

Morwenstow Parish Council Health & Well Being Project.

Pump/Skate Track Area Element.

Project Brief:

- To engage a suitably qualified specialist contractor to supply, install and guarantee a Multi – Use Pump/Skate Track at Morwenstow Playing Fields.

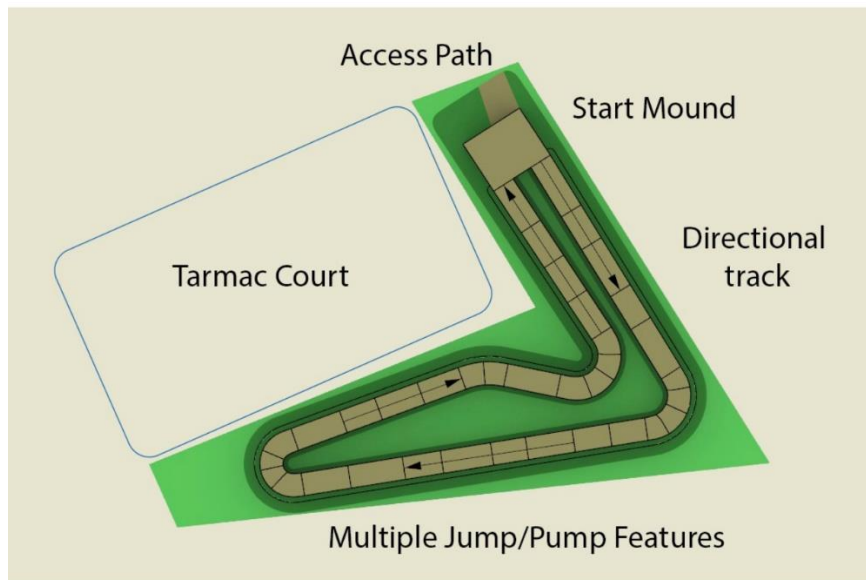

Background:

- Morwenstow is the most northerly Parish of Cornwall. The Parish Council are responsible for the administration of the usual local government provisions.
- Usually, Morwenstow Parish Council would run under the small council bracket. This year the ambition is high and a multi-faceted 'Health & Well Being Project' is in sight.
- The overall project comprises of the following: Outdoor Fitness Suite, Multi-Use Games Area, Multi-Use Pump/Skate Track & Electric Vehicle charging facilities.
- Areas of underutilised land at Morwenstow Playing Fields were identified in 2022. An online/paper survey was carried out. The land that the Multi-Use Pump/Skate Track will occupy is currently the area below the existing training pitch that is used by Morwenstow Football Club.
- The surface needs to be asphalt with a particular emphasis on being multi use. We need this track to appeal and be useable to all wheeled sports, namely bikes, scooters, roller blades & roller skates and also skateboards.
- Inclusion of jumps, berms and banked rollers are required. It is free range really to supply what you know works.
- Please see planning application PA23/08585 on Cornwall Councils website.

Tasks:

- To provide a costing to supply a multi-use pump/skate track, size of area available: 44m along north boundary; 37m along east boundary; 47m along south boundary and 19m along east boundary. Approx 600m².

- This must include suitable drainage.

Budget:

- The majority of the cost of this project is to be covered by grant funding.
- Please outline your payment terms.

Timescale:

- All work is to be completed within 6 months of the contract being awarded. It will be preferable for the work to be carried out during the summer months (June/July/Aug). Practical completion date must be 01/09/2024.

Proposal:

- Please submit your project proposal including an overview of the stages of the process to complete the installation.
- This must include the cost;
- Types of track that you propose to satisfy all elements;
- Please also include required maintenance regimes;
- Along with any other relevant background information that you feel would be helpful.

Proposals should be submitted to: clerk@morwenstowparishcouncil.co.uk

Deadline for submission:

- Friday 5th April 2024 at 1700 hours. An appointment will be made in the week beginning: Monday 6th May 2024.
