4.3 Any delegate who returns a positive LFD for COVID-19, who develops symptoms, or who is asked to isolate as a close contact of a positive case, will be required to return to their accommodation and isolate immediately. 4.4 An Asymptomatic Testing Site (ATS) will be in operation close to the Blue Zone for any individuals who are unable to test in their accommodation. Any individuals who test positive at this site will need to return to their accommodation immediately to begin isolating and to take a PCR test. Again, they should not take public transport.

4.5 COVID Secure transport is therefore required in a number of scenarios:

4.5.1 to ensure that any attendees who develop symptoms or are told to isolate by NHS Scotland Test and Protect while in COP26 venues are able to do so immediately;

4.5.2 to ensure that any attendees who test positive for COVID-19 at the ATS are able to return safely to their accommodation and being isolation; and
