4.3.1 Qualitative assessment – 60%

The **Qualitative** assessment will be made by reviewing the method statements against the requirements of this ITT. 4.3.4 Commercial evaluation – 40%

The **Commercial** evaluation will be based on your “Overall Price” as calculated in accordance with requirements of the Pricing Schedule and evaluated by the evaluation panel. Prices must not be subject to any pricing assumptions, qualifications or indexation not provided for explicitly by the National Museum. In the event that any prices are expressed as being subject to any pricing assumptions, qualifications or indexation not provided for by the National Museum as part of the pricing approach, the National Museum may reject the full tender response at this point. The National Museum may also reject any tender response where the Overall Price for the services is considered to be abnormally low following the relevant processes set out under EU procurement rules. A maximum offer score will be awarded to the tender response offering the lowest “Overall Price”.

- 1.1. **Stage three:** Following the desktop exercise, the National Museum reserves the right to interview selected candidates only, to demonstrate their proposed solutions to representatives of the NMRN and to answer questions on their bid. Interviews will be used to clarify and validate information received in the tender submission and scores may be adjusted accordingly. Interviews will not be scored in their own right. Interview date TBC.
- 1.2. **The winning tender response** – shall be the tender response scoring the highest percentage score out of 100 when applying the above evaluation methodology.

- 4.4.2 **Reference Site Visits** – During the tender period, tenderers may be required to arrange access to any of the reference sites referred to in their response for the purpose of demonstration and evaluation by representatives of the NMRN.

Reference site visits are intended to start after TBC.

4.5 Variant Bids

4.6 Confidentiality

All other information supplied by bidders to NMRN will similarly be treated in confidence except that references may be sought from banks, existing or past clients, or other referees submitted by the Bidders.
- 1.3. All information provided by the National Museum in or in connection with this Tender shall be regarded as confidential to the National Museum.
- 1.4. This Invitation to Tender and its accompanying documents shall remain the property of the National Museum and must be returned upon demand.

Each group or consortium will be required to nominate a lead person with whom NMRN can contract or form themselves into a single legal entity before contract award. In the case of group bidders or consortia, each service provider will be required to become jointly and severally responsible for the contract before acceptance.
- 4.8.2 If the tenderer is a group bidder or consortium, each member of the consortium must be identified separately as part of the response to this ITT.
- 4.8.3 If the tenderer is a member of a group of companies they should provide information only about themselves and not the Group as a whole (except where Group information is specifically requested by the question).

Accordingly, each of the parties acknowledges and agrees that the only remedy available to it in respect of the subject matter of this Agreement shall be for breach of contract under the terms of this Agreement and it shall have no right of action against any other party in respect of any such representation, promise, assurance, warranty or undertaking.

14.6.3 This clause shall not exclude any liability which either party would otherwise have to the other or any right which either of them may have to rescind this Agreement in respect of any statements made fraudulently by the other prior to the execution of this Agreement or any rights which either of them may have in respect of fraudulent concealment by the other.

14.6.4 In the event of a conflict between any of the terms of this Agreement, the conflict shall be resolved according to the following descending order of priority, (i) the clauses of this Agreement, then (ii) the Schedules.
