

Supplier Assurance Questionnaire (SAQ) for a contract with a Very Low Cyber Risk Profile

How to use this form

This Supplier Assurance Questionnaire (SAQ) is part of the Cyber Security Model.

You will need to:

- complete the SAQ to give information about yourself, your organisation and the measures you have in place to protect against cyber threats
- submit the completed SAQ to the Cyber & Supply Chain Security (CSCS) team (UKStratComDD-CyDR-DCPP@mod.gov.uk.)
- check the email you will receive back from the CSCS team – this will confirm whether you are compliant with the contract's Cyber Risk Profile, and should arrive within 2 working days
- keep copies of the completed SAQ and the email you receive from the CSCS team and attach them when you submit your tender response

Check whether you are compliant with the contract's Cyber Risk Profile before you submit the SAQ

For each of the Cyber Risk Profile questions, asterisks show the compliant answers. If you give an answer that is not compliant, you must answer an extra question before the declaration at the end of the form.

Where possible send a completed PDF via email, rather than a scan of a printed version (scanned submissions will take longer to process)
