

Quote Form Template	 Norfolk County Council  NORFOLK TRAILS  NATIONAL TRAIL
NCC requests quotation for the following works:	Brancaster FP9 Resurfacing
CRM ref	221494
Source	External
Outcome required / Description of works	900 metres of improved walking surface on FP9. The walked route will be a minimum of 1.2 metres wide with a maximum width of 1.5 metres. Contractors will be expected to manage the process and ensure adequate quantities of materials are on site to complete the scheme.
Outputs	Improved walking surface for national trail users. Access to be improved for all Trails users by providing smoother, wider footpath surface
Waste	Vegetation clearance will be required ahead of the works. Arisings can be left as habitat adjacent to the path
Location Ref	Grid Ref: 580190, 344454 :
Location Map	Please see attached supporting documentation for Pdf map
Contractor accesses / other detail in order for quote	The current walked route of the national trail in the area is directly adjacent to the salt marsh and has a number of designations that sit on the salt marsh. This scheme has been checked by the National Trust who are landowners and have signed off. Natural England have agreed the scheme. An internal habitat check has been completed for the works.
CAD Drawings	Please see attached supporting documentation
Timetable	Mid July 2021 - to be agreed with Norfolk Trails Team
Contractor quote	Subcontracting clause
(quote evaluation 100% cost/ 80 20 cost quality)	50% Cost, 50% Quality of Environmental policies and delivery of project work within protected landscapes
Deadline for submission of quote	4 May 2021
