Dear [REDACTED]

## UK MEMBERSHIP OF THE GLOBAL CCS INSTITUTE

I am writing to provide an update on the UK's membership of the Global Carbon Capture and Storage Institute (GCCSI).

I am pleased to confirm that, following discussions the UK Government, Department for Energy Security & Net Zero agrees to become a fee-paying member of the GCCSI for a **3-year period**, from **21 March 2024** to **21 March 2027**, committing to pay **£346,000**. As we previously discussed at working level, this is on provision of specific support to the UK's CCUS strategy including on; global advocacy, convenings and bespoke advocacy, intelligence and thought leadership, and research reports.

If you are content with this proposed way forward, please can you countersign this letter below and return it to my officials. I then I suggest that we hold a meeting between our two teams at the earliest opportunity to discuss and agree the proposed work package. To arrange this, I suggest that your team contacts [REDACTED]

I would be very pleased to discuss this further if that would be helpful and we look forward to seeing you on May 2<sup>nd</sup> for the next iteration of our CCUS Council.

I look forward to hearing from you.

Yours sincerely
