Form pursuant to the above Framework Contract. Except as defined otherwise in this document, words or phrases used in this document which are defined in the Call Off Contract have the same meaning when used in these Supplier Furnished Terms.

References in these Supplier Furnished Terms to "**Oracle**" "**we**," "**us**," or "**our**" are references to Oracle Corporation UK Limited and references to "**You**", "**Your**" are to the Buyer identified in the Order Form.

1. Technical Support

- 1.1. Oracle will, during the relevant Call Off Contract Period, provide Oracle's Software Technical Support services for Oracle Software, unless earlier terminated in accordance with the Call Off Contract, solely for Your internal business operations.
- 1.2. The Service Specifications (as defined in section 11 below) describe and govern the Services. The Services offered under this Framework are standard Oracle service offerings and you are responsible for selecting the Services to meet your requirements. During the Call Off Contract Period, we may update the Services, Service Specifications and applicable security and privacy policies (including those policies referred to in sections 3.1 and 10.24 below) to reflect changes in, among other things, laws, regulations, rules, technology, industry practices and patterns of system use. Oracle updates to the Services, Service Specifications and applicable security and privacy policies will not result in a material reduction in the level of technical support services provided for supported Oracle Software during the period for which fees for technical support have been paid. Software Updates that are made generally available by us to our customers at no additional charge to their ongoing recurring charges shall be similarly provided to You at no increase in the Charges. Oracle will endeavour to give as much notice as possible of any new version of the Oracle Software provided as part of the Services, but You recognise that it may not be practical to give three (3) months' advance notice of a new version, particularly where such new version is issued to address a potential Defect affecting the Oracle Software.
- 1.3. Service Levels - Call Off Schedule 14 shall not apply to the Call Off Contract. The Supplier's Software Technical Support Policies are the exhaustive statement of any applicable Service Levels.
- 1.4. On Premise Technical Support for any Program license within a license set must be purchased at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if it agrees to terminate that subset of licenses. The Technical Support fees for the remaining licenses will be priced in accordance with the technical support policies in effect at the time of termination. The Supplier's license set definition is available in the current technical support policies. If You decide not to purchase technical support, You may not update any unsupported Program licenses with new versions of the Program.

2. Ownership Rights and Restrictions

- 2.1. We or our licensors retain all ownership and intellectual property rights in and to the Services,

the Oracle Software, derivative works thereof, and anything developed or delivered by or on behalf of us under this Call-Off Contract including all New IPR and any Specially Written Software.

- 2.2. Any Software Updates made available to You in the course of the provision of the Services shall be subject to the terms of Your existing license agreement in respect of the applicable Oracle Software. Nothing in this Call-Off Contract varies the rights and obligations under the existing license agreement between You and Oracle, and all such rights and obligations of both parties are expressly preserved.
- 2.3. You may not, and may not cause or permit others to: (a) modify, make derivative works of, disassemble, decompile, reverse engineer, reproduce, republish, download, or copy any part of the Services or Software Updates (including data structures or similar materials produced by programs) unless required to be permitted by law for interoperability; (b) access or use the Services or Software Updates to build or support, directly or indirectly, products or services competitive to Oracle; or (c) license, sell, transfer, assign, distribute, outsource, permit timesharing or service bureau use of, commercially exploit, or make available the Services and/or any Software Updates to any third party except as permitted by the Call Off Contract. For the avoidance of doubt, except as expressly permitted by the existing terms governing Your license rights in respect of the applicable Oracle Software, no element of the Oracle Software provided as part of the Services or created in the course of the provision of the Services can be published by You as 'open source'.

3. Warranties, Disclaimers and Exclusive Remedies

- 3.1. Each party represents that it has validly entered into this Call Off Contract and that it has the power and authority to do so. We warrant that during the Call Off Contract Period we will perform the Services in a professional manner consistent with industry standards. This warranty replaces all other performance or functionality related warranties, conditions or other requirements related to the quality, functionality or performance of the Services. If the Services provided to You were not performed as warranted, You must promptly (and in any event within ninety (90) days from performance of the allegedly deficient technical support service) provide us with a written notice that describes the deficiency (including, as applicable, the service request number notifying us of the deficiency). A Rectification Plan may be required from Oracle only where the production of such a plan is reasonably required given the nature of the deficiency in question. We will notify You promptly if we become aware that any of the warranties and representations made by us pursuant to clause 8 of the Core Terms has become untrue or misleading.
- 3.2. Each party represents that it has validly entered into this Call Off Contract and that it has the power and authority to do so.
- 3.3. WE DO NOT WARRANT THAT THE SERVICES WILL BE PERFORMED ERROR-FREE OR UNINTERRUPTED, THAT WE WILL CORRECT ALL SERVICES ERRORS, OR THAT THE SERVICES WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS. WE ARE NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE SERVICES THAT ARISE FROM MATERIALS THAT HAVE NOT BEEN PROVIDED BY ORACLE OR SERVICES PROVIDED BY THIRD PARTIES.
- 3.4. FOR ANY BREACH OF THE SERVICES WARRANTY, YOUR EXCLUSIVE REMEDY AND OUR ENTIRE LIABILITY SHALL BE THE RE-PERFORMANCE OF THE SERVICES THAT CAUSED THE BREACH OF WARRANTY, OR, IF WE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THE DEFICIENT SERVICES AND WE WILL REFUND TO YOU THE FEES FOR THE TERMINATED SERVICES THAT YOU PRE-PAID TO US FOR THE PERIOD FOLLOWING THE EFFECTIVE DATE OF TERMINATION.

- 3.6. Clause 8.7 of the Core Terms does not apply should any third party technology be included within or used to provide the Services or any part thereof.

4. Limitation of Liability

- 4.1. IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES, OR ANY LOSS OF REVENUE, SALES, DATA OR DATA USE.
- 4.2. UNDER CLAUSE 11.2 OF THE CORE TERMS, THE £5 MILLION ALTERNATIVE CAP ON LIABILITY SHALL NOT APPLY.
- 4.3. Oracle's liability in respect of breaches of clause 14 of the Core Terms shall be governed by relevant provisions of common law applicable to the recovery of damages and shall not be subject to an indemnity. The cap on liability in clause 11.6 of the Core Terms shall only apply in circumstances where there has been unauthorised access to Your Personal Data caused by a breach of Oracle's security practices. All other breaches shall be covered by the cap in clause 11.1 of the Core Terms.

5. IPR Indemnification

- 5.1. The indemnity in clause 9.5 of the Core Terms shall be limited to those amounts awarded by the courts to the third party claiming infringement or agreed to be paid by Oracle as part of an agreed settlement.
- 5.2. If either of the alternatives referred to in clause 9.6 of the Core Terms are not commercially reasonably available, Oracle may, without prejudice to the right of You to claim damages for breach of the warranties in clause 8 of the Core Terms, end the license for the applicable Services or Oracle Software and refund any unused, prepaid fees You may have paid for such Services / Oracle Software.
- 5.3. Oracle will not indemnify You if You alter the Oracle Software or uses it outside the scope of use permitted the terms of Your existing license agreement or if You use a version of the Oracle Software which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Oracle Software which was provided to You, or if You continue to use the applicable Oracle Software after the end of the applicable license to use. Oracle will not indemnify You to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by Oracle. Oracle will not indemnify You for any portion of an infringement claim that is based upon the combination of any Oracle Software with any products or services not provided by Oracle.
- 5.4. The rights and remedies in clauses 9.5 and 9.6 of the Core Terms (as amended by the provisions of this section 6) provides the parties' exclusive remedy for any IPR Claims or related damages.

- 6.3. Rights to terminate any Call Off Contract in part will not apply.

7. Export

- 7.1. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Services. Such export laws govern use of the Services (including technical data) and any Software Updates provided under the Call Off Contract, and You and we each agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, software programs and/or materials resulting from the Services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

8. Payment

- 8.1. You may only retain or set off any amount owed to it by Oracle against any amount due to Oracle under the Call Off Contract. Your right to retain or set-off amounts owed to it shall only apply where Oracle has agreed that the amount is owed or You have a binding court judgment to that effect. Otherwise, fees payable shall be paid in full and all other rights of set-off whether at common law or otherwise in favour of You are excluded.
- 8.2. If applicable to the Call Off Contract, the right of deduction and withholding pursuant to clause 3.2 of Call Off Schedule 14 shall not apply.
- 8.3. If You wish to exercise your right pursuant to clause 9.1 it shall give notice to Oracle within thirty (30) days of receipt of the relevant invoice, setting out Your reasons for the retention and the size of the retention against the relevant Charges.

- 9.2. Assignment by You – You may not assign its rights or obligations under any Call-Off Contract or give or transfer its rights in Oracle Software or any Deliverable provided under a call-Off Contract or an interest in them to another individual or entity. If You grant a security interest in Oracle Software or any Deliverable provided under a call-Off Contract, the secured party has no right to use or transfer such Oracle Software or any Deliverable.
- 9.3. Our business partners and other third parties, including any third parties with which the Services have integrations or that are retained by You to provide consulting services, implementation services or applications that interact with the Services, are independent of Oracle and are not Oracle's agents. We are not liable for, bound by, or responsible for any acts of any such business partner or third party, unless the business partner or third party is providing Services as our subcontractor on an engagement ordered under the Call Off Contract and, if so, then only to the same extent as we would be responsible for our resources under the Call Off Contract.
- 9.4. Neither Party has been given, nor entered into this Call Off Contract in reliance on, any warranty, statement, promise or representation other than those expressly set out in the Call Off Contract.
- 9.5. Prior to entering into an Order Form, You are solely responsible for determining whether the Services meet Your technical, business or regulatory / legal requirements. Oracle will cooperate with Your efforts to determine whether use of the standard Services are consistent with those requirements. Additional fees may apply to any additional work performed by Oracle or changes to the Services. You remain solely responsible for Your regulatory / legal compliance in connection with Your use of the Services.
- 9.6. In addition to any audit rights in Your existing license agreement for Oracle Software, Oracle may, upon forty-five (45) days' written notice, audit Your use of the Oracle Software to ensure Your use of the Oracle Software is in compliance with the existing terms governing Your license rights in respect of the applicable Oracle Software. Any such audit shall not unreasonably interfere with Your normal business operations. You agree to cooperate with Oracle's audit and provide reasonable assistance and access to information reasonably requested by Oracle. Such assistance shall include, but shall not be limited to, the running of Oracle data measurement tools on Your servers and providing the resulting data to Oracle. The performance of the audit and non-public data obtained during the audit (including findings or reports that result from the audit) shall be subject to the confidentiality provisions of the Call-Off Contract. If the audit identifies non-compliance, You agree to remedy (which may include, without limitation, the payment of any fees for additional licenses for Oracle Software) such non-compliance within thirty (30) days' of written notification of that non-compliance. If You do not remedy the non-compliance, Oracle can end (a) Software related service offerings (including technical support), (b) existing Software licenses and related agreements. You agree that Oracle shall not be responsible for any of Your costs incurred in cooperating with the audit.
- 9.7. **Financial Distress** – Joint Schedule 7 does not apply to any Call Off Contract. It is acknowledged by You that Joint Schedule 7 details Oracle's obligations only to CCS under the Framework Contract and not to You under any Call Off Contract.
- 9.8. **Change Control Impact Assessments** – Oracle will provide reasonable evidence to support any proposed changes to the Call Off Charges but it is not obliged to disclose details of its own costs.
- 9.9. **Implementation and Testing** – The provisions of Call-Off Schedule 13 are agreed by the Parties to be not applicable to any Call Off Contract.
- 9.10. **Business Continuity** – The provisions of Call-Off Schedule 8 are agreed by the Parties to be not applicable to any Call Off Contract. It is acknowledged by You that Oracle has in place its own Business Continuity / Disaster Recovery Plan which has been prepared with Good Industry Practice and that this is sufficient to meet Your requirements and the requirements of the Call Off Contract in this respect. Compliance with the specific

Call-Off Schedule 23 (Supplier Furnished Terms)

requirements of Your own BC/DR Plan or policies is not therefore required and would be impractical for a standard service offering.

9.11. Records and Audit rights – Oracle will keep such records as are reasonably required to demonstrate its compliance with the terms of any Call Off Contract. Your right of audit set out in the Call Off Contract do not extend to the right to audit Oracle's or its sub-contractor's costs other than in circumstances where the Charges are expressly calculated on a "cost plus" basis. You may audit Oracle's compliance with its obligations under the Call Off Contract up to once per year. In addition, to the extent required by Applicable Data Protection Law, You or Your regulator may perform more frequent audits.

9.11.1. If a third party is to conduct the audit, the third party must be mutually agreed to by You and Oracle (except if such third party is a regulator). Oracle will not unreasonably withhold its consent to a third party auditor requested by You. The third party must execute a written confidentiality agreement acceptable to Oracle or otherwise be bound by a statutory or legal confidentiality obligation.

9.11.2. To request an audit, You must submit a detailed proposed audit plan to Oracle at least two (2) weeks in advance of the proposed audit date. The proposed audit plan must describe the proposed scope, duration, and start date of the audit. Oracle will review the proposed audit plan and provide You with any concerns or questions. Oracle will work cooperatively with You to agree on a final audit plan.

9.11.3. The audit must be conducted during regular business hours at the applicable facility, subject to the agreed final audit plan and Oracle's health and safety or other relevant policies and may not unreasonably interfere with Oracle business activities.

9.11.4. Upon completion of the audit, You will provide Oracle with a copy of the audit report, which is subject to the confidentiality terms of the Call Off Contract. You may use the audit reports only for the purposes of meeting Your regulatory audit requirements and/or confirming compliance with the requirements of the Call Off Contract.

9.11.5. Each party will bear its own costs in relation to the audit, unless Oracle promptly informs you upon reviewing Your audit plan that it expects to incur additional charges or fees in the performance of the audit that are not covered by the fees payable under Your Call Off Contract such as additional license or third party contractor fees. The parties will negotiate in good faith with respect to any such charges or fees.

9.11.6. If the requested audit scope is addressed in a SOC, ISO, NIST, PCI DSS, HIPAA or similar audit report issued by a qualified third party auditor within the prior twelve (12) months and Oracle provides such report to You confirming there are no known material changes in the controls audited, You agree to accept the findings presented in the third party audit report in lieu of requesting an audit of the same controls covered by the report.

9.12. Termination / expiry – For the avoidance of doubt, the provisions of clause 10.6.1 (a) of the Core Terms are subject to the provisions of clause 10.6.1 (b) and the ongoing obligation of You to pay for Services which Oracle continues to provide following termination at Your request. Any Termination Assistance in addition to this must be agreed between the Parties whether pursuant to the Exit Plan or otherwise. If applicable to the Call-Off Contract, You shall be obliged to pay for any Termination Assistance agreed pursuant to the provisions of Call-Off Schedule 10 notwithstanding the provisions of clause 10.6.1 (f) of the Core Terms. Termination by Oracle shall be without prejudice to Oracle's rights in respect of any unpaid Charges and the Charges that would have been payable by You in respect of the period following termination.

9.13. Termination – Should You exercise the right to terminate without cause contained in clause

Call-Off Schedule 23 (Supplier Furnished Terms)

Call-Off Ref:

Crown Copyright 2020

10.2.2 of the Core Terms or if Oracle validly terminates any Call Off Contract in accordance with the terms of the Call Off Contract, Oracle shall be under no obligation to refund any pre-paid Charges and You shall nevertheless be obliged to forthwith pay an amount equal to the Charges that would otherwise have been payable throughout the remainder of the originally committed Call-Off Contract Period (as extended).

- 9.14. Buyer Responsibilities** – You will cooperate generally with Oracle to facilitate the provision of the Services on a timely basis including taking decisions promptly and making relevant subject matter experts available on a timely basis. Details of any specific Buyer's responsibilities may be set out or referenced in the Order Form or the Service Specifications. Failure by You to comply with Your responsibilities referred to in this clause shall constitute an Authority (Buyer) Cause and may entitle Oracle to render additional Charges provided that it notifies You promptly given the circumstances.
- 9.15. Replacement of Supplier Staff** – Clause 7.2 of the Core Terms shall not apply. You may notify Oracle if it considers that any member of staff is unsuitable to work on any contract. The ultimate decision as to members of staff used to provide the Services remains with Oracle.
- 9.16. Staff Vetting** - Details of staff vetting undertaken by Oracle are attached in Appendix 1 to these Supplier Furnished Terms.
- 9.17. Force Majeure** – Notwithstanding clause 20 of the Core Terms, in relation to a Force Majeure Event:
- 9.17.1. Neither You or Oracle shall be responsible for failure or delay of performance if caused by Force Majeure Event;
 - 9.17.2. A party cannot claim relief under this section if the Force Majeure Event is attributable to its wilful act, neglect or failure to take reasonable precautions against the relevant Force Majeure Event.
 - 9.17.3. A party cannot claim relief under this section as a result of a failure or delay by another person in the performance of that other person's obligations under a contract with that party, unless that other person is itself prevented from or delayed in complying with its obligations as a result of a Force Majeure Event affecting that person.
 - 9.17.4. A party claiming relief under this section shall give written notice to the other party of the Force Majeure Event and how it affects its ability to perform its obligations under the agreement and also when the Force Majeure Event ceases or no longer prevents the party from fulfilling its obligations.
 - 9.17.5. Each party will use reasonable efforts to mitigate the effect of a Force Majeure Event. If such Force Majeure Event continues for more than ninety (90) days, either party may cancel unperformed Services and the affected Call-Off Contract upon written notice.
 - 9.17.6. This section does not excuse either party's obligation to take reasonable steps to follow its own normal disaster recovery procedures or Your obligation to pay for Services ordered or delivered.
- 9.18. Sub-contracting** – The provisions of paragraphs 1.5 and 1.6 of Joint Schedule 6 (if incorporated) shall not apply to (i) arrangements between Oracle and providers of services and facilities for the benefit of Oracle customers generally but only to those Key Sub-contractor arrangements which are specific to You (ii) sub-contracting to Oracle Affiliates.
- 9.19. Assignment** – The prohibition upon assignment without consent in clause 23.1 of the Core Terms shall not apply to an assignment between Oracle Affiliates where this is part of a solvent amalgamation or re-organisation.

- 9.21. Benchmarking** – Any changes to the Services or the Charges as a result of any Benchmarking exercise can only take effect by agreement between the Parties. If the Parties fail to reach agreement on the changes required as a result of any Benchmarking exercise, Your only right is to decide not to extend or renew the Call Off Contract.
- 9.22. Optional Schedules** – Only those 'optional' schedules (described as such in the CCS procurement documentation relating to the Framework in question) explicitly incorporated and expressly referred to in the applicable Call Off Order Form shall apply to and govern the provision of the Services. In the absence of such express incorporation, no such schedules shall be applicable.
- 9.23.
