CALL-OFF PROCEDURE

2.13 If the Contracting Authority and/or any Other Contracting Party decides to source any of the Deliverables through this Framework Agreement, then it shall be entitled at any time in its absolute and sole discretion during the Framework Period to run Mini-Competitions and award Call-Off Contracts for the supply of Deliverables from the Service Provider in accordance with **Schedule 2**.

2.14 The Service Provider shall comply at all times with the relevant provisions in **Schedule 2**.

As such, from time to time, the Service Provider acknowledges and agrees that Contracting Authorities may need to source particular Deliverables to match the requirements of its staff or individual contractors working for it or due to work for it and sometimes these requirements will be at short notice. The Contracting Authority does not anticipate that such requirements from time to time will be high in value. If any one Request for Offer or Order at any time is for a value of more than £10,000 then TfL will run a detailed Mini-Competition process to tender the award of such Request for Offer and Order.

In relation to COTs Software, and/or Third Party Services and/or Third Party Goods not being provided on behalf of the Service Provider as the Service Provider's subcontractor, the Service Provider shall use its reasonable endeavours to procure a contract for the Contracting Authority and its beneficiaries which gives the same benefit as this **clause 21.14** above to the TfL Group in respect of such COTs Software and/or Services and/or Third Party Goods in accordance with **clause 10.1** and which the Contracting Authority can enforce directly against such Third Party and shall promptly notify the Contracting Authority if this is not available in accordance with **clause 10.1**.

- 21.19.3 at the cost and expense of the Contracting Authority, the Service Provider takes all reasonable steps to co-operate with the Contracting Authority in the defence or settlement of such claim.
- 21.20 The Contracting Authority shall not be liable under **clause 21.19** or otherwise for any infringement:

22.1.5 fraud (including fraudulent misrepresentation); or

22.1.6 any other liability which, by law, it cannot exclude or limit,

but nothing in this clause confers any right or remedy upon a Party to which it would not otherwise be entitled.

22.2 Unless stated to the contrary expressly in a Call-Off Contract:

22.2.1 the Service Provider's liability for breach of Intellectual Property Rights (pursuant to **clause 21** (Intellectual Property Rights)) shall not be limited;

22.2.2 NOT USED;

22.2.3 the Service Provider limits its liability in each Contract Year in respect of liability for damage to tangible property damage, to the higher of the Charges paid and/or accrued and payable under all the Call-Off Contracts in that Contract Year or ten million pounds (£10,000,000), whichever is the higher;

22.2.4 the Service Provider limits its liability in each Contract Year in respect of liability pursuant to **clauses 32** and **33** (Freedom of Information and Data Protection) to the higher of the Charges paid and/or accrued and payable under all the Call-Off Contracts in that Contract Year or ten million pounds (£10,000,000), whichever is the higher; or

22.2.5 the Service Provider limits its liability in each Contract Year in respect of liability pursuant to **clause 24** (Loss of Data Security) to the higher of the Charges paid and/or accrued and payable in that Contract Year under all the Call-Off Contracts or ten million pounds (£10,000,000), whichever is the higher.

22.3 Subject to **clauses 22.1** and **22.2**, **clauses 22.3** to **22.9** set out the entire liability of each Party (including liability for the acts or omissions of its employees, agents or Sub-Contractors and, in relation to the Contracting Authority, the acts or omissions of the TfL Group) to the other Party in respect of:

- 22.3.1 any breach of its contractual obligations arising under or in connection with this Framework Agreement and/or any Call-Off Contract;

- 22.5 Except as provided in **clause** 22.1, the entire aggregate liability of the Contracting Authority, the Other Contracting and the TfL Group (together) under or in connection with this Framework Agreement and all Call-Off Contracts will not exceed in any Contract Year:

- 22.5.2 in the aggregate, under this Framework Agreement, the aggregate of all amounts paid and/or payable (to the extent any sums remain outstanding) to the Service Provider by the Contracting Authority under this Framework Agreement in such Contract Year.
- 22.6 In no event shall either Party (nor in the case of the Contracting Authority, TfL Group Members or the Other Contracting Parties) be liable for indirect, consequential or special loss or damage.
- 22.7 In the event that a TfL Group Member and/or Other Contracting Party other than the Contracting Authority suffers Losses in circumstances where the Contracting Authority would be able to recover such Losses from the Service Provider if they were the contracting party, such person may recover from the Service Provider an amount equal to the amount that the Contracting Authority would have been able to recover had the Losses been suffered by the Contracting Authority rather than the other TfL Group Member and/or Other Contracting Party subject always to the limitations and exclusions of liability contained in this Framework Agreement. In the alternative, the Service Provider agrees that any Losses suffered or incurred by any TfL Group member and/or Other Contracting Party arising under or in connection with this Framework Agreement or any Call-Off Contract (in this **clause 22.7** collectively "**Group Member Losses**"): (i) will be deemed to have been incurred by the Contracting Authority; and (ii) will be recoverable by the Contracting Authority from the Service Provider as if they were losses suffered or incurred directly by the Contracting Authority but always subject to the limitations and exclusions of liability set out in this Framework Agreement and/or the relevant Call-Off Contract. For the purposes of this **clause 22.7**, any Group Member Losses shall not be deemed to be consequential or indirect or special merely as a result of not being suffered directly by the Contracting Authority. For the avoidance of doubt, the Service Provider shall still be entitled, in the case of a remediable breach, to remedy

such breach in accordance with the terms of the Framework Agreement or Call-Off Contract.

- 22.8 In the event that the Service Provider is defined under this Framework Agreement and/or a Call-Off Contract to include more than one person, then each such person shall be jointly and severally liable for all obligations of the Service Provider under the Call-Off Contract.
- 22.9 The exclusions from and limitations of liability set out in this **clause 22** shall be considered severable. The validity or unenforceability of any one clause, sub-clause, paragraph or sub-paragraph of this **clause 22** shall not affect the validity or enforceability of any other clause, sub-clause, paragraph or sub-paragraph of this **clause 22**.
- 22.10 The provisions of this **clause 22** shall survive the termination of the whole or a part of this Framework Agreement and of any Call-Off Contract.

23. **FORCE MAJEURE**

- 23.1 Subject to **clause 23.4**, neither Party shall be liable for any delay in performing or for failure to perform any of its obligations under a Call-Off Contract due to a Force Majeure Event.
- 23.2 Subject to **clause 23.4**, if either Party is prevented from performing any of its obligations due to a Force Majeure Event it shall promptly notify the other Party in writing of the circumstances of the Force Majeure Event and the other Party shall grant a reasonable extension for the performance of the Call-Off Contract, commensurate with the period of delay caused by the force Majeure Event. The Contracting Authority may terminate the Call-Off Contract on immediate notice in writing if a Force Majeure Event affecting the Service Provider continues for more than three (3) months or such other period as may be set out in a Call-Off Contract.
- 23.3 Subject to **clause 23.4**, it is expressly agreed that any failure by the Service Provider to perform, or any delay by the Service Provider in performing, its liabilities, obligations or responsibilities under the Call-Off Contract which results from any failure or delay in the performance of its obligations by any person with which the Service Provider shall have entered into any contract, supply arrangement, sub-contract or otherwise, shall be regarded as a failure or delay due to a Force Majeure Event only in the event that such person shall itself be prevented from or delayed in complying with its obligations under such contract, supply arrangement, sub-contract or otherwise as a result of circumstances of a Force Majeure Event.
- 23.4 In the case of Services which are for business critical or safety critical parts of the TfL Group, its estate or services or which otherwise require continuous uninterrupted service, as indicated by TfL in the relevant Call-Off Contract, the Service Provider shall not be excused from performance due to a Force Majeure Event or a Disaster.

- 24.1 The Service Provider shall comply with the relevant Security Policies in relation to data security, where and to the extent applicable.
- 24.2 The Service Provider shall, where appropriate in accordance with good industry practice, use up to date Virus-checking software to protect against the

introduction of Viruses to the Contracting Authority's, the TfL Group's and/or Other Contracting Party's systems and/or environment and use reasonable endeavours not to introduce any Viruses into any Software it hosts or creates for the Contracting Authority or its service recipients.

- 24.3 In the event that any of the Contracting Authority's, the TfL Group's and/or Other Contracting Party's software or data is corrupted or lost or so degraded as to be unusable due to any act or omission of the Service Provider after its receipt or creation by the Service Provider or during any collection, processing, storage or transmission by the Service Provider of the Contracting Authority's, the TfL Group's and/or Other Contracting Party's software or data or otherwise as a result of any default by the Service Provider then, without prejudice to the Contracting Authority's other rights and remedies the Service Provider shall restore, at its own cost, the software and data up to the last backup provided by the Contracting Authority to the Service Provider, if any.
- 24.4 This **clause 24** shall survive termination of this Framework Agreement and any Call-Off Contract.

25. **TERMINATION**

- 25.1 For the purposes of this **clause 25.1**, "**Relevant Authority**" means:
- 25.1.1 in the case of any termination of this Framework Agreement, the Contracting Authority; and
 - 25.1.2 in the case of any termination of a Call-Off Contract, the Contracting Authority who has entered into that Call-Off Contract.
- 25.2 Without prejudice to the Relevant Authority's right to terminate at common law, the Relevant Authority may terminate this Framework Agreement and/or any current Call-Off Contracts (and in the case of a right to terminate a Call-Off Contract, the Relevant Authority can terminate the Call-Off Contract, and at its option can also but is not obliged to terminate all other Call-Off Contracts and the Framework Agreement additionally), in either case immediately (or on such later date as it shall specify in writing) upon giving notice to the Service Provider if:
- 25.2.1 the Service Provider has committed any material or persistent breach of this Framework Agreement and/or of a Call-Off Contract (and in the case of a material breach of a Call-Off Contract, the Relevant Authority can at its option can also but is not obliged to terminate the Call-Off Contract, and at its option terminate all other Call-Off Contracts and the Framework Agreement additionally) and in the case of such a breach that is capable of remedy fails to remedy that breach within twenty (20) Business Days from the date of written notice to the Service Provider giving details of the breach and requiring it to be remedied;
 - 25.2.2 the Service Provider is subject to an Insolvency Event;
 - 25.2.3 there is a Change of Control or of management personnel of the Service Provider; or

- 25.2.6 the Service Provider or any of its officers, employees, Sub-Contractors or agents commits any act of bribery described in the Bribery Act 2010; or
- 25.2.7 a termination right arises under this Framework Agreement and/or a Call-Off Contract.
- 25.3 To the extent that the Relevant Authority has a right to terminate this Framework Agreement or a Call-Off Contract under this **clause 25** then, as an alternative to termination, the Relevant Authority may by giving notice to the Service Provider require the Service Provider to provide part only of the Deliverables or the Services in the relevant Call-Off Contract with effect from the date specified in the TfL Group's notice ("**Change Date**") whereupon the provision of the remainder of the Deliverables or the Services will cease and the definition of "the Deliverable" and/or "the Services" shall be deemed amended accordingly. The Charges applicable with effect from the Change Date will be adjusted proportionately or, if in the TfL Group's opinion a proportionate adjustment would not be reasonable, in such manner as the Relevant Authority may reasonably determine.
- 25.4 Subject to **clause 5**, the Service Provider may terminate the relevant Call-Off Contract for non-payment by the Contracting Authority in respect of that Call-Off Contract. Such termination may only occur after a failure to remedy by the Contracting Authority within sixty (60) Business Days from the date of written notice by the Service Provider provided that the Service Provider also provides a written notice to the Contracting Authority thirty (30) Business Days after the first written notice is served of its intention to terminate such Call-Off Contract if payment is not made within the next thirty (30) Business Days.
- 25.5 Without prejudice to the Relevant Authority's right to terminate the Framework Agreement and/or the Call-Off Contracts under this **clause 25** or at common law, the Contracting Authority may terminate the Framework Agreement and/or a Relevant Authority may terminate a Call-Off Contract at any time following a Declaration of Ineffectiveness in accordance with the provisions of **clause 27**.
26. **CONSEQUENCES OF TERMINATION/EXIT**
- 26.1 The termination or expiry of this Framework Agreement and/or a Call-Off Contract shall not prejudice or affect any right, power or remedy which has accrued or shall accrue to either Party prior to or after such termination or expiry.
- 26.2 Unless stated otherwise in a Call-Off Contract, any rights and obligations of the Parties pursuant to a Call-Off Contract which remain to be performed as at the date of termination of this Framework Agreement shall extend beyond the termination or expiry of this Framework Agreement, in which case the provisions of this Framework Agreement shall survive such expiry or termination to the extent that such provisions are relevant to any such Call-Off Contract.
- 26.3 A Call-Off Contract may expire or be terminated in accordance with its terms or **clause 25** of this Framework Agreement, but such expiry or termination shall not, in and of itself, give rise to an expiry or termination of any other Call-Off Contract or this Framework Agreement.

- 26.4 Except in the case of termination for breach, the Service Provider shall provide the Contracting Authority with a statement of account of monies owing to it (if any) for agreement with the Contracting Authority. The statement will not include monies withheld under **clause 5**.
- 26.5 The termination of this Framework Agreement and/or any Call-Off Contract shall not prejudice or affect any right, power or remedy which has accrued or shall accrue to either Party prior to or after such termination.
- 26.6 Upon termination of any Call-Off Contract (howsoever caused) the Parties shall perform their respective obligations under any Exit Plan or any other exit management provisions applicable to such Call-Off Contract.
- 26.7 Notwithstanding the provisions of the Exit Plan(s) and any exit management provisions applicable to such Call-Off Contract, whenever the Contracting Authority chooses to put out to tender for a new or replacement service provider for some or all of the Services and/or Deliverables, the Service Provider shall disclose to tenderers such information concerning the Services and/or Deliverables as the Contracting Authority may require for the purposes of such tender. The Service Provider may impose upon any recipient of such information such obligations of confidentiality as it may reasonably require.

- 26.9.2 the Contracting Authority shall be entitled to use or have used on its behalf all know-how and Intellectual Property Rights owned or controlled by the Service Provider used in or in connection with such particular Deliverables (including any Escrow Materials) free of charge for the purposes of completion and use, amendment, modification and/or enhancement of the Deliverables as envisaged by the Call-Off Contract.
- 26.10 If the Contracting Authority terminates any Call-Off Contract in accordance with **clause 25.2.2**, then the Service Provider shall, as of the date of termination of the Call-Off Contract, assign to the TfL Group with full title guarantee, all Intellectual Property Rights in the Services and the Deliverables which were due to be transferred to the Contracting Authority should the Insolvency Event have not occurred and which are in existence and capable of assignment as of the date of termination.
- 26.11 Upon termination of any Call-Off Contract (howsoever caused) or a cessation of any Services or part thereof, the Contracting Authority may enter into any

agreement with any third Party or parties as the Contracting Authority thinks fit to provide any or all of the Services and the Deliverables and, in relation to Services, the Service Provider shall (save in the case of termination for convenience under a relevant Call-Off Contract) be liable for all additional expenditure reasonably incurred by the Contracting Authority in having such services carried out and all other costs and damages reasonably incurred by the Contracting Authority in consequence of such termination. Where applicable, the Contracting Authority may deduct such costs from the charges or any other sums due to the Service Provider or otherwise recover such costs from the Service Provider as a debt.

26.12 Upon expiry or termination of the Framework Agreement and/or a Call-Off (howsoever caused):

26.12.1 the Service Provider shall, at no further cost to the Contracting Authority:

26.12.1.1 implement its obligations under the agreed Exit Plan, if any;

26.12.1.2 take all such steps as shall be necessary to agree with the Contracting Authority a plan for the orderly handover of the Framework Agreement or relevant Call-Off Contract to the Contracting Authority (or its nominee), such that the Framework Agreement and/or a Call-Off Contract can be carried on with the minimum of interruption and inconvenience to the Contracting Authority and to effect such handover and implement such plan in accordance with its timescales;

26.12.3.1 power down, cease to use, and/or disconnect the Goods or any Service Provider Equipment; and/or

26.12.3.2 remove or cause to be removed the Goods or any Service Provider Equipment;

from the Contracting Authorities Premises within twenty eight (28) days (or such earlier period) of the date of the Contracting Authority's notice or within such other timetable as may be agreed between the Parties taking into account the circumstances. The Service Provider

will make good any damage caused to the Contracting Authorities Premises or to Third Party property caused by the removal of the Goods or any Service Provider Equipment to the reasonable satisfaction of the Contracting Authority.

26.12.3.3 If the Service Provider fails to remove the Goods or any Service Provider Equipment from the Contracting Authorities' Premises within twenty eight (28) days or such other period required by the Contracting Authority in accordance with **clause 26.12.3.2** (or such time period as maybe agreed by the Parties), the Contracting Authority may remove the same (including instructing a Third Party to remove the same) and the Parties agree that:

- (a) the Contracting Authority will use competent contractors for any such removal work; and
- (b) the Service Provider will reimburse the Contracting Authority in respect of the reasonable and proper cost of removal, and any associated storage and disposal costs incurred.

If the Contracting Authority removes or arranges the removal of all or any part of the Goods or any Service Provider Equipment from the Site, the Contracting Authority will, in relation to Service Provider Equipment, arrange to store the same and to make the same available for collection on reasonable prior notice by the Service Provider for a period of three (3) months. If at the expiry of three (3) months the same has not been collected by the Service Provider, the Service Provider shall have no further title or other rights in connection with the same, and the Contracting Authority shall be free to dispose of the same as it sees fit.

26.13 On termination or expiry of this Framework Agreement, howsoever caused, clauses and Schedules in this Framework Agreement and any Call-Off Contract which expressly or impliedly have effect after termination or expiry shall remain in effect including **clause 2.11(a)** (managing agent), **clause 21** (Intellectual Property Rights), **clause 31** (Confidentiality and Transparency), **clause 22** (Liability), **clause 40** (Dispute Resolution Procedure) and any provisions in any Call-Off Contract relating to exit management.

27. **DECLARATION OF INEFFECTIVENESS**

27.1 In the event that a court makes a Declaration of Ineffectiveness, the Contracting Authority shall promptly notify the Service Provider. The Parties agree that the provisions of **clause 26** and this **clause 27** shall apply as from the date of receipt by the Service Provider of the notification of the Declaration of Ineffectiveness. Where there is any conflict or discrepancy between the provisions of **clause 26** and this **clause 27** or the Cessation Plan, the provisions of this **clause 27** and the Cessation Plan shall prevail.

27.2 The Declaration of Ineffectiveness shall not prejudice or affect any right, liability or remedy which has accrued or shall accrue to either Party prior to or after such Declaration of Ineffectiveness.

- 27.3 As from the date of receipt by the Service Provider of the notification of the Declaration of Ineffectiveness, the Parties (acting reasonably and in good faith) shall agree or, in the absence of such agreement, the Contracting Authority shall reasonably determine an appropriate Cessation Plan with the object of achieving:
- 27.3.1 an orderly and efficient cessation of the Services and other applicable Deliverables or (at the Contracting Authority's request) a transition of the Services and other applicable Deliverables to the Contracting Authority or such other entity as the Contracting Authority may specify; and
 - 27.3.2 minimal disruption or inconvenience to the Contracting Authority or to public passenger transport services or facilities,

in accordance with the provisions of this **clause 27** and to give effect to the terms of the Declaration of Ineffectiveness.

- 27.4 Upon agreement, or determination by the Contracting Authority, of the Cessation Plan the Parties will comply with their respective obligations under the Cessation Plan.
- 27.5 The Contracting Authority shall pay the Service Provider's reasonable costs in assisting the Contracting Authority in preparing, agreeing and complying with the Cessation Plan. Such costs shall be based on any comparable costs or Charges agreed as part of this Framework Agreement, a relevant Call-Off Contract and/or as otherwise reasonably determined by the Contracting Authority. Provided that the Contracting Authority shall not be liable to the Service Provider for any loss of profit, revenue, goodwill or loss of opportunity as a result of the early termination of this Framework Agreement or a relevant Call-Off Contract pursuant to this **clause 27**.

28. **SUSPENSION RIGHTS**

- 28.1 If the Contracting Authority identifies any material non-compliance under the Framework Agreement or one or more Call-Off Contracts or of any SLAs (where applicable) in respect of the Service Provider such that the Contracting Authority is concerned about the Service provider's ability to perform any future Call-Off Contract or in the event that the Service Provider is no longer able to undertake a Request for Offer, then the Contracting Authority reserves the right to refrain from placing a Request for Offer with the Service Provider and may instead place a Request for Offer with the Service Provider ranked in second place under the process used. In the event that the Contracting Authority identifies a non-compliance in respect of the Service Provider ranked in second place, the Contracting Authority may look to award the Request for Offer to the next highest ranked Service Provider who meets the requirements of this Framework Agreement and Key Performance Indicators (KPIs) (if applicable).
- 28.2 If, in the Contracting Authority's opinion, the Service Provider persistently and/or regularly refuses to bid or to submit a Proposal in respect of a Mini-Competition Request under **Schedule 2** and the Service Provider is not able to demonstrate to the Contracting Authority's satisfaction within five (5) Business Days of the Contracting Authority's request for it to do so that such refusal or lack of bid is not for the valid and genuine reason then the Contracting Authority reserves the right to exclude the Service Provider from bidding under a Mini-Competition for future Call-Off Contracts for a period which, at the Contracting Authority's discretion, may be up to the same period in time over which the persistent or regular refusals or failures were measured by the Contracting Authority as

determined by the Contracting Authority (but being no longer than 12 weeks). It shall be the Contracting Authority's discretion as to whether the thresholds set out above have been met or not met.

28.3 Without prejudice to any other rights or remedies which the Contracting Authority may possess under this Framework Agreement or otherwise (including any right to terminate), if the Service Provider:

28.3.1 is in material breach of a term of a Call-Off Contract;

28.3.2 materially fails to proceed regularly and/or diligently with the Services or the delivery of its obligations under a Call-Off Contract,

then the Contracting Authority may give it notice in writing (or in an emergency oral notice) specifying the default and a time period for remedying the default and if the Service Provider fails to remedy the default within the specified time, and demonstrate to the Contracting Authority the steps it has taken to prevent the default reoccurring then the Contracting Authority may suspend any part or the whole of the Services and/or delivery of the Deliverables under that Call-Off Contract until such time as it considers the Service Provider is once again in a position to execute the same and, during such time, the Contracting Authority may employ a Third Party to carry out and complete the Services and deliver the Deliverables for that purpose.

28.4 The Service Provider shall not be paid for any suspended services or lack of performance under this **clause 28**.

Step-in

28.5 If the Contracting Authority believes (at its discretion) that it needs to take action in connection with one or more of the Services or Deliverables:

28.5.1 because the Service Provider is in breach of the Contract in accordance with **clause 25** or insolvent or similar in accordance with **clause 25** or the Contracting Authority has a right to suspend the Services or provision of the Deliverables;

28.5.2 because a serious risk exists to the health or safety of persons or property or to the environment;

28.5.3 to discharge a statutory duty;

28.5.4 because the Service Provider does not have sufficient resources to carry out and complete any of the Services;

28.5.5 because the Service Provider is unable to perform the Services in a timely manner and the Contracting Authority is reasonably concerned that a right to remedy or provide rectification first would materially prejudice the Contracting Authority, any of the other TfL Group or any of the general public or other Third Parties; and/or

28.5.6 where the Service Provider is unable to perform the Services due to a Force Majeure Event; and/or

then the following provisions will apply as set out in this **clause 28** below.

28.6 The Contracting Authority will, save in respect of an emergency (where the

Contracting Authority does not need to provide notice in advance but must act reasonably), provide notice (the "**Step-In Notice**") (which may be immediate) to the Service Provider in writing of the following:

- 28.6.1 the action it wishes to take;
- 28.6.2 the reason for such action;
- 28.6.3 the date it wishes to commence such action (which may be the date of the notice) (being the start of the "**Step-In Period**" as defined below); and
- 28.6.4 the time period which it believes will be necessary for such action (if known).

28.7 Following service of the Step-In Notice, the Contracting Authority or a Third Party appointed by the Contracting Authority for the purpose, which may include another contractor appointed to the Framework, will take such action as is notified under these provisions and any consequential additional action as the Contracting Authority reasonably believes is necessary (the "**Step-In Services**") and the Service Provider will give all reasonable assistance to the Contracting Authority or such Third Party while it is taking such Step-In Services (such assistance to be at the expense of the Contracting Authority except where the requirement for the Contracting Authority to Step-In results from a failure of the Service Provider to perform its obligations under this Framework Agreement and/or Call-Off Contract, as applicable). The period during which the Step-In Services shall be taken shall be referred to as the Step-In Period.

28.8 During the Step-in Period:

- 28.8.1 the Contracting Authority (or one or more Third Parties nominated by the Contracting Authority) will manage and/or supervise performance of the Step-In Services to the extent detailed in the relevant notice (or subsequently notified by the Contracting Authority to the Service Provider) using (without charge) (and for this purpose the Service Provider will promptly make available for the entire Step-In Period) the Service Provider's resources relevant to this Framework Agreement, the Service Provider's Premises, the Service Provider Personnel, Ordered Goods being stored, the benefit of any Third Party contracts and, if required by the Contracting Authority, the services of the permitted Sub-Contractors as well as all plant, software, tools, equipment, goods and materials intended for, delivered to and placed on the Site in connection with the Services and/or which was to be used or would reasonably be needed to be used by a Third Party to provide the Services, documentation and any manuals relating to any equipment or Software or Goods and anything else reasonably required by the Contracting Authority (together referred to as the "**Resources**"). The Service Provider's Resources may be used virtually or from any of the Service Provider Premises at the Contracting Authority's choice; and
- 28.8.2 the Service Provider will continue to provide all Services other than the Step-In Services.

Contractor Co-operation

28.9 The Service Provider will permit the Contracting Authority and Authority-nominated Third Parties to have such reasonable access to and use of the

Service Provider's Resources and the Service Provider Premises at no cost to the Contracting Authority as the Contracting Authority requires in order to fully and effectively exercise its rights under this **clause 28**. The Service Provider will at all times cooperate fully with the Contracting Authority in relation to the exercise of its rights under this **clause 28** and provide the Contracting Authority with any reasonable information required by the Contracting Authority in relation to or in connection with the exercise of those rights.

Revocation of Step-in

- 28.10 The Contracting Authority may (at its sole discretion and at any time) revoke a Step-In Notice by giving not less than five (5) Business Days' notice to the Service Provider. The Service Provider will resume provision of the Step-In Services at the date and time specified in such notice.

Contractor's rights to resume Services Provision

- 28.11 The Service Provider shall promptly, where possible remedy any act or omission which led to the Step-In Services being performed and take steps to ensure the issue is resolved for future purposes. If the Service Provider is able to remedy the relevant event or omission leading to the Step-In Services and/or to successfully put in place arrangements to ensure that it does not recur, then the Service Provider may serve notice (a "**Step-In Resumption Notice**") on the Contracting Authority requesting that the Service Provider resume provision of the Step-In Services. The Service Provider will provide the Contracting Authority with all information that the Contracting Authority reasonably requires to verify that the Service Provider will be able to provide the Step-In Services to the Contracting Authority's reasonable satisfaction and ensure proper and sustained compliance with all Service Levels and other provisions set out in this Framework Agreement. If the Contracting Authority acting reasonably is satisfied that the Service Provider will be able to provide all of the Step-In Services to the Contracting Authority's satisfaction, the Contracting Authority will serve not less than five (5) Business Days' written notice (a "**Re-commencement Notice**") requiring the Service Provider to resume provision of the Step-In Services and at the date and time specified in that notice the Service Provider will resume provision of the Step-In Services. If the Contracting Authority has not served a Re-commencement Notice within ten (10) Business Days of receipt of a Step-In Resumption Notice, then either the Contracting Authority or the Service Provider may refer the matter to the Dispute Resolution Process.

Authority right to terminate

- 28.12 If a Step-In Notice has been served (which has not been revoked by the Contracting Authority pursuant to this **clause 28**) and:
- 28.12.1 the Service Provider has not served a Step-In Resumption Notice within twenty (20) Business Days of service of that Step-In Notice;
 - 28.12.2 following service of a Re-commencement Notice the Service Provider has not resumed provision of the Step-In Services (for any reason) on the date and time specified in that Re-commencement Notice; and/or
 - 28.12.3 the Contracting Authority has not served a Re-commencement Notice on the Service Provider within thirty (30) Business Days of service of a Step-In Resumption Notice,

the Contracting Authority may at its sole discretion terminate this Framework Agreement.

Status of the Services and Charges during the Step-In Period

- 28.13 During any Step-in Period the Contracting Authority shall only be liable to pay Charges in respect of those of the Step-In Services that it continues to receive from the Service Provider and shall not be liable to pay Charges in respect of any other Step-In Services.

Step-in Expenditure

- 28.14 In the event that the Contracting Authority incurs costs in exercising its Step-In rights in accordance with this **clause 28** such costs exceed the Charges which would have been payable but for the Step-In, the Service Provider shall credit an amount equal to the difference between the costs and such Charges against all future Charges to the effect that no Charges shall be payable by the Contracting Authority unless and until the full amount of such credit has been utilised. The Contracting Authority may at any time by written notice require the Service Provider to cease crediting the amount in question against the Charges and any unused balance thereof shall be remitted to the Contracting Authority in cleared funds within twenty (20) Business Days of service of such written notice.

28A PERFORMANCE OF SERVICES SIMILAR TO THE SERVICES WHICH WOULD ORDINARILY HAVE BEEN PERFORMED BY ANOTHER SERVICE PROVIDER

- 28A.1 The Service Provider acknowledges that there may be circumstances where the Contracting Authority requires the assistance of the Service Provider to provide services similar to some or all of the Services on other projects with contractors to this Framework where the Contracting Authority has had to suspend or Step-In to such services. The Service Provider agrees in good faith to, where at all possible, provide such services as are requested by the Contracting Authority and the charges for providing such services shall be no more than those set out in **Schedule 3** or, if none are set out, than those set out in the relevant Call-Off Contract.

29. SEVERABILITY

If any provision of the Framework Agreement or a Call-Off Contract (in whole or in part) is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed from the Framework Agreement or relevant Call-Off Contract and the remaining provisions shall continue in full force and effect as if the Framework Agreement or relevant Call-Off Contract had been executed without the invalid, illegal, or unenforceable provision. In the event that in the Contracting Authority's reasonable opinion such a provision is so fundamental as to prevent the accomplishment of the purpose of the Framework Agreement or relevant Call-Off Contract, the Contracting Authority and the Service Provider shall immediately commence good faith negotiations to remedy such invalidity.

30. ASSIGNMENT/SUB-CONTRACTING/CHANGE OF OWNERSHIP

- 30.1 The Service Provider shall not assign or sub-contract this Framework Agreement and/or any Call-Off Contract (or any part of them) without the prior written consent of the Contracting Authority identifying the relevant Sub-Contractor and their role. The Contracting Authority agrees to not unreasonably withhold consent to the Service Provider sub-contracting immaterial parts of the Framework

Agreement and/or Call-Off Contracts from time to time to Third Parties of good repute.

30.2 Where the Service Provider sub-contracts all or any part of its obligations to any person, the Service Provider shall:

30.2.1 ensure that such person is obliged to comply with all of the obligations and duties of the Service Provider under the Call-Off Contract insofar as they relate to the Deliverables or obligations or part of them (as the case may be) which that Sub-Contractor is required to provide;

30.2.2 be responsible for payments to that person;

30.2.3 remain solely responsible and liable to the Contracting Authority for any breach of this Framework Agreement and/or the Call-Off Contract or any performance, non-performance, part-performance or delay in performance by any Sub-Contractor to the same extent as if such breach, performance, non-performance, part-performance or delay in performance had been carried out by the Service Provider;

30.2.4 without prejudice to the provisions of **clause 13**, ensure compliance with the Bribery Act 2010 and any guidance issued by the Secretary of State under it when appointing any such Sub-Contractor; and

30.2.5 where the GLA is the Contracting Authority, include a term in each sub-contract requiring payment to be made by the Service Provider to the Sub-Contractor within a specified period not exceeding 30 days from receipt of a valid invoice as defined by the sub-contract requirements.

30.3 The Service Provider shall give notice to the Contracting Authority within ten (10) Business Days where:

30.3.1 there is any change in the ownership of the Service Provider where such change relates to 50% or more of the issued share capital of the Service Provider; and

30.3.2 there is any change in the ownership of the Holding Company where such change relates to 50% or more of the issued share capital of the Holding Company; and

30.3.3 (in the case of an unincorporated Service Provider) give notice to the Contracting Authority if there is any change in the management personnel of the Service Provider, which alone or taken with any other change in management personnel not previously notified to the Contracting Authority, equates to a change in the identity of 50% or more of the management personnel of the Service Provider.

30.4 Upon the occurrence of any of the events referred to at **clauses 30.3.1 to 30.3.3** (inclusive) above, the Contracting Authority shall have the right to terminate the Framework Agreement and any or all Call-Off Contracts provided always that such right must exercised with 12 months of receipt of such notice.

31. **CONFIDENTIALITY AND TRANSPARENCY**

31.1 Subject to **clauses 31.3, 31.6** and **32**, the Parties shall keep confidential:

31.1.1 the terms of this Framework Agreement; and

- 31.1.2 any and all Confidential Information that they may acquire in relation to the other.
- 31.2 The Service Provider will not use the Contracting Authority's Confidential Information for any purpose other than to perform its obligations under this Framework Agreement. The Service Provider will ensure that its officers and employees comply with the provisions of **clause 31.1**.
- 31.3 The obligations set out in **clause 31.1** will not apply to any Confidential Information:
- 31.3.1 which either of the Parties can demonstrate is in the public domain (other than as a result of a breach of this **clause 31**);
- 31.3.2 which a Party is required to disclose by order of a court of competent jurisdiction but then only to the extent of such required disclosure; or
- 31.3.3 to the extent that such disclosure is to the Secretary for Transport (or the government department responsible for public transport in London for the time being) the Office of Rail Regulation, or any person or body who has statutory responsibilities in relation to transport in London and their employees, agents and Sub-Contractors.
- 31.4 Each Party shall keep secure all materials containing any information in relation to the Framework Agreement, each Call-Off Contract and its performance.
- 31.5 The Service Provider shall not communicate with representatives of the general or technical press, radio, television or other communications media in relation to the existence of the Framework Agreement or any Call-Off Contracts or that it is providing the Deliverables and other Services to the Contracting Authority or in relation to any matter under or arising from the Framework Agreement or any Call-Off Contracts unless specifically granted permission to do so in writing by the Contracting Authority. The Contracting Authority shall have the right to approve any announcement before it is made.
- 31.6 The Service Provider acknowledges that the Contracting Authority is subject to the Transparency Commitment. Accordingly, **clause 32** shall take precedence over this **clause 31**.
- 31.7 The provisions of this **clause 31** will survive any termination or expiry of the Framework Agreement and the Call-Off Contracts made under it for a period of 6 years from the expiry or termination of each.

32. **FREEDOM OF INFORMATION**

- 32.1 For the purposes of this **clause 32**:
- 32.1.1 **"FOI Legislation"** means the Freedom of Information Act 2000, all regulations made under it and the Environmental Information Regulations 2004 and any amendment or re-enactment of any of them; and any guidance issued by the Information Commissioner, the Ministry of Justice or the Department for Environment Food and Rural Affairs (including in each case its successors or assigns) in relation to such legislation;
- 32.1.2 **"Information"** means information recorded in any form held by the Contracting Authority or by the Service Provider on behalf of the

Contracting Authority, the Other Contracting Parties and the TfL Group Members; and

32.1.3 **“Information Request”** means a request for any Information under the FOI Legislation.

32.2 The Service Provider acknowledges that the Contracting Authority, the Other Contracting Parties and the TfL Group Members:

32.2.1 are subject to the FOI Legislation and agrees to assist and co-operate with the Contracting Authority to enable the Contracting Authority, the Other Contracting Parties and the other TfL Group Members to comply with their obligations under the FOI Legislation; and

32.2.2 may be obliged under the FOI Legislation to disclose Information without consulting or obtaining consent from the Service Provider.

32.3 Without prejudice to the generality of **clause 32.2**, the Service Provider shall and shall procure that its Sub-Contractors (if any) shall:

32.3.1 transfer to the Commercial Manager (or such other person as may be notified by the Contracting Authority to the Service Provider) each Information Request relevant to the Framework Agreement, any and all Call-Off Contracts, the Deliverables and/or where TfL is the Contracting Authority any TfL Group Member that it or they (as the case may be) receive as soon as practicable and in any event within two (2) Business Days of receiving such Information Request; and

32.3.2 in relation to Information held by the Service Provider on behalf of the Contracting Authority and TfL Group Members, provide the Contracting Authority with details about and/or copies of all such Information that the Contracting Authority requests and such details and/or copies shall be provided within five (5) Business Days of a request from the Contracting Authority (or such other period as the Contracting Authority may reasonably specify), and in such forms as the Contracting Authority may reasonably specify.

32.4 The Contracting Authority agrees to use reasonable endeavours to take the Service Provider’s representations into account in relation to disclosure of commercially sensitive data or other reasonable concerns in relation to exempt information under FOI Legislation provided that the Service Provider acknowledges and agrees that the Contracting Authority shall at all times be responsible for determining whether Information is exempt information under the FOI Legislation and for determining what Information will be disclosed in response to an Information Request in accordance with the FOI Legislation. The Service Provider shall not itself respond to any person making an Information Request, save to acknowledge receipt, unless expressly authorised to do so by the Contracting Authority.

33. **DATA PROTECTION**

33.1 The Service Provider shall comply with all of its obligations under the DPA and, if Processing Personal Data on behalf of the Contracting Authority, the Other Contracting Parties and the TfL Group (**“Authority Personal Data”**), shall only carry out such Processing for the purposes of providing the Services and the Deliverables in accordance with the Call-Off Contract and in accordance with any additional obligations imposed by the Contracting Authority in any Call-Off

Contract and any other instructions from the Contracting Authority as may be specified from time to time.

- 33.2 Without prejudice to the generality of **clause 33.1**, the Service Provider shall:
- 33.2.1 take appropriate technical and organisational security measures, that are satisfactory to the Contracting Authority, against unauthorised or unlawful Processing of Authority Personal Data and against accidental loss, destruction of, or damage to such Personal Data;
 - 33.2.2 provide the Contracting Authority with such information as it may from time to time require to satisfy itself of compliance by the Service Provider with **clause 33.2.1**;

 - 33.2.6 not Process any Authority Personal Data outside the European Economic Area (or any country deemed adequate by the Commission pursuant to Article 25(6) Directive 95/46/EC) without the TfL Group's prior written consent and, in the event of such consent, only if the Service Provider has agreed in writing to reasonable provisions imposed by the Contracting Authority relating to such Processing.
- 33.3 When the Service Provider receives a written request from the Contracting Authority for information about, or a copy of, Authority Personal Data, the Service Provider shall supply such information or data to the Contracting Authority within such time and in such form as specified in the request (such time to be reasonable) or if no period of time is specified in the request, then within ten (10) Business Days from the date of the request.
- 33.4 The Contracting Authority remains solely responsible for determining the purposes and manner in which Authority Personal Data is to be Processed. The Service Provider shall not share any Authority Personal Data with any Sub-Contractor or third Party unless there is a written contract in place with the Contracting Authority which requires the Sub-Contractor or third Party:
- 33.4.1 to only Process Authority Personal Data in accordance with the TfL Group's instructions to the Service Provider; and

33.4.2 to comply with the same obligations with which the Service Provider is required to comply under this **clause 33**.

33.5 This **clause 33** shall survive termination of this Framework Agreement and any Call-Off Contract.

34. **AMENDMENT**

34.1 Subject to **clause 18**, this Framework Agreement and/or any Call-Off Contract may only be varied or amended with the written agreement of both Parties.

35. **EMPLOYEES**

35.1 Unless set out to the contrary in a Call-Off Contract, **Schedule 10** shall apply in relation to employees and their potential transfer under relevant legislation.

35.2 Nothing in this Framework Agreement nor the Call-Off Contract(s) will render the Service Provider Personnel an employee, partner of the Contracting Authority or of any TfL Group Member by virtue of the provision of the Deliverables by the Service Provider under the Call-Off Contract or their performance of their obligations and the Service Provider shall be responsible for making appropriate deductions for tax and national insurance contributions from the remuneration paid to the Service Provider Personnel.

35.3 Notwithstanding **clause 35.1**, the Service Provider shall indemnify, keep indemnified and hold harmless the Contracting Authority, the Other Contracting Parties and other TfL Group Members from and against all liabilities, costs, expenses, injuries, direct or indirect or consequential loss, damages, claims, demands, proceedings and legal costs (on a full indemnity basis) which the Contracting Authority, the Other Contracting Parties or the TfL Group Members incur or suffer whenever arising or brought by the Service Provider Personnel or any person who may allege to be the same.

35.4 The Service Provider shall give the Contracting Authority, if so requested, full particulars of all persons who are or may be at any time employed on the Framework Agreement and/or any Call-Off Contract and shall take all reasonable steps to avoid changes to any of its staff designated in the Framework Agreement or Call-Off Service Provider as Key Personnel. The Service Provider shall give the Contracting Authority reasonable notice of any proposals to change Key Personnel.

35.5 The Service Provider shall pay to the Service Provider Personnel not less than the amounts to which the Service Provider Personnel are contractually entitled.

35.6 **Non-Solicitation**

35.6.1 Subject to **clause 35.6.2**, neither the Service Provider nor the Contracting Authority shall, whether directly or indirectly and whether alone or in conjunction with, or on behalf of, any other person and whether as a principal, shareholder, director, employee, agent, consultant, Service Provider or otherwise:

35.6.2 This **clause 35.6** shall not prevent employment resulting from general recruitment advertising which shall not constitute a breach of **clause 35.6**.

35.7 This **clause 35** shall survive termination of this Framework Agreement and any and all Call-Off Contract(s).

- 37.2 The Service Provider agrees and shall ensure that the Contracting Authority has the right to control and to supervise all dealings with the press and any other media in relation to any incident, event, claim or action arising in connection with the Framework Agreement and/or any Call-Off Contract.

38. **DISASTER RECOVERY**

Where required by a Contracting Authority under a Call-Off Contract, the Service Provider will ensure that it has in place a Disaster Recovery Plan and that the Disaster Recovery Plan is adequate to minimise the effect of any Disaster and, in such case, in the event of a Disaster, the Service Provider shall promptly comply with its obligations relating to such Disaster.

39. **INDEMNITY - CONDUCT OF CLAIMS**

- 39.1 In respect of any claim arising under any indemnity contained in this Framework Agreement, the Party indemnified ("**Indemnified Party**") will:
 - 39.1.1 as soon as possible give to the Party giving the indemnity ("**Indemnifying Party**") written notice of the claim, circumstance or matter against which that Party is claiming to be indemnified, and all details of the claim from time to time in the knowledge or possession of that Party;

40. **DISPUTE RESOLUTION**

40.1 In order to overcome differences and avoid disputes and where this cannot be achieved to facilitate their clear definition and early resolution (whether by agreement or otherwise) the Parties will first follow the procedure set out in **clause 40.3** in respect of all disputes in relation to this Framework Agreement (save that either Party will have the right to refer a dispute to adjudication at any time in accordance with **clause 40.5**). The Parties may then follow the procedures set out in **clauses 40.4** or **40.5** or proceed to litigation in accordance with **clause 40.4.4**.

40.2 The Service Provider will continue to provide the Deliverables in accordance with this Framework Agreement and without delay or disruption whilst a Dispute is being resolved.

40.3 **Escalation**

40.3.1 As soon as either Party becomes aware of any matter which if not resolved might become a dispute it will so advise the other Party in writing.

40.3.2 The Contracting Authority and the Service Provider will use reasonable endeavours to negotiate in good faith and settle any dispute or difference that may arise out of or relate to this Framework Agreement ("**Dispute**").

40.3.3 If the Dispute is not settled through discussion between the representatives set out in the Call-Off Contract within a period of seven (7) Business Days of the date on which the Dispute arose, the Parties may refer the Dispute in writing to a director or chief executive (or equivalent) ("**Senior Personnel**") of each of the Parties for resolution.

40.4 **Mediation**

40.4.1 If the Dispute is not resolved within fourteen (14) Business Days of referral to the representatives set out in the Call-Off Contract either Party may propose by notice to the other Party ("**Notice**") that a structured mediation or negotiation be entered into with the assistance of a mediator.

40.4.2 If the Parties are unable to agree on a mediator, or if the agreed mediator is unable or unwilling to act within twenty-eight (28) Business Days of the service of the Notice, either Party may apply to the Centre for Effective Dispute Resolution ("**CEDR**") in London to appoint a

mediator. The costs of that mediator will be divided equally between the Parties or as the Parties may otherwise agree in writing.

40.4.3 Where a Dispute is referred to mediation under this **clause 40.4**, the Parties:

40.4.3.1 will attempt to settle such Dispute by mediation in accordance with the model mediation procedures published by CEDR or such other procedures as the mediator may recommend; and

40.4.3.2 agree to co-operate fully with such a mediator and to provide such assistance as is necessary to enable the mediator to discharge its duties.

All negotiations connected with respect to the Dispute will be conducted in confidence and without prejudice to the rights of the Parties in any future court proceedings.

40.4.5 If the Parties fail to reach agreement within forty (40) Business Days of the appointment of the mediator, such failure will be without prejudice to the right of either Party to refer the Dispute to the English courts. In addition, failing agreement, either of the Parties may invite the mediator to provide a non-binding opinion in writing as to the merits of the Dispute and the rights and obligations of the Parties. Such opinion will be provided on a without prejudice basis and will be subject to the confidentiality provisions of this Framework Agreement.

40.5 **Adjudication**

40.5.1 In this clause, time periods stated in days exclude Christmas Day, Good Friday and bank holidays in England.

40.5.2 Either Party has the right to refer a Dispute to the Adjudicator at any time by way of a Notice of Adjudication.

40.5.3 The Adjudicator shall act impartially and decides the Dispute as an independent adjudicator and not as an arbitrator.

40.5.4 The Parties may choose an adjudicator (or replacement adjudicator, as necessary) jointly or a Party may ask the Adjudicator Nominating Body to choose an adjudicator. Such joint appointment or referral to the Adjudicator Nominating Body shall take place immediately upon the serving of a Notice of Adjudication, or immediately following the position of Adjudicator falling vacant.

40.5.5 The Adjudicator Nominating Body shall choose an adjudicator within four (4) days of the request. The chosen adjudicator shall become the "**Adjudicator**".

40.5.6 A replacement Adjudicator shall have the power to decide a Dispute referred to his predecessor but not decided at the time when his predecessor resigned or became unable to act. The Adjudicator shall

deal with an undecided Dispute as if it had been referred to him on the date he was appointed.

- 40.5.7 The Adjudicator, his employees and agents shall not be liable to the Parties for any action or failure to take action in an adjudication unless the action or failure to take action was in bad faith.
- 40.5.8 Before a Party refers a Dispute to the Adjudicator, that Party shall give a Notice of Adjudication to the other Party with a brief description of the Dispute, including the provisions of this Framework Agreement that are relevant to the Dispute, the relief sought, the basis for claiming the relief sought and the decision that the Party wishes the Adjudicator to make. Following the appointment of the Adjudicator, the Party issuing the Notice of Adjudication shall immediately send a copy of the Notice of Adjudication to the Adjudicator. Within three (3) days of the receipt of the Notice of Adjudication, the Adjudicator shall notify the Parties:
- 40.5.8.1 that he is able to decide the Dispute in accordance with this Framework Agreement; or
- 40.5.8.2 that he is unable to decide the Dispute and has resigned.
- 40.5.9 If the Adjudicator does not so notify within three (3) days of the issue of the Notice of Adjudication, either Party may act as if he has resigned.
- 40.5.10 Within seven (7) days of a Party giving a Notice of Adjudication that Party shall:
- 40.5.10.1 refer the Dispute to the Adjudicator;
- 40.5.10.2 provide the Adjudicator with the information on which that Party relies, including the factual and contractual or other basis of the claim, the amount (if any) claimed and any supporting documents, and
- 40.5.10.3 provide a copy of the information and supporting documents that Party has provided to the Adjudicator to the other Party.
- 40.5.11 Upon receipt of the referral notice, the Adjudicator shall inform every Party to the Dispute of the date that it was received. Within fourteen (14) days from the referral, any Party, who is not the Party giving a Notice of Adjudication, shall provide the Adjudicator with the information on which that Party relies, including the factual and contractual or other basis of the claim, the amount (if any) claimed and any supporting documents.
- 40.5.12 The time periods set out in **clauses 40.5.10** and **40.5.11** above may be extended if the Adjudicator and the Parties agree.
- 40.5.13 If a matter disputed by the Service Provider under or in connection with a sub-Contract is also a matter disputed under or in connection with this Framework Agreement the Service Provider may, with the consent of the Sub-Contractor and the Contracting Authority, refer the sub-Contract dispute to the Adjudicator at the same time as the main Contract referral. The Adjudicator shall then decide the disputes

together and references to the Parties for the purposes of the dispute shall be interpreted as including the Sub-Contractor. The Parties shall comply with any reasonable request by the Adjudicator for more time to decide the disputes referred to him.

- 40.5.14 The Adjudicator may:
- 40.5.14.1 make directions for the conduct of the Dispute;
 - 40.5.14.2 review and revise any action or inaction of the Contracting Authority related to the Dispute and alter a quotation which has been treated as having been accepted;
 - 40.5.14.3 take the initiative in ascertaining the facts and the law related to the Dispute;
 - 40.5.14.4 instruct a Party to provide further information related to the Dispute within a stated time; and
 - 40.5.14.5 instruct a Party to take any other action which he considers necessary to reach his decision and to do so within a stated time.
- 40.5.15 If a Party does not comply with any instruction within the time stated by the Adjudicator, the Adjudicator may continue the adjudication and make his decision based upon the information and evidence he has received.
- 40.5.16 The Adjudicator shall consider any relevant information submitted to him by any of the Parties and shall make available to them any information to be taken into account in reaching a decision.
- 40.5.17 A communication between a Party and the Adjudicator shall be communicated to the other Party at the same time.
- 40.5.18 Save as required by Applicable Law, the Parties and the Adjudicator shall keep information relating to the Dispute confidential.
- 40.5.19 For Disputes relating to Services, if the Adjudicator's decision includes assessment of additional cost or delay caused to the Service Provider, the Adjudicator shall make his assessment in the same way as a compensation event is assessed.
- 40.5.20 The Adjudicator shall decide the Dispute and notify the Parties of his decision and his reasons within twenty-eight (28) days of the Dispute being referred to him. This period may be extended by up to fourteen (14) days with the consent of the Parties or by any other period agreed by the Parties.
- 40.5.21 After the giving of a Notice of Adjudication, the Parties may seek to agree how the Adjudicator allocates the costs and expenses of the adjudication, excluding the Adjudicator's own remuneration and expenses, as between the Parties.
- 40.5.22 Subject to any agreement of the Parties, the Adjudicator shall allocate payment of his own remuneration and expenses as between the Parties.

- 40.5.23 Unless and until the Adjudicator has notified the Parties of his decision the Parties shall proceed as if the matter disputed was not disputed.
- 40.5.24 If the Adjudicator does not make his decision and notify it to the Parties within the time provided by this Framework Agreement the Parties and the Adjudicator may agree to extend the period for making his decision. If they do not agree to an extension, either Party may act as if the Adjudicator has resigned.
- 40.5.25 The Adjudicator's decision is binding on the Parties unless and until revised by the courts pursuant to any legal proceedings and is enforceable as a matter of contractual obligation between the Parties and not as an arbitral award. The Adjudicator's decision shall be final and binding if neither Party has notified the other within the time required by this Framework Agreement that he is dissatisfied with a matter decided by the Adjudicator and intends to refer the matter to the courts.
- 40.5.26 The Adjudicator may on his own initiative or on the application of a Party correct his decision so as to remove a clerical or typographical error arising by accident or omission. Any correction of a decision must be made within five (5) days of the delivery of the decision to the Parties. As soon as possible after correcting a decision in accordance with this clause, the Adjudicator shall deliver a copy of the corrected decision to each of the Parties. Any correction of a decision shall form part of the decision.
- 40.5.27 If the Adjudicator's decision changes an amount notified as due, payment of the sum decided by the Adjudicator is due not later than seven (7) days from the date of the decision or the final date for payment of the notified amount whichever is the later.
- 40.5.28 Unless the Parties agree otherwise, a Party shall not refer any Dispute under or in connection with this Framework Agreement to the courts unless it has first been decided by the Adjudicator in accordance with this Framework Agreement.
- 40.5.29 If, after the Adjudicator notifies his decision, a Party is dissatisfied, that Party may notify the other Party of the matter which he disputes and state that he intends to refer it to the courts. The Dispute may not be referred to the courts unless this notification is given within six (6) weeks of the notification of the Adjudicator's decision.
- 40.5.30 The courts shall settle the Dispute referred to it. The courts shall have the power to reconsider any decision of the Adjudicator and to review and revise any action or inaction of the Contracting Authority related to the Dispute. A Party shall not be limited in court proceedings to the information or evidence put to the Adjudicator.
- 40.5.31 Neither Party shall call the Adjudicator as a witness in court proceedings.
- 40.6 Neither Party shall be prevented from, or delayed in, seeking any order for specific performance or for interim or final injunctive relief as a result of the provisions of this **clause 40** and **clause 40** shall not apply in respect of any circumstances where such remedies are sought.

41. RIGHTS OF THIRD PARTIES

- 41.1 Any TfL Group Member and/or Other Contracting Party has the right to enforce the terms of (i) this Framework Agreement; and/or (ii) any Call-Off Contract, in each case under which it is a Party or has a benefit, in accordance with the Contracts (Rights of Third Parties) Act 1999 ("**Third Party Act**").

- 42.1.2 at the Contracting Authority's expense (which shall be agreed in advance prior to the bond being entered into or agreed to be paid as part of a Call-Off Contract) a performance bond, together with a legal opinion as to its enforceability, both to be materially in the form set out in **Schedule 6**.
- 42.2 Where a parent company guarantee and/or bond is required:

- 42.2.2 the Service Provider shall be regarded as being in material breach of the Call-Off Contract which is incapable of remedy in the event that any parent company guarantee and/or performance bond (as the case may be) is or becomes invalid or otherwise unenforceable.
- 42.3 Where the Service Provider has provided the Contracting Authority with a performance bond and thereafter any variation is made to the Services in accordance with the terms of the Framework Agreement or a Call-Off Contract,

the Contracting Authority may in its discretion require the Service Provider to provide at its expense a replacement performance bond for a greater sum where such variation either alone or when aggregated with any other variations has resulted in a material increase to the value of the Call-Off Contract and/or Framework Agreement to the Contracting Authority.

- 42.4 The Service Provider shall give notice to the Contracting Authority within ten (10) Business Days where there is any change in the ownership of the guarantor of the parent company guarantee where such change relates to 50% or more of the issued share capital of the guarantor. The Contracting Authority shall have the right to terminate the Framework Agreement (where the parent company guarantee covers the Framework Agreement) and/or a Call-Off Contract(s) (where the parent company guarantee covers the Framework Agreement) within sixty (60) calendar days of receipt of the required notice from the Service Provider, or in the event that the Service Provider fails to give the required notice, within sixty (60) calendar days of the Contracting Authority becoming aware of such event, unless the Service Provider has within such period provided a parent company guarantee or other appropriate security from a replacement guarantor acceptable to the Contracting Authority on terms identical to the parent company guarantee.

- 43.3 Nothing in this **clause 43** excludes any liability which one Party would otherwise have in respect of any statement it has made fraudulently to the other Party.

44. **GOVERNING LAW**

This Framework Agreement and all Call-Off Contracts made in accordance with it shall be governed by and construed in accordance with the laws of England and Wales. Without prejudice to **clause 40**, the courts of England will have exclusive jurisdiction to settle any dispute which may arise out of or in connection with the Framework Agreement and/or any Call-Off Contract provided that the Contracting Authority has the right in its absolute discretion to enforce a judgment and/or to take proceedings in any other jurisdiction in which the Service Provider is incorporated or in which any assets of the Service Provider may be situated. The Parties agree irrevocably to submit to that jurisdiction.

46. **RELIEF**

- 46.1 Subject to **clause 46.2**, the Service Provider shall be excused from any failure to perform or meet its obligations under this Framework Agreement only to the extent that such failure is directly caused by (and the Service Provider can demonstrate in writing to the reasonable satisfaction of the Contracting Authority that such failure is directly caused by) a Relief Event. If, as a direct consequence of a Relief Event in respect of which the Service Provider receives relief under this **clause 46.1**, the Service Provider is unable to meet a deadline date related to the performance of the Services (including any Milestone Date and Key Milestone Dates), such deadline date shall be postponed by such time as is both proportionate and reasonable, and agreed by the Parties in writing, for such Relief Event. The Service Provider shall only be entitled to relief under this clause in respect of a Relief Event to the extent that any failure to perform or meet its obligations under this Framework Agreement arises after the date on which that Relief Event occurred.

- 46.2 Where the Service Provider may be entitled to relief under **clause 46.1** as the result of a Relief Event, such relief will only be provided if:

46.2.1 the Service Provider provides the Contracting Authority with notice (a "**Relief Notice**") of the Relief Event, as soon as reasonably practicable (and, in any event, within five (5) Business Days) after becoming aware of it. The Relief Notice must contain:

- 46.2.1.1 the Service Provider's claim for relief, which for this purpose shall be at least: (i) a summary of the nature of the Relief Event; and (ii) reasonable details of the likely impact of the Relief Event on the Service Provider's obligations under this Framework Agreement (including the impact on the provision of the Services and compliance with the KPIs);

 - 46.2.2.2 the Relief Event directly caused the relevant failure to perform or meet its obligations under this Framework Agreement;
 - 46.2.2.3 the relief from its obligations under this Framework Agreement claimed by the Service Provider could not reasonably be expected to be mitigated or recovered by the Service Provider (acting in accordance with this Framework Agreement (including Good Industry Practice)); and

- 46.3.2 negotiate in good faith with a view to, and as soon as reasonably practicable attempt to, (in accordance with the Change Control Procedure) agree upon any relief to be granted to the Service Provider under **clause 46.1** in a change control notice. If necessary, the parties may escalate the matter in accordance with the Dispute Resolution Procedure.
- 46.4 Where a failure by the Service Provider to meet its obligations under this Agreement is attributable in part to the Service Provider's default and in part to a Relief Event in respect of which the Service Provider receives relief under **clause 46.1**, the parties shall negotiate in good faith with a view to agreeing a fair and reasonable apportionment of responsibility for such failure and, if necessary, the parties may escalate the matter in accordance with the Dispute Resolution Procedure above.
- 46.5 For the purposes of this **clause 46**, a Relief Event shall be an event where the Contracting Authority has agreed in writing to provide a dependency in order for the Service Provider to provide the Services but, in relation to access, the dependency shall only be for the access period and the Service Provider shall not be entitled to claim relief because it does not have access rights outside of the parameters set out in the Call-Off Contract.
47. **GENERAL**
- 47.1 Nothing in this Framework Agreement and/or any Call-Off Contract constitutes, or shall be deemed to constitute, a partnership between the Parties. Except as expressly provided in the Framework Agreement or the Call-Off Contract, neither Party shall be deemed to be the agent of the other, nor shall either Party hold itself out as the agent of the other.
- 47.2 No waiver of any of the provisions of the Framework Agreement and/or any Call-Off Contract is effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with the provisions of **clause 36**. The single or partial exercise of any right, power or remedy under the Framework Agreement and/or any Call-Off Contract shall not in any circumstances preclude any other or further exercise of it or the exercise of any other such right, power or remedy.
- 47.3 The Contracting Authority may novate or otherwise transfer this Framework Agreement (in whole or in part). Within ten (10) Business Days of a written request from the Contracting Authority, the Service Provider shall, at its own expense, execute such agreement as the Contracting Authority may reasonably require to give effect to any such transfer of all or part of its rights and obligations under this Framework Agreement to one or more persons nominated by the Contracting Authority.
- 47.4 This Framework Agreement may be executed in any number of counterparts or duplicates, each of which shall be an original, and such counterparts or duplicates shall together constitute one and the same agreement.

- 47.5 Each Call-Off Contract may be executed in any number of counterparts or duplicates, each of which shall be an original, and such counterparts or duplicates shall together constitute one and the same agreement.
- 47.6 Each Party will do or procure the doing of all acts and things and execute or procure the execution of all such documents as the other Party reasonably considers necessary to give full effect to the provisions of the Framework Agreement and each Call-Off Contract, as the context requires.

 - 2.1.5. To maintain, fix, implement changes, ensure compliance with current legislation and carry out any upgrades.
- 2.2 It is most likely that second and third line support would be required with the Contracting Authority providing first line support via own service desk. If the Contracting Authority requires the Service provider to be responsible for first line support this would be specified in each Mini-Competition and included in any Call-Off Contract
- 2.3 Support may, inter alia, include on-site hand holding and problem solving.
- 2.4 The table below outlines non-exhaustive but indicative potential support options that could be considered by the Contracting Authority. Where support and maintenance is required specific details will be included in each Call-Off Procedure and/or Mini-Competition and agreed at any subsequent Call-Off Contract.

(Letterhead of Parent Company)

To: [insert name and address of the Contracting Authority]

Date:

Dear Sir/Madam

We, [insert name of Guarantor] ("**the Guarantor**"), understand that you have agreed to enter into Contract No [insert contract number] ("**the Contract**") with [insert name of Service Provider] ("**the Service Provider**") in respect of [briefly describe nature of contract] on the condition that the obligations of the Service Provider under the Contract be guaranteed by a Guarantor.

We are [recite the relationship of the Guarantor to the Service Provider], and we warrant to you that this description of our relationship with/to the Service Provider is true and accurate in all material respects.

WE HEREBY AGREE AND UNDERTAKE with you as follows: -

- (a) We unconditionally guarantee on demand:
- (i) the proper, complete and punctual performance by the Service Provider of any and all its obligations, undertakings and responsibilities under the Contract and we shall forthwith make good any default thereunder on the part of the Service Provider; and
 - (ii) the due and punctual payment by the Service Provider of all sums, liabilities, awards, losses, damages, costs, charges and expenses that may be or become due and payable to you under or arising out of the Contract in accordance with its terms or otherwise by reason or in consequence of any such default on the part of the Service Provider,
- when and as the same shall become due for performance or payment (as the case may be).
- (b) As a separate and primary obligation we unconditionally guarantee to you that in the case of default by the Service Provider in making any of the payments or in performing any of the obligations, undertakings and responsibilities set out in paragraph (a) above, we shall on demand pay all sums and observe and perform any or all of such obligations, undertakings and responsibilities as if we instead of the Service Provider were the primary obligor. Any payment under this Guarantee shall be made by us in pounds sterling or in any currency which may from time to time replace pounds sterling.
- (c) This Guarantee shall be a continuing security and shall remain in full force and effect until all obligations to be performed or observed by the Service Provider under or arising out of the Contract have been duly and completely performed

MAYOR OF LONDON

and observed and the Service Provider shall have ceased to be under any actual or contingent liability to you thereunder.

- (d) Any demand or other notice made by you under this Guarantee shall be duly made if sent by first class recorded delivery post to us.
- (e) You shall be entitled to enforce this Guarantee without first notifying the Service Provider of any default or taking any proceedings or demanding upon, enforcing or exhausting any right or remedy against the Service Provider or any other person or taking any action to enforce any other security, bond or guarantee held by you or making or filing any claim in a bankruptcy, liquidation, administration or insolvency of the Service Provider or any person.
- (f) If any sum due or purportedly due under this Guarantee is not or would not be recoverable under a guarantee for any reason whatsoever, whether or not known to you, such sum shall still be recoverable from us as a sole principal debtor upon the terms of this Guarantee.

PROVIDED THAT:

- 1. We shall be under no greater obligation or greater liability under this Guarantee than we would have been under the Contract if we had been named as the Service Provider in the Contract.
- 2. Our obligations hereunder are those of primary obligor and shall remain in full force and effect and shall not be terminated, reduced, discharged or otherwise affected by:
 - (a) any alteration or variation to the terms of the Contract made by agreement between you and the Service Provider (including, without limitation, any increase in the Service Provider's obligations under the Contract or any alteration in the extent or nature or sequence or method or timing of the Services to be carried out under the Contract) or any novation of the Contract (in whole or in part); or
 - (b) any time being given to the Service Provider or any other indulgence, waiver, concession, forbearance or forgiveness to the Service Provider (whether express or by conduct) or any other thing done, omitted or neglected to be done under the Contract; or
 - (c) any other bond, security or guarantee now or hereafter held by you for all or any part of the obligations of the Service Provider under the Contract; or
 - (d) the release or waiver of any such bond, security or guarantee referred to in paragraph 2(c) above; or
 - (e) any amalgamation, reconstruction or dissolution including, without limitation, winding-up of the Service Provider; or
 - (f) the winding-up, bankruptcy, administration, receivership or insolvency of the Service Provider; or
 - (g) any legal limitation, disability or incapacity relating to the Service Provider or discharge by operation of law or any change in the constitution, name or style of the Service Provider or any other person (whether or not known to you); or

- (h) any total or partial invalidity in, irregularity affecting or unenforceability of any of the obligations of the Service Provider under the Contract; or
 - (i) the termination or partial termination of the Contract or the cessation of any Services for any reason or the making of any variation to the Services in accordance with the Contract; or
 - (j) any claim or enforcement of payment from the Service Provider or any other person; or
 - (k) any act or omission which would not have discharged or affected the liability of a sole principal debtor instead of a guarantor or any act or omission, matter or thing which, but for this provision, might operate to exonerate, discharge, reduce or extinguish our liability under this Guarantee.
3. So long as we remain under any actual or contingent liability under this Guarantee, we shall not exercise any right of subrogation or any other right or remedy which we may have against the Service Provider in respect of any payment made by or sum recovered from us pursuant to or in connection with this Guarantee or prove in any liquidation of the Service Provider in competition with you for any sums or liabilities owing or incurred to us by the Service Provider in respect of any such payment by or recovery from us or take or hold any security from the Service Provider in respect of any liability of ours hereunder. We shall hold any monies recovered or security taken or held in breach of this provision in trust for you.
 4. Except where prevented from doing so by law, we waive and agree not to enforce or claim the benefit of any and all rights we have or may from time to time have as guarantor under any applicable law which is or may be inconsistent with any of the provision of this Guarantee.
 5. This Guarantee is irrevocable.
 6. This Guarantee, executed and delivered as a deed, is governed by and shall be construed in accordance with the law of England and Wales. The courts of England shall have exclusive jurisdiction to settle any dispute which may arise out of or in connection with this Guarantee except that you have the right in your absolute discretion to enforce a judgment and/or to take proceedings in any other jurisdiction in which we are incorporated or in which any of our assets may be situated. You and we agree to submit to that jurisdiction.

[For non-UK resident Guarantors only:

7. For the purposes of this Guarantee we hereby appoint of (to be a London address) to accept service of process on our behalf, and service on the said at the said address shall be deemed to be good service on us; and we hereby irrevocably agree not to revoke or terminate such appointment.]
8. You will be entitled to assign the benefit of this Guarantee in whole or in part but we may not assign the benefit and/or delegate the burden of this Guarantee in whole or in part or enter into any transaction which would result in any of those benefits and/or burdens passing to another person.
9. If any provision (in whole or in part) of this Guarantee is found by any court, tribunal, administrative body or authority of competent jurisdiction to be wholly or partly illegal, invalid or unenforceable then that provision shall, to the extent

required, be severed from this Guarantee and shall be ineffective, without, so far as is possible, modifying any other provision of this Guarantee and this shall not affect any other provisions of this Guarantee which shall remain in full force and effect.
