

The London Borough of Lambeth  
An exciting business opportunity

**Expression of Interest to quote for;  
Planning consultancy services for a scheme in Lambeth**

Lambeth Council is proud to offer a real opportunity for an experienced and suitably qualified consultant to provide services for the Housing Regeneration Team.

We are looking to appoint a planning consultancy company to assist with the delivery of a new residential scheme of approximately 50 new homes in a dense urban development, as well as a nearby satellite site of three new homes.

We require full planning consultancy services on the project specifically formulating a planning strategy to address the political and community relationships and communications and consents needed to gain the necessary consents. The consultant shall assist in fostering good communications with all project stakeholders and interested parties and lead the consultations with the various interest groups to be consulted as part of the planning process.

We anticipate that this appointment will be required for a 12-18 month period from April 2017. Quotes will be assessed based on value, experience and knowledge.

If you are interested and fulfill the requirements above, please email Zoe Chapman, Project Manager, at [zchapman@lambeth.gov.uk](mailto:zchapman@lambeth.gov.uk). You will be sent the submission requirements in which you will be asked to set out your price, relevant experience and approach to delivering these services.

The deadline for responses is Tuesday 21st March 2017.
