Equal Opportunity

Civica is committed to providing equal opportunities and building an inclusive and diverse culture. The more diverse our workforce, the more informed the decisions we can make for our customers, supporting the communities in which we work.

We are proud to have been ranked as one of the top European companies for workforce diversity and equality, as chosen by the Financial Times in 2020.

We are committed to building and maintaining an inclusive and supportive culture where diversity thrives:

- To ensure our recruitment practices support the attraction and hiring of diverse candidates, all vacancies are advertised on multiple Diversity & Inclusion platforms.
- We run attraction campaigns targeting females and BAME applicants. We use a process of anonymised applications, competency-based questions and scoring to remove bias. We also use decoders to ensure job advertisements use gender and culturally neutral-language. We also ensure mixed panel interviewing.
- We advertise vacancies on <https://disabilityjob.co.uk/> and share diversity statements on all job adverts.
- We have made training on diversity and inclusion mandatory.
- We aim to ensure increased diversity of new starters in technology/sales/leadership roles by 10% per annum over the next 3 years.
- We aim to ensure that at least 50% of shortlisted people are being considered from a diverse background for roles above £35k.
- We promote affinity groups within the company representing people linked by a common characteristic, often underrepresented or historically excluded, which acts as a 'safe space' for such individuals. This identity could be related to race, gender, sexual orientation, language, nationality, physical or mental ability, socioeconomic class, family structure, or religion.

Our commitment to providing equality of opportunity will support the delivery of the policy

outcomes for equal opportunity under PPN 06/20.

Wellbeing

Civica actively promotes a healthy workplace and workforce, integrating mental health and general wellbeing in everything we do, from recruitment appraisals to strategic management. Through our Health and Wellbeing Policy and 40+ Mental Health Champions, we encourage a flexible and realistic work/life balance. Our HWP provides a foundation to support both the mental and physical health of our staff through:

- Employee Assistance Programme and online Wellbeing Hub provide 24/7 access to websites, e-mail, phone and face-to-face counselling on all personal issues.
- Aviva DigiCare+ Workplace App provides external mental health consultancy.
- Mental Health Champions who support colleagues' wellbeing in the workplace.
- RedArc Personal Nurse Service.
- Management Coaching - managers are trained in GROW (Goals, Reality, Options and Will) and as Health and Wellbeing Advisors, supporting employees with mental/physical health needs.
- Health assessments/advice aimed at improving physical health.
- Cycle to Work scheme to aid physical and mental health.
- Weekly fruit drop for offices, encouraging a healthier diet.
- We provide free eye tests for all VDU users, encourage staff to use NHS flu vaccination services, and support people wishing to use the NHS Stop Smoking Service.

We also support our customers and communities through The Civica Foundation, our home for all charity, community, volunteering and social value. Our Days of Difference initiative gives every Civica employee 3 days a year to make a difference to charitable or community causes. Our employees can use this individually, join a team or participate in Civica-coordinated events.

Suppliers/subcontractors are subject to Civica's Sub-contractor Selection Process as defined in our ISO9001 QMS, which includes criteria for assessing health and wellbeing policies. Our commitment to providing equality of opportunity supports the delivery of the policy outcomes for Wellbeing under PPN 06/20.
