Section 1 – About UK Shared Business Services

Putting the business into shared services

UK Shared Business Services Ltd (UK SBS) brings a commercial attitude to the public sector; helping our customers improve efficiency, generate savings and modernise.

It is our vision to become the leading provider for our customers of shared business services in the UK public sector, continuously reducing cost and improving quality of business services for Government and the public sector.

Our broad range of expert services is shared by our customers. This allows our customers the freedom to focus resources on core activities; innovating and transforming their own organisations.

Core services include Procurement, Finance, Grants Admissions, Human Resources, Payroll, ISS, and Property Asset Management all underpinned by our Service Delivery and Contact Centre teams.

UK SBS is a people rather than task focused business. It's what makes us different to the traditional transactional shared services centre. What is more, being a not-for-profit organisation owned by its customers, UK SBS' goals are aligned with the public sector and delivering best value for the UK taxpayer.

UK Shared Business Services Ltd changed its name from RCUK Shared Services Centre Ltd in March 2013.

Our Customers

Our Customers

Growing from a foundation of supporting the Research Councils, 2012/13 saw Business Innovation and Skills (BIS) transition their procurement to UK SBS and Crown Commercial Services (CCS – previously Government Procurement Service) agree a Memorandum of Understanding with UK SBS to deliver two major procurement categories (construction and research) across Government.

UK SBS currently manages £700m expenditure for its Customers.

Our Procurement ambition

Our vision is to be recognised as a centre of excellence and deliver a broad range of procurement services across the public sector; to maintain and grow a procurement service unrivalled in public sector.

Procurement is a market-shaping function. Industry derived benchmarks indicate that UK SBS is already performing at or above “best in class” in at least three key measures (percentage savings, compliant spend, spend under management) and compare well against most other measures.

Over the next five years, it is the function’s ambition to lead a cultural change in procurement in the public sector. The natural extension of category management is to bring about a fundamental change in the attitude to supplier relationship management.

Our philosophy sees the supplier as an asset to the business and the route to maximising value from supply. This is not a new concept in procurement generally, but it is not a philosophy which is widely employed in the public sector.

We are ideally positioned to “lead the charge” in the government’s initiative to reform procurement in the public sector.

UK SBS Procurement’s unique selling points are:

- Focus on the full procurement cycle
- Leaders in category management in common and specialised areas
- Expertise in the delivery of major commercial projects
- That we are leaders in procurement to support research
- Use of cutting edge technologies which are superior to those used generally used across the public sector.
- Use of market leading analytical tools to provide comprehensive Business Intelligence
- Active customer and supplier management

‘UK SBS’ contribution to the Government Procurement Agenda has been impressive. Through innovation and leadership UK SBS has built an attractive portfolio of procurement services from P2P to Strategy Category Management.’

John Collington

Former Government Chief Procurement Officer

Section 2 – About Our Customer

Natural Environment Research Council

NERC is the UK's main agency for funding and managing research, training and knowledge exchange in the environmental sciences.

NERC's work covers the full range of atmospheric, Earth, biological, terrestrial and aquatic science, from the deep oceans to the upper atmosphere and from the poles to the equator.

The organisation coordinates some of the world's most exciting research projects, tackling major issues such as climate change, environmental influences on human health, the genetic make-up of life on Earth, and much more.

Working internationally, NERC have bases at some of the most hostile places on the planet; running a fleet of research ships and aircraft and investing in satellite technology to monitor gradual environmental change on a global scale. NERC provide forewarning of, and solutions to, the key environmental challenges facing society.

Examples of funded research

- Showing the importance of mature tropical forests to the global climate.
- Developing a safer and cleaner way to mine gold by reducing the use of mercury.
- Studying the hole in the ozone layer - discovered by our British Antarctic Survey - and monitoring climate change.
- Playing a major role in the International Census of Marine Life that monitors our oceans.

NERC also runs six organisations of world renown:

- British Antarctic Survey, in Cambridge.
- British Geological Survey, in Nottingham.
- National Oceanography Centre, in Southampton.
- Centre for Ecology & Hydrolog, in Oxfordshire.
- National Centre for Atmospheric Science, in Leeds.
- National Centre for Earth Observation, Swindon.

Section 3 - Working with UK Shared Business Services Ltd.

In this section you will find details of your Procurement contact point and the timescales relating to this opportunity.

Section 3 – Contact details		
3.1	Customer Name and address	Simon Lee National Oceanography Centre, Southampton University of Southampton Waterfront Campus, European Way, Southampton SO14 3ZH
3.2	Buyer name	Huw Pearce
3.3	Buyer contact details	UK SBS Concept House Cardiff Road Newport South Wales NP10 8QQ Tel: 01793 867000
3.4	Estimated value of the Opportunity	£42,000 (Excl VAT)
3.5	Process for the submission of clarifications and Bids	All correspondence shall be submitted within the Emptoris e-sourcing tool. Guidance Notes to support the use of Emptoris is available here. Please note submission of a Bid to any email address including the Buyer <u>will</u> result in the Bid <u>not</u> being considered.

Section 3 - Timescales		
3.6	Date of Issue of Contract Advert and location of original Advert	25/01/16
3.7	Deadline for Expression Of Interest (EOI)	15/02/16
3.8	Site visit (suppliers are requested to register their interest via a message on the Emptoris system)	16 or 17/02/16
3.7	Latest date/time ITQ clarification questions should be received through Emptoris messaging	18/02/16 10.00

	system	
3.8	Latest date/time ITQ clarification answers should be sent to all potential Bidders by the Buyer through Emptoris	19/02/16 15.00
3.9	Latest date/time ITQ Bid shall be submitted through Emptoris	23/02/16 14.00
3.11	Anticipated rejection of unsuccessful Bids date	08/03/16
3.12	Anticipated Award date	08/03/16
3.13	Anticipated Contract Start date	25/03/16
3.14	Anticipated Contract End date	On Completion
3.15	Bid Validity Period	60 Days

Section 4 – Specification

Tenders are invited from suitably qualified companies with relevant experience of catering shop fitting to deliver the refurbishment of the NOC coffee bar.

The accompanying documents include a list of the equipment that is to be incorporated within the design some of which is existing or has already been sourced (as specified within the document), a scope of works document and a drawing showing the proposed layout.

You are invited to produce a scheme to meet our requirements using these documents as a guide/performance specification. Your submission may include using elements of the existing structure (if you consider this approach to represent best value and to be cost effective) or you may consider that the most viable option would be to completely demolish the existing coffee bar and start from scratch.

Works are to be undertaken during the University of Southampton Easter break (likely to be a two week programme) between 25/03/16 and 15/04/16.

Your quotation should include all elements of the project as following:

Works

Item	Description
1	<u>Demolition.</u> General Preparation Work and 1st fix M&E Strip out existing electrical works to servery counter, back bar and roller shutter. Strip out existing plumbing works to servery counter and back bar. Strip out existing servery counter and back bar. Strip out existing ceiling tiles and grid, area nominally 8m ² . Strip out existing roller shutter. Strip out existing flooring behind servery counter nominally 8m ² .
2	<u>Waste removal.</u> General Preparation Work and 1st fix M&E The waste from the following works should be disposed of off-site.
3	<u>Temporary hoardings.</u> General Preparation Work and 1st fix M&E Erect timber hoarding to conceal works area and dismantle/dispose of on completion as agreed on site
4	<u>Supply and fit of all shop fitting materials.</u>
5	<u>Supply and fit of materials/equipment (or fit only – please refer to the equipment document).</u>
6	<u>All M&E enabling work.</u>

7	<p>All general building work</p> <p>General Preparation Work and 1st fix M&E</p> <p>Install new plumbing services for new servery and back bar. Install M&E services to new layout as per drawing.</p> <p>Shop/catering fitting</p> <p>To supply and fit new white hygienic wall cladding to the area behind servery. To supply and fit 2no steel roller shutter with perforated lath powder coated white. 1no 1920mm wide x 1250mm long overall to suit the 920mm opening and 1no 3560mm wide x 1250mm long. Electric motor 100nm (13amp supply required operated via either rocker or key switch. Anti- fall safety brake to be fitted as standard.</p>
8	Full design.
9	Project management.
10	Facilitating both the principal designer and principal contractor roles under CDM 2015.

The following pictures illustrates the current setup of the coffee bar:

Products Required within the New Coffee Bar

Please refer to 'Appendix A List of items for the coffee bar' which details the items required and to be installed within the new coffee bar.

Experience

Suitably qualified and experienced catering/shop fitting companies with experience of working on similar schemes.

Supplies are requested to detail as part of their bid any quality accreditations e.g. ISO9002, ISO14001 and/or trade membership

Section 5 – Evaluation model

The evaluation model below shall be used for this ITQ, which will be determined to two decimal places.

Where a question is 'for information only' it will not be scored.

The evaluation team may comprise staff from UK SBS, the Customer and any specific external stakeholders UK SBS deem required. After evaluation the scores will be finalised by performing a calculation to identify (at question level) the mean average of all evaluators (Example – a question is scored by three evaluators and judged as scoring 5, 5 and 6. These scores will be added together and divided by the number of evaluators to produce the final score of 5.33 ($5+5+6 = 16 \div 3 = 5.33$))

Pass / fail criteria		
Questionnaire	Q No.	Question subject
Commercial	FOI1.1	Freedom of Information Exemptions
Commercial	AW1.1	Form of Bid
Commercial	AW1.3	Certificate of Bona Fide Bid
Commercial	AW3.1	Validation check
Commercial	AW4.1	Contract Terms
Price	AW5.5	E Invoicing
Price	AW5.6	Implementation of E-Invoicing
Quality	AW6.1	Compliance to the Specification
Quality	PROJ1.1	<p>Please confirm you have completed and attached a copy of the NEC3 Short Contract Contractors Offer.</p>  <p>PROJ1.1 Contractors Offer.doc</p>
Quality	PROJ1.2	Please confirm you have attended a site visit for this requirement.
Quality	PROJ1.3	<p>Please confirm that you understand that by submitting your completed bid response, should you be awarded this contract, the pricing and installation timetable submitted will be non-negotiable.</p> <p>There will be no allowance for lack of information or understanding of requirement.</p> <p>Should you be awarded this Contract without having visited site and then find that there will be additional costs that you have not allowed for, these will have to be covered by your company.</p> <p>For this reason we strongly advise that you have visited site and submitted any clarification questions to gain</p>

		complete clarity of these Works
Quality	PROJ1.3	Please confirm that you have read the NOC Health, Safety & Environment Assessment Questionnaire and returned the full Questionnaire completed with any supporting documentation requested.
Quality	PROJ1.4	Please confirm that if awarded this contract, you would be able to complete all works, no later than 25/03/16 and 15/04/16.
Quality	PROJ1.5	Please provide details to confirm that you have the appropriate resource available to manage and co-ordinate this project, and that it is available within the required time frame.
Quality	PROJ1.6	Please provide details of the project team and their experience.

Scoring criteria

Evaluation Justification Statement

In consideration of this particular requirement UK SBS has decided to evaluate Potential Providers by adopting the weightings/scoring mechanism detailed within this ITQ. UK SBS considers these weightings to be in line with existing best practice for a requirement of this type.

<u>Questionnaire</u>	<u>Q No.</u>	<u>Question subject</u>	<u>Maximum Marks</u>
Price	AW5.2	Price	37.5%
Price	AW5.7	Prompt payment.	2.5%
Quality	PROJ2.1	Please provide a method statement on how you would undertake the works from appointment to completion.	15%
Bidder guidance	<p>Bidders are asked to provide a method statement which details how you plan to undertake the works from appointment to completion.</p> <p>Your response should cover the following areas:</p> <ul style="list-style-type: none"> • Understanding of our requirement • How you will manage and coordinate suppliers / subcontractors • Your method for Safe Working • Provide a Project timetable/programme <p>An attachment is allowed for this question.</p> <p>Maximum word count: 400 words. Bid responses over 400 words will only be scored based on the words within the prescribed limit.</p>		
Quality	PROJ2.2	Please provide a risk assessment for completion of these works, detailing what you feel would be the top 5 risks and how you plan to	15%

		mitigate these risks.	
Bidder guidance	<p>Bidders are asked to detail what they feel are the top 5 risks within the completion of the works, and how they plan to mitigate against these.</p> <p>An attachment is allowed for this question.</p> <p>Maximum word count: 400 words. Bid responses over 400 words will only be scored based on the words within the prescribed limit.</p>		
Quality	PROJ2.3	Please provide details of the specialist controls that you plan to put in place to ensure that the appropriate high quality finish is achieved in the project completion.	15%
Bidder guidance	<p>Bidders are asked to provide details of the specialist controls that they plan to implement to ensure that there is a high quality finish to the project.</p> <p>An attachment is allowed for this question.</p> <p>Maximum word count: 400 words. Bid responses over 400 words will only be scored based on the words within the prescribed limit.</p>		
Quality	PROJ2.4	Please provide details of how you plan to manage the working conditions within the NOC environment.	15%
Bidder guidance	<p>Bidders are asked to provide details of how they plan to manage the working conditions within NOC.</p> <p>Your response should cover the following areas:</p> <ul style="list-style-type: none"> • Cleaning and Management of areas you would be working within and walking through • How you will manage not impeding on the working environment <p>An attachment is allowed for this question.</p> <p>Maximum word count: 400 words. Bid responses over 400 words will only be scored based on the words within the prescribed limit.</p>		

Evaluation of criteria

Non-Price elements

Each question will be judged on a score from 0 to 100, which shall be subjected to a multiplier to reflect the percentage of the evaluation criteria allocated to that question.

Where an evaluation criterion is worth 20% then the 0-100 score achieved will be multiplied by 20.

Example if a Bidder scores 60 from the available 100 points this will equate to 12% by using the following calculation: Score/Total Points available multiplied by 20 ($60/100 \times 20 = 12$)

Where an evaluation criterion is worth 10% then the 0-100 score achieved will be multiplied by 10.

Example if a Bidder scores 60 from the available 100 points this will equate to 6% by using the following calculation: Score/Total Points available multiplied by 10 ($60/100 \times 10 = 6$)

The same logic will be applied to groups of questions which equate to a single evaluation criterion.

The 0-100 score shall be based on (unless otherwise stated within the question):

0	The Question is not answered or the response is completely unacceptable.
10	Extremely poor response – they have completely missed the point of the question.
20	Very poor response and not wholly acceptable. Requires major revision to the response to make it acceptable. Only partially answers the requirement, with major deficiencies and little relevant detail proposed.
40	Poor response only partially satisfying the selection question requirements with deficiencies apparent. Some useful evidence provided but response falls well short of expectations. Low probability of being a capable supplier.
60	Response is acceptable but remains basic and could have been expanded upon. Response is sufficient but does not inspire.
80	Good response which describes their capabilities in detail which provides high levels of assurance consistent with a quality provider. The response includes a full description of techniques and measurements currently employed.
100	Response is exceptional and clearly demonstrates they are capable of meeting the requirement. No significant weaknesses noted. The response is compelling in its description of techniques and measurements currently employed, providing full assurance consistent with a quality provider.

All questions will be scored based on the above mechanism. Please be aware that the final score returned may be different as there may be multiple evaluators and their individual scores will be averaged (mean) to determine your final score.

Example

Evaluator 1 scored your bid as 60

Evaluator 2 scored your bid as 60

Evaluator 3 scored your bid as 40

Evaluator 4 scored your bid as 40

Your final score will $(60+60+40+40) \div 4 = 50$

Price elements will be judged on the following criteria.

The lowest price for a response which meets the pass criteria shall score 100.
All other bids shall be scored on a pro rata basis in relation to the lowest price. The score is then subject to a multiplier to reflect the percentage value of the price criterion.

For example - Bid 1 £100,000 scores 100.

Bid 2 £120,000 differential of £20,000 or 20% remove 20% from price scores 80

Bid 3 £150,000 differential £50,000 remove 50% from price scores 50.

Bid 4 £175,000 differential £75,000 remove 75% from price scores 25.

Bid 5 £200,000 differential £100,000 remove 100% from price scores 0.

Bid 6 £300,000 differential £200,000 remove 100% from price scores 0.

Where the scoring criterion is worth 50% then the 0-100 score achieved will be multiplied by 50.

In the example if a supplier scores 80 from the available 100 points this will equate to 40% by using the following calculation: $\text{Score}/\text{Total Points} \times 50$ ($80/100 \times 50 = 40$)

The lowest score possible is 0 even if the price submitted is more than 100% greater than the lowest price.

Section 6 – Evaluation questionnaire

Bidders should note that the evaluation questionnaire is located within the **e-sourcing questionnaire**.

Guidance on completion of the questionnaire is available at <http://www.ukpbs.co.uk/services/procure/Pages/supplier.aspx>

PLEASE NOTE THE QUESTIONS ARE NOT NUMBERED SEQUENTIALLY

Section 7 – General Information

What makes a good bid – some simple do's ☺

DO:

- 7.1 Do comply with Procurement document instructions. Failure to do so may lead to disqualification.
- 7.2 Do provide the Bid on time, and in the required format. Remember that the date/time given for a response is the last date that it can be accepted; we are legally bound to disqualify late submissions.
- 7.3 Do ensure you have read all the training materials to utilise e-sourcing tool prior to responding to this Bid. If you send your Bid by email or post it will be rejected.
- 7.4 Do use Microsoft Word, PowerPoint Excel 97-03 or compatible formats, or PDF unless agreed in writing by the Buyer. If you use another file format without our written permission we may reject your Bid.
- 7.5 Do ensure you utilise the Emptoris messaging system to raise any clarifications to our ITQ. You should note that typically we will release the answer to the question to all bidders and where we suspect the question contains confidential information we may modify the content of the question to protect the anonymity of the Bidder or their proposed solution
- 7.6 Do answer the question, it is not enough simply to cross-reference to a 'policy', web page or another part of your Bid, the evaluation team have limited time to assess bids and if they can't find the answer, they can't score it.
- 7.7 Do consider who your customer is and what they want – a generic answer does not necessarily meet every customer's needs.
- 7.8 Do reference your documents correctly, specifically where supporting documentation is requested e.g. referencing the question/s they apply to.
- 7.9 Do provide clear and concise contact details; telephone numbers, e-mails and fax details.
- 7.10 Do complete all questions in the questionnaire or we may reject your Bid.
- 7.11 Do check and recheck your Bid before dispatch.

What makes a good bid – some simple do not's ☹

DO NOT

- 7.12 Do not cut and paste from a previous document and forget to change the previous details such as the previous buyer's name.
- 7.13 Do not attach 'glossy' brochures that have not been requested, they will not be read unless we have asked for them. Only send what has been requested and only send supplementary information if we have offered the opportunity so to do.
- 7.14 Do not share the Procurement documents, they are confidential and should not be shared with anyone without the Buyers written permission.
- 7.15 Do not seek to influence the procurement process by requesting meetings or contacting UK SBS or the Customer to discuss your Bid. If your Bid requires clarification the Buyer will contact you.
- 7.16 Do not contact any UK SBS staff or Customer staff without the Buyers written permission or we may reject your Bid.
- 7.17 Do not collude to fix or adjust the price or withdraw your Bid with another Party as we will reject your Bid.
- 7.18 Do not offer UK SBS or Customer staff any inducement or we will reject your Bid.
- 7.19 Do not seek changes to the Bid after responses have been submitted and the deadline for Bids to be submitted has passed.
- 7.20 Do not cross reference answers to external websites or other parts of your Bid, the cross references and website links will not be considered.
- 7.21 Do not exceed word counts, the additional words will not be considered.
- 7.22 Do not make your Bid conditional on acceptance of your own Terms of Contract, as your Bid will be rejected.

Some additional guidance notes

- 7.23 All enquiries with respect to access to the e-sourcing tool and problems with functionality within the tool may be submitted to Crown Commercial Service (previously Government Procurement Service), Telephone 0345 010 3503.
- 7.24 Bidders will be specifically advised where attachments are permissible to support a question response within the e-sourcing tool. Where they are not permissible any attachments submitted will not be considered.
- 7.25 Question numbering is not sequential and all questions which require submission are included in the Section 6 Evaluation Questionnaire.
- 7.26 Any Contract offered may not guarantee any volume of work or any exclusivity of supply.
- 7.27 We do not guarantee to award any Contract as a result of this procurement
- 7.28 All documents issued or received in relation to this procurement shall be the property of UK SBS.
- 7.29 We can amend any part of the procurement documents at any time prior to the latest date / time Bids shall be submitted through Emptoris.
- 7.30 If you are a Consortium you must provide details of the Consortiums structure.
- 7.31 Bidders will be expected to comply with the Freedom of Information Act 2000 or your Bid will be rejected.
- 7.32 Bidders should note the Government's transparency agenda requires your Bid and any Contract entered into to be published on a designated, publicly searchable web site. By submitting a response to this ITQ Bidders are agreeing that their Bid and Contract may be made public
- 7.33 Your bid will be valid for [modify duration if not 60 - 7.34 Bidders may only amend the Contract terms if you can demonstrate there is a legal or statutory reason why you cannot accept them. If you request changes to the Contract and UK SBS fail to accept your legal or statutory reason is reasonably justified we may reject your Bid.
- 7.35 We will let you know the outcome of your Bid evaluation and where requested will provide a written debrief of the relative strengths and weaknesses of your Bid.
- 7.36 If you fail mandatory pass / fail criteria we will reject your Bid.

- 7.37 Bidders are required to use IE8, IE9, Chrome or Firefox in order to access the functionality of the Emptoris e-sourcing tool.
- 7.38 Bidders should note that if they are successful with their proposal UK SBS reserves the right to ask additional compliancy checks prior to the award of any Contract. In the event of a Bidder failing to meet one of the compliancy checks UK SBS may decline to proceed with the award of the Contract to the successful Bidder.
- 7.39 All timescales are set using a 24 hour clock and are based on British Summer Time or Greenwich Mean Time, depending on which applies at the point when Date and Time Bids shall be submitted through Emptoris.
- 7.40 All Central Government Departments and their Executive Agencies and Non Departmental Public Bodies are subject to control and reporting within Government. In particular, they report to the Cabinet Office and HM Treasury for all expenditure. Further, the Cabinet Office has a cross-Government role delivering overall Government policy on public procurement - including ensuring value for money and related aspects of good procurement practice.

For these purposes, UK SBS may disclose within Government any of the Bidders documentation/information (including any that the Bidder considers to be confidential and/or commercially sensitive such as specific bid information) submitted by the Bidder to UK SBS during this Procurement. The information will not be disclosed outside Government. Bidders taking part in this ITQ consent to these terms as part of the competition process.

- 7.41 From 2nd April 2014 the Government is introducing its new Government Security Classifications (GSC) classification scheme to replace the current Government Protective Marking System (GPMS). A key aspect of this is the reduction in the number of security classifications used. All Bidders are encouraged to make themselves aware of the changes and identify any potential impacts in their Bid, as the protective marking and applicable protection of any material passed to, or generated by, you during the procurement process or pursuant to any Contract awarded to you as a result of this tender process will be subject to the new GSC from 2nd April 2014. The link below to the Gov.uk website provides information on the new GSC:

<https://www.gov.uk/government/publications/government-security-classifications>

UK SBS reserves the right to amend any security related term or condition of the draft contract accompanying this ITQ to reflect any changes introduced by the GSC. In particular where this ITQ is accompanied by any instructions on safeguarding classified information (e.g. a Security Aspects Letter) as a result of any changes stemming from the new GSC, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise. This may relate to the instructions on safeguarding classified information (e.g. a Security Aspects Letter) as they apply to the procurement as they apply to the procurement process and/or any contracts awarded to you as a result of the procurement process.
