1 REFERENCE DOCUMENTS

1.1 Reference Documents

- 1.1.1 The Reference Documents are those documents identified in the following Tables 1.1, 1.2 and 1.3, together with any amendments or additions thereto published by the *Client* from time to time.

1.2 Current Documents

- 1.2.1 Table 1.1 presents a list of current Department for Transport (DfT) and Highways England documents which may be relevant to the work undertaken by the Contractor in the performance of its duties. The list identifies both mandatory and advisory requirements with which the Contractor complies, together with the sources from which the documents can be obtained.

- 1.2.2 For ease of reference the documents have been grouped into the following categories:

Mandatory

- Corporate Strategy,
- Performance Measurements,
- Technical Requirements.

Advisory

- General

Table 1.1
